b. When Official Leave involves the circumstances covered by Section 1, subsections B.4, B.5 or B.6 of this Article—after all accumulated compensatory time, vacation, healthcare leave (to the extent available to the employee for such use) and annual leave have been used;

c. When Official Leave is used for all other reasons—after all accumulated compensatory time and vacation accruals and/or the portion of the annual leave balance subject to 100% payoff have been applied toward the absence. Use of annual leave beyond the leave balance subject to 100% payoff shall be at the discretion of the employee, subject to the annual leave provision.

4. An employee shall give notice two (2) weeks prior to the date he or she wants to return to work, except that an employee returning from Family Leave shall give the lesser of two (2) weeks notice or the maximum notice allowable under applicable law. If an employee does not give the required notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the employee to work until the employee gives such notice; however, the agency/department may waive the notice or reduce the notice period at its discretion.

5. Except as to leaves which must be granted pursuant to sections 10, 11 and 15 of this Article, the agency/department shall: (a) indicate on the request its decision as to whether the request should be granted, modified or denied; (b) promptly transmit the request to the Chief Human Resources Officer; and (c) deliver a copy to the employee.

6. If the agency/department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

7. An Official Leave shall not be credited toward continuous service.

4. C. General Provisions – Discretionary Leave
a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee’s department only where the employee is unable to initiate such action.

c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5) business days of receiving the request, however this timeline may be extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall remain/return to work during this review process. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 96. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according
to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act
   a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.

   b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee’s spouse, son, daughter, or parent when the employee meets applicable requirements.

   c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

   d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act
   a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.
b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave, Sick/Healthcare, Vacation, Compensatory, and PIP balances, in that order.

5. Pregnancy Disability Leave

a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.

b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation, Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.
c. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave

a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

c. To qualify for Parenthood Leave, employees must meet the following conditions:

1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.

3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.
4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b., above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b., above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

7. Military Leave
   a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.
   b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.
   c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.
   d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.
   e. Military Leave shall be credited toward continuous County service.

8. Verification
   a. A request for Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the
reason for the request, the date when it is desired to begin the Leave of Absence, the date of return, and the required documentation supporting the request.

b. As a condition to the approval of a medical Non-Discretionary Leave of Absence, an employee will be required to furnish medical certification from the employee’s health care provider which states: (1) the date on which the Leave is to commence; (2) the date on which the Leave is to end; (3) that the employee cannot perform their duties because of the employee's own serious health condition.

c. To request Leave to care for another eligible person, an employee is required to furnish medical certification from the eligible person's health care provider with the same information listed in 8.a and 8.b, above and stating that the employee cannot perform their duties because the leave is required to care for the eligible person pursuant to applicable law.

d. Whenever possible, an employee shall give notice of the request for Leave at least thirty (30) days, or as soon as practicable, prior to the start of the requested leave.

e. Failure to provide satisfactory verification of the necessity for a Non-Discretionary Leave of Absence may be grounds for denial of the leave.

f. If the department modifies or does not approve a request for Non-Discretionary Leave of Absence, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

9. General Provisions – Non-Discretionary Leave

a. The twelve (12) month period for calculating Non-Discretionary leave entitlement will be based on the calendar year (January 1 to December 31).

b. Unless otherwise prohibited by state or federal law, Non-Discretionary Leaves of absence will run concurrently.

c. Any portion of the leave which is unpaid shall not be credited toward service hours.

C. Other Leaves of Absence
1. Leave for School and Child Care Activities

   a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue.

   b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

1.2. Bereavement Leave

   Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

   a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

   b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

   c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are...
circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.

c.d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee’s accrued balances and must meet eligibility requirements and conditions set forth in Article IV - Section 4, Section 1.B.8, Article V, or Article VI.

1. A request for a Leave of Absence shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the probable date of return.

2. A request for Leave of Absence Without Pay shall normally be initiated by the employee, but may be initiated by the employee’s agency/department only where the employee is unable to initiate such action, except in cases where the provisions of Section 11.A. apply.

Section 4. Official Leave for Nonoccupational Disability

A. A regular, limited-term or probationary employee shall be granted upon request an Official Leave of Absence Without Pay for up to six (6) months for a nonoccupational disability including disabilities related to pregnancy and childbirth provided that the employee meets the following conditions:

1. A medical statement setting forth the need for the leave, start date of the leave, the expected date of return and the period of disability shall be submitted with the Leave request.

2. Such Leave shall begin after all accrued healthcare leave, compensatory time, vacation time and/or annual leave have been applied toward the absence.

3. Unless otherwise required by law, the employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours or more. (This provision does not apply to pregnancy disability leave.)

4. For employees who are disabled because of pregnancy, as defined by state law, the County will maintain and pay for an eligible employee’s coverage under the County’s group health plan for the duration of the leave, not to exceed four (4) months over the course of a 12-month period, at the level and under the conditions that coverage would have been provided if the employee had continued in employment continuously for the duration of the leave.
B. If additional Leave is desired, the employee may request additional Leave in accordance with Official Leave, Section 3.B., above.

C. Unless otherwise required by law, an employee shall not be entitled to more than one (1) such Leave pursuant to this Section per twelve (12) month period.

Section 5. Absences Caused by Illness, Injury or Pregnancy

An employee who is absent from work for a period of more than fourteen (14) consecutive calendar days due to illness, injury or pregnancy shall not be permitted to resume work until, and unless, the employee obtains a medical clearance from a physician designated by the County.

Section 63. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee’s regular rate of pay for those hours of absence due to the jury duty which occur during the employee’s regularly scheduled working hours provided the employee deposits the employee’s fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 74. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee’s work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 85. Leave for OCEA Business

A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana.
Ana and attendance at the bi-monthly Board of Trustees meeting. In addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.

A. C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

1. A. OCEA shall make a request to the employee’s agency/department head at least ten (10) days in advance.

2. B. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

3. C. The services of such an employee are not immediately required by the County, and other competent employees are available to do the employee’s usual work.

Section 96. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 96.A., above, the County shall send written notice by certified mail to the employee’s last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. a statement of the County’s intention to implement the employee’s automatic resignation and its effective date;

2. a statement of the reasons for considering the employee to have automatically resigned;

3. a statement of the employee’s right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. a statement of the employee’s right to representation;

5. a copy of the automatic resignation provisions which apply to the employee;

6. a statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.

HP-53
C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for the employee to contact his or her agency/department; or 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.

E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absences is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the agency/department head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 10. Parenthood Leave

A. A regular, limited-term or probationary employee shall be granted, upon request, a Parenthood Leave Without Pay of up to six (6) months in connection with the birth or placement for legal adoption of a child provided the employee meets the following conditions:

1. The requested Leave is commenced within six (6) months before or after the date of birth or placement for legal adoption of the child.

2. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

3. Such employee has completed new probation.

4. All accrued vacation, compensatory time or annual leave subject to 100% payoff has been applied toward the absence.

B. Unless otherwise required by law, employees shall not be eligible for more than one (1) such Leave within any twelve (12) month period.
C. Healthcare leave or annual leave must be applied toward any portion of the absence which qualifies under Section 1.B.1. of this Article provided the employee has furnished the agency/department with a certificate signed by a licensed physician stating the nature of the medical condition and period of disability.

D. Pregnant employees may also apply for a Nonoccupational Disability Leave for the term of disability as provided in Section 4. of this Article.

E. Parenthood Leave shall not be credited toward continuous service.

F. For employees on Parenthood Leave, merit increase dates, probation periods and performance evaluation dates shall be treated as if the employee were on Official Leave.

Section 11. Workers' Compensation Leave

A. When an injury is determined to be job related in accordance with Article XII, a regular, limited-term or probationary employee shall be placed on Workers' Compensation Leave. If such determination cannot readily be made and all healthcare leave or annual leave subject to 100% payoff has been applied to the absence, the employee shall be placed on Official Leave until a final determination is made.

B. Workers' Compensation Leave shall continue until the employee:

1. is determined to be physically able to return to work and such medical determination, if disputed, is confirmed by Workers' Compensation Appeals Board; or

2. is determined to be physically able to return to work with medical restrictions which the County can accept and such determination, if disputed, is confirmed by Workers' Compensation Appeals Board; or

3. accepts employment outside the County; or

4. accepts employment in another County position; or

5. has been found to be permanent and stationary and is not rehabilitated as provided by law; or

6. is retired pursuant to Government Code provisions.

C. If practicable, an employee on Workers' Compensation Leave will give notice two (2) weeks prior to the date he or she wants to return to work. If an employee does not give two (2) weeks notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the
employee to work until such notice is given; however, the agency/department may waive the notice or reduce the notice period at its discretion.

Section 147. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee's absence imposes a hardship on agency/departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

HP-56
E. The employee's eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in Subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsections A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 458. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (824 hours maximum per fiscal year), compensatory and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 942. Leave for Attendance at Professional Conferences or to Conduct Professional Study

A. Employees may request five (5) working days leave with pay each fiscal year for attendance at professional conferences, or to conduct professional study (which may include home or web-based study), subject to the following conditions:

1. A request is made in advance on the Request to Attend a Conference Form or Request to Conduct Professional Study Form.

2. The conference or professional study is job related and qualifies for CEU credits if the incumbent's position requires certification or if the incumbent is a registered nurse.

3. The employee pays all costs connected with the conference attendance or professional study, including registration, meals, transportation and/or lodging, if any.

4. The conference or professional study is located in the United States.

5. The employee agrees to provide within two (2) weeks following the conference a comprehensive report on the event through channels to the agency department director with a copy to the Staff Development...
liaison (to include conference materials, handouts, etc.) and in the case of professional study, appropriate certification of CEU credits.

6. The employee's workload is current and his or her performance "meets" or "exceeds" performance expectations.

B. Attendance at conferences or requests to conduct professional study by eligible members of this Unit shall be scheduled throughout the fiscal year to avoid concentration of absences at the same time in the agency department or in the assigned unit.

C. Multiple requests to attend the same conference or conferences scheduled at the same time will be considered based upon availability of adequate caseload coverage in the applicable units, past record of conference attendance, and applicability of the conference to the specific work assignment of the employee.

D. Requests may be made for more than five (5) days Leave for attendance at a professional conference or to conduct professional study in any one (1) year under this provision; however, approval shall be at the discretion of the agency department.

1. Attendance at conferences outside of the United States will require approval of a department head.

Section 103. Nurse Continuing Education (CEU) Leave

A. Full-time, regular nurses may request time off without loss of pay of up to thirty (30) hours every two fiscal years for purposes of completing required hours of Continuing Education Unit (CEU) training. Part-time, regular nurses may request a pro-rated amount of time for this purpose, based on the number of hours regularly worked. This time off is subject to the following conditions:

1. A request for time off is made in advance following applicable department requirements.

2. The course is job-related and qualifies for CEU credit. However, if the requested course is to obtain CEUs towards maintaining the registration or licensure that is a requirement of the position the employee holds with the County, then the course content does not have to be directly related to the current assignment. However, the course must be eligible for CEU credit with the applicable licensure Board.

3. The employee pays all costs connected with obtaining the CEUs including registration, meals, transportation and/or lodging, if any.

4. The completion of the CEU course is in the United States.
5. The employee agrees to provide within two (2) weeks following course completion, appropriate certification of CEU credit.

6. The employee's workload is current and their performance “meets” or “exceeds” performance expectations.

Section 14. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on agency/departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.
D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee's eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in Subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsections A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 15. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (8 hours maximum per fiscal year), compensatory and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 16. Family Leave

A. General Provisions

1. Family Leave shall be granted to the extent required by law. The following provisions set forth certain of the rights and obligations with respect to this leave. Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this Section “family leave” under this Agreement shall mean leave pursuant to the FMLA and CFRA.

2. Family Leave may be used in the following situations:

   a. An employee's serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.
b. The birth of a child, and in order to care for the newborn child within one year of birth;

c. Placement of a child for adoption or foster care within one year of the placement.

d. An employee's presence is needed to attend to a serious health condition of the employee's child, spouse, parent or child of an employee standing in loco parentis (those with day-to-day responsibilities to care for and financially support a child).

e. Leave for a qualifying exigency arising out of the fact that the employee's spouse, registered domestic partner, child or parent is on covered active duty or called to active duty status in the Armed Forces.

f. Leave to care for a spouse, registered domestic partner, child, parent, or "next of kin" who is a covered servicemember of the Armed Forces who has a serious injury or illness incurred in line of duty while on active military duty or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces.

3. Employees must request and identify their need for Family Leave. The County and OCEA agree that certain other types of leaves available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.

4. Eligibility for Family Leave will be determined according to the requirements of applicable law.

5. Family leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a) – (d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. Where Family Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

6. Leave taken under the FMLA for a disability due to pregnancy shall run concurrently with leave taken under the California Pregnancy Disability Act (See Section 4 of this Article). A family member may also be entitled to an additional twelve (12) weeks of bonding time under the CFRA.

7. The twelve (12) month period for calculating leave entitlement will be based on the calendar year (January 1 to December 31).
8. When a request for Family Leave is approved, the agency/department shall determine whether annual leave, healthcare leave, compensatory leave, and/or vacation time is to be applied. Such determination shall be consistent with other leave provisions of this Agreement and shall give consideration to the circumstances and the wishes of the employee. The use of healthcare leave shall be restricted to those circumstances which qualify under the provisions of Article IV., Section 1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the agency/department with thirty (30) calendar days notice of his or her intent to take Family Leave.

2. If the event necessitating the Family Leave becomes known to the employee less than thirty (30) calendar days prior to the employee’s need for Family Leave, the employee must provide as much notice as possible. In no case shall the employee provide notice later than five (5) calendar days after he or she learns of the need for Family Leave.

3. For foreseeable leave due to a qualifying exigency, an employee must provide notice of the need for leave as soon as practicable, regardless of how far in advance such leave is foreseeable.

4. When the Family Leave is for the purpose of the scheduled medical treatment or planned medical care of a child, parent, spouse or registered domestic partner, the employee shall, to the extent practicable, schedule treatment and/or care in a way that minimizes disruption to agency/department operations.
C. Verification

1. As a condition to the approval of Family Leave, an employee may be required to furnish certification from the health care provider which states: (1) the date on which the condition commenced; (2) the probable duration of the condition; (3) an estimate of time that the employee needs to be off; (4) that the employee cannot perform his/her duties because of the employee's own serious health condition or that care is needed when the leave is for an eligible family member pursuant to applicable law.

2. Employees who request leave to care for a covered servicemember who is a child, spouse, registered domestic partner, parent or “next of kin” of the employee must provide written certification from a health care provider regarding the injured service member's injury or illness.

3. The first time an employee requests leave because of a qualifying exigency, the employee is required to provide the County with a copy of the covered military member's active duty orders or other documentation issued by the military which indicates that the covered military members is on active or called to active duty in a foreign country with the dates of active duty service. New active duty orders or similar documentation shall be provided to the County if the need for qualifying exigency leave arises out of a different active or call to active duty status of the same or a different covered military member.

4. Failure to provide satisfactory verification of the necessity for Family Leave is grounds for denial of the Family Leave.

Section 16. Leave Language Working Group

Upon adoption of the MOU, the County and OCEA agree to establish a working group to clarify language regarding Leaves of Absences, including streamlining language for understandability.
ARTICLE V  VACATION

Section 1.  Vacation Accrual

A. During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year). Part-time employees will earn vacation on a prorated basis. Such credit shall be applied to the employee’s vacation accrual account only upon completion of each pay period.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6,240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty [120] hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .077 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty [160] hours per year), under the same terms and conditions as under subsectionB., above.

D. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with less than ten (10) years of continuous County service shall be two hundred forty (240) hours. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be three hundred twenty (320) hours. An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

Section 2.  General Provisions

A. Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Section 2.C.

B. Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.
C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Section 1.C., D., and E.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee's County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Section 1.C., D., and E.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee's account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the agency/department, except in cases of emergency.

J. Illness while on paid vacation will be charged to Healthcare Leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.

K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.
M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the agency/department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.

Section 3. Vacation Cash Out

A. Vacation Cash Out Where Employee Has No Annual Leave Balances

1. After annual leave has been exhausted, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to twenty (20) hours each or one (1) increment of up to forty (40) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

2. After annual leave has been exhausted, during each fiscal year, employees in the following classes may request to be paid for accrued vacation in either two (2) separate increments of up to twenty five (25) hours each or one (1) increment of up to fifty (50) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. Vacation and Annual Leave Cash Out Where Employee Has Annual Leave

1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the
applicable cap (as set forth in Section 1.D. above) some time during the fiscal year unless the employee is able to cash out vacation time.

2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of eighty (80) hours each fiscal year, except if the employee has eighty (80) hours or more of accrued, unused Annual Leave balances, then they may cash out up to one hundred (100) hours of vacation each fiscal year.
ARTICLE VI  

ANNUAL LEAVE

The Annual Leave provisions shall apply to regular and limited-term employees hired on or after July 15, 1977, and before June 21, 2019.

Section 1.  Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Effective as soon as practicable following adoption of the MOU by the Board of Supervisors, employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 1.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

C. During the ninety (90) day period beginning thirty (30) days after the adoption of this MOU, employees will have a one-time opportunity to convert Annual Leave that has been accumulated prior to the implementation of this MOU to Healthcare Leave.

Section 2.  Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee’s personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee’s presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.

5. Absence from duty because: (1) the employee’s presence is needed to attend to the diagnosis, care, or treatment of an existing health condition.
of, or preventive care for, an employee or an employee’s family member; or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233, except as to extra help employees, who will be limited to three (3) days provided they meet the requirements set forth in the Healthy Workplaces, Healthy Families Act of 2014 (Labor Code sections 245-249). For purposes of this Subsection “family member” means child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).

For those extra help employees who qualify for paid healthcare leave under Labor Code section 246, the first three days or 24 hours, whichever is greater, of annual leave taken each 12 month period will be considered healthcare leave used pursuant to the Healthy Workplaces, Healthy Families Act of 2014. The 12 month period is July 1 through June 30 for employees hired prior to July 1, 2015. For employees hired on or after July 1, 2015, the 12 month period is the 12 month period beginning on the employee’s hire date.

6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the agency/department except in cases of emergency.
C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.

D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Deputy Sheriff-Emergency Service, Election Board Officer or Election Night Help.

E. Holidays which fall during an employee’s annual leave (vacation) period shall not be charged against the employee’s annual leave balance.

Section 4. General Provisions

A. In any use of annual leave, an employee’s account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.

Section 5. Payoff of Unused Annual Leave

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 40 hours of Annual Leave; an additional 40 hours may be requested, with its payout at the discretion of the Department/Agency Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 80 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment for the unused annual leave balance as provided below: HP-70
<table>

</thead>
<tbody>
<tr>
<td>Less than 3 years</td>
<td>160 hours maximum paid at 100%</td>

<td>A maximum of 1600 hours of the accrued annual leave balance has cash value. 320 hours are paid at 100%; the remaining balance, after the 320 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance.</td>
</tr>
</tbody>
</table>

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 240 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits specified in Article V, Section 1.D. Remaining hours, up to the accrual limits specified in Article V, Section 1.D, will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

D. An employee who is separating from County service by way of paid County retirement may elect either to take annual leave as time off, or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.
B. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.

B.
C. Except as provided in C., below, —
D. B. When a holiday other than Christmas Day falls on a Sunday, the next
day shall be observed as the holiday.

E.
F. When Christmas Day or New Year’s Day falls on a Sunday, the next day
(Monday) shall be observed as the holiday unless an employee is required to
work on December 25 or January 1, respectively, as part of his or her normal
work schedule. In such cases the employee may, with agency/department
approval, observe the holiday on December 25 or January 1, respectively.
Under no circumstances shall an employee receive holiday compensation for
both December 25 and the following Monday, or for both January 1 and the
following Monday.

B.
C. Except as provided in C., below,
D. When Christmas Day or New Year’s Day falls on a Saturday, the Friday
immediately preceding shall be observed as the holiday unless an employee is required to
work on December 25 or January 1, respectively, as part of his or her normal work schedule. In such cases the employee may, with agency/department approval, observe the holiday on December 25 or January 1, respectively. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding, or for both January 1 and the Monday immediately preceding.

D. Employees in the classification of Veterinarian who are required to work on
the holiday will be permitted to observe the holiday on a Saturday when it
falls on a Saturday or on a Sunday when it falls on a Sunday.

Section 2. Eligibility for Holiday Pay
A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.

C. An employee who elects paid County retirement on a holiday shall be paid for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay

A. On each of the holidays designated above, each full-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee's basic hourly rate for each regularly scheduled hour of work for that day. For employees on a 9/80 schedule, if the holiday falls on the employee's regularly scheduled 8 hour day, the employee shall receive eight (8) hours pay, computed at the employee’s basic hourly rate. A part-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work to a maximum of eight (8) hours of holiday pay.

B. Compensation for Holidays Falling on Scheduled Days Off

1. When a holiday falls on a full-time employee's regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.

2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

C. Compensation for Work on Holidays

1. An employee who is required to work on Columbus Native American Day, Veteran's Day, Day after Thanksgiving, Martin Luther King, Jr.'s Birthday, Lincoln's Birthday or Washington's Birthday and who meets the eligibility requirements contained herein shall receive his or her
regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee's basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay as provided in C.1. or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.

E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

D. Holidays which fall during an employee's vacation period shall not be charged against the employee's vacation or annual leave balance.

E. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

F. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII  REIMBURSEMENT PROGRAMS

Section 1.  Mileage Reimbursement

A.  Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1.  Except as provided in A.2., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

2.  For an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

3.  There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

4.  Effective January 1, 2006, employees who drive two-hundred fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

B.  An employee who is required by the County to furnish a privately owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars.  The minimum shall not apply in any month:

1.  in which the employee has not actually worked eighty (80) hours;

2.  unless the employee claims the ten (10) dollar minimum and the agency/department certifies that the employee was required to use a privately owned vehicle on County business.

Section 2.  Personal Property Reimbursement

Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee.  The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article.  Reimbursement for a watch shall be limited to the functional value of the watch.
Section 3. Educational and Professional Reimbursement
Effective the first full day of the first full pay period following adoption of the MOU, the maximum reimbursement that may be received by eligible employees in one fiscal year shall be $10,000. Terms and conditions for this reimbursement are set forth in the Personnel and Salary Resolution (PSR).

Section 4. Boots

A. A Department Head may authorize the provision of safety work boots for employees who are required to furnish their own safety work boots up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher, or a reimbursement per the following:

1. As a result of their duties, the employees are required to wear safety compliant work boots.

2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.

4. If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.

5. The department is able to absorb any increased costs within its existing budget.

6. Employees are only entitled to receive one form of safety work boot provision (i.e., stipend, boot mobile, voucher or reimbursement per fiscal year or as otherwise described above).

B. Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classifications who are required to wear compliant protective footwear.

A. The parties agree to establish a working group to identify additional classifications or to develop a policy for identifying classifications and/or positions qualifying for safety boot reimbursement.
B. During the first year of this contract, a Department Head in conjunction with Risk Management may authorize provision of safety work boots through a boot-mobile, voucher, or a reimbursement of a maximum of $150 per fiscal year for additional positions/employees that as a result of their duties are required to wear safety compliant work boots on a regular basis.
ARTICLE IX  DISCIPLINARY ACTION

Section 1.  Reprimand and Substandard Performance Evaluation

A. No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B. A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure. Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2.  Emergency Suspensions of Five Days or Less

A. In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

1. whenever practicable, be given an opportunity to respond to the proposed suspension to a designated agency/department representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

2. be informed of the employee's right to representation in the response;

3. be informed of the employee's right to appeal should the proposed suspension become final.

B. In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3.  Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A. In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action. Such written notice shall contain:

1. a description of the proposed action and its effective date(s);
2. a statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;

3. copies of material on which the proposed action is based;

4. a statement of the employee’s right to respond, either orally or in writing, prior to the effective date of such proposed action;

5. a statement of the employee’s right to representation;

6. a statement of the employee’s right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee’s option, to a designated agency or department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2., above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4. and 5. of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6. of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.

HP-81
C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.

Section 5. Reduction

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. Discharge and Right of Appeal

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. Polygraph Examination

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.

Section 8. Investigatory Meetings
A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and

2. A statement of the employee's right to representation.

B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X  GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A.  A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee's wages, hours or conditions of employment.

B.  Specifically excluded from the scope of grievances are:

1.  subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2.  matters which have other means of appeal;

3.  position classification;

4.  performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2.  Basic Rules

A.  C.  If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B.  If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C.  If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure. By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D.  The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, agency/department-wide or County-wide basis in an emergency situation. OCEA may appeal this decision to the Board of Supervisors.
I. 

D. 

E. E. A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation. The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office. The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation. Once the EEO Office has completed the intake, review, and if applicable, investigation, the grievant/appellant and, if applicable, the OCEA representative shall be notified in writing and the time limits for processing the grievance shall resume, unless timelines are extended by mutual agreement.

J. Upon written consent of the parties (i.e., the representatives of the County and the employee or his or her representative), the time limits at any step in the procedure may be extended.

F. 

K. F. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

G. 

L. G. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

H. 

M. I. H. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.
B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure. An employee is not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing. Provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the grievance process and/or arbitration hearing.

B. Authorized grievance/appeal representatives shall be regular employees in the same agency/department or Representation Unit as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify agency/department heads of the names and titles of such representatives and send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;
2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and

   b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

| Step 1: Agency/Department Head |
An employee may formally submit a grievance to the agency/department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the agency/department head or his or her designee(s) shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

**Step 2: Chief of Employee Relations**

If the grievance/appeal is not settled under Step 1 and it concerns:

a. an interpretation or an application of this Memorandum of Understanding;

b. a performance evaluation rating of “does not meet performance objectives”;

c. deferral or denial of a merit increase, or a dispute about the number of steps granted; or

d. a written reprimand; or

d-e. A release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3; or

e-f. a release from promotional probationary release alleging discrimination pursuant to Article III, Section 1.C.3;

Items a., b., c., or d., above, it may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, or Appeal of a suspension and/or a reduction ordered by an agency/department head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in B., C. and D., above, shall be final and binding and shall not be referable to arbitration.

**Section 8. Referrals to Arbitration**

HP-88
A. A. Grievances

1. 1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. 2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. B. Disciplinary Appeals

1. 1. Submission Procedure

   a. a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.

   b. b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.

   c. e. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing.

   d. d. The issues in all disciplinary appeals shall be: Was [employee’s name] suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. Of the MOU?

   e. e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. 2. Findings of Facts and Remedies

   a. a. Findings of Facts
An arbitrator’s decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

b. **Remedies -- All Disciplinary Actions (Other than Discharge)**

1. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

2. **Suspensions/Reductions**

   If the action is modified or rescinded, the appellant shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator’s decision.

c. **Remedies -- Discharges**

1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. **Probationary Releases Alleging Discrimination**

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.

   a. Was the probationary release of (employee’s name) in whole or in part the result of discrimination in violation of Article XVIII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?

   b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?
2. **Findings of Facts and Remedies**

   a. **In the event the arbitrator finds no violation of Article XVIII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.**

   b. **In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee’s probationary release, the grievance shall be denied and the issue of remedy becomes moot.**

   c. **In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator’s award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:**

      1. **The probationary release may be sustained.**

      2. **The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.**

      3. **The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.**

D. **General Provisions**

   1. **Except as otherwise required by law, the cost of an arbitrator all costs of arbitration shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVIII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.**

   2. **Grievance/Appeal hearings by an arbitrator shall be private.**

   3. **Arbitration appeal hearings of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary.**
Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:

   a. Oral evidence shall be taken only on oath or affirmation.

   b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.
8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs and transcripts whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a suspension.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may mutually agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI   LAYOFF PROCEDURE

Section 1.   General Provisions

A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B. This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.

C. When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) agency/department are transferred to another agency/department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.

D. Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.   Order of Layoff

A. When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their agency/department head shall be laid off in an order based on consideration of:

1. employment status,

2. past performance,

3. length of continuous service with the County.

B. Layoffs shall be made by class within an agency/department except that:

1. Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

2. Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of an agency/department.
C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Agency/Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Agency/Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Probationary</td>
<td>Layoff Points</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the agency/department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last “Performance Evaluation Report,” for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class.
Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee’s hire date, the employee’s layoff points, a list of classes in the employee’s occupational series within the layoff unit, the employee’s rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their agency/department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their agency/department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their agency/department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her agency/department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee’s right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

The names of persons laid off shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.
2. **Persons Who Exercise Their Rights Under Section 5**

The names of persons who exercise their rights under Section 5 shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6**

The names of persons who were voluntarily reduced under the provisions of Section 6 shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the AGENCY/DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

**B.** The names of persons laid off shall be placed on the COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

**C.** Names of persons placed on the AGENCY/DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:
1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.

3. An employee who, upon retirement, signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.

D. In the event two (2) or more agencies/departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/department to another agency/department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee's account when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and HP-99
1.B.2. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII  ON-THE-JOB INJURY, WORKERS' COMPENSATION SUPPLEMENT PAY

Section 1.  Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq.

Section 2.  Workers' Compensation Supplement Pay

A. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.

B. Workers' compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued healthcare leave, compensatory time, annual leave and/or vacation, in that order.

C. While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any healthcare leave, compensatory time, annual leave or vacation time previously accumulated by the employee. The employee shall not accrue healthcare leave, annual leave or vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.

D. When an injury is determined to be job-related by the County or by the Workers' Compensation Appeals Board, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the fourth day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the first day of disability shall be restored to the employee's account(s).

E. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered County service for merit increase eligibility and completion of the probation period.
F. When an employee is no longer entitled to receive workers' compensation supplement pay, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph A., above.

G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee's option, in that order.
ARTICLE XIII SAFETY

Section 1. General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A. No employee shall be required to work under conditions dangerous to the employee's health or safety.

B. The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F. Wherever practicable, the County shall provide the necessary first aid kits in each location.

G. Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.
Section 2. Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the employee's agency or department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.

Section 3. Abatement of Violations

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4. Safety Representatives

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.

2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

HP-104
3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:
   
   a. the Safety Representative checks in and checks out with the supervisor of the unit; and
   
   b. he or she does not unduly interfere with the work of the unit.

Section 5. Resolution of Safety or Health Complaints

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV   UNIFORMS AND SPECIAL EQUIPMENT

Section 1. Uniforms

The County will continue the current system of providing and/or laundering uniforms for employees in the Unit who are currently provided uniforms.
ARTICLE XV  OCEA AND EMPLOYEE RIGHTS

Section 1.  Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2.  Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3.  Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, agency/department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4.  Use of Bulletin Boards

Space shall be made available to OCEA on agency/departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the agency/department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5.  Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII  NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by state and federal law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII   POSITION CLASSIFICATION

Section 1.  The Establishment of New Classes

The County will provide OCEA an information copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2.  Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3.  Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to his or her agency/department head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate agency/department response to an employee's request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Human Resources Department with a recommendation that a classification study be conducted.

a. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration.

b. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not
agree with the County's decision, the employee may submit the request to OCEA.

Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

a. If the study is justified and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

b. If the study is justified, and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

c. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.
Section 5. **Review of Disputed Position Classification Decisions**

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.

B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3., above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX  INSURANCE

Section 1.  Health Plans and Premium Contributions

A.  Full-Time Employees

1.  Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all full-time regular, limited term, and probationary employees and their eligible dependents.

2.  The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a.  Employee Only Coverage – eighty-five (85) percent of the employee's premium or ninety (90) percent of the employee's premium if the employee completes the Wellness Incentive program;

   b.  Employee and Dependent Coverage - seventy (70) percent of the total health plan premium for each employee and such employee's eligible dependents or seventy-five (75) percent of the employee's premium if the employee completes the Wellness Incentive program.

   c.  Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3.  Employees who elect the Sharewell Choice PPO plan will not only have their insurance premium fully paid by the County but will also receive a payroll credit per plan guidelines. In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4.  The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

B.  Part-Time Employees

1.  Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all part-time regular, limited term, and probationary employees. Enrollment of part-time employees shall be restricted to employees whose normal workweek consists of at least twenty (20) hours.
2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee’s premium if the employee completes the Wellness Incentive program;

   b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37 ½) percent of the total health plan premium, for each employee and such employee’s eligible dependents if the employee completes the Wellness Incentive program.

   c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

   a. Employee Only Coverage – one hundred (100) percent of the premium;

   b. Employee and Dependent Coverage – per subsection B.2.b above

   In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

C. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of employee and dependent coverage for each EME. EME dependents are not
required to participate in the Wellness Incentive program. Employees must report any subsequent changes in marital status, such as legal separation or divorce, within 30 days of the event. Failure to report legal separation or divorce from a covered spouse shall require repayment of all premiums paid by the County under this program during the period in which the employees were ineligible due to legal separation or divorce.

D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

E. For employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV, Section 45 and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. **Health Plan Enrollment**

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will

HP-115
become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.

B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees’ eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund administered in compliance with applicable state and federal law, for the purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said trust fund. The County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law.
C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.

D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees, attorneys, agents, advisors and representatives harmless from any claims or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500.

2. The annual report shall include the following information:
   
   a. the actual cost of benefits provided by the trust fund;
   
   b. member contributions to the cost of benefits provided by the trust fund;
   
   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);
   
   d. a summary of other trust fund expenditures; and
   
   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County's written request or the report's completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. **Premium Only Plan**
The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee's gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided health insurance coverage, as permitted by state and federal law, regulations, and guidelines.

Section 5. Retiree Medical Plan

A. Retiree Medical Grant

Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan (“the Plan”) for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 reopener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered retiree health insurance plan and/or Medicare premiums as provided below.

   a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.
b. The Grant will be adjusted as follows:

1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than age 60, based upon the employee's age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the employee's age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

4. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

c. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or to enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.
B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006, who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regular paid hours immediately preceding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the Retiree Medical Plan Document, shall be eligible for the Grant. Employees who are employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, shall have been given the option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.
The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.

Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of service or actual years of credited County service, whichever is greater.

b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

c. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.

d. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.
3. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. Survivor Benefits

1. A surviving dependent of a retiree who was eligible to receive a Grant and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) will be made available for current and future employees in these bargaining units. The County and the HRA administrator, HP-122
with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.

2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.

Section 6  Reopener

Reopener as a Result of the ACA

The County may reopen negotiations on this Article¹ and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

¹ Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
ARTICLE XX  DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.

HP-124
ARTICLE XXI     RETIREMENT

Section 1. Retirement Benefit Levels

A. For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered "Legacy Members" of OCERS within the Meaning of the Public Employees' Pension Reform Act of 2013 ("PEPRA").

1. Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. This retirement benefit formula is commonly known as the "2.7% at 55" benefit formula.

   a. For employees hired on or before September 20, 1979 the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.

   b. For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee's highest three (3) years of compensation per Government Code section 31462.

2. 1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.

   a. Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the "2.7% at 55" benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the "1.62% at 65" benefit formula) for future County service.

   b. In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the "2.7% at 55" benefit formula and shall make the employee retirement contributions established for that benefit formula.
c. In the event an eligible employee elects the “1.62% at 65” benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

   a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

   b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

   c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

   d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

   e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C. below

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions pursuant to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, ie., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full...
reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

3. Reduction in Reverse Pickup

a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

d. Effective July 2, 2021, reduce Reverse Pickup by an additional
1.2% for a total fixed ongoing 3.6% reduction of the employee's paid reverse pickup.

e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.

Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010, the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the “DC Plan”) to those employees who are covered by the “1.62 at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the DC Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the DC Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the DC Plan(s) and the County contributions to a Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII    SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Healthcare Professional Unit for classes in effect on June 24, 2019, 2023. Said classes are listed in Appendix A.
ARTICLE XXIV  FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1.  Dependent Care Reimbursement Account (DCRA)

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2.  Health Care Reimbursement Account (HCRA)

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV PERFORMANCE INCENTIVE PROGRAM (PIP)

Section 1.

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year.

All other performance management components of PIP remain in effect.
ARTICLE XXVI  LABOR MANAGEMENT COMMITTEES

Section 1. Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of agency/department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for agency and department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:

1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;

2. Has County-wide impact; or

3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.
Section 2.  Structure

A.  The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA.  Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.

B. 1. Every agency/department shall have an LMC.

2. The agency/department LMC structure shall consist of management representatives selected by the agency/department and employee representatives selected by OCEA.  The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each agency/department LMC shall have two sponsors who may or may not be members of the LMC: the agency/department head and a representative designated by OCEA.  The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3.  Time Off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4.  Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change.  Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues.  An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.
D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the agency/department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.

D. Any issue which is not resolved by the agency/department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII  SALARY

1. Effective the first day of the first pay period following adoption of this 2023-2026 MOU, the salary scheduled will be increased by 2.504.75%.

2. Effective July 3, 2020June 28, 2024, the salary schedule will be increased by 2.504.25%.

3. Effective July 2, 2021June 27, 2025, the salary schedule will be increased by 2.504.00%.

4. Effective July 1, 2022, the salary schedule will be increased by 3.5%.
ARTICLE XXVIII DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Section 1. Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

SIDE LETTER AGREEMENT TO THE 2023-2026 COUNTY MEMORANDA OF UNDERSTANDING BETWEEN THE COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION

June 27, 2023

This document serves as a Side Letter Agreement modifying the 2023-2026 Memoranda of Understanding (“MOUs”) between the County of Orange (“County”) and the Orange County Employees Association (“OCEA”) for the Community Services Unit, County General Unit, Healthcare Professional Unit, Office Services Unit, Sheriffs Special Officer Unit, and the Supervisory Management Unit. This Side Letter shall be effective beginning with the first day of the first full pay period after adoption by the County’s Board of Supervisors.

This agreement reestablishes the Insurance Working Group to discuss the redesign of the Wellness Credit program, how employees earn their 5% credit, and reducing the cost of health insurance.

Other bargaining groups and stakeholders (e.g., Teamsters, IUOE, AFSCME, OCMA, OCAA, unrepresented employees) may also be invited to participate in the working group. Each party may have up to five (5) members as representatives serving on the working group.

COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION
MEMORANDUM OF UNDERSTANDING

2023 - 2026

COUNTY OF ORANGE

AND

THE ORANGE COUNTY EMPLOYEES ASSOCIATION

FOR THE

OFFICE SERVICES UNIT

This Memorandum of Understanding adopted by the Board of Supervisors on June 27, 2023, sets forth the terms of agreement reached between the County of Orange and the Orange County Employees Association as the Exclusively Recognized Employee Organization for the Office Services Unit for the period beginning June 30, 2023 through June 25, 2026. Unless otherwise indicated herein, all provisions shall become effective June 30, 2023.
DEFINITIONS

The following terms as used in this Memorandum of Understanding shall, unless the context clearly indicates otherwise, have the respective meanings herein set forth:

BOARD shall mean Board of Supervisors of the County of Orange.

CHIEF HUMAN RESOURCES OFFICER shall mean the Chief Human Resources Officer or his or her designee.

CHIEF OF EMPLOYEE RELATIONS shall mean the Chief of Employee Relations, or his or her designee.

CONTINUOUS SERVICE shall mean employment in a regular position which has not been interrupted by resignation, discharge or retirement. Leaves of Absence where the employee has balances posted shall be credited toward continuous service.

COUNTY shall mean the County of Orange and special districts governed by the Board of Supervisors.

DISABILITY RETIREMENT shall mean a service or non-service connected disability retirement pension under the Orange County Employees Retirement System.

EMERGENCY means an unforeseen circumstance requiring immediate action, a sudden unexpected happening, an unforeseen occurrence or condition, a pressing necessity.

EMPLOYEE shall mean a person employed by the County and covered by terms of this Memorandum of Understanding, except where the natural construction of this Memorandum of Understanding indicates otherwise.

FULL-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours equal those of a full workweek or work period as described hereinafter.

HEALTHCARE or HEALTHCARE LEAVE shall mean and be synonymous with the terms, “sick” and/or “sick leave.”

LIMITED-TERM EMPLOYEE shall mean an employee employed in a limited-term position except where a regular position is converted to a limited-term position, the incumbent shall retain his or her former status. As an exception to this definition, a limited-term employee may also be used to fill a regular position when the incumbent employee is on a Leave of Absence.

LIMITED-TERM POSITION shall mean a position which the County has determined has no anticipated long-range funding or has uncertain future funding.

PART-TIME EMPLOYEE shall mean an employee employed in one (1) or more
regular or limited-term positions whose normally assigned work hours do not equal those required of a full-time employee.

PERSONAL BUSINESS shall mean a foreseeable personal event or circumstance which necessitates the employee's absence from County duty. Personal Business leave must be requested in advance by the employee and be preapproved by supervision or management.

PERSONAL EMERGENCY shall mean an event or circumstance of a serious nature which is beyond an employee's control and which necessitates the employee's absence from County duty, including, but not limited to, those events and circumstances which require the employee's prompt attention to avoid possible financial loss to, or damage to the health of, either the employee or a member of his or her household.

PRACTICABLE means feasible; reasonably able to accomplish.

PROBATIONARY EMPLOYEE shall mean an employee who is serving a probation period and is employed in a regular or limited-term position.

PROMOTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step on the new salary range is at least one (1) full step higher than the maximum step of the old salary range.

REASSIGNMENT shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class on the same salary range or to a class where the maximum step on the new salary range is less than one (1) full step higher or lower than the maximum step of the old salary range.

RECRUITING STEP shall be the first step of the salary range allocated to a class unless otherwise authorized by the Board or the Chief Human Resources Officer.

REDUCTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step of the new salary range is at least one (1) full step lower than the maximum step of the old salary range.

REGULAR EMPLOYEE shall mean an employee who is not on probation and is employed in a regular or limited-term position.

REGULAR POSITION shall mean a position established on a permanent year-round basis requiring work on a regular schedule unless otherwise authorized by minute order of the Board.

SENIORITY shall mean total continuous full-time equivalent service as a regular employee.

Y-RATE shall mean a pay rate outside of the assigned salary range of a class.
ARTICLE I  WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1.  Workweek

A. The official workweek for full-time employees in classifications designated as non-exempt from FLSA shall be forty (40) hours. The workweek shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight except for employees working an alternate schedule, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different workweek may be designated. Work ordered and performed in excess of forty (40) hours actually worked in a workweek, or eighty (80) hours worked in the pay period for employees in FLSA exempt classifications, shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek, or eighty (80) hours of paid time in the pay period for employees in FLSA exempt classifications, in accordance with an emergency declared by the Board of Supervisors, activation of the County’s Emergency Operations Center (EOC) or Department Operations Center (DOC), shall be overtime.

1. Employees shall receive compensation on a biweekly basis. The pay period for employees in specified agencies, departments or divisions shall start on a Friday and end on the second Thursday thereafter.

2. Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period and scheduled days off shall fall on at least two (2) consecutive calendar days. Alternate work schedules shall not be implemented without the County and OCEA first negotiating and attempting to reach agreement on such hours of work for each division or work unit in each department proposing implementation of such alternate work schedules.

B. The County agrees to give employees a seven (7) calendar day advance notice of a shift change whenever practicable.

C. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.

D. The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

E. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee's work period as defined in A., above, except on authorized overtime.
F. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by an department.

1. Upon written request by OCEA, the County agrees to study the feasibility of establishing work schedules consisting of either:

   a. four (4) ten (10) hour workdays per week;

   b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or

   c. flex time.

2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.

3. OCEA agrees not to request more than twelve (12) such studies concurrently for the combined units represented by OCEA and no more than three (3) concurrently for each department.

4. The County agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

G. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee’s regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the department work beyond the normal workday, workweek or work period is required, the department will notify any employee who may be asked to perform such overtime of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) in the employee’s designated workweek for classifications designated as non-exempt from FLSA or eighty (80) in FLSA exempt classifications, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.
2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.

3. The County and OCEA may meet and confer and, in so doing, shall attempt to reach agreement, regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Section 2.B.2., above.

B. Payment for Overtime

1. Overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. For all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the department. Consideration shall be given to effectuating the wishes of employees. The maximum number of CTO hours which may be accrued by any employee is eighty (80). If an employee accrues 80 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

3. Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by his or her department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

4. No scheduled compensatory time off will be cancelled except in cases of emergency.

5. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

6. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with the requirements of the department, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending
of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal wash-up and changing clothes.

Section 4. Exclusions from Workweek and Overtime Provisions

Clerical employees of individual members of the Board of Supervisors shall work such hours as directed by the Supervisor appointing them and shall not be subject to any of the provisions of Section 1. 2. or 3.

Section 5. Premium Pay

A. Night Shift Differential

1. An employee who works an assigned night shift shall, in addition to his or her regular salary, be paid a night shift differential for each hour actually worked on the assigned night shift.

2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential.

3. The rate of night shift differential shall be five (5) percent of the employee's basic hourly rate with a minimum of sixty (60) cents per hour and a maximum of one (1) dollar and fifty (50) cents per hour.
B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) refrain from activities which might impair his or her ability to perform assigned duties.

C. Call-Back Pay

1. When an employee returns to work because of a departmental request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Call-back shall be paid at one and one-half (1 1/2) times the regular rate.

3. There shall not be any duplication or pyramiding of rates paid under this Section.

4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.

5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.

6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. Bilingual Pay

1. Qualified employees who meet the following criteria shall receive an additional forty (40) cents per hour (approximately sixty-nine [69] dollars per month) for all hours actually paid. This will not apply to the class of Interpreter.

   a. An employee must be assigned by departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.
b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.

c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.

2. Bilingual pay shall not apply to workers' compensation supplement pay.

3. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the department head, who will consider it according to:

   a. department need;

   b. availability of a qualified replacement; and

   c. availability of another suitable assignment for the requesting employee.

4. Upon the agreement of the County and OCEA, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

E. Jail Salary Supplement

1. An employee who is permanently assigned to the Central Jail/Intake/Release Center (including Correctional Medical Services), Headquarters Records, Warrant Bureau, Theo Lacy Branch Jail or James Musick Facility shall, in addition to his or her biweekly salary, be paid an additional seventeen (17) cents per hour (approximately thirty [30] dollars per month) for all paid hours until the new rate below is effective.

   Effective as soon as practicable following adoption by the Board of Supervisors on or after June 30, 2023, and to be implemented following completion of an audit within 90 days to confirm only qualifying positions within eligible classifications and assigned to work in a correctional setting are receiving the premium pay, eligible employees will be paid an additional seventy-five cents ($0.75) per hour (approximately one hundred thirty dollar [$130] per month) for all hours paid.

2. This salary supplement shall not apply to workers' compensation supplement pay, or be used as a base rate for overtime, other premium pay, etc., unless otherwise required by law.
ARTICLE II  PAY PRACTICES

Section 1.  Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2.  Pay for New Employees

A.  A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B.  Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C.  The department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the department head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant’s previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D.  Upon recommendation of the department head, the Chief Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E.  

1.  The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2.  If a recruiting step is decreased, incumbents of the class will be unaffected.

3.  If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.B. for new employees.

4.  Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.
Section 3.            Merit Increase Within Range

A. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the department head.

B. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class.

When an employee is absent from work and not posting personal leave balances (with the exception of Military Leave), the merit increase eligibility date shall be extended by the number of days the absence exceeds the Department Leave and rounded to the first day of the first full pay period. Subsequent merit increase eligibility dates shall fall on the first day of the pay period following the completion of fifty-two (52) week intervals after the extended merit increase eligibility date.

A suspension shall cause the merit eligibility date to be extended by the total number of calendar days equal to the suspension and rounded to the first day of the first full pay period.

A military leave, paid or unpaid, shall not result in the extension of a merit increase eligibility date.

C. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase eligibility date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

D. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of “meets performance objectives” shall earn a two-step increase.

E. If, in the department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance
might be productive, the department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee’s merit increase eligibility date shall not be changed by such deferral.

F. Should an employee’s merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee’s merit increase eligibility date.

Section 4. Salary on Promotion

A. Except as modified by B. and C below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class, except that the employee will retain their former merit increase eligibility date if the promotion was the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee’s merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships and position responsibilities, and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. Salary on Reassignment

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee’s salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee
had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B to a class on a different salary schedule, the employee’s salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

Section 6. Salary on Reduction

A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.B., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee’s department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit
increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change, except if the reduction is the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. **Salary on Reclassification**

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.
Section 8. **Salary on Reemployment**

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer, be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. **Changes in Salary Allocation**

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XIX.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. **Additional Compensation**

Notwithstanding anything in this Memorandum of Understanding to the contrary when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 11. **Salaries of Employees of Members of the Board of Supervisors**

The Board of Supervisors may at any time change the salary ranges for the classes of Executive Clerk I, II and III and Executive Secretary. The step placement on a salary range for clerical employees shall be determined by the Board member appointing them and may be changed at any time by the Board member.
Section 12.  Paycheck Deposit

A. The County will permit an employee to authorize automatic deposit of his or her Paycheck to a financial institution of the employee’s choice, if and when the Chief Human Resources Officer and Auditor-Controller determine it is feasible.

B. Employees hired after June 29, 2001 will be required to authorize automatic deposit of his or her paycheck to a financial institution of the employee’s choice.

Section 13. Classification and Compensation Studies

The County agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year.
ARTICLE III   GENERAL PERSONNEL PROVISIONS

Section 1.  Probation

A.  New Probation

1.  Full-Time Employee

   A new or reemployed employee in a regular or limited-term position shall be placed on a new probation period for twenty-six (26) weeks from the date of appointment and ending with the first day of the pay period following completion of said period.

2.  Part-Time Employee

   A new or reemployed part-time employee in a regular or limited-term position shall be placed on a new probation period for one thousand forty (1040) paid hours exclusive of overtime ending with the first day of the pay period following completion of said period.

B.  Promotional Probation

1.  Any regular or limited-term employee who is promoted, excluding a temporary promotion, shall be placed on promotional probation except as provided in section B.2., below.

   a.  A full-time employee shall serve a probation period equal to the time period of the initial probation ending with the first day of the pay period following completion of said period.

   b.  A part-time employee shall be placed on promotional probation for one thousand forty (1040) paid hours, exclusive of overtime, ending with the first day of the pay period following completion of said period.

2.  When a regular or limited-term employee is promoted as a result of the employee's position being reclassified to a higher class and the class from which the employee is promoted is subsequently deleted or abolished or if the reclassification occurred as the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B, the incumbent employee shall not serve a promotional probation period.

3.  When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's department head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.
C. **Failure of Probation**

1. **New Probation**

   An employee on new probation may be released at the sole discretion of the department at any time without right of appeal or hearing, except as provided in C.3., below.

2. **Promotional Probation**

   a. An employee on promotional probation may be failed at any time without right of appeal or hearing, except as provided in C.3., below, and except that failing an employee on promotional probation must not be arbitrary, capricious or unreasonable.

   b. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

   c. When an employee fails his or her promotional probation, the employee shall have the right to return to his or her former class provided the employee was not in the previous class for the purpose of training for a promotion to a higher class. When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position, other than at the direction of the employee's department head, shall not have the right to return to his or her former class.

   d. If the employee's former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.

3. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within ten (10) days after receipt of notice of failure of new probation.
D. **General Provisions**

1. When an employee's record consists of a combination of full-time and part-time service in regular or limited-term positions, except as provided in Section 4.D., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal fifty-two (52) weeks.

2. When an department head or his or her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended, except as provided in Sections 1.D.4. and 5. of this Article, below, and an employee who is permitted by the department to work beyond the end of a probation period shall be deemed to have passed such probation period.

3. An employee who is on probation may not transfer from one (1) department to another in the same class without the approval of the Chief Human Resources Officer.

E. **Extension of Probation Periods**

1. When an employee is absent from work and is not posting leave balances, the new hire and promotional probation periods shall be extended by the number of calendar days the absence exceeds the Department Leave and rounded to the first day of the first full pay period.

When an employee is absent from work for more than 30 calendar days, the new hire and promotional probation periods shall be extended by the number of days the absence exceeds 30 calendar days and rounded to the first day of the first full pay period.

An employee who is on Administrative Leave with Pay or suspended shall have their probation extended by the length of the Administrative Leave with Pay or suspension, and rounded to the first day of the first full pay period.

2. The Chief Human Resources Officer shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of
Supervisors.

3. With the mutual agreement of a new probationary employee and his or her department, the employee's new probation period may be extended at the sole discretion of the Chief of Employee Relations for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief of Employee Relations before the normal probation period is completed. In such cases, the department shall advise OCEA in writing regarding the extension of probation as soon as practicable.

Denial of a request to extend a probation period shall not be subject to appeal or hearing.

Section 2. Performance Evaluation

A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee. Any written response by the employee to the performance evaluation shall be attached to such evaluation in the official personnel files.

Section 3. Contents of Personnel File

A. Adverse statements prepared by the County shall not be included in an employee's official personnel file unless a copy is provided to the employee.

B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.

C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

D. Letters of reference and reports concerning criminal investigations concerning the employee shall be excluded from the provisions of B. and C., above.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a
permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief of Employee Relations and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the department head shall become a limited-term regular employee.

C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of annual leave, vacation and health care leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to permanent funded positions, maintain their original hire date for purposes of annual leave, vacation and health care leave accrual, retirement, layoff and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in section E., below.

E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the department head shall retain their former status and retain their layoff benefits in their former layoff unit. The department head shall make such an order in writing prior to the date of transfer or promotion.

Section 5. Temporary Promotion

A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such
employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. An department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours, but not to exceed eighteen (18) months.

C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6. Reemployment of Employees on Disability Retirement

A. The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.

B. Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status. They will remain on such list for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:

1. a person appointed to a regular position in the County service shall be removed from the list;

2. a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

3. a person who on three (3) separate occasions, declines referral for interviews in a class for which he or she is qualified shall be removed from the list.

Section 7. Reemployment of Regular Employee
A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on departmental leave for such period of time.

Section 8.  **Time Off for Selection Procedures**

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one (1) department to another.

Section 9.  **On-Duty Meals**

The County shall provide meals to personnel employed in residential care institutions and Probation Department juvenile institutions who are required to be on duty through their own meal period and to take their meals while supervising the activities of the residents.

Section 10.  **Clerical Employees of the Board of Supervisors and Secretaries to Department Heads - General Regulations**

A.  Clerical employees of individual members of the Board of Supervisors shall serve at the pleasure of the Board member holding that office. They may be terminated at any time and, in such event, shall have no right to any appeal or grievance procedure under any rule or regulation of the County or the State.

B.  Secretaries to Elected Department Heads shall serve at the pleasure of the Department Head. They may be terminated at any time and, in such event, shall have no right to any appeal or grievance procedure under any rule or regulation of the County or the State.

C.  An Executive Secretary to an appointed department head shall serve at the pleasure of the appointed department head. The employee may be terminated at any time and, in such event, shall have no right of appeal or grievance procedure under any rules or regulations of the County or the State, except as provided in D. below.

D.  An Executive Secretary serving at the pleasure of an Appointed department head who, immediately prior to appointment, held regular status in a lower related class, may be removed from the Executive Secretary position at any time and, in such event, shall have no right of appeal or grievance procedure under any rules or regulations of the County or the State. Upon removal, the employee shall have the right to return to a position in the former class.

The acceptance by a regular employee of a position as Executive Secretary serving at the pleasure of an appointed department head shall be voluntary.
If an employee who held regular status in a Secretary III position immediately prior to accepting the Executive Secretary position requests to return to the class of Secretary III, such request shall be granted.

Section 11. Transfer Policy for OCEA Officers and Grievance Representatives

Management shall not, wherever practicable, assign an OCEA officer or grievance representative to a different location if:

A. the employee's performance “meets” or “exceeds” performance objectives; and

B. OCEA objects to such assignment (OCEA shall not object to such assignment change, except for good cause); and

C. there is another employee in the same classification in the department who meets the specific qualifications for the assignment.

Section 12. Training

A. Upon approval of the department head, employees may participate in various County sponsored training programs. The County and OCEA will inform employees of these training programs.

B. During the term of this Memorandum of Understanding, OCEA may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with OCEA and consider implementation.
ARTICLE IV LEAVE PROVISIONS

Section 1. Healthcare Leave

A. Accrual of Healthcare Leave

1. During the first three (3) years of employment, an employee shall earn .0347 hours of healthcare leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two [72] hours per year).

2. After an employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours, approximately three (3) years, the employee shall earn .0462 hours of healthcare leave with pay for each paid hour in a regularly scheduled work period to a maximum of eighty (80) hours in a pay period (approximately ninety-six [96] hours per year).

3. Healthcare leave earned shall be added to the employee's healthcare leave accumulation account upon the completion of the pay period, with no credit to be applied during the progress of the pay period or for a portion of the pay period during which the employee terminates County service.

B. Permitted Uses of Healthcare Leave

Employees with annual leave balances must use accrued annual leave prior to use of healthcare leave, until all annual leave has been taken, unless otherwise indicated in this Article.

Healthcare leave may be applied to:

1. An absence necessitated by an employee's personal illness, injury or disability due to pregnancy or childbirth, medical or dental appointments during working hours for the diagnosis, care, or treatment of an existing health condition, preventative care, or absences related to Family Leave as defined in Section 14 of this Article. The employee shall notify the Department in advance to attend medical and dental appointments whenever practicable.

   a. An employee with an annual leave balance may use healthcare leave for absences resulting from an employee's illness due to a medical diagnosis of COVID-19, for symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment or experiencing COVID-19 vaccine-related/booster-related symptoms.

2. Absence from duty for an employee to attend to the diagnosis, care or treatment of an existing health condition of, or preventing care for, the employee's family member or eligible person as defined by applicable law. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner,
child, grandparent, grandchild or legal guardian. Use of this leave is limited to the time period specified in Labor Code section 233.

a. An employee with an annual leave balance may use healthcare leave for absences resulting from caring for a family member’s illness due to a medical diagnosis of COVID-19, caring for a family member with symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment with a family member or to care for a family member experiencing COVID-19 vaccine-related/booster-related symptoms.

3. Absence from duty because an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a).

4. Leave for School and Child Care Activities (terms specified in Section 2.C below).

5. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the following conditions:

a. The illness or injury of the employee was of a nature that would preclude the effective use of vacation and would prevent the employee from performing his or her normal duties.

b. The employee must notify his or her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his or her vacation leave, whichever is sooner, to request that his or her illness on vacation be charged to healthcare leave.

c. The department shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.

d. Upon the employee’s return to work, the employee must furnish the department with a certificate signed by a licensed physician or registered nurse stating the nature of the medical condition and the period of disablement.

6. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

7. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

8. Absence from duty because of personal business not to exceed forty (40) working hours during the fiscal year.
9. Up to twenty-four (24) hours of healthcare leave per fiscal year may be donated as a part of the County’s Catastrophic Leave Donation plan.

C. Prohibited Uses of Healthcare Leave

1. Healthcare leave shall not be applied to:
   a. Absence caused by illness or injury to a member of the employee’s family except as provided in B. above.
   b. Absences which occur on a County holiday.

2. Healthcare leave shall not be used for circumstances not specified in this Article, unless required by law.

D. General Provisions

1. In any use of healthcare leave, an employee's account shall be charged to the nearest quarter hour.

2. Except as prohibited by law an employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

3. Employees hired on or after July 15, 1977 are not eligible for any payoff of healthcare leave. Employees hired before July 15, 1977 are eligible for healthcare leave payoff under the following conditions:

   a. Upon paid retirement or death, an employee or the employee's estate shall be paid for a portion of the employee's unused healthcare leave in an amount computed as provided below:

<table>

Years of service as used herein shall be the equivalent of full-time continuous service in a regular position. Employees who elect to take deferred retirement shall not be eligible for any benefits provided by this paragraph.

b. Not more than once in each fiscal year, an employee hired prior to July 15, 1977, who, as of date of request, is eligible for Tier I paid retirement and who has accumulated unused /healthcare leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his or her accumulated /healthcare leave provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of /healthcare leave paid shall be computed based on years of continuous service in accordance with Section 1.D.3.a., above. The employee's /healthcare leave balance will be reduced by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.D.3.a.

c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977 who, as of the date of request, is eligible for Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire may request that a payoff of his or her accumulated /healthcare leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Such request must be made at least thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee's retirement.

4. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining healthcare leave earning rates. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid healthcare days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid healthcare days and to accrue additional paid healthcare days upon rehiring to the extent required by law.

Section 2. Authorized Leave

A. Discretionary Leave of Absence
1. A Discretionary Leave of Absence is granted based on the operational needs of the department in which the employee is assigned. The granting of such Leave shall be at the discretion of the department.

2. **Departmental Leave**

A regular, limited-term or probationary employee may request a departmental leave without pay for a period of time not to exceed fifteen (15) calendar days. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted.

3. **Official Leave**

   a. A regular, limited-term or probationary employee may request an Official Leave of Absence Without Pay. Such Leave, if granted, shall not exceed one (1) year. Employees will be required to use available Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted.

   An Official Leave of Absence may be extended for up to an additional year at the discretion of the department. Failure to request an extension before the end of the Official Leave may result in denial of that extension.

4. **General Provisions – Discretionary Leave**

   a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

   b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee’s department only where the employee is unable to initiate such action.

   c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5) business days of receiving the request, however this timeline may be extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

   d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall
remain/return to work during this review process. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 6. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act

   a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.

   b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee’s spouse, son, daughter, or parent when the employee meets applicable requirements.

   c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable
requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act

   a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.

   b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

   c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

   d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave, Sick/Healthcare, Vacation, Compensatory, and PIP balances, in that order.

5. Pregnancy Disability Leave

   a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.
b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation, Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.

c. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave

a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

c. To qualify for Parenthood Leave, employees must meet the following conditions:

1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.

3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.
4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b., above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

7. Military Leave
   a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.
   
   b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.
   
   c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.
   
   d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.
   
   e. Military Leave shall be credited toward continuous County service.

8. Verification
   a. A request for Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the
request, the date when it is desired to begin the Leave of Absence, the date of return, and the required documentation supporting the request.

b. As a condition to the approval of a medical Non-Discretionary Leave of Absence, an employee will be required to furnish medical certification from the employee’s health care provider which states: (1) the date on which the Leave is to commence; (2) the date on which the Leave is to end; (3) that the employee cannot perform their duties because of the employee's own serious health condition.

c. To request Leave to care for another eligible person, an employee is required to furnish medical certification from the eligible person’s health care provider with the same information listed in 8.a and 8.b, above, and stating that the employee cannot perform their duties because the leave is required to care for the eligible person pursuant to applicable law.

d. Whenever possible, an employee shall give notice of the request for Leave at least thirty (30) days, or as soon as practicable, prior to the start of the requested leave.

e. Failure to provide satisfactory verification of the necessity for a Non-Discretionary Leave of Absence may be grounds for denial of the leave.

f. If the department modifies or does not approve a request for Non-Discretionary Leave of Absence, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

9. General Provisions – Non-Discretionary Leave

a. The twelve (12) month period for calculating Non-Discretionary leave entitlement will be based on the calendar year (January 1 to December 31).

b. Unless otherwise prohibited by state or federal law, Non-Discretionary Leaves of absence will run concurrently.

c. Any portion of the leave which is unpaid shall not be credited toward service hours.

C. Other Leaves of Absence

1. Leave for School and Child Care Activities
a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue.

b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) month but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.
d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee's accrued balances and must meet eligibility requirements and conditions set forth in Article IV - Section 1.B.8, Article V, or Article VI.

Section 3. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee's regular rate of pay for those hours of absence due to the jury duty which occur during the employee's regularly scheduled working hours provided the employee deposits the employee's fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 4. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee's work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 5. Leave for OCEA Business

A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana and attendance at the bi-monthly Board of Trustees meeting. In addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.

C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

   1. OCEA shall make a request to the employee's department head at least ten
(10) days in advance.

2. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

3. The services of such an employee are not immediately required by the County and other competent employees are available to do the employee's usual work.

Section 6. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 6.A., above, the County shall send written notice by certified mail to the employee's last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. a statement of the County's intention to implement the employee's automatic resignation and its effective date;

2. a statement of the reasons for considering the employee to have automatically resigned;

3. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. a statement of the employee's right to representation;

5. a copy of the automatic resignation provisions which apply to the employee;

6. a statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.

C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for the employee to contact his or her department; or 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.
E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absences is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the department head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 7. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on departmental operations, the
County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee's eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsections A.1. though A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 8. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (24 hours maximum per fiscal year), compensatory, and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.
ARTICLE V  VACATION

Section 1. Vacation Accrual

A. During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year). Part-time employees will earn vacation on a prorated basis. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty [120] hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .077 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty [160] hours per year), under the same terms and conditions as under subsection B., above.

D. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with less than ten (10) years of continuous County service shall be two hundred forty (240) hours. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be three hundred twenty (320) hours. An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

Section 2. General Provisions

A. Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Section 2.C.

B. Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.
C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Section 1.C.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee's County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Section 1.C.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee's account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the department, except in cases of emergency.

J. Illness while on paid vacation will be charged to Healthcare leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.

K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.

M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.
Section 3.  **Vacation Cash Out**

A. **Vacation Cash Out Where Employee Has No Annual Leave Balances**

1. After annual leave has been exhausted, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to twenty (20) hours each or one (1) increment of up to forty (40) hours. Such payment shall be made upon request unless the department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

2. After annual leave has been exhausted, during each fiscal year, employees in the classification of Data Entry Technician may request to be paid for accrued vacation in either two (2) separate increments of up to twenty five (25) hours each or one (1) increment of up to fifty (50) hours. Such payment shall be made upon request unless the department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. **Vacation and Annual Leave Cash Out Where Employee Has Annual Leave**

1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the applicable cap (as set forth in Section 1.D. above) some time during the fiscal year unless the employee is able to cash out vacation time.

2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of eighty (80) hours each fiscal year, except if the employee has eighty (80) or more hours of accrued, unused Annual Leave balances then they may cash out up to one hundred (100) hours of vacation each fiscal year.
ARTICLE VI  

ANNUAL LEAVE

The Annual Leave provisions shall apply to regular and limited-term employees hired on or after July 15, 1977, and before June 21, 2019.

Section 1.  Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 2.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

Section 2.  Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee's personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee's presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.

5. Absence from duty because: (1) the employee’s presence is needed to attend to the diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee’s family member; or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233. For purposes of this Subsection “family member” means child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).
6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the department except in cases of emergency.

C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.

D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Deputy Sheriff-Emergency Service, Election Board Officer or Election Night Help.

E. Holidays which fall during an employee’s annual leave (vacation) period shall not be charged against the employee’s annual leave balance.

Section 4. General Provisions

A. In any use of annual leave, an employee’s account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.
Section 5. Annual Leave Payoff Provisions

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 40 hours of Annual Leave; an additional 40 hours may be requested, with its payout at the discretion of the Department Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 80 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash-out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment for the unused annual leave balance as provided below:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Maximum Payoff</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 3 years</td>
<td>160 hours maximum paid at 100%</td>
</tr>
<tr>
<td>3 but less than 10 years</td>
<td>240 hours maximum paid at 100%</td>
</tr>
<tr>
<td>10 or more years</td>
<td>A maximum of 1600 hours of the accrued annual leave balance has cash value. 320 hours are paid at 100% the remaining balance, after the 320 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance.</td>
</tr>
</tbody>
</table>

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 240 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits specified in Article V, Section 1.D. Remaining hours, up to the accrual limits specified in Article V, Section 1.D, will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above.
for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

D. An employee who is separating from County service by way of paid County retirement may elect either to take annual leave as time off, or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.

E. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.

B. If a holiday falls on a Saturday but is observed on the preceding Friday by
   the Municipal and/or Superior Courts, employees who have been designated
by the County as being necessary to the operation of said courts may be allowed to observe the Court observed Friday holiday in lieu of the Saturday holiday provided such employees are given notice of their work schedule change not less than thirty (30) calendar days prior to the holiday.

C. Except as provided in G below, when a holiday other than Christmas Day falls on a Sunday, the next day shall be observed as the holiday.

D. When New Year's Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday.

E. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.

F. When Christmas Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding.

G. Employees Regularly Scheduled to Work on the Holiday

1. Employees in the classifications of Office Assistant and Office Specialist assigned to work for OC Animal Care who are required to work on the holiday will be permitted to observe the holiday on a Saturday when it falls on a Saturday or on a Sunday when it falls on a Sunday.

2. Employees in the classification of Park Attendant who are required to work on the holiday will be permitted to observe the holiday on a Saturday when it falls on a Saturday or on a Sunday when it falls on a Sunday.

Section 2. Eligibility for Holiday Pay

A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.

C. An employee who elects paid County retirement on a holiday shall be paid
for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay

A. On each of the holidays designated above, each full-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee's basic hourly rate for the number of hours the employee was regularly scheduled to work.

B. On each of the holidays designated above, each part-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee's basic hourly rate for the number of hours the employee was regularly scheduled to work.

C. Compensation for Holidays Falling on Scheduled Days Off

1. When a holiday falls on a full-time employee's regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.

2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

D. Compensation for Work on Holidays

1. An employee who is required to work on Native American Day, Veterans Day, Day after Thanksgiving, Martin Luther King, Jr.'s Birthday, Lincoln's Birthday or Washington's Birthday and who meets the eligibility requirements contained herein shall receive his or her regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee's basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay as provided in D.1. or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.
E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

F. Holidays which fall during an employee’s vacation period shall not be charged against the employee’s vacation or annual leave balance.

G. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

H. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII  REIMBURSEMENT PROGRAMS

Section 1.  Mileage Reimbursement

A.  Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1.  Through December 31, 1994 the reimbursement rate shall be thirty-nine (39) cents per mile.

2.  Except as provided in A.4., below, effective January 1, 1995 through June 22, 1995, the reimbursement rate shall be thirty-four (34) cents per mile.

3.  Except as provided in A.4., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

4.  Effective January 1, 1995, for an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

5.  Effective January 1, 2006, employees who drive two-hundred fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

6.  There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

B.  An employee who is required by the County to furnish a privately-owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars. The minimum shall not apply in any month:

1.  in which the employee has not actually worked eighty (80) hours;

2.  unless the employee claims the ten (10) dollar minimum and the department certifies that the employee was required to use a privately-owned vehicle on County business.
Section 2. **Personal Property Reimbursement**

Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee. The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article. Reimbursement for a watch shall be limited to the functional value of the watch.

Section 3. **Boots**

A. A Department Head may authorize the provision of safety work boots for employees who are required to furnish their own safety work boots up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher, or a reimbursement per the following:

1. As a result of their duties, the employees are required to wear safety compliant work boots.

2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.

4. If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.

5. The department is able to absorb any increased costs within its existing budget.

6. Employees are only entitled to receive one form of safety work boot provision (i.e., stipend, boot mobile, voucher or reimbursement per fiscal year or as otherwise described above).

B. Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classifications who are required to wear compliant protective footwear.

Section 4. **Educational and Professional Reimbursement**

Effective the first full day of the first full pay period following adoption of the MOU, eligible employees may receive educational and professional reimbursement at a maximum of $10,000 per fiscal year. Terms and conditions for this reimbursement are set forth in the Personnel and Salary Resolution (PSR).
ARTICLE IX  

DISCIPLINARY ACTION

Section 1.  Reprimand and Substandard Performance Evaluation

A.  No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B.  A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure. Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2.  Emergency Suspensions of Five Days or Less

A.  In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

1.  whenever practicable, be given an opportunity to respond to the proposed suspension to a designated department representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

2.  be informed of the employee's right to representation in the response;

3.  be informed of the employee’s right to appeal should the proposed suspension become final.

B.  In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3.  Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A.  In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action. Such written notice shall contain:

1.  a description of the proposed action and its effective date(s); a statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;
2. copies of material on which the proposed action is based;
3. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;
4. a statement of the employee's right to representation;
5. a statement of the employee's right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee's option, to a designated department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2. above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4. and 5. of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6. of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.
Section 5. Reduction

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. Discharge and Right of Appeal

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. Polygraph Examination

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.

Section 8. Investigatory Meetings

A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and

2. A statement of the employee's right to representation.
B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X       GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A. A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee’s wages, hours or conditions of employment.

B. Specifically excluded from the scope of grievances are:

1. subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2. matters which have other means of appeal;

3. position classification;

4. performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2.  Basic Rules

A. If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B. If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C. If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure. By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D. The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, department-wide or County-wide basis in an emergency situation. OCEA may appeal this decision to the Board of Supervisors.

E. A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation. The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office. The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation. Once the EEO Office has completed the intake, review, and if applicable, investigation, the grievant/appellant and, if applicable, the OCEA representative shall be notified in writing and the time limits for processing the grievance shall
resume, unless timelines are extended by mutual agreement.

F. Upon written consent of the parties, (i.e., the representatives of the County and the employee or his or her representative) the time limits at any step in the procedure may be extended.

G. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

H. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

I. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure. An employee is not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing. Provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the grievance process and/or arbitration hearing.

B. Authorized grievance/appeal representatives shall be regular employees in the same department or Representation Unit as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify department heads of the names and titles of such representatives and
send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. **Time Off for Processing Grievances/Appeals**

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and
b. such investigation does not unduly interfere with the work of the unit.

Section 6. **Informal Discussion**

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. **Grievance/Appeal Steps**

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

**Step 1: Department Head**

An employee may formally submit a grievance to the department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the department head, or his or her designee(s), shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

**Step 2: Chief of Employee Relations**

If the grievance/appeal is not settled under Step 1 and it concerns:

a. an interpretation or an application of this Memorandum of Understanding;

b. a performance evaluation rating of "does not meet performance objectives";

c. deferral or denial of a merit increase, or a dispute about the number of steps granted;

d. a written reprimand;

e. a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3; or

f. a release from promotional probation alleging discrimination pursuant to Article III, Section 1.C.3.
Items a., b., c., d., above, may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, and/or appeal of a suspension and/or a reduction ordered by an department head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of failure of probation, suspension and/or reduction.

Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in b., c. and d., above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure

a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.

b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.
c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing. The issues in all disciplinary appeals shall be: Was (employee's name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?

d. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies

a. Findings of Facts

An arbitrator's decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

b. Remedies – All Disciplinary Actions (Other than Discharge)

If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

1. Suspensions/Reduction

   If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. Remedies - Discharges

   1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.

   2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

   3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.
C. **Probationary Releases Alleging Discrimination**

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.
   
a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVIII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?

b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?

2. **Findings of Facts and Remedies**

   a. In the event the arbitrator finds no violation of Article XVIII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.

   b. In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.

   c. In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

      1. The probationary release may be sustained.

      2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

      3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. **General Provisions**

1. Except as otherwise required by law, all costs of arbitration shall be shared equally in all cases by the County and the appealing party.
When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be private.

3. Arbitration appeal hearings of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:

   a. Oral evidence shall be taken only on oath or affirmation.

   b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing
witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a new hire probation release or suspension.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI  LAYOFF PROCEDURE

Section 1.  General Provisions

A.  This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B.  This procedure shall not apply to employees who have special or unique knowledge or skills which are of special value in the operation of the County business.

C.  When two (2) or more departments are consolidated or when one (1) or more functions of one (1) department are transferred to another department, employees in all involved departments shall be subject to layoff if one is necessary.

D.  Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.  Order of Layoff

A.  When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their department head shall be laid off in an order based on consideration of:

   1.  employment status,

   2.  past performance,

   3.  length of continuous service with the County.

B.  Layoffs shall be made by class within an department except that:

   1.  Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

C.  Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of an department.
D. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Points Probationary</td>
<td>Layoff</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the department shall determine the order of layoff for these employees.

E. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

F. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last “Performance Evaluation Report,” for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be
applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first.

1. Persons Laid Off

The names of persons laid off shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5.

The names of persons who exercise their rights under Section 5. shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.
3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6.**

   The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on an /DEPARTMENTAL REINSTALLMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

   Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTALLMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

B. **The names of persons laid off shall be placed on the COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an department, other than the department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an department, other than the department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified.**

   Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower-ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

C. **Names of persons placed on the DEPARTMENTAL REINSTALLMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:**

   1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

   2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.

   3. An employee who upon retirement signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.
D. In the event two (2) or more departments are consolidated while DEPARTMENTAL REINSTatement lists are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) department to another department occurs, employees previously laid off from such function(s) who are on an DEPARTMENTAL REINSTatement list for the department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee's account or any unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2 if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the
employee's salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII  ON-THE-JOB INJURY, WORKERS’ COMPENSATION
SUPPLEMENT PAY

Section 1.  Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the
course of County employment and requires medical care, the employee shall
obtain treatment according to the provisions of the California Labor Code Section
4600 et seq.

Section 2.  Workers' Compensation Supplement Pay

A. Whenever an employee is compelled to be absent from duty by reason of
injury or disease arising out of and in the course of County employment, the
employee shall receive workers' compensation supplement pay which, when
added to the workers' compensation temporary disability benefit, shall equal
eighty (80) percent of the employee's base salary for a period not to exceed
one (1) year including holidays.

B. Workers' compensation supplement pay shall begin the same day as the
workers' compensation temporary disability benefits. Prior to qualifying for
workers' compensation temporary disability benefits, an injured employee
may, at his or her option, use any accrued healthcare leave, compensatory
time, annual leave and/or vacation, in that order.

C. While an employee receives workers' compensation supplement pay, no
deductions nor payments shall be made from any healthcare leave,
compensatory time, annual leave or vacation time previously accumulated
by the employee. The employee shall not accrue healthcare leave,
annual leave or vacation credit during the period in which the employee
receives workers' compensation temporary disability benefits.

D. When an injury is determined to be job related by the County or by the
Workers' Compensation Appeals Board, eighty (80) percent of all healthcare
leave, compensatory time, annual leave and/or vacation expended since
the fourth day of disability shall be restored to the employee's account(s),
except that if the injury required the employee's hospitalization or caused
disability of more than fourteen (14) days, eighty (80) percent of all
healthcare leave, compensatory time, annual leave and/or vacation
expended since the first day of disability shall be restored to the employee's
account(s).

E. The merit increase eligibility date and probation period of any employee
who receives workers' compensation benefits shall be extended by the
length of time the employee receives such benefits, except that the first
fifteen (15) consecutive calendar days from the date of the injury shall be
considered County service for merit increase eligibility and completion of
the probation period.

F. When an employee is no longer entitled to receive workers' compensation
supplement pay, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in paragraph A., above.

G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee's option, in that order.
ARTICLE XIII  SAFETY

Section 1.  General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A.  No employee shall be required to work under conditions dangerous to the employee's health or safety.

B.  The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C.  Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D.  Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E.  The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F.  Wherever practicable, the County shall provide the necessary first aid kits in each location.

G.  Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.

Section 2.  Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the employee's department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.
Section 3.  **Abatement of Violations**

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4.  **Safety Representatives**

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

   1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

   2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

   1. The Safety Representative obtains permission from his or her supervisor prior to performing such work, and reports back to the supervisor when the work is completed.

   2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

   3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:

      a. the Safety Representative checks in and checks out with the supervisor of the unit; and

      b. he or she does not unduly interfere with the work of the unit.
Section 5. Resolution of Safety or Health Complaints

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV  UNIFORMS AND SPECIAL EQUIPMENT

Section 1.  Uniforms

The County will continue the current system of providing and/or laundering uniforms for all groups of employees in the Unit who are currently provided uniforms.
ARTICLE XV  OCEA AND EMPLOYEE RIGHTS

Section 1.  Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2.  Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3.  Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4.  Use of Bulletin Boards

Space shall be made available to OCEA on departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5.  Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI  MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII  NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII  POSITION CLASSIFICATION

Section 1. The Establishment of New Classes

The County will provide OCEA an informational copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2. Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3. Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to his or her department head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee’s present duties.

Step 2: Appropriate department response to an employee’s request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Human Resources Department with a recommendation that a classification study be conducted.

   a. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration. If the Human Resources Department studies a position at the employee’s request as provided above and the employee does not agree with the County’s decision, the employee may submit the request to OCEA.
Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

a. If the study is justified, and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

b. If the study is justified and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

c. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 4. of this Article shall be extended forty-five (45) days.

Section 5. Review of Disputed Position Classification Decisions

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.
B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3. above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX    INSURANCE

Section 1.    Health Plans and Premium Contributions

A. Full - Time Employees

1. Except as modified in Section 1.C., D., E., and F. below, the County
will offer health plans to all full-time regular, limited term, and
probationary employees and their eligible dependents.

2. The County will pay the following percentage of the premium for
employees electing any health insurance plan other than the
Sharewell Choice PPO plan:

   a. Employee Only Coverage - eighty-five (85) percent of the
employee’s premium or ninety (90) percent of the employee's
premium if the employee completes the Wellness Incentive
program;

   b. Employee and Dependent Coverage - seventy (70) percent of the
total health plan premium, for each employee and such
employee’s eligible dependents or seventy-five (75) percent of the
employee’s premium if the employee completes the Wellness
Incentive program.

   c. Employees will pay the remaining portion of the total plan
premium and consent to have their portion deducted from their
County regular or supplemental payroll checks.

3. Employees who elect the Sharewell Choice PPO plan will not only
have their insurance premium fully paid by the County but will also
receive a payroll credit per plan guidelines. In addition, those
employees who elect the Sharewell Choice PPO plan are not
required to participate in the Wellness Incentive program.

4. The health plans and their premiums are adopted by, and may be
modified by, the Board of Supervisors. Plan descriptions are
contained in the plan documents available through HRS/Employee
Benefits.

B. Part-Time Employees

1. Except as modified in Section 1.C., D., E., and F. below, the County
will offer health plans to all part-time regular, limited term, and
probationary employees. Enrollment of part-time employees shall be
restricted to employees whose normal workweek consists of at least
twenty (20) hours.

2. The County will pay the following percentage of the premium for
employees electing any health insurance plan other than the Sharewell
Choice PPO plan:
a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee’s premium if the employee completes the Wellness Incentive program;

b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37 ½) percent of the total health plan premium, for each employee and such employee’s eligible dependents if the employee completes the Wellness Incentive program.

c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

a. Employee Only Coverage – one hundred (100) percent of the premium;

b. Employee and Dependent Coverage – per subsection B.2.b above

In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

C. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of employee and dependent coverage for each EME. EME dependents are not required to participate in the Wellness Incentive program. Employees must report any subsequent changes in marital status, such as legal separation or divorce, within 30 days of the event. Failure to report legal separation or divorce from a covered spouse shall require repayment of all premiums paid by the County under this program during the period in which the employees
were ineligible due to legal separation or divorce.

D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

E. For Employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. Health Plan Enrollment

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.

B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or
any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees’ eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund approved by the State of California for the sole purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said State approved trust fund. The County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 14 and applicable law.

C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.

D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees, attorneys, agents, advisors and representatives harmless from any claims
or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500

2. The annual report shall include the following information:
   a. the actual cost of benefits provided by the trust fund;
   b. member contributions to the cost of benefits provided by the trust fund;
   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);
   d. a summary of other trust fund expenditures; and
   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County’s written request or the report’s completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. **Premium Only Plan**

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee's gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided health insurance coverage, as permitted by state and federal law, regulations, and guidelines.

Section 5. **Retiree Medical Plan**

A. **Retiree Medical Grant**

Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant
benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan ("the Plan") for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 opener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County- offered retiree health insurance plan and/or Medicare premiums as provided below.
   a. Upon implementation of the Plan for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.

   b. The Grant will be adjusted as follows:
      1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

      2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the
employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023

3. Sections 5.A3.b.1 and 5.A3.b.2 shall not apply to Disability Retirements

c. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

d. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006, who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regular paid hours immediately

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the Retiree Medical Plan Document, shall be eligible for the Grant. Employees who were employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, shall have been given option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.

The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.

Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of service or actual years of credited County service, whichever is greater.

A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability
retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

b. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.

c. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.

3. **Deferred Retirement**

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eight hundred (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. **Survivor Benefits**
1. A surviving dependent of a retiree who was eligible to receive a Grant and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. **Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)**

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. **Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement**

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) was made available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.

2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.

Section 6. **Reopener**

The County may reopen negotiations on this Article and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

---

1 Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
ARTICLE XX  DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.
ARTICLE XXI  RETIREMENT

Section 1. Retirement Benefit Levels

A. For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered “Legacy Members” of OCERS within the Meaning of the Public Employees’ Pension Reform Act of 2013 (“PEPRA).

1. Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. This retirement benefit formula is commonly known as the “2.7% at 55” benefit formula.

   a. For employees hired on or before September 20, 1979, the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.

   b. For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee’s highest three (3) years of compensation per Government Code section 31462.

2. 1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.

   a. Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the "2.7% at 55" benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65” benefit formula) for future County service.

   b. In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the “2.7% at 55” benefit formula and shall make the employee retirement contributions established for that benefit formula.

   c. In the event an eligible employee elects the “1.62% at 65” benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution
Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C. below

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, i.e., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the
actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

   a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

   b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

2. Reduction in Reverse Pickup

   a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

   b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

   c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

   d. Effective July 2, 2021, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 3.6% reduction of the employee’s paid reverse pickup.

   e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.
Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010 the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the “DC Plan”) to those employees who are covered by the “1.62% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the DC Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII  SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII  RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Office Services Unit for classes in effect on June 30, 2023. Said classes are listed in Appendix A.
ARTICLE XXIV  FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1.  Dependent Care Reimbursement Account (DCRA)

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2.  Health Care Reimbursement Account (HCRA)

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV  PERFORMANCE INCENTIVE PROGRAM (PIP)

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year. All other performance management components of PIP remain in effect.
ARTICLE XXVI  LABOR MANAGEMENT COMMITTEES

Section 1.  Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:

1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;

2. Has County-wide impact; or

3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.

Section 2.  Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.
B. 1. Every department shall have an LMC.

2. The department LMC structure shall consist of management representatives selected by the department and employee representatives selected by OCEA. The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each department LMC shall have two sponsors who may or may not be members of the LMC: the department head and a representative designated by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time Off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.

D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.
F. Any issue which is not resolved by the department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII  SALARY

1. Effective the first day of the first pay period following adoption of this 2023-2026 MOU, the salary schedule will be increased by 4.75%.

2. Effective June 28, 2024, the salary schedule will be increased by 4.25%.

3. Effective June 27, 2025, the salary schedule will be increased by 4.00%.
ARTICLE XXVIII    DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

SIDE LETTER AGREEMENT TO THE 2023-2026 COUNTY MEMORANDA OF UNDERSTANDING BETWEEN THE COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION

June 27, 2023

This document serves as a Side Letter Agreement modifying the 2023-2026 Memoranda of Understanding (“MOUs”) between the County of Orange (“County”) and the Orange County Employees Association (“OCEA”) for the Community Services Unit, County General Unit, Healthcare Professional Unit, Office Services Unit, Sheriffs Special Officer Unit, and the Supervisory Management Unit. This Side Letter shall be effective beginning with the first day of the first full pay period after adoption by the County’s Board of Supervisors.

This agreement reestablishes the Insurance Working Group to discuss the redesign of the Wellness Credit program, how employees earn their 5% credit, and reducing the cost of health insurance.

Other bargaining groups and stakeholders (e.g., Teamsters, IUOE, AFSCME, OCMA, OCAA, unrepresented employees) may also be invited to participate in the working group. Each party may have up to five (5) members as representatives serving on the working group.

COUNTY OF ORANGE

AND

THE ORANGE COUNTY EMPLOYEES ASSOCIATION

FOR THE

OFFICE SERVICES UNIT

This Memorandum of Understanding adopted by the Board of Supervisors on October 22, 2019 June 27, 2023, sets forth the terms of agreement reached between the County of Orange and the Orange County Employees Association as the Exclusively Recognized Employee Organization for the Office Services Unit for the period beginning June 21, 2019 June 30, 2023 through June 29, 2023 June 25, 2026. Unless otherwise indicated herein, all provisions shall become effective October 22, 2019 June 30, 2023.
DEFINITIONS

The following terms as used in this Memorandum of Understanding shall, unless the context clearly indicates otherwise, have the respective meanings herein set forth:

BOARD shall mean Board of Supervisors of the County of Orange.

CHIEF HUMAN RESOURCES OFFICER shall mean the Chief Human Resources Officer or his or her designee.

CHIEF OF EMPLOYEE RELATIONS shall mean the Chief of Employee Relations, or his or her designee.

CONTINUOUS SERVICE shall mean employment in a regular position which has not been interrupted by resignation, discharge or retirement. Official Leaves of Absence where the employee has balances posted shall not be credited toward continuous service.

COUNTY shall mean the County of Orange and special districts governed by the Board of Supervisors.

DISABILITY RETIREMENT shall mean a service or non-service connected disability retirement pension under the Orange County Employees Retirement System.

EMERGENCY means an unforeseen circumstance requiring immediate action, a sudden unexpected happening, an unforeseen occurrence or condition, a pressing necessity.

EMPLOYEE shall mean a person employed by the County and covered by terms of this Memorandum of Understanding, except where the natural construction of this Memorandum of Understanding indicates otherwise.

EXTRA HELP EMPLOYEE shall mean an employee employed in an extra help position. An extra help employee serves at the pleasure of the County in an extra help position.

EXTRA HELP POSITION shall mean a position which is intended to be occupied on less than a year-round basis including, but not limited to, the following: to cover seasonal peak workloads; emergency extra workloads of limited duration; necessary vacation relief, paid Health care Leave and other situations involving a fluctuating staff. Ordinarily, a full-time extra help position will not be authorized for a period exceeding six (6) months. In unusual circumstances, and at the discretion of the County Executive Officer and the Chief Human Resources Officer, a full-time extra help position may be authorized for a period longer than six (6) months, provided such period shall not exceed one (1) year.

FULL-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours equal those of a full workweek or work period as described hereinafter.
HEALTHCARE or HEALTHCARE LEAVE shall mean and be synonymous with the terms, “sick” and/or “sick leave.”

LIMITED-TERM EMPLOYEE shall mean an employee employed in a limited-term position except where a regular position is converted to a limited-term position, the incumbent shall retain his or her former status. As an exception to this definition, a limited-term employee may also be used to fill a regular position when the incumbent employee is on Official Leave of Absence.

LIMITED-TERM POSITION shall mean a position which the County has determined has no anticipated long-range funding or has uncertain future funding.

PART-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours do not equal those required of a full-time employee.

PERSONAL BUSINESS shall mean a foreseeable personal event or circumstance which necessitates the employee's absence from County duty. Personal Business leave must be requested in advance by the employee and be preapproved by supervision or management.

PERSONAL EMERGENCY shall mean an event or circumstance of a serious nature which is beyond an employee's control and which necessitates the employee's absence from County duty, including, but not limited to, those events and circumstances which require the employee's prompt attention to avoid possible financial loss to, or damage to the health of, either the employee or a member of his or her household.

PRACTICABLE means feasible; reasonably able to accomplish.

PROBATIONARY EMPLOYEE shall mean an employee who is serving a probation period and is employed in a regular or limited-term position.

PROMOTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step on the new salary range is at least one (1) full step higher than the maximum step of the old salary range.

REASSIGNMENT shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class on the same salary range or to a class where the maximum step on the new salary range is less than one (1) full step higher or lower than the maximum step of the old salary range.

RECRUITING STEP shall be the first step of the salary range allocated to a class unless otherwise authorized by the Board or the Chief Human Resources Officer.

REDUCTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step of the new salary range is at least one (1) full step lower than the maximum step of the old salary range.
REGULAR EMPLOYEE shall mean an employee who is not on probation and is employed in a regular or limited-term position.

REGULAR POSITION shall mean a position established on a permanent year-round basis requiring work on a regular schedule unless otherwise authorized by minute order of the Board.

SENIORITY shall mean total continuous full-time equivalent service as a regular employee.

Y-RATE shall mean a pay rate outside of the assigned salary range of a class.
ARTICLE I  WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1.  Workweek

A.  The official workweek for full-time employees in classifications designated as non-exempt from FLSA shall be forty (40) hours. The workweek shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight except for employees working an alternate schedule, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different workweek may be designated. Work ordered and performed in excess of forty (40) hours actually worked in a workweek, or eighty (80) hours worked in the pay period for employees in FLSA exempt classifications, shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek, or eighty (80) hours of paid time in the pay period for employees in FLSA exempt classifications, in accordance with an emergency declared by the Board of Supervisors, activation of the County’s Emergency Operations Center (EOC) or agency Department Operations Center (DOC), shall be overtime.

1.  Employees shall receive compensation on a biweekly basis. The pay period for employees in specified agencies, departments or divisions shall start on a Friday and end on the second Thursday thereafter.

2.  Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period and scheduled days off shall fall on at least two (2) consecutive calendar days. Alternate work schedules shall not be implemented without the County and OCEA first negotiating and attempting to reach agreement on such hours of work for each division or work unit in each agency or department proposing implementation of such alternate work schedules.

B.  The County agrees to give employees a seven (7) calendar day advance notice of a shift change whenever practicable.

C.  No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.

D.  The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

E.  Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee’s work period as defined in A., above, except on authorized overtime.
F. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by an agency/department.

1. Upon written request by OCEA, the County agrees to study the feasibility of establishing work schedules consisting of either:
   a. four (4) ten (10) hour workdays per week;
   b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or
   c. flex time.

2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.

3. OCEA agrees not to request more than twelve (12) such studies concurrently for the combined units represented by OCEA and no more than three (3) concurrently for each agency/department.

4. The County agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

G. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the agency/department work beyond the normal workday, workweek or work period is required, the agency/department will notify any employee who may be asked to perform such overtime of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) in the employee’s designated workweek for classifications designated as non-exempt from FLSA or eighty (80) in FLSA exempt classifications, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

Distribution of Overtime

1. The County shall make a reasonable effort to make overtime
opportunities available on an equal basis to employees capable of performing the work.

2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.

3. The County and OCEA may meet and confer and, in so doing, shall attempt to reach agreement, regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Section 2.B.2., above.

B. Payment for Overtime

1. Overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. For all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the agency/department. Consideration shall be given to effectuating the wishes of employees. The maximum number of CTO hours which may be accrued by any employee is eighty (80). If an employee accrues 80 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

4. Overtime hours worked by extra help employees shall be paid.

5. Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by his or her agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

6. No scheduled compensatory time off will be cancelled except in cases of emergency.

7. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

8. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time
A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work.

B. Such rest periods shall be scheduled in accordance with the requirements of the [agency/department], but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

D. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal wash-up and changing clothes.

Section 4. Exclusions from Workweek and Overtime Provisions

Clerical employees of individual members of the Board of Supervisors shall work such hours as directed by the Supervisor appointing them and shall not be subject to any of the provisions of Section 1, 2, or 3.

Section 5. Premium Pay

A. Night Shift Differential

1. An employee who works an assigned night shift shall, in addition to his or her regular salary, be paid a night shift differential for each hour actually worked on the assigned night shift.

2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential.

3. The rate of night shift differential shall be five (5) percent of the employee’s basic hourly rate with a minimum of sixty (60) cents per hour and a maximum of one (1) dollar and fifty (50) cents per hour.
B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) refrain from activities which might impair his or her ability to perform assigned duties.

3. On-call pay shall not apply to extra help employees unless expressly directed in writing to be on-call.

C. Call-Back Pay

1. When an employee returns to work because of an agency/department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Call-back shall be paid at one and one-half (1 1/2) times the regular rate.

3. There shall not be any duplication or pyramiding of rates paid under this Section.

4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.

5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.

6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. Bilingual Pay

1. Qualified employees who meet the following criteria shall receive an additional forty (40) cents per hour (approximately sixty-nine [69] dollars per month) for all hours actually paid. This will not apply to the class of Interpreter.
a. An employee must be assigned by agency/departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.

b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.

c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.

2. Bilingual pay shall not apply to workers' compensation supplement pay.

3. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the agency/department head, who will consider it according to:

   a. agency/department need;

   b. availability of a qualified replacement; and

   c. availability of another suitable assignment for the requesting employee.

4. Upon the agreement of the County and OCEA, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

E. Jail Salary Supplement

1. An employee who is permanently assigned to the Central Jail/Intake/Release Center (including Correctional Medical Services), Headquarters Records, Warrant Bureau, Theo Lacy Branch Jail or James Musick Facility shall, in addition to his or her biweekly salary, be paid an additional seventeen (17) cents per hour (approximately thirty [30] dollars per month) for all paid hours until the new rate below is effective.

Effective as soon as practicable following adoption by the Board of Supervisors on or after June 30, 2023, and to be implemented following completion of an audit within 90 days to confirm only qualifying positions within eligible classifications and assigned to work in a correctional setting are receiving the premium pay, eligible employees will be paid an additional seventy-five cents ($0.75) per hour (approximately one hundred thirty dollar [$130] per month) for all hours paid.
1.2. This salary supplement shall not apply to workers' compensation supplement pay, or be used as a base rate for overtime, other premium pay, etc., unless otherwise required by law.
ARTICLE II  PAY PRACTICES

Section 1.  Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2.  Pay for New Employees

A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The agency or department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the agency or department head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant’s previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the agency or department head, the Chief Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E.  1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2. If a recruiting step is decreased, incumbents of the class will be unaffected.

3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.CB. for new employees.

4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.
Section 3. Merit Increase Within Range

A. Extra help employees shall not be eligible for merit increases within range.

B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the agency/department head.

B. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.

When an employee is absent from work and not posting personal leave balances (with the exception of Military Leave), the merit increase eligibility date shall be extended by the number of days the absence exceeds the Department Leave and rounded to the first day of the first full pay period. Subsequent merit increase eligibility dates shall fall on the first day of the pay period following the completion of fifty-two (52) week intervals after the extended merit increase eligibility date.

A suspension shall cause the merit eligibility date to be extended by the total number of calendar days equal to the suspension and rounded to the first day of the first full pay period.

A military leave, paid or unpaid, shall not result in the extension of a merit increase eligibility date.

C. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.
D. 1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of "meets performance objectives" shall earn a two-step increase. Effective June 1, 2015, a performance rating of "meets performance objectives" shall earn a one (1) step increase.

2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases beyond Step 10, and if granted, in what amounts, shall be solely within the discretion of the agency/department head and shall be based on merit.

E. If, in the agency's/department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the agency/department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.

F. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion

A. Except as modified by B. and C below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class, except that the employee will retain their former merit increase eligibility date if the promotion was the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit
increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the agency/department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships and position responsibilities, and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. **Salary on Reassignment**

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B to a class on a different salary schedule, the employee’s salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

Section 6. **Salary on Reduction**

A. 1. When a probationary employee is reduced to a class not previously
occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.CB., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's agency/department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit
increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change, except if the reduction is the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

**Section 7. Salary on Reclassification**

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.
Section 8. **Salary on Reemployment**

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer, be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. **Changes in Salary Allocation**

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XIX.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. **Additional Compensation**

Notwithstanding anything in this Memorandum of Understanding to the contrary when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 11. **Salaries of Employees of Members of the Board of Supervisors**

The Board of Supervisors may at any time change the salary ranges for the classes of Executive Clerk I, II and III and Executive Secretary. The step placement on a salary range for clerical employees shall be determined by the Board member appointing them and may be changed at any time by the Board member.
Section 12. **Paycheck Deposit**

A. The County will permit an employee to authorize automatic deposit of his or her Paycheck to a financial institution of the employee's choice, if and when the Chief Human Resources Officer and Auditor-Controller determine it is feasible.

B. Employees hired after June 29, 2001 will be required to authorize automatic deposit of his or her paycheck to a financial institution of the employee's choice.

Section 13. **Classification and Compensation Studies**

The County agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year.
ARTICLE III   GENERAL PERSONNEL PROVISIONS

Section 1.    Probation

A. New Probation

1. Full-Time Employee

A new or reemployed employee in a regular or limited-term position shall be placed on a new probation period for twenty-six (26) weeks from the date of appointment and ending with the first day of the pay period following completion of said period.

2. Part-Time Employee

A new or reemployed part-time employee in a regular or limited-term position shall be placed on a new probation period for one thousand forty (1040) paid hours exclusive of overtime ending with the first day of the pay period following completion of said period.

B. Promotional Probation

1. Any regular or limited-term employee who is promoted, excluding a temporary promotion, shall be placed on promotional probation except as provided in section B.2., below.

   a. A full-time employee shall serve a probation period equal to the time period of the initial probation ending with the first day of the pay period following completion of said period.

   b. A part-time employee shall be placed on promotional probation for one thousand forty (1040) paid hours, exclusive of overtime, ending with the first day of the pay period following completion of said period.

2. When a regular or limited-term employee is promoted as a result of the employee's position being reclassified to a higher class and the class from which the employee is promoted is subsequently deleted or abolished or if the reclassification occurred as the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B, the incumbent employee shall not serve a promotional probation period.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's agency/department head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.
C. Failure of Probation

1. New Probation

An employee on new probation may be released at the sole discretion of the agency/department at any time without right of appeal or hearing, except as provided in C.3., below.

2. Promotional Probation

a. An employee on promotional probation may be failed at any time without right of appeal or hearing, except as provided in C.3., below, and except that failing an employee on promotional probation must not be arbitrary, capricious or unreasonable.

b. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

c. When an employee fails his or her promotional probation, the employee shall have the right to return to his or her former class provided the employee was not in the previous class for the purpose of training for a promotion to a higher class. When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position, other than at the direction of the employee's agency/department head, shall not have the right to return to his or her former class.

d. If the employee's former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.

3. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVIII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within ten (10) days after receipt of notice of failure of new probation.
D. **General Provisions**

1. When an employee's record consists of a combination of full-time and part-time service in regular or limited-term positions, except as provided in Section 4.D., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal fifty-two (52) weeks.

2. When an agency/department head or his or her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended, except as provided in Sections 1.D.4. and 5. of this Article, below, and an employee who is permitted by the agency/department to work beyond the end of a probation period shall be deemed to have passed such probation period.

3. An employee who is on probation may not transfer from one (1) agency/department to another in the same class without the approval of the Chief Human Resources Officer.

E. **Extension of Probation Periods**

1. The granting of an Official or Military Leave of Absence shall cause the employee's probation period to be extended by the length of the Official Leave or by the length of the Military Leave in excess of fifteen (15) calendar days. If the employee is on probation, the extended probation period resulting from the Official or Military Leave of Absence shall end with the first day of the pay period after said extended date. When an employee is absent from work and is not posting leave balances, the new hire and promotional probation periods shall be extended by the number of calendar days the absence exceeds the Department Leave and rounded to the first day of the first full pay period.

   When an employee is absent from work for more than 30 calendar days, the new hire and promotional probation periods shall be extended by the number of days the absence exceeds 30 calendar days and rounded to the first day of the first full pay period.

   An employee who is on Administrative Leave with Pay or suspended shall have his or her probation extended by the length of the Administrative Leave with Pay or suspension, with the extended probation period ending with and rounded to the first day of the first full pay period after said extended date.

2. The Chief Human Resources Officer shall extend the new or promotional
probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.

3. With the mutual agreement of a new probationary employee and his or her agency/department, the employee's new probation period may be extended at the sole discretion of the Chief of Employee Relations for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief of Employee Relations before the normal probation period is completed. In such cases, the agency/department shall advise OCEA in writing regarding the extension of probation as soon as practicable.

Denial of a request to extend a probation period shall not be subject to appeal or hearing.

Section 2. Performance Evaluation

A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee. Any written response by the employee to the performance evaluation shall be attached to such evaluation in the official personnel files.

Section 3. Contents of Personnel File

A. Adverse statements prepared by the County shall not be included in an employee's official personnel file unless a copy is provided to the employee.

B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.
C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

D. Letters of reference and reports concerning criminal investigations concerning the employee shall be excluded from the provisions of B. and C., above.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief of Employee Relations and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the agency/department head shall become a limited-term regular employee.

C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to permanent funded positions, maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement, layoff and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in section E., below.

E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the agency/department head shall retain their former status and retain their layoff benefits in their former layoff unit. The agency/department head shall make such an order in writing prior to the date of transfer or promotion.
Section 5.  Temporary Promotion

A.  A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

C.  An agency/department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours, but not to exceed eighteen (18) months.

E.  An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

F.  At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and agency/department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6.  Reemployment of Employees on Disability Retirement

A.  The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.

B.  Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status. They will remain on such list for a period of
two (2) years from date of retirement or date their disability retirement is discontinued, except that:

1. a person appointed to a regular position in the County service shall be removed from the list;

1. a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

2. a person who on three (3) separate occasions, declines referral for interviews in a class for which he or she is qualified shall be removed from the list.

Section 7. Reemployment of Regular Employee

A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on agency/departmental leave for such period of time.

Section 8. Time Off for Selection Procedures

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one (1) agency/department to another.

Section 9. On-Duty Meals

The County shall provide meals to personnel employed in residential care institutions and Probation Department juvenile institutions who are required to be on duty through their own meal period and to take their meals while supervising the activities of the residents.

Section 10. Clerical Employees of the Board of Supervisors and Secretaries to Agency/Department Heads - General Regulations

A. Clerical employees of individual members of the Board of Supervisors shall serve at the pleasure of the Board member holding that office. They may be terminated at any time and, in such event, shall have no right to any appeal or grievance procedure under any rule or regulation of the County or the State.
B. Secretaries to Elected Department Heads shall serve at the pleasure of the Department Head. They may be terminated at any time and, in such event, shall have no right to any appeal or grievance procedure under any rule or regulation of the County or the State.

C. An Executive Secretary to an appointed agency/department head shall serve at the pleasure of the appointed agency/department head. The employee may be terminated at any time and, in such event, shall have no right of appeal or grievance procedure under any rules or regulations of the County or the State, except as provided in D. below.

D. An Executive Secretary serving at the pleasure of an Appointed agency/department head who, immediately prior to appointment, held regular status in a lower related class, may be removed from the Executive Secretary position at any time and, in such event, shall have no right of appeal or grievance procedure under any rules or regulations of the County or the State. Upon removal, the employee shall have the right to return to a position in the former class.

The acceptance by a regular employee of a position as Executive Secretary serving at the pleasure of an appointed agency/department head shall be voluntary.

If an employee who held regular status in a Secretary III position immediately prior to accepting the Executive Secretary position requests to return to the class of Secretary III, such request shall be granted.

Section 11. Transfer Policy for OCEA Officers and Grievance Representatives

Management shall not, wherever practicable, assign an OCEA officer or grievance representative to a different location if:

A. the employee's performance “meets” or “exceeds” performance objectives; and

B. OCEA objects to such assignment (OCEA shall not object to such assignment change, except for good cause); and

C. there is another employee in the same classification in the agency/department who meets the specific qualifications for the assignment.

Section 12. Training

A. Upon approval of the agency/department head, employees may participate in various County sponsored training programs. The County and OCEA will inform employees of these training programs.
B. During the term of this Memorandum of Understanding, OCEA may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with OCEA and consider implementation.
ARTICLE IV LEAVE PROVISIONS

Section 1. Healthcare Leave

A. Accrual of Healthcare Leave

1. During the first three (3) years of employment, an employee shall earn .0347 hours of healthcare leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two [72] hours per year).

2. After an employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours, approximately three (3) years, the employee shall earn .0462 hours of healthcare leave with pay for each paid hour in a regularly scheduled work period to a maximum of eighty (80) hours in a pay period (approximately ninety-six [96] hours per year).

3. Healthcare leave earned shall be added to the employee's healthcare leave accumulation account upon the completion of the pay period, with no credit to be applied during the progress of the pay period or for a portion of the pay period during which the employee terminates County service.

4. Except as required by law, extra help employees shall not earn healthcare leave.

B. Permitted Uses of Healthcare Leave

Employees with annual leave balances must use accrued annual leave prior to use of healthcare leave, until all annual leave has been taken, unless otherwise indicated in this Article.

Healthcare leave may be applied to:

1. An absence necessitated by an employee's personal illness, injury or disability due to pregnancy or childbirth, medical or dental appointments during working hours for the diagnosis, care, or treatment of an existing health condition, preventative care, or absences related to Family Leave as defined in Section 14 of this Article. The employee shall notify the Department in advance to attend medical and dental appointments whenever practicable.

   a. An employee with an annual leave balance may use healthcare leave for absences resulting from an employee’s illness due to a medical diagnosis of COVID-19, for symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment or experiencing COVID-19 vaccine-related/booster-related symptoms.
2. Absence from duty for an employee to attend to the diagnosis, care or treatment of an existing health condition of, or preventing care for, the employee’s family member or eligible person as defined by applicable law because the employee’s presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner, child, grandparent, grandchild or legal guardian. Use of this leave is limited to the time period specified in Labor Code section 233.

a. An employee with an annual leave balance may use healthcare leave for absences resulting from caring for a family member’s illness due to a medical diagnosis of COVID-19, caring for a family member with symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment with a family member or to care for a family member experiencing COVID-19 vaccine-related/booster-related symptoms.

2.3. Absence from duty because an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a).

4. Leave for School and Child Care Activities (terms specified in Section 2.C below). If an employee is a parent, legal guardian, or grandparent who has custody of a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may use up to ten (10) hours per fiscal year, to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school related disciplinary issue. Time off requests to attend such events are non-discretionary, but shall be requested in advance to the extent possible.

5. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the following conditions:

a. The illness or injury of the employee was of a nature that would preclude the effective use of vacation and would prevent the employee from performing his or her normal duties.

b. The employee must notify his or her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his or her vacation leave, whichever is sooner, to request that his or her illness on vacation be charged to healthcare leave.

c. The agency/department shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.
d. Upon the employee’s return to work, the employee must furnish the agency/department with a certificate signed by a licensed physician or registered nurse stating the nature of the medical condition and the period of disablement.

6. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

7. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

8. Absence from duty because of personal business not to exceed forty (40) working hours during the fiscal year.

9. Up to eight twenty-four (824) hours of healthcare leave per fiscal year may be donated as a part of the County’s Catastrophic Leave Donation plan.

C. Prohibited Uses of Healthcare Leave

1. Healthcare leave shall not be applied to:

   a. Absence caused by illness or injury to a member of the employee’s family except as provided in B. above.

   b. Absences which occur on a County holiday.

2. Healthcare leave shall not be used for circumstances not specified in this Article, unless required by law.

D. General Provisions

1. In any use of healthcare leave, an employee's account shall be charged to the nearest quarter hour.

2. Except as prohibited by law an employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls when the agency/department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

3. Employees hired on or after July 15, 1977 are not eligible for any payoff of
healthcare leave. Employees hired before July 15, 1977 are eligible for healthcare leave payoff under the following conditions:

a. Upon paid retirement or death, an employee or the employee's estate shall be paid for a portion of the employee's unused healthcare leave in an amount computed as provided below:

Years of service as used herein shall be the equivalent of full-time continuous service in a regular position. Employees who elect to take deferred retirement shall not be eligible for any benefits provided by this paragraph.

b. Not more than once in each fiscal year, an employee hired prior to July 15, 1977, who, as of date of request, is eligible for Tier I paid retirement and who has accumulated unused /healthcare leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his or her accumulated /healthcare leave provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of /healthcare leave paid shall be computed based on years of continuous service in accordance with Section 1.D.3.a., above. The employee's /healthcare leave balance will be reduced by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.D.3.a.

c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977 who, as of the date of request, is eligible for Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire may request that a payoff of his or her accumulated /healthcare leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Such request must be made at least
thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee's retirement.

4. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the agency/department, apply the period of previous County continuous service for the purpose of determining healthcare leave earning rates. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid healthcare days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid healthcare days and to accrue additional paid healthcare days upon rehiring to the extent required by law.

Section 2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

B. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

C. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss.

D. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee’s accrued balances and must meet eligibility requirements and conditions set forth in Article IV - Section 1, Article V, or Article VI.

Section 23. Authorized Leave Without Pay

A. Discretionary Leave of Absence

1. A Discretionary Leave of Absence is granted based on the operational needs of the department in which the employee is assigned. The granting of such Leave shall be at the discretion of the department.
1.2. Agency/Departmental Leave

A regular, limited-term or probationary employee may request an agency/departmental leave without pay for a period of time not to exceed fifteen (15) calendar days. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted. The granting of such Leave shall be at the discretion of the agency/department, except in cases where Official Leave has been authorized pursuant to Sections 10, 11.A., and 14, below. The agency/department head may require that all accumulated compensatory leave time be used prior to granting of agency/departmental leave. The use of earned vacation or annual leave prior to the obtaining of agency/departmental leave shall be at the option of the employee.

2.3. Official Leave

a. Upon request, a regular, limited-term or probationary employee may be granted an Official Leave of Absence Without Pay. Such Leave, if granted, shall not exceed one (1) year. Employees will be required to use available Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave time is exhausted. except as provided in subsections 2. and 3., below. Such Leave may be authorized only after an employee’s completion of an agency/departmental leave and after all compensatory time and vacation accruals or the portion of annual leave balance subject to 100% payoff have been applied toward payment of the absence.

b. An Official Leave of Absence may be extended for up to an additional year at the discretion of the agency/department. Failure to request an extension before the end of the Official Leave may result in denial of that extension. except that requests for Official Leave which qualify as Family Leave pursuant to applicable law shall be granted to the extent required by such law. If the agency/department denies the extension of such Leave, the provisions of subsection 5. and 6., below, shall not apply.

6. An employee who has requested and identified valid need for Family Leave pursuant to Article IV, Section 14, and applicable law, shall be granted Official Leave to the extent required by such law. Such Leave shall be authorized only after use of leave balances as specified below:

When Official Leave involves the employee’s own serious health condition—after all accumulated compensatory time, vacation accruals, healthcare leave and annual leave have been used;

When Official Leave involves the circumstances covered by Section 1,
subsections B.4, B.5 or B.6 of this Article—after all accumulated compensatory time, vacation, healthcare leave (to the extent available to the employee for such use) and annual leave have been used;

When Official Leave is used for all other reasons—after all accumulated compensatory time and vacation accruals and/or the portion of the annual leave balance subject to 100% payoff have been applied toward the absence. Use of annual leave beyond the leave balance subject to 100% payoff shall be at the discretion of the employee, subject to the annual leave provision.

An employee shall give notice two (2) weeks prior to the date he or she wants to return to work, except that an employee returning from Family Leave shall give the lesser of two (2) weeks' notice or the maximum notice allowable under applicable law. If an employee does not give the required notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the employee to work until the employee gives such notice; however, the agency/department may waive the notice or reduce the notice period at its discretion.

Except as to leaves which must be granted pursuant to sections 10, 11 and 14 in this Article, the agency/department shall: (a) indicate on the request its decision as to whether the request should be granted, modified or denied; (b) promptly transmit the request to the Chief Human Resources Officer; and (c) deliver a copy to the employee.

If the agency/department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

An Official Leave shall not be credited toward continuous service.

3.4. General Provisions – Discretionary Leave

a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee’s department only where the employee is unable to initiate such action.

c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5) business days of
receiving the request, however this timeline may be extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall remain/return to work during this review process. The employee shall include the department's modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 96. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act

   a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.
b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee's spouse, son, daughter, or parent when the employee meets applicable requirements.

c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act

a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.

b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave, Sick/Healthcare, Vacation, Compensatory, and PIP balances, in that order.

5. Pregnancy Disability Leave
a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.

b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation, Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.

c. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave

a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

c. To qualify for Parenthood Leave, employees must meet the following conditions:

1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.
3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.

1.4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b., above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

1. Military Leave

a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.

b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.

c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.

d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.

e. Military Leave shall be credited toward continuous County service.
8. Verification
   a. A request for Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence, the date of return, and the required documentation supporting the request.
   
   b. As a condition to the approval of a medical Non-Discretionary Leave of Absence, an employee will be required to furnish medical certification from the employee’s health care provider which states: (1) the date on which the Leave is to commence; (2) the date on which the Leave is to end; (3) that the employee cannot perform their duties because of the employee's own serious health condition.
   
   c. To request Leave to care for another eligible person, an employee is required to furnish medical certification from the eligible person’s health care provider with the same information listed in 8.a and 8.b, above, and stating that the employee cannot perform their duties because the leave is required to care for the eligible person pursuant to applicable law.
   
   d. Whenever possible, an employee shall give notice of the request for Leave at least thirty (30) days, or as soon as practicable, prior to the start of the requested leave.
   
   e. Failure to provide satisfactory verification of the necessity for a Non-Discretionary Leave of Absence may be grounds for denial of the leave.
   
   f. If the department modifies or does not approve a request for Non-Discretionary Leave of Absence, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

9. General Provisions – Non-Discretionary Leave
   
   a. The twelve (12) month period for calculating Non-Discretionary leave entitlement will be based on the calendar year (January 1 to December 31).
   
   b. Unless otherwise prohibited by state or federal law, Non-Discretionary Leaves of absence will run concurrently.
   
   c. Any portion of the leave which is unpaid shall not be credited toward service hours.
C. Other Leaves of Absence

1. Leave for School and Child Care Activities

a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue.

b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

1.2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) month but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months,
prior written approval must be received from the supervisor within six (6) months of the loss.

d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee's accrued balances and must meet eligibility requirements and conditions set forth in Article IV - Section 1.B.8, Article V, or Article VI.

a. A request for a Leave of Absence shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the probable date of return.

b. A request for Leave of Absence without Pay shall normally be initiated by the employee, but may be initiated by the employee's agency/department only where the employee is unable to initiate such action, except in cases where the provisions of Section 11.A. apply.

Section 4. Official Leave for Non-occupational Disability

A. A regular, limited-term or probationary employee shall be granted upon request an Official Leave of Absence Without Pay for up to six (6) months for a non-occupational disability including disabilities related to pregnancy and childbirth provided that the employee meets the following conditions:

1. A medical statement setting forth the need for the leave, start date of the leave, the expected date of return and the period of disability shall be submitted with the Leave request.

2. Such Leave shall begin after all accrued healthcare leave, compensatory time, vacation time and/or annual leave have been applied toward the absence.

3. Unless otherwise required by law, the employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours or more. (This provision does not apply to pregnancy disability leave.)

4. For employees who are disabled because of pregnancy, as defined by state law, the County will maintain and pay for an eligible employee’s coverage under the County’s group health plan for the duration of the leave, not to exceed four (4) months over the course of a 12-month period, at the level and under the conditions that coverage would have been provided if the employee had continued in employment continuously for the duration of the leave.

B. If additional Leave is desired, the employee may request additional Leave in accordance with Official Leave, Section 3.B., above.
C. Unless otherwise required by law, an employee shall not be entitled to more than one (1) such Leave pursuant to this Section per twelve (12) month period.

Section 5. Absences Caused by Illness, Injury or Pregnancy

An employee who is absent from work for a period of more than fourteen (14) consecutive calendar days due to illness, injury or pregnancy shall not be permitted to resume work until and unless the employee obtains a medical clearance from a physician designated by the County.

Section 63. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee's regular rate of pay for those hours of absence due to the jury duty which occur during the employee's regularly scheduled working hours provided the employee deposits the employee's fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 74. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee's work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 85. Leave for OCEA Business

A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana and attendance at the bi-monthly Board of Trustees meeting. In addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.
C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

1. OCEA shall make a request to the employee’s department head at least ten (10) days in advance.

2. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

3. The services of such an employee are not immediately required by the County and other competent employees are available to do the employee's usual work.

Section 6. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 6.A., above, the County shall send written notice by certified mail to the employee's last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. a statement of the County's intention to implement the employee's automatic resignation and its effective date;

2. a statement of the reasons for considering the employee to have automatically resigned;

3. a statement of the employee’s right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. a statement of the employee's right to representation;

5. a copy of the automatic resignation provisions which apply to the employee;

6. a statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.

C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for the
CL - 47

employee to contact his or her agency/department; or 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.

E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absences is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the agency/department head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 10. Parenthood Leave

A. A regular, limited-term or probationary employee shall be granted, upon request, a Parenthood Leave Without Pay of up to six (6) months in connection with the birth or placement for legal adoption of a child provided the employee meets the following conditions:

1. The requested Leave is commenced within six (6) months before or after the date of birth or placement for legal adoption of the child.

2. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

3. Such employee has completed new probation.

4. All accrued vacation, compensatory time or annual leave subject to 100% payoff has been applied toward the absence.

B. Unless otherwise required by law, employees shall not be eligible for more than one (1) such Leave within any twelve (12) month period.

C. Healthcare leave or annual leave must be applied toward any portion of the absence
which qualifies under Section 1.B.1. of this Article provided the employee has furnished the agency/department with a certificate signed by a licensed physician stating the nature of the medical condition and period of disability.

D. Pregnant employees may also apply for a Non-occupational Disability Leave for the term of disability as provided in Section 4. of this Article.

E. Parenthood Leave shall not be credited toward continuous service.

F. For employees on Parenthood Leave, merit increase dates, probation periods and performance evaluation dates shall be treated as if the employee were on Official Leave.

Section 11. Workers’ Compensation Leave

A. When an injury is determined to be job-related in accordance with Article XII, a regular, limited-term or probationary employee shall be placed on Workers’ Compensation Leave. If such determination cannot readily be made and all healthcare leave or annual leave subject to 100% payoff has been applied to the absence, the employee shall be placed on Official Leave until a final determination is made.

B. Workers’ Compensation Leave shall continue until the employee:

1. is determined to be physically able to return to work and such medical determination, if disputed, is confirmed by Workers’ Compensation Appeals Board; or

2. is determined to be physically able to return to work with medical restrictions which the County can accept and such determination, if disputed, is confirmed by Workers’ Compensation Appeals Board; or

3. accepts employment outside the County; or

4. accepts employment in another County position; or

5. has been found to be permanent and stationary and is not rehabilitated as provided by law; or

6. is retired pursuant to Government Code provisions.

C. If practicable, an employee on Workers’ Compensation Leave will give notice two (2) weeks prior to the date he or she wants to return to work. If an employee does not give two (2) weeks’ notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the employee to work until such notice is given; however, the agency/department may waive the notice or reduce
Section 742. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the agency/depart rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee's absence imposes a hardship on agency/depart operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee's eligibility for promotional examinations shall not be affected by
Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsections A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 813. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (248 hours maximum per fiscal year), compensatory, and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 14. Family Leave

A. General Provisions

1. Family Leave shall be granted to the extent required by law. The following provisions set forth certain of the rights and obligations with respect to this leave. Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this Section “family leave” under this Agreement shall mean leave pursuant to the FMLA and CFRA.

2. Family Leave may be used in the following situations:

a. An employee’s serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.

b. The birth of a child, and in order to care for the newborn child within one year of birth;
c. Placement of a child for adoption or foster care within one year of the placement.

d. An employee’s presence is needed to attend to a serious health condition of the employee’s child, spouse, parent or a child of an employee standing in loco parentis (those with day-to-day responsibilities to care for and financially support a child).

e. Leave for a qualifying exigency arising out of the fact that the employee’s spouse, registered domestic partner, child or parent is on covered active duty or called to active duty status in the Armed Forces.

f. Leave to care for a spouse, registered domestic partner, child, parent, or “next of kin” who is a covered service member of the Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces.

3. Employees must request and identify their need for Family Leave. The County and OCEA agree that certain other types of leaves available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.

4. Eligibility for Family Leave will be determined according to the requirements of applicable law.

5. Family leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a) – (d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. Where Family Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

6. Leave taken under the FMLA for a disability due to pregnancy shall run concurrently with leave taken under the California Pregnancy Disability Act (See Section 4 of this Article). A family member may also be entitled to an additional twelve (12) weeks of bonding time under the CFRA.

7. The twelve (12) month period for calculating leave entitlement will be based on the calendar year (January 1 to December 31).

When a request for Family Leave is approved, the agency/department shall determine whether annual leave, healthcare
leave, compensatory leave, and/or vacation time is to be applied. Such
determination shall be consistent with other leave provisions of this
Agreement and shall give consideration to the circumstances and the
wishes of the employee. The use of healthcare leave shall be restricted to
those circumstances which qualify under the provisions of Article IV, Section
1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the
agency/department with thirty (30) calendar days’ notice of his or her intent to
take Family Leave.

2. If the event necessitating the Family Leave becomes known to the employee
less than thirty (30) calendar days prior to the employee’s need for Family
Leave, the employee must provide as much notice as possible. In no such case
shall the employee provide notice later than five (5) calendar days after he or
she learns of the need for Family Leave.

3. For foreseeable leave due to a qualifying exigency, an employee must provide
notice of the need for leave as soon as practicable, regardless of how far in
advance such leave is foreseeable.

4. When the Family Leave is for the purpose of the scheduled medical treatment
or planned medical care of a child, parent or spouse, the employee shall, to
the extent practicable, schedule treatment and/or care in a way that
minimizes disruption to agency/department operations.

C. Verification

1. As a condition to the approval of Family Leave, an employee may be required
to furnish certification from the health care provider which states: (1) the
date on which the condition commenced; (2) the probable duration of the
condition; (3) an estimate of time that the employee needs to be off; (4) that
the employee cannot perform his or her duties because of the employee’s own
serious health condition or that care is needed when the leave is for an
eligible family member pursuant to applicable law.

2. Employees who request leave to care for a covered service member who is
a child, spouse, registered domestic partner, parent or “next of kin” of the
employee must provide written certification from a health care provider
regarding the injured service member’s injury or illness.

3. The first time an employee requests leave because of a qualifying exigency,
the employee is required to provide the County with a copy of the covered military
member’s active duty orders or other documentation issued by the military
which indicates that the covered military members is on active or called to active duty in a foreign country with the dates of active duty service. New active-duty orders or similar documentation shall be provided to the County if the need for qualifying exigency leave arises out of a different active or call to active duty status of the same or a different covered military member.

4. Failure to provide satisfactory verification of the necessity for Family Leave is grounds for denial of the Family Leave.

Section 15. Leave Language Working Group

Upon adoption of the MOU, the County and OCEA agree to establish a working group to clarify language regarding Leaves of Absences, including streamlining language for understandability.
ARTICLE V  VACATION

Section 1.  Vacation Accrual

A.  During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year).  Part-time employees will earn vacation on a prorated basis.  Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

B.  After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty [120] hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period.  Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

C.  Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .077 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty [160] hours per year), under the same terms and conditions as under subsection B., above.

D.  The maximum allowable vacation credit an employee may accrue at any one time for employees with less than ten (10) years of continuous County service shall be two hundred forty (240) hours.  The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be three hundred twenty (320) hours.  An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee's vacation credit drops below the maximum allowed.

Section 2.  General Provisions

A.  Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Section 2.C.

B.  Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.
C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Section 1.C.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee's County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Section 1.C.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee's account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the agency/department, except in cases of emergency.

J. Illness while on paid vacation will be charged to Healthcare leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.

K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.

M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the agency/department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.
Section 3. **Vacation Cash Out**

A. **Vacation Cash Out Where Employee Has No Annual Leave Balances**

1. After annual leave has been exhausted, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to twenty (20) hours each or one (1) increment of up to forty (40) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

2. After annual leave has been exhausted, during each fiscal year, employees in the classification of Data Entry Technician may request to be paid for accrued vacation in either two (2) separate increments of up to twenty five (25) hours each or one (1) increment of up to fifty (50) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. **Vacation and Annual Leave Cash Out Where Employee Has Annual Leave**

1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the applicable cap (as set forth in Section 1.D. above) some time during the fiscal year unless the employee is able to cash out vacation time.

2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of eighty (80) hours each fiscal year, except if the employee has eighty (80) or more hours of accrued, unused Annual Leave balances then they may cash out up to one hundred (100) hours of vacation each fiscal year.
ARTICLE VI   ANNUAL LEAVE

The Annual Leave provisions shall apply to regular and limited-term employees hired on or after July 15, 1977, and before the implementation of the 2019-2023 MOU June 21, 2019.

Section 1. Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 2.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

C. During the ninety (90) day period beginning thirty (30) days after the adoption of this MOU, employees will have a one-time opportunity to convert Annual Leave that has been accumulated prior to the implementation of this MOU to Healthcare Leave.

Section 2. Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee's personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee's presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.

5. Absence from duty because: (1) the employee's presence is needed to attend to the diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's family member; or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for
the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233, except as to extra help employees, who will be limited to three (3) days provided they meet the requirements set forth in the Healthy Workplaces, Healthy Families Act of 2014 (Labor Code sections 245-249). For purposes of this Subsection “family member” means child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).

For those extra help employees who qualify for paid healthcare leave under Labor Code section 246, the first three days or 24 hours, whichever is greater, of annual leave taken each 12 month period will be considered healthcare leave used pursuant to the Healthy Workplaces, Healthy Families Act of 2014. The 12 month period is July 1 through June 30 for employees hired prior to July 1, 2015. For employees hired on or after July 1, 2015, the 12 month period is the 12 month period beginning on the employee’s hire date.

6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the agency/department except in cases of emergency.

C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.

D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Deputy Sheriff-Emergency
Service, Election Board Officer or Election Night Help.

E. Holidays which fall during an employee’s annual leave (vacation) period shall not be charged against the employee’s annual leave balance.

Section 4. General Provisions

A. In any use of annual leave, an employee's account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.

Section 5. Annual Leave Payoff Provisions

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 40 hours of Annual Leave; an additional 40 hours may be requested, with its payout at the discretion of the Department/Agency Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 80 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash-out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment for the unused annual leave balance as provided below:

C.B.
<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Maximum Payoff</th>

</thead>
<tbody>
<tr>
<td>Less than 3 years</td>
<td>160 hours maximum paid at 100%</td>

<td>A maximum of 1600 hours of the accrued annual leave balance has cash value. 320 hours are paid at 100% the remaining balance, after the 320 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance.</td>
</tr>
</tbody>
</table>

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 240 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits specified in Article V, Section 1.D. Remaining hours, up to the accrual limits specified in Article V, Section 1.D, will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

**D.C.** Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

**E.D.** An employee who is separating from County service by way of paid County retirement may elect either to take annual leave as time off, or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.
F.E. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.

B. If a holiday falls on a Saturday but is observed on the preceding Friday by
the Municipal and/or Superior Courts, employees who have been designated
by the County as being necessary to the operation of said courts may
be allowed to observe the Court observed Friday holiday in lieu of the
Saturday holiday provided such employees are given notice of their work
schedule change not less than thirty (30) calendar days prior to the holiday.

C. Except as provided in G below, when a holiday other than Christmas
Day falls on a Sunday, the next day shall be observed as the holiday.

D. When New Year's Day falls on a Saturday, the Friday immediately
preceding shall be observed as the holiday.

E. When Christmas Day falls on a Sunday, the next day (Monday) shall be
observed as the holiday unless an employee is required to work on
December 25 as part of his or her normal work schedule. In such cases the
employee may, with agency/department approval, observe the
holiday on December 25. Under no circumstances shall an employee
receive holiday compensation for both December 25 and the following
Monday.

F. When Christmas Day falls on a Saturday, the Friday immediately preceding
shall be observed as the holiday unless an employee is required to work on
December 25 as part of his or her normal work schedule. In such cases the
employee may, with agency/department approval, observe the
holiday on December 25. Under no circumstances shall an employee
receive holiday compensation for both December 25 and the Friday
immediately preceding.

G. Employees Regularly Scheduled to Work on the Holiday

1. Employees in the classifications of Office Assistant and Office
Specialist assigned to work for OC Animal Care who are required to
work on the holiday will be permitted to observe the holiday on a
Saturday when it falls on a Saturday or on a Sunday when it falls on a
Sunday.

2. Employees in the classification of Park Attendant who are required to
work on the holiday will be permitted to observe the holiday on a Saturday when it falls on a Saturday or on a Sunday when it falls on a Sunday.

Section 2. Eligibility for Holiday Pay

A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.

C. An employee who elects paid County retirement on a holiday shall be paid for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay

A. On each of the holidays designated above, each full-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee's basic hourly rate for the number of hours the employee was regularly scheduled to work.

B. On each of the holidays designated above, each part-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work.

C. Compensation for Holidays Falling on Scheduled Days Off

1. When a holiday falls on a full-time employee's regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.

2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

D. Compensation for Work on Holidays
1. An employee who is required to work on Columbus Native American Day, Veteran's Day, Day after Thanksgiving, Martin Luther King, Jr.'s Birthday, Lincoln's Birthday or Washington's Birthday and who meets the eligibility requirements contained herein shall receive his or her regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee's basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay as provided in D.1. or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.

E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

F. Holidays which fall during an employee's vacation period shall not be charged against the employee's vacation or annual leave balance.

G. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

H. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII REIMBURSEMENT PROGRAMS

Section 1. Mileage Reimbursement

A. Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1. Through December 31, 1994 the reimbursement rate shall be thirty-nine (39) cents per mile.

2. Except as provided in A.4., below, effective January 1, 1995 through June 22, 1995, the reimbursement rate shall be thirty-four (34) cents per mile.

3. Except as provided in A.4., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

4. Effective January 1, 1995, for an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

5. Effective January 1, 2006, employees who drive two-hundred-fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

6. There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

B. An employee who is required by the County to furnish a privately-owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars. The minimum shall not apply in any month:

1. in which the employee has not actually worked eighty (80) hours;

2. unless the employee claims the ten (10) dollar minimum and the agency/department certifies that the employee was required to use a privately-owned vehicle on County business.
Section 2. Personal Property Reimbursement

Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee. The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article. Reimbursement for a watch shall be limited to the functional value of the watch.

Section 3. Boots

A. The parties agree to establish a working group to identify additional classifications or to develop a policy for identifying classifications and/or positions qualifying for safety boot reimbursement.

B. During the first year of this contract, a Department Head in conjunction with Risk Management may authorize provision of safety work boots through a boot-mobile, voucher, or a reimbursement of a maximum of $150 per fiscal year for additional positions/employees that as a result of their duties are required to wear safety compliant work boots on a regular basis.

A. A Department Head may authorize the provision of safety work boots for employees who are required to furnish their own safety work boots up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher, or a reimbursement per the following:

1. As a result of their duties, the employees are required to wear safety compliant work boots.

2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.

4. If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.

5. The department is able to absorb any increased costs within its existing budget.

6. Employees are only entitled to receive one form of safety work boot provision (i.e., stipend, boot mobile, voucher or reimbursement per fiscal year or as otherwise described above).

B. Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classifications who are required to wear compliant protective footwear.

A.
Section 4. **Educational and Professional Reimbursement**

Effective the first full day of the first full pay period following adoption of the MOU, eligible employees may receive educational and professional reimbursement at a maximum of $10,000 per fiscal year. Terms and conditions for this reimbursement are set forth in the Personnel and Salary Resolution (PSR).
ARTICLE IX DISCIPLINARY ACTION

Section 1. Reprimand and Substandard Performance Evaluation

A. No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B. A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure. Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2. Emergency Suspensions of Five Days or Less

A. In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

1. whenever practicable, be given an opportunity to respond to the proposed suspension to a designated representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

2. be informed of the employee's right to representation in the response;

3. be informed of the employee's right to appeal should the proposed suspension become final.

B. In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3. Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A. In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action. Such written notice shall contain:

1. a description of the proposed action and its effective date(s); a statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;
2. copies of material on which the proposed action is based;

3. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. a statement of the employee's right to representation;

5. a statement of the employee's right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee's option, to a designated agency/department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2. above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4. and 5. of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6. of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for
suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.

Section 5. Reduction

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. Discharge and Right of Appeal

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. Polygraph Examination

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.

Section 8. Investigatory Meetings

A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

   1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and
2. A statement of the employee's right to representation.

B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X  GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1. Scope of Grievances

A. A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee’s wages, hours or conditions of employment.

B. Specifically excluded from the scope of grievances are:

1. subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2. matters which have other means of appeal;

3. position classification;

4. performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2. Basic Rules

A. If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B. If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C. If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure. By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D. The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, agency/department-wide or County-wide basis in an emergency situation. OCEA may appeal this decision to the Board of Supervisors.

D.E. A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation. The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office. The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation. Once the EEO Office has completed the intake, review, and if applicable, investigation, the grievant/appellant and, if applicable, the OCEA representative shall be notified in writing and the time limits for processing the grievance shall
resume, unless timelines are extended by mutual agreement.

E.F. Upon written consent of the parties, (i.e., the representatives of the County and the employee or his or her representative) the time limits at any step in the procedure may be extended.

F.G. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

G.H. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

H.I. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other’s files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure. An employee is not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing. Provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the grievance process and/or arbitration hearing.

B. Authorized grievance/appeal representatives shall be regular employees in the same department or Representation Unit as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify heads of the names and
titles of such representatives and send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and
Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Agency/Department Department Head

An employee may formally submit a grievance to the agency/department department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the agency/department department head, or his or her designee(s), shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2: Chief of Employee Relations

If the grievance/appeal is not settled under Step 1 and it concerns:

a. an interpretation or an application of this Memorandum of Understanding;

b. a performance evaluation rating of “does not meet performance objectives”;

c. deferral or denial of a merit increase, or a dispute about the number of steps granted;

d. a written reprimand;

d-e. a release from new hire probation alleging discrimination pursuant
to Article III, Section 1.C.3; or

e.f. a release from promotional probationary release alleging discrimination pursuant to Article III, Section 1.C.3;

Items a., b., c., d., above, may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, and/or appeal of a suspension and/or a reduction ordered by an agency/department head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of failure of probation, suspension and/or reduction.

Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in Bb., Cc. and Dd., above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure

a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.

b. An appeal from any discharge or from a suspension or reduction
imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.

c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing. The issues in all disciplinary appeals shall be: Was (employee's name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?

d. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies

a. Findings of Facts

An arbitrator's decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

b. Remedies – All Disciplinary Actions (Other than Discharge)

If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

1. Suspensions/Reductions

If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. Remedies - Discharges

1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to
reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.

   a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVIII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?

   b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?

2. Findings of Facts and Remedies

   a. In the event the arbitrator finds no violation of Article XVIII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.

   b. In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.

   c. In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

      1. The probationary release may be sustained.

      2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

      3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
D. General Provisions

1. Except as otherwise required by law, the all costs of an arbitration shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVIII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be private.

3. Arbitration appeal hearings of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following
rules shall apply:

a. Oral evidence shall be taken only on oath or affirmation.

b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a new hire probation release or suspension.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow.
Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI  LAYOFF PROCEDURE

Section 1.  General Provisions

A.  This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B.  This procedure shall not apply to employees who have special or unique knowledge or skills which are of special value in the operation of the County business.

C.  When two (2) or more agencies/department are consolidated or when one (1) or more functions of one (1) agency/department are transferred to another agency/department, employees in all involved agencies/department shall be subject to layoff if one is necessary.

D.  Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.  Order of Layoff

A.  When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their agency/department head shall be laid off in an order based on consideration of:

1.  employment status,

2.  past performance,

3.  length of continuous service with the County.

B.  Layoffs shall be made by class within an agency/department except that:

1.  Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

C.  Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of an agency/department.
D. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Agency/Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Agency/Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Probationary</td>
<td>Layoff Points</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the agency/department shall determine the order of layoff for these employees.

E. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

F. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last “Performance Evaluation Report,” for the class currently held by the employee, the employee
shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the workforce is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their agency/department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their agency/department of their intent to exercise rights under this Section; and where such notification is not in
writing, the employee shall confirm the notification in writing as soon as practicable.

2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their agency/department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her agency/department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee’s hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first.

1. Persons Laid Off

The names of persons laid off shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5.

The names of persons who exercise their rights under Section 5. shall
be placed on an **AGENCY/DEPARTMENTAL REINSTATEMENT LIST** for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6.**

The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on an **AGENCY/DEPARTMENTAL REINSTATEMENT LIST** for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the **AGENCY/DEPARTMENTAL REINSTATEMENT LIST** for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

**B.** The names of persons laid off shall be placed on the **COUNTY PREFERRED ELIGIBLE LIST** for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an **agency/departement** from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the **COUNTY PREFERRED ELIGIBLE LIST**, starting at the top. When more than one (1) vacant position in an **agency/departement** from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the **COUNTY PREFERRED ELIGIBLE LIST**, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from **COUNTY PREFERRED ELIGIBLE LISTS** shall be considered prior to eligibles certified from lower-ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

**C.** Names of persons placed on the **AGENCY/DEPARTMENTAL REINSTATEMENT LIST** and the **COUNTY PREFERRED ELIGIBLE LIST** shall remain on the lists for two (2) years, except that:

1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that
class.

3. An employee who upon retirement signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.

D. In the event two (2) or more agencies/department departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/department department to another agency/department department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee's account or any unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2 if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the
employee reduced shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII  ON-THE-JOB INJURY, WORKERS’ COMPENSATION  
SUPPLEMENT PAY  

Section 1.  Treatment of Industrial Injuries  

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq.  

Section 2.  Workers’ Compensation Supplement Pay  

A. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers’ compensation supplement pay which, when added to the workers’ compensation temporary disability benefit, shall equal eighty (80) percent of the employee’s base salary for a period not to exceed one (1) year including holidays.  

B. Workers’ compensation supplement pay shall begin the same day as the workers’ compensation temporary disability benefits. Prior to qualifying for workers’ compensation temporary disability benefits, an injured employee, at his or her option, may, at his or her option, use any accrued healthcare leave, compensatory time, annual leave and/or vacation, in that order.  

C. While an employee receives workers’ compensation supplement pay, no deductions nor payments shall be made from any healthcare leave, compensatory time, annual leave or vacation time previously accumulated by the employee. The employee shall not accrue healthcare leave, annual leave or vacation credit during the period in which the employee receives workers’ compensation temporary disability benefits.  

D. When an injury is determined to be job related by the County or by the Workers’ Compensation Appeals Board, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the fourth day of disability shall be restored to the employee’s account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the first day of disability shall be restored to the employee's account(s).  

E. The merit increase eligibility date and probation period of any employee who receives workers’ compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered County service for merit increase eligibility and completion of the probation period.  

F. When an employee is no longer entitled to receive workers’ compensation  

supplement pay, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in paragraph A., above.

G. Time during which an employee receives workers’ compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee's option, in that order.
ARTICLE XIII  SAFETY

Section 1.  General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A. No employee shall be required to work under conditions dangerous to the employee’s health or safety.

B. The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F. Wherever practicable, the County shall provide the necessary first aid kits in each location.

G. Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.

Section 2.  Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the employee's agency/department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.
Section 3. **Abatement of Violations**

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4. **Safety Representatives**

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

1. The Safety Representative obtains permission from his or her supervisor prior to performing such work, and reports back to the supervisor when the work is completed.

2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee’s absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:

   a. the Safety Representative checks in and checks out with the supervisor of the unit; and

   b. he or she does not unduly interfere with the work of the unit.
Section 5. **Resolution of Safety or Health Complaints**

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV   UNIFORMS AND SPECIAL EQUIPMENT

Section 1. Uniforms

The County will continue the current system of providing and/or laundering uniforms for all groups of employees in the Unit who are currently provided uniforms.
ARTICLE XV  OCEA AND EMPLOYEE RIGHTS

Section 1.  Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2.  Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3.  Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, agency/department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4.  Use of Bulletin Boards

Space shall be made available to OCEA on agency/departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the agency/department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5.  Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI  MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII   NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII  POSITION CLASSIFICATION

Section 1. The Establishment of New Classes

The County will provide OCEA an informational copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2. Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3. Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to his or her agency/department head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate agency/department response to an employee's request for recategorization includes, but is not limited to, denial of request or forwarding of the request to the Human Resources Department with a recommendation that a classification study be conducted.

a. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not agree with the County's decision, the employee may submit the request to OCEA.
Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

a. If the study is justified, and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

b. If the study is justified and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

c. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 4. of this Article shall be extended forty-five (45) days.

Section 5. Review of Disputed Position Classification Decisions

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a
consultant shall not be included.

B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3. above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX   INSURANCE

Section 1.   Health Plans and Premium Contributions

A. Full - Time Employees

1. Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all full-time regular, limited term, and probationary employees and their eligible dependents.

2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a. Employee Only Coverage - eighty-five (85) percent of the employee’s premium or ninety (90) percent of the employee’s premium if the employee completes the Wellness Incentive program;

   b. Employee and Dependent Coverage - seventy (70) percent of the total health plan premium, for each employee and such employee’s eligible dependents or seventy-five (75) percent of the employee’s premium if the employee completes the Wellness Incentive program.

   c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. Employees who elect the Sharewell Choice PPO plan will not only have their insurance premium fully paid by the County but will also receive a payroll credit per plan guidelines. In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

B. Part-Time Employees

1. Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all part-time regular, limited term, and probationary employees. Enrollment of part-time employees shall be restricted to employees whose normal workweek consists of at least twenty (20) hours.

2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:
a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee's premium if the employee completes the Wellness Incentive program;

b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37 ½) percent of the total health plan premium, for each employee and such employee's eligible dependents if the employee completes the Wellness Incentive program.

c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

a. Employee Only Coverage – one hundred (100) percent of the premium;

b. Employee and Dependent Coverage – per subsection B.2.b above

In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

6. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of employee and dependent coverage for each EME. EME dependents are not required to participate in the Wellness Incentive program. Employees must report any subsequent changes in marital status, such as legal separation or divorce, within 30 days of the event. Failure to report legal separation or divorce from a covered spouse
D.C. shall require repayment of all premiums paid by the County under this program during the period in which the employees were ineligible due to legal separation or divorce.

E.D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

F.E. For Employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV, Section 14 and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

G.F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

H.G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

I.H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. Health Plan Enrollment

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.

B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event
beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees' eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund approved by the State of California for the sole purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said State approved trust fund. The County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 14 and applicable law.

C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.

D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees,
attorneys, agents, advisors and representatives harmless from any claims or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500

2. The annual report shall include the following information:
   a. the actual cost of benefits provided by the trust fund;
   b. member contributions to the cost of benefits provided by the trust fund;
   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);
   d. a summary of other trust fund expenditures; and
   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County’s written request or the report’s completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. **Premium Only Plan**

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee’s gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided health insurance coverage, as permitted by state and federal law, regulations, and guidelines.

Section 5. **Retiree Medical Plan**

A. **Retiree Medical Grant**
Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan (“the Plan”) for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 reopener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered retiree health insurance plan and/or Medicare premiums as provided below.
a. Upon implementation of the Plan for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.

b. The Grant will be adjusted as follows:

1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023

2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023

3. Sections 5.A3.b.1 and 5.A.3.b.2 shall not apply to Disability Retirements

c. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to
September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

d. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006, who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regular paid hours immediately preceding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the Retiree Medical Plan Document, shall be eligible for the Grant. Employees who were employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, shall have been given the option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document.
Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.

The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.

Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of service or actual years of credited County service, whichever is greater.

b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant.
based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

e-b. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.

d-c. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.

3. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. Survivor Benefits

1. A surviving dependent of a retiree who was eligible to receive a Grant
and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their Grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) will be made available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.

2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.

Section 6. Reopener

The County may reopen negotiations on this Article\(^1\) and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

\(^1\) Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
ARTICLE XX      DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

   a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

   b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

   c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

   d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

   e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

   f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.
ARTICLE XXI - RETIREMENT

Section 1. Retirement Benefit Levels

A. For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered “Legacy Members” of OCERS within the Meaning of the Public Employees’ Pension Reform Act of 2013 (“PEPRA).

1. Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. This retirement benefit formula is commonly known as the “2.7% at 55” benefit formula.

   a. For employees hired on or before September 20, 1979, the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.

   b. For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee’s highest three (3) years of compensation per Government Code section 31462.

2. 1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.

   a. Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the "2.7% at 55" benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65" benefit formula) for future County service.

   b. In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the “2.7% at 55” benefit formula and shall make the employee retirement contributions established for that benefit formula.

   c. In the event an eligible employee elects the “1.62% at 65" benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution
Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C below.

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, ie., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the
The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

2. Reduction in Reverse Pickup

a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

d. Effective July 2, 2021, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 3.6% reduction of the employee’s paid reverse pickup.

e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.
Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010 the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the “DC Plan”) to those employees who are covered by the “1.62% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the DC Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII  SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII  RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Office Services Unit for classes in effect on June 21, 2019 June 30, 2023. Said classes are listed in Appendix A.
ARTICLE XXIV  FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1.  Dependent Care Reimbursement Account (DCRA)

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2.  Health Care Reimbursement Account (HCRA)

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV   PERFORMANCE INCENTIVE PROGRAM (PIP)

Section 1.

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year. All other performance management components of PIP remain in effect.
ARTICLE XXVI    LABOR MANAGEMENT COMMITTEES

Section 1.  Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for agency management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:

   1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;

   2. Has County-wide impact; or

   3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.

Section 2.  Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.

B. 1. Every agency/department shall have an LMC.
2. The agency/department LMC structure shall consist of management representatives selected by the agency/department and employee representatives selected by OCEA. The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each agency/department LMC shall have two sponsors who may or may not be members of the LMC: the agency/department head and a representative designated by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time Off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.

D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the agency/department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.
F. Any issue which is not resolved by the agency/department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII  SALARY

1. Effective the first day of the first pay period following adoption of this 2023-2026 MOU, the salary schedule will be increased by 2.504.75%.

2. Effective July 3, 2020June 28, 2024, the salary schedule will be increased by 2.504.25%.

3. Effective July 2, 2021June 27, 2025, the salary schedule will be increased by 2.504.00%.

   Effective July 1, 2022, the salary schedule will be increased by 3.50%.  

ARTICLE XXVIII  DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

SIDE LETTER AGREEMENT TO THE 2023-2026 COUNTY MEMORANDA OF UNDERSTANDING BETWEEN THE COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION

June 27, 2023

This document serves as a Side Letter Agreement modifying the 2023-2026 Memoranda of Understanding (“MOUs”) between the County of Orange (“County”) and the Orange County Employees Association (“OCEA”) for the Community Services Unit, County General Unit, Healthcare Professional Unit, Office Services Unit, Sheriffs Special Officer Unit, and the Supervisory Management Unit. This Side Letter shall be effective beginning with the first day of the first full pay period after adoption by the County’s Board of Supervisors.

This agreement reestablishes the Insurance Working Group to discuss the redesign of the Wellness Credit program, how employees earn their 5% credit, and reducing the cost of health insurance.

Other bargaining groups and stakeholders (e.g., Teamsters, IUE, AFSCME, OCMA, OCAA, unrepresented employees) may also be invited to participate in the working group. Each party may have up to five (5) members as representatives serving on the working group.

2023 – 2026

COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION
MEMORANDUM OF UNDERSTANDING

2023 - 2026

COUNTY OF ORANGE

AND

THE ORANGE COUNTY EMPLOYEES ASSOCIATION

FOR THE

SHERIFFS SPECIAL OFFICER

UNIT

This Memorandum of Understanding adopted by the Board of Supervisors on June 27, 2023 sets forth the terms of agreement reached between the County of Orange and the Orange County Employees Association as the Exclusively Recognized Employee Organization for the Sheriffs Special Officer Unit for the period beginning June 30, 2023 through June 25, 2026. Unless otherwise indicated herein, all provisions shall become effective June 30, 2023.
DEFINITIONS

The following terms as used in this Memorandum of Understanding shall, unless the context clearly indicates otherwise, have the respective meanings herein set forth:

BOARD shall mean Board of Supervisors of the County of Orange.

CHIEF HUMAN RESOURCES OFFICER shall mean the Chief Human Resources Officer or his or her designee.

CHIEF OF EMPLOYEE RELATIONS shall mean the Chief of Employee Relations, or his or her designee.

CONTINUOUS SERVICE shall mean employment in a regular position which has not been interrupted by resignation, discharge or retirement. Leaves of Absence where the employee has balances posted shall be credited toward continuous service.

COUNTY shall mean the County of Orange and special districts governed by the Board of Supervisors.

DISABILITY RETIREMENT shall mean a service or non-service connected disability retirement pension under the Orange County Employees Retirement System.

EMERGENCY shall mean an unforeseen circumstance requiring immediate action, a sudden unexpected happening, an unforeseen occurrence or condition, a pressing necessity.

EMPLOYEE shall mean a person employed by the County and covered by terms of this Memorandum of Understanding, except where the natural construction of this Memorandum of Understanding indicates otherwise.

FULL-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours equal those of a full workweek or work period as described hereinafter.

HEALTHCARE OR HEALTHCARE LEAVE shall mean and be synonymous with the terms “sick” and/or “sick leave.”

LIMITED-TERM EMPLOYEE shall mean an employee employed in a limited-term position except where a regular position is converted to a limited-term position, the incumbent shall retain his or her former status. As an exception to this definition, a limited-term employee may also be used to fill a regular position when the incumbent employee is on a Leave of Absence.

LIMITED-TERM POSITION shall mean a position which the County has determined has no anticipated long-range funding or has uncertain future funding.
PART-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours do not equal those required of a full-time employee.

PERSONAL BUSINESS shall mean a foreseeable personal event or circumstance which necessitates the employee's absence from County duty. Personal Business leave must be requested in advance by the employee and be preapproved by supervision or management.

PERSONAL EMERGENCY shall mean an event or circumstance of a serious nature which is beyond an employee's control and which necessitates the employee's absence from County duty, including, but not limited to, those events and circumstances which require the employee's prompt attention to avoid possible financial loss to, or damage to the health of, either the employee or a member of his or her household.

PRACTICABLE means feasible; reasonably able to accomplish.

PROBATIONARY EMPLOYEE shall mean an employee who is serving a probation period and is employed in a regular or limited-term position.

PROMOTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step on the new salary range is at least one (1) full step higher than the maximum step of the old salary range.

REASSIGNMENT shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class on the same salary range or to a class where the maximum step on the new salary range is less than one (1) full step higher or lower than the maximum step of the old salary range.

RECRUITING STEP shall be the first step of the salary range allocated to a class unless otherwise authorized by the Board or the Chief Human Resources Officer.

REDUCTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step of the new salary range is at least one (1) full step lower than the maximum step of the old salary range.

REGULAR EMPLOYEE shall mean an employee who is not on probation and is employed in a regular or limited-term position.

REGULAR POSITION shall mean a position established on a permanent year-round basis requiring work on a regular schedule unless otherwise authorized by minute order of the Board.

SENIORITY shall mean total continuous full-time equivalent service as a regular employee.
Y-RATE shall mean a pay rate outside of the assigned salary range of a class.
ARTICLE I WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

A. The official workweek for full-time employees in classifications designated as non-exempt from FLSA shall be forty (40) hours. The workweek shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight except for employees working an alternate schedule, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different workweek may be designated. Work ordered and performed in excess of forty (40) hours actually worked in a workweek, or eighty (80) hours worked in the pay period for employees in FLSA exempt classifications, shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek, or eighty (80) hours of paid time in the pay period for employees in FLSA exempt classifications, in accordance with an emergency declared by the Board of Supervisors, activation of the County’s Emergency Operations Center (EOC) or Department Operations Center (DOC), shall be overtime.

B. The official FLSA work period for Sheriffs Special Officers shall be 28 days and shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later. For purposes of payment of overtime under this MOU, each 28 day period shall be divided into two 14 day periods, with overtime being paid for work ordered and performed in excess of eighty (80) hours actually worked in each 14 day period. Work ordered and performed in excess of eighty (80) hours of paid time in each 14 day period in accordance with an emergency declared by the Board of Supervisors shall be overtime.

C. The work period for all other employees in FLSA exempt classifications may be established on a pay period basis, starting on a Friday and ending on the second Thursday thereafter. Such employees who occupy full-time positions shall be scheduled to work eighty (80) hours in each work period. Employees shall receive compensation on a biweekly basis.

1. Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period and scheduled days off shall fall on at least two (2) consecutive calendar days. Work ordered and performed in excess of eighty (80) hours actually worked in a work period shall be overtime. Work ordered and performed in excess of eighty (80) hours of paid time in accordance with an emergency declared by the Board of Supervisors shall be overtime.

2. Alternate work schedules shall not be implemented without the County and OCEA first negotiating and attempting to reach agreement on such hours of work for each division or work unit in each department proposing implementation of such alternate work schedules.
3. An employee in this unit may request to trade his or her days of work for another employee's days of work provided both employees work in the same division, have the same classification and the days traded are within the same pay period. Should, as a direct result of such trades, either employee work more than forty (40) hours in a workweek, the hours in excess of forty (40) hours shall not be considered overtime. Except, all overtime work ordered and performed which would have been performed regardless of such trade shall be treated in accordance with Section 1.A., above.

Trades under this provision shall require the written approval of the Department.

4. An employee may request to trade his or her biannual, quarterly or monthly shift for another employee's biannual, quarterly or monthly shift provided both employees have the same work assignment and the request is made within two (2) weeks of posting of scheduled shift rotation.

Trades under this provision shall require the written approval of the department.

D. The County agrees to give employees a fourteen (14) calendar day advance notice of a shift change whenever practicable.

E. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.

F. The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

G. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee's work period as defined in A., above, except on authorized overtime.

H. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by the Department.

1. Upon written request by OCEA, the County agrees to study the feasibility of establishing work schedules consisting of either:

   a. four (4) ten (10) hour workdays per week;
b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or

c. flex time.

2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.

3. OCEA agrees not to request more than three (3) such studies concurrently for the Department.

4. The County agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

I. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the Department, work beyond the normal workday, workweek or work period is required, the department will notify any employee who may be asked to perform such work of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) in the employee's designated workweek for classifications designated as non-exempt from FLSA or eighty (80) in FLSA exempt classifications, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

B. Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.

2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.

3. If the responsible supervisor determines that overtime is necessary on a situation already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.

4. The County and OCEA may meet and confer and, in so doing, shall attempt to reach agreement regarding specific provisions for the
distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.2. and 3., above.

C. Payment for Overtime

1. Except as provided in 2.C.3., below, overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. Except as provided in 2.C.3., below, for all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the Department. Consideration shall be given to effectuating the wishes of employees. The maximum number of CTO hours which may be accrued by any employee is eighty (80). If an employee accrues 80 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

3. Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by his or her Department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

4. No scheduled compensatory time off will be cancelled except in cases of emergency.

5. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

6. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.

7. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work.

Such rest periods shall be scheduled in accordance with the requirements of the Department, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.
Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal wash-up and changing clothes.

Section 4. Premium Pay

A. Night Shift Differential

1. An employee who works an assigned night shift shall in addition to his or her regular salary be paid a night shift differential for each hour actually worked on the assigned night shift.

2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential.

3. The rate of night shift differential shall be five (5) percent of the employee's basic hourly rate with a minimum of sixty (60) cents per hour and a maximum of one (1) dollar and fifty (50) cents per hour.

B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.

3. Employees paid on a sixteen (16) hour shift basis are exempt from these provisions.

C. Call-Back Pay

1. When an employee returns to work because of a Department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours
work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Except as provided in 4.C.3., below, call-back shall be paid at one and one-half (1 1/2) times the regular rate.

3. There shall not be any duplication or pyramiding of rates paid under this Section.

4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.

5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.

6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. Bilingual Pay

1. Qualified employees who meet the following criteria shall receive an additional forty (40) cents per hour (approximately sixty-nine (69) dollars per month) for all hours actually paid.

   a. An employee must be assigned by Departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.

   b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.

   c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.

2. Qualified employees in the unit who, in addition to meeting the criteria in 1.a. and b. above, and when approved by the Division Commander, are certified by the Chief Human Resources Officer as qualified to perform exceptional bilingual duties that are essential to the performance of their professional and/or technical duties, based on assignment requirements, shall receive an additional seventy (70) cents per hour (approximately one hundred and twenty one (121) dollars per month) for all hours actually paid.

3. An employee shall not be eligible to receive more than one type of bilingual pay concurrently.
4. Bilingual pay shall not apply to workers' compensation supplement pay.

5. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the Department Head, who will consider it according to:
   a. Department need;
   b. availability of a qualified replacement; and
   c. availability of another suitable assignment for the requesting employee.

6. Upon the agreement of the County and OCEA, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

F. Training Officer Assignment Pay

Employees in the classification of Sheriffs Special Officer assigned to John Wayne Airport, Security Bureau, Court Operations, all jail facilities or the Training Academy on a regular, full-time basis who are responsible for training new Sheriffs Special Officers shall be paid two dollars ($2.00) per hour for all hours assigned to perform such training functions.

G. Emergency Communications Training and Certification Pay

1. Employees in the classification of Sheriffs Special Officer I, II who are assigned to receive training as or act in the capacity of a Radio Dispatcher or Communication Coordinator shall receive an additional two dollars and three cents (2.03) per hour for all hours assigned while training or acting in the capacity of a Radio Dispatcher or Communication Coordinator at the Emergency Communications Bureau.

2. If, during the term of the contract, the difference between the step 12 hourly rate of the Radio Dispatcher or Communication Coordinator classification and the step 12 hourly rate of the Sheriffs Special Officer II classification exceeds two dollars and three cents (2.03) per hour, the premium will be adjusted accordingly.

H. Quartermaster Pay

Effective as of the first day of the first full pay period after adoption by the Board of Supervisors on or after June 30, 2023, employees in an active pay status in the classification of Sheriffs Special Officer assigned on a regular, full-time basis by the department to the Quartermaster Unit who possess a valid Class A or B driver’s license shall be paid an additional monthly
premium of seventy-five dollars ($75) per month (approximately $34.62 biweekly).
ARTICLE II   PAY PRACTICES

Section 1.  Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2.  Pay for New Employees

A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the Department Head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant’s previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the department head, the County Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2. If a recruiting step is decreased, incumbents of the class will be unaffected.

3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.B. for new employees.

4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.
Section 3. Merit Increase Within Range

A. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the Department Head.

B. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class.

When an employee is absent from work and not posting personal leave balances (with the exception of Military Leave), the merit increase eligibility date shall be extended by the number of days the absence exceeds the Department Leave and rounded to the first day of the first full pay period. Subsequent merit increase eligibility dates shall fall on the first day of the pay period following the completion of fifty-two (52) week intervals after the extended merit increase eligibility date.

A suspension shall cause the merit eligibility date to be extended by the total number of calendar days equal to the suspension and rounded to the first day of the first full pay period.

A military leave, paid or unpaid, shall not result in the extension of a merit increase eligibility date.

C. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

D. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of “meets performance objectives” shall earn a two (2) step increase.
E. If, in the Department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the Department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.

F. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion

A. Except as modified by B. and C., below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class, except that the employee will retain their former merit increase eligibility date if the promotion was the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.
Section 5. **Salary on Reassignment**

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B to a class on a different salary schedule, their salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

Section 6. **Salary on Reduction**

A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.B., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.
2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change except if the reduction is the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. Salary on Reclassification

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.2.

Section 8. Salary on Reemployment

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer, be appointed at a step higher than the recruiting step, but no higher than the step the person received at
the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. Changes in Salary Allocation

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XIX.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. Additional Compensation

Notwithstanding anything in this Memorandum of Understanding to the contrary when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 11. Paycheck Deposit

A. The County will permit an employee to authorize automatic deposit of his or her Paycheck to a financial institution of the employee’s choice, if and when the Chief Human Resources Officer and Auditor-Controller determine it is feasible.

B. Employees hired after June 29, 2001 will be required to authorize automatic deposit of his or her paycheck to a financial institution of the employee’s choice.

Section 12. Classification and Compensation Studies

The County agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year.
ARTICLE III   GENERAL PERSONNEL PROVISIONS

Section 1.   Probation

A.   New Probation

1.   Full-Time Employee

   A new or reemployed employee in a regular or limited-term position shall
   be placed on a new probation period for fifty-two (52) weeks from the
   date of appointment and ending with the first day of the pay period
   following completion of said period.

2.   Part-Time Employees

   A new or reemployed employee in a part-time regular or limited-term
   position shall be placed on a new probation period for two thousand
   eighty (2080) paid hours exclusive of overtime, ending with the first day
   of the pay period following completion of said period.

B.   Promotional Probation

1.   Any regular or limited-term employee who is promoted, excluding a
    temporary promotion, shall be placed on promotional probation except
    as provided in section B.2., below.

   a.   A full-time employee shall serve a probation period equal to the
        time period of the initial probation ending with the first day of the
        pay period following completion of said period. However, an
        employee who promotes to a class in the same or closely related
        occupational series, shall serve a promotional probation period of
        twenty-six (26) weeks from the date of promotion ending with the
        first day of the pay period following completion of said period or
        the remainder of any uncompleted new probation period, whichever is
        longer.

   b.   A part-time employee shall be placed on promotional probation for
        two thousand eighty (2080) paid hours, exclusive of overtime,
        ending with the first day of the pay period following completion of
        said period except that for promotion to a class in the same or
        closely related occupational series, the promotional probation
        period shall be one thousand forty (1040) paid hours exclusive of
        overtime or the remainder of any uncompleted new probation
        period, whichever is longer.
2. When a regular or limited-term employee is promoted as a result of the employee's position being reclassified to a higher class and the class from which the employee is promoted is subsequently deleted or abolished or if the reclassification occurred as the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B, the incumbent employee shall not serve a promotional probation period.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's Department Head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.

C. Failure of Probation

1. New Probation

An employee on new probation may be released at the sole discretion of the Department at any time without right of appeal or hearing, except as provided in C.3., below.

2. Promotional Probation

   a. An employee on promotional probation may be failed at any time without right of appeal or hearing, except as provided in C.3., below, and except that failing an employee on promotional probation must not be arbitrary, capricious or unreasonable.

   b. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

   c. When an employee fails his or her promotional probation, the employee shall have the right to return to his or her former class provided the employee was not in the previous class for the purpose of training for a promotion to a higher class. When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position other than at the direction of the employee's Department Head shall not have the right to return to his or her former class.
d. If the employee's former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.

3. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within ten (10) days after receipt of notice of failure of new probation.

D. General Provisions

1. When an employee’s record consists of a combination of full-time and part-time service in regular or limited-term positions, except as provided in Section 4.C., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal fifty-two (52) weeks.

2. When the Department Head or his/her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended, except as provided in Section E1., 2. and 3. of this Article, below, and an employee who is permitted by the Department to work beyond the end of a probation period shall be deemed to have passed such probation period.

3. An employee who is on probation may not transfer from one Department to another in the same class without the approval of the Chief Human Resources Officer.

E. Extension of Probation Periods

1. When an employee is absent from work and is not posting leave balances, the new hire and promotional probation periods shall be extended by the number of calendar days the absence exceeds the Department Leave and rounded to the first day of the first full pay period.

When an employee is absent from work for more than 30 calendar days, the new hire and promotional probation periods shall be extended by the number of days the absence exceeds 30 calendar days and rounded to the first day of the first full pay period.

An employee who is on Administrative Leave with Pay or suspended shall have their probation extended by the length of the Administrative
Leave with Pay or suspension, and rounded to the first day of the first full pay period.

2. The Chief Human Resources Officer shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.

3. With the mutual agreement of a new probationary employee and his or her Department, the employee's new probation period may be extended at the sole discretion of the Chief of Employee Relations for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief of Employee Relations before the normal probation period is completed. In such cases, the Department shall advise OCEA in writing regarding the extension of probation as soon as practicable.

Denial of a request to extend a probation period shall not be subject to appeal or hearing.

Section 2. Performance Evaluation

A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee. Any written response by the employee to the performance evaluation shall be attached to such evaluation in the official personnel files.

Section 3. Contents of Personnel File

A. Adverse statements prepared by the County shall not be included in an employee's official personnel file unless a copy is provided to the employee.
B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.

C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

D. Letters of reference and reports concerning criminal investigations concerning the employee shall be excluded from the provisions of B. and C., above.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief of Employee Relations and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the Department Head shall become a limited-term regular employee.

C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to permanent funded positions, maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement, layoff and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in section E., below.
E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the Department Head shall retain their former status and retain their layoff benefits in their former layoff unit. The Department Head shall make such an order in writing prior to the date of transfer or promotion.

Section 5. Temporary Promotion

A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. The Department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours but not to exceed eighteen (18) months.

C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee’s former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

D. At the end of the employee’s assignment to the higher class, the employee shall have the right to return to his or her former class and department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6. Reemployment of Employees on Disability Retirement

A. The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.

B. Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status.
They will remain on such list for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:

1. a person appointed to a regular position in the County service shall be removed from the list;

2. a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

3. a person who on three (3) separate occasions, declines referral for interviews in a class for which he or she is qualified shall be removed from the list.

Section 7. Reemployment of Regular Employee

A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on Departmental Leave for such period of time.

Section 8. Time Off for Selection Procedures

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one department to another.

Section 9. Transfer Policy for OCEA Officers and Grievance Representatives

Management shall not, wherever practicable, assign an OCEA officer or grievance representative to a different location if:

A. the employee's performance “meets” or “exceeds” performance objectives; and

B. OCEA objects to such assignment (OCEA shall not object to such assignment change, except for good cause); and

C. there is another employee in the same classification in the Department who meets the specific qualifications for the assignment.

Section 10. Training

A. Upon approval of the Department Head, employees may participate in various County sponsored training programs. The County and OCEA will inform employees of these training programs.
B. During the term of this Memorandum of Understanding, OCEA may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with OCEA and consider implementation.
ARTICLE IV LEAVE PROVISIONS

Section 1. Healthcare Leave

A. Healthcare Leave Accrual

1. During the first three (3) years of employment, an employee shall earn 0.0347 hours of healthcare leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two [72] hours per year).

2. After an employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours, approximately three (3) years, the employee shall earn 0.0462 hours of healthcare leave with pay for each paid hour in a regularly scheduled work period to a maximum of eighty (80) hours in a pay period (approximately ninety-six [96] hours per year).

3. Healthcare leave earned shall be added to the employee's healthcare leave accumulation account upon the completion of the pay period, with no credit to be applied during the progress of the pay period or for a portion of the pay period during which the employee terminates County service.

B. Permitted Uses of Healthcare Leave

Employees with annual leave balances must use accrued annual leave prior to use of healthcare leave, until all annual leave has been taken, unless otherwise indicated in this Article.

Healthcare leave may be applied to:

1. An absence necessitated by an employee's personal illness, injury or disability due to pregnancy or childbirth, medical or dental appointments during working hours for the diagnosis, care, or treatment of an existing health condition, or preventative care. The employee shall notify the Department in advance to attend medical and dental appointments whenever practicable.
   a. An employee with an annual leave balance may use healthcare leave for absences resulting from an employee's illness due to a medical diagnosis of COVID-19, for symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment or experiencing COVID-19 vaccine-related/booster-related symptoms.
2. Absence from duty for an employee to attend to the diagnosis, care or treatment of an existing health condition of, or preventative care for, the employee's family member or eligible person as defined by applicable law. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner, child, grandparent, grandchild, or legal guardian. Use of this leave is limited to the time period specified in Labor Code section 233.
   a. An employee with an annual leave balance may use healthcare leave for absences resulting from caring for a family member’s illness due to a medical diagnosis of COVID-19, caring for a family member with symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment with a family member or to care for a family member experiencing COVID-19 vaccine-related/booster-related symptoms.

3. Absence from duty because an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a).

4. Leave for School and Child Care Activities (terms specified in Section 2.C.1 below).

5. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the following conditions:
   a. The illness or injury of the employee was of a nature that would preclude the effective use of vacation and would prevent the employee from performing his or her normal duties.
   b. The employee must notify his or her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his or her vacation leave, whichever is sooner, to request that his or her illness on vacation be charged to healthcare leave.
   c. The Department shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.
   d. Upon the employee's return to work, the employee must furnish the Department with a certificate signed by a licensed physician or registered nurse stating the nature of the medical condition and the period of disablement.

6. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.
7. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

8. Absence from duty because of personal business not to exceed forty (40) working hours during the fiscal year.

9. Up to twenty-four (24) hours of healthcare leave per fiscal year may be donated as a part of the County’s Catastrophic Leave Donation plan.

C. Prohibited Uses of Healthcare Leave

1. Healthcare leave shall not be applied to:
   a. Absence caused by illness or injury to a member of the employee's family except as provided in B., above.
   b. Absences which occur on a County holiday.

2. Healthcare leave shall not be used for circumstances not specified in this Article, unless required by law.

D. General Provisions

1. In any use of healthcare leave, an employee's account shall be charged to the nearest quarter hour.

2. Except as prohibited by law, an employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls when the Department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

3. Employees hired on or after July 15, 1977 are not eligible for any payoff of healthcare leave. Employees hired before July 15, 1977 are eligible for healthcare leave payoff under the following conditions:
   a. Upon paid retirement or death, an employee or the employee's estate shall be paid for a portion of the employee's unused healthcare leave in an amount computed as provided below:
<table>

Years of service as used herein shall be the equivalent of full-time continuous service in a regular position. Employees who elect to take deferred retirement shall not be eligible for any benefits provided by this paragraph.

b. Not more than once in each fiscal year, an employee hired prior to July 15, 1977, who, as of date of request, is eligible for Tier I paid retirement and who has accumulated unused healthcare leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his or her accumulated healthcare leave, provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of healthcare leave paid shall be computed based on years of continuous service in accordance with Section 1.D.3.a., above. The employee's healthcare leave balance will be reduced by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.D.3.a.

c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977 who, as of the date of request, is eligible for Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire, may request that a payoff of his or her accumulated healthcare leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Such request must be made at least thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee's retirement.

4. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining healthcare leave earning rates.
Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid healthcare days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid healthcare days and to accrue additional paid healthcare days upon rehiring to the extent required by law.

Section 2. Authorized Leave

A. Discretionary Leave of Absence

1. A Discretionary Leave of Absence is granted based on the operational needs of the department in which the employee is assigned. The granting of such Leave shall be at the discretion of the department.

2. Departmental Leave

   A regular, limited-term or probationary employee may request a Departmental Leave without pay for a period of time not to exceed fifteen (15) calendar days. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted.

3. Official Leave

   a. A regular, limited-term or probationary employee may request an Official Leave of Absence Without Pay. Such Leave, if granted, shall not exceed one (1) year. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave time is exhausted.

   b. An Official Leave of Absence may be extended for up to an additional year at the discretion of the department. Failure to request an extension before the end of the Official Leave may result in denial of that extension.

   a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

   b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee's department only where the employee is unable to initiate such action.

   c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5)
business days of receiving the request, however this timeline may be extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall remain/return to work during this review process. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 6. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act

   a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be
eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.

b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee’s spouse, son, daughter, or parent when the employee meets applicable requirements.

c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act

a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.

b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave, Sick/Healthcare, Vacation, Compensatory, and PIP balances, in that order.

5. Pregnancy Disability Leave
a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.

b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation, Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.

b. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave

a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

c. To qualify for Parenthood Leave, employees must meet the following conditions:

1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.
3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.

4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b. above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

7. **Military Leave**
   
a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.

b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.

c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.

d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.
e. Military Leave shall be credited toward continuous County service.

8. Verification

a. A request for Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence, the date of return, and the required documentation supporting the request.

b. As a condition to the approval of a medical Non-Discretionary Leave of Absence, an employee will be required to furnish medical certification from the employee’s health care provider which states: (1) the date on which the Leave is to commence; (2) the date on which the Leave is to end; (3) that the employee cannot perform their duties because of the employee’s own serious health condition.

c. To request Leave to care for another eligible person, an employee is required to furnish medical certification from the eligible person’s health care provider with the same information listed in 8.a and 8.b above and stating that the employee cannot perform their duties because the leave is required to care for the eligible person pursuant to applicable law.

d. Whenever possible, an employee shall give notice of the request for Leave at least thirty (30) days, or as soon as practicable, prior to the start of the requested leave.

e. Failure to provide satisfactory verification of the necessity for a Non-Discretionary Leave of Absence may be grounds for denial of the leave.

f. If the department modifies or does not approve a request for Non-Discretionary Leave of Absence, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

1. General Provisions – Non-Discretionary Leave

a. The twelve (12) month period for calculating Non-Discretionary leave entitlement will be based on the calendar year (January 1 to December 31).

b. Unless otherwise prohibited by state or federal law, Non-Discretionary Leaves of absence will run concurrently.
c. Any portion of the leave which is unpaid shall not be credited toward service hours.

C. Other Leaves of Absence

1. Leave for School and Child Care Activities

a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue.

b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.
c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.

d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee's accrued balances and must meet eligibility requirements and conditions set forth in Article IV - Section 1.B.8, Article V, or Article VI.

Section 3. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee's regular rate of pay for those hours of absence due to the jury duty which occur during the employee's regularly scheduled working hours provided the employee deposits the employee's fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 4. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee's work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 5. Leave for OCEA Business

A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana and attendance at the bi-monthly Board of Trustees meeting. In
addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.

C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

1. OCEA shall make a request to the Department Head at least ten (10) days in advance.

2. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

3. The services of such an employee are not immediately required by the County, and other competent employees are available to do the employee's usual work.

Section 6. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 6.A., above, the County shall send written notice by certified mail to the employee’s last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. A statement of the County's intention to implement the employee's automatic resignation and its effective date;

2. A statement of the reasons for considering the employee to have automatically resigned;

3. A statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. A statement of the employee's right to representation;

5. A copy of the automatic resignation provisions which apply to the employee;

6. A statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.

C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for
the employee to contact his or her Department; or 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.

E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absences is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the Department Head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 7. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.
7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on Departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee’s eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsections A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 8. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (24 hours maximum per fiscal year), compensatory time and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.
ARTICLE V  VACATION

Section 1.  Vacation Accrual

A. During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year). Part-time employees will earn vacation on a pro-rated basis. Such credit shall be applied to the employee’s vacation accrual account only upon completion of each pay period.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty [120] hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee’s vacation accrual account only upon completion of each pay period.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .077 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty [160] hours per year), under the same terms and conditions as under subsection B., above.

D. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with less than ten (10) years of continuous County service shall be two hundred forty (240) hours. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be three hundred twenty (320) hours. An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

Section 2.  General Provisions

A. Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Article V., Section 2.C.

B. Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.

C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use
a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Section 1.C., and D.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee's County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Section 1.C., and D.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee's account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by the Department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the department, except in cases of emergency.

J. Illness while on paid vacation will be charged to Healthcare Leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.

K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.

M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.
Section 3. Vacation Cash Out

A. Vacation Cash Out Where Employee Has No Annual Leave Balances

After annual leave has been exhausted, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to twenty five (25) hours each or one (1) increment of up to fifty (50) hours. Such payment shall be made upon request unless the Department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. Vacation and Annual Leave Cash Out Where Employee Has Annual Leave

1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the applicable cap (as set forth in Section 1.D., above) some time during the fiscal year unless the employee is able to cash out vacation time.

2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of eighty (80) hours each fiscal year, except if the employee has eighty (80) or more hours of accrued, unused Annual Leave balances then they may cash out up to one hundred (100) hours of vacation each fiscal year.
ARTICLE VI ANNUAL LEAVE

The Annual Leave provisions shall apply to regular and limited-term employees hired on or after July 15, 1977, and before June 21, 2019.

Section 1. Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Effective as soon as practicable following adoption of the MOU by the Board of Supervisors, employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 1.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

Section 2. Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee's personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee's presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.

5. Absence from duty because: (1) the employee’s presence is needed to attend to the diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee’s family member; or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233. For purposes of this Subsection “family member” means child, parent,
spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).

6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the department except in cases of emergency.

C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.

D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

E. Holidays which fall during an employee’s annual leave (vacation) period shall not be charged against the employee’s annual leave balance.

Section 4. General Provisions

A. In any use of annual leave, an employee's account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under
this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.

Section 5. Annual Leave Payoff Provisions

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 40 hours of Annual Leave; an additional 40 hours may be requested, with its payout at the discretion of the Department Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 80 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment for the unused annual leave balance as provided below:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Maximum Payoff</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 3 years</td>
<td>160 hours maximum paid at 100%</td>
</tr>
<tr>
<td>3 but less than 10 years</td>
<td>240 hours maximum paid at 100%</td>
</tr>
<tr>
<td>10 or more years</td>
<td>A maximum of 1600 hours of the accrued annual leave balance has cash value. 320 hours are paid at 100%; the remaining balance, after the 320 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance.</td>
</tr>
</tbody>
</table>

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 240 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits.
specified in Article V, Section 1.D. Remaining hours, up to the accrual limits specified in Article V, Section 1.D, will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive prorated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

D. An employee who is separating from County service by way of paid County retirement may elect either to take annual leave as time off, or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.

E. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.
ARTICLE VII    HOLIDAYS

Section 1.   Holidays Observed

A.   Except as modified below, County employees shall observe the following holidays:

2023:
Independence Day, July 4
Labor Day, September 4
Native American Day, September 22
Veterans Day, November 11
Thanksgiving Day, November 23
Day After Thanksgiving, November 24
Christmas Day, December 25

2024:

2026:
New Year’s Day, January 1
Martin Luther King, Jr.’s Birthday, January 19
Lincoln’s Birthday, February 12
Washington’s Birthday, February 16
Memorial Day, May 25
B. If a holiday falls on a Saturday but is observed on the preceding Friday by the Municipal and/or Superior Courts, employees who have been designated by the County as being necessary to the operation of said Courts may be allowed to observe the Court observed Friday holiday in lieu of the Saturday holiday provided such employees are given notice of their work schedule change not less than thirty (30) calendar days prior to the holiday.

C. When a holiday other than Christmas Day falls on a Sunday, the next day shall be observed as the holiday. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with Department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.

D. When New Year's Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday. When Christmas Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with Department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding.

Section 2. Eligibility for Holiday Pay

A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.

C. An employee who elects paid County retirement on a holiday shall be paid for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay
A. On each of the holidays designated above, each full-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work.

B. On each of the holidays designated above, each part-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee's basic hourly rate for the number of hours the employee was regularly scheduled to work.

C. **Compensation for Holidays Falling on Scheduled Days Off**

1. When a holiday falls on a full-time employee’s regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.

2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

D. **Compensation for Work on Holidays**

1. An employee who is required to work on Native American Day, Veterans Day, Day after Thanksgiving, Martin Luther King, Jr.’s Birthday, Lincoln's Birthday or Washington's Birthday and who meets the eligibility requirements contained herein shall receive his or her regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee's basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay as provided in D.1. or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.

E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

F. Holidays which fall during an employee's vacation period shall not be charged against the employee's vacation or annual leave balance.
G. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

H. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII  REIMBURSEMENT PROGRAMS

Section 1. Mileage Reimbursement

A. Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1. Through December 31, 1994 the reimbursement rate shall be thirty-nine (39) cents per mile.

2. Except as provided in A.4., below, effective January 1, 1995 through June 22, 1995, the reimbursement rate shall be thirty-four (34) cents per mile.

3. Except as provided in A.4., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

4. Effective January 1, 1995, for an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

5. Effective January 1, 2006, employees who drive two-hundred fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

6. There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

B. An employee who is required by the County to furnish a privately owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars. The minimum shall not apply in any month:

1. In which the employee has not actually worked eighty (80) hours;

2. Unless the employee claims the ten (10) dollar minimum and the Department certifies that the employee was required to use a privately owned vehicle on County business.
Section 2.  **Personal Property Reimbursement**

Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee. The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article. Reimbursement for a watch shall be limited to the functional value of the watch.

Section 3.  **Educational and Professional Reimbursement**

Effective the first full day of the first full pay period following adoption of the MOU, eligible employees may receive educational and professional reimbursement at a maximum of $10,000 per fiscal year. Terms and conditions for this reimbursement are set forth in the Personnel and Salary Resolution (PSR).

Section 4.  **Boots**

A. A Department Head may authorize the provision of safety work boots for employees who are required to furnish their own safety work boots up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher, or a reimbursement per the following:

1. As a result of their duties, the employees are required to wear safety compliant work boots.

2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.

4. If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.

5. The department is able to absorb any increased costs within its existing budget.

6. Employees are only entitled to receive one form of safety work boot provision (i.e., stipend, boot mobile, voucher or reimbursement per fiscal year or as otherwise described above).

B. Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classifications who are required to wear compliant protective footwear.
ARTICLE IX  DISCIPLINARY ACTION

Section 1.  Reprimand and Substandard Performance Evaluation

A.  No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B.  A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure.  Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2.  Emergency Suspensions of Five Days or Less

A.  In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

   1.  Whenever practicable, be given an opportunity to respond to the proposed suspension to a designated Department representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

   2.  Be informed of the employee’s right to representation in the response;

   3.  Be informed of the employee’s right to appeal should the proposed suspension become final.

B.  In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3.  Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A.  In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action.  Such written notice shall contain:

   1.  A description of the proposed action and its effective date(s);

   2.  A statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;
3. Copies of material on which the proposed action is based;

4. A statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

5. A statement of the employee's right to representation;

6. A statement of the employee's right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee's option, to a designated Department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2., above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4. and 5. of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6. of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for
suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.

Section 5. Reduction

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. Discharge and Right of Appeal

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. Polygraph Examination

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.

Section 8. Investigatory Meetings

A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and
2. A statement of the employee’s right to representation.

B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X  GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A.  A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee's wages, hours or conditions of employment.

B.  Specifically excluded from the scope of grievances are:

1.  Subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2.  Matters which have other means of appeal;

3.  Position classification;

4.  Performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2.  Basic Rules

A.  If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B.  If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C.  If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure.  By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D.  The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, department-wide or County-wide basis in an emergency situation.  OCEA may appeal this decision to the Board of Supervisors.

E.  A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation.  The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office.  The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation.  Once the EEO Office has completed the intake, review, and if applicable, investigation, the
grievant/appellant and, if applicable, the OCEA representative shall be notified in writing and the time limits for processing the grievance shall resume, unless timelines are extended by mutual agreement.

F. Upon written consent of the parties (i.e., the representatives of the County and the employee or his or her representative), the time limits at any step in the procedure may be extended.

G. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

H. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

I. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure. An employee is not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing. Provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the grievance process and/or arbitration hearing.
B. Authorized grievance/appeal representatives shall be regular employees in the same Department or Representation Unit as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify Department Head of the names and titles of such representatives and send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. An employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. An authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and

   b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Department Head

An employee may formally submit a grievance to the department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the department head, or his or her designee(s), shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2: Chief of Employee Relations

If the grievance/appeal is not settled under Step 1 and it concerns:

   a. an interpretation or an application of this Memorandum of Understanding;

   b. a performance evaluation rating of “does not meet performance objectives”;

   c. deferral or denial of a merit increase, or a dispute about the number of steps granted; or
d. a written reprimand;

e. a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3; or

f. a release from promotional probation alleging discrimination pursuant to Article III, Section 1.C.3.

Items a., b., c., or d., above, may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, and/or appeal of a suspension and/or a reduction ordered by the Department Head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in B., C. and D., above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure
a. If an appeal from suspension or reduction is not settled at Step 3, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.

b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.

c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing.

d. The issues in all disciplinary appeals shall be: Was (employee's name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8 of the MOU?

e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies

a. Findings of Facts

An arbitrator's decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

b. Remedies - All Disciplinary Actions (Other than Discharge)

1. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

2. Suspensions/Reductions

If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. Remedies - Discharges

1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.
2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3., shall be as follows and shall be submitted consistent with Section 8.A., above.
   a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?
   b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?

2. Findings of Facts and Remedies
   a. In the event the arbitrator finds no violation of Article XVII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.
   b. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.
   c. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:
      1. The probationary release may be sustained.
      2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. Except as otherwise required by law, all the costs of arbitration shall be shared equally in all cases by the County and the appealing party. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be private.

3. Arbitration appeal hearings of suspensions of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Arbitration appeal hearings of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:
   a. Oral evidence shall be taken only on oath or affirmation.
   b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a new hire probation release or suspension.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will
automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI  LAYOFF PROCEDURE

Section 1.  General Provisions

A.  This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B.  This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.

C.  When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) department are transferred to another department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.

D.  Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.  Order of Layoff

A.  When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their department head shall be laid off in an order based on consideration of:

1.  Employment status,

2.  Past performance,

3.  Length of continuous service with the County.

B.  Layoffs shall be made by class within the Department except that:

1.  Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

2.  Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of the Department.
C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Probationary</td>
<td>Layoff Points</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the Department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last “Performance Evaluation Report,” for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.
Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee’s hire date, the employee’s layoff points, a list of classes in the employee’s occupational series within the layoff unit, the employee’s rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify the Department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify the Department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify the Department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her Department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

   The names of persons laid off shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5

   The names of persons who exercise their rights under Section 5 shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.
3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6**

The names of persons who were voluntarily reduced under the provisions of Section 6 shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

**B.** The names of persons laid off shall be placed on the COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5, in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an department, other than the department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an department, other than the department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

**C.** Names of persons placed on the DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:

1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.
3. An employee who, upon retirement, signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.

D. In the event two (2) or more agencies/departments are consolidated while DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) department to another department occurs, employees previously laid off from such function(s) who are on an DEPARTMENTAL REINSTATEMENT LIST for the department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee's account or any unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step...
on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII  ON-THE-JOB INJURY, WORKERS' COMPENSATION SUPPLEMENT PAY

Section 1.  Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq., or Labor Code 4850 et seq. for the classification of Sheriffs Special Officer.

Section 2.  Exhaustion of 4850 Benefits

When an employee has exhausted all benefits provided by California Labor Code Section 4850, and such employee continues to be unable to return to work due to an injury or disease arising out of and in the course of County employment, the provisions of Section 3. (below), Worker’s Compensation Supplement Pay, shall apply.

Section 3.  Workers' Compensation Supplement Pay

A.  Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.

B.  Workers' compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued healthcare leave, compensatory time, annual leave and/or vacation, in that order.

C.  While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any healthcare leave, compensatory time, annual leave or vacation time previously accumulated by the employee. The employee shall not accrue healthcare leave, annual leave or vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.
D. When an injury is determined to be job-related by the County or by the Workers' Compensation Appeals Board, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the fourth day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the first day of disability shall be restored to the employee's account(s).

E. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered County service for merit increase eligibility and completion of the probation period.

F. When an employee is no longer entitled to receive workers' compensation supplement pay or 4850 Leave, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph A., above.

G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

H. Nothing in this provision shall be construed as waiving any right to greater benefits which may be available pursuant to Labor Code Section 4850.

Section 4. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee's option, in that order.
ARTICLE XIII       SAFETY

Section 1.       General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A. No employee shall be required to work under conditions dangerous to the employee's health or safety.

B. The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F. Wherever practicable, the County shall provide the necessary first aid kits in each location.

G. Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.

Section 2.       Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the Department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.
Section 3.  **Abatement of Violations**

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4.  **Safety Representatives**

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.

2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:

   a. the Safety Representative checks in and checks out with the supervisor of the unit; and

   b. he or she does not unduly interfere with the work of the unit.
Section 5.  **Resolution of Safety or Health Complaints**

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV  UNIFORMS AND SPECIAL EQUIPMENT

Section 1. Uniforms

The County will provide, but will not launder or dry clean, required uniforms for employees in the following classes:

Sheriffs Special Officer I
Sheriffs Special Officer II

Section 2. Special Equipment

The County will provide employees in the classes of Sheriffs Special Officer I and II with firearms, batons, handcuffs and leather goods whenever these items are required by the County.
ARTICLE XV  OCEA AND EMPLOYEE RIGHTS

Section 1.  Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2.  Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3.  Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4.  Use of Bulletin Boards

Space shall be made available to OCEA on Departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the Department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5.  Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII   NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by state and federal law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII POSITION CLASSIFICATION

Section 1. The Establishment of New Classes

The County will provide OCEA an information copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2. Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3. Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to the Department Head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate Department response to an employee's request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Chief Human Resources Officer with a recommendation that a classification study be conducted.

A. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration.
B. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not agree with the County's decision, the employee may submit the request to OCEA.

Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

A. If the study is justified and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

B. If the study is justified, and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

C. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.
Section 5.  Review of Disputed Position Classification Decisions

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.

B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3., above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX INSURANCE

Section 1. Health Plans and Premium Contributions

A. Full-Time Employees

1. Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all full-time regular, limited term, and probationary employees and their eligible dependents.

2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a. Employee Only Coverage - eighty-five (85) percent of the employee's premium or ninety (90) percent of the employee's premium if the employee completes the Wellness Incentive program;
   
   b. Employee and Dependent Coverage - seventy (70) percent of the total health plan premium, for each employee and such employee's eligible dependents or seventy-five (75) percent of the employee's premium if the employee completes the Wellness Incentive program.
   
   c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. Employees who elect the Sharewell Choice PPO plan will not only have their insurance premium fully paid by the County but will also receive a payroll credit per plan guidelines. In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

B. Part-Time Employees

1. Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all part-time regular, limited term, and probationary employees. Enrollment of part-time employees shall be restricted to employees whose normal workweek consists of at least twenty (20) hours.
2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee’s premium if the employee completes the Wellness Incentive program;

   b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37 ½) percent of the total health plan premium, for each employee and such employee’s eligible dependents if the employee completes the Wellness Incentive program.

   c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

   a. Employee Only Coverage – one hundred (100) percent of the premium;

   b. Employee and Dependent Coverage – per subsection B.2.b above

   In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

C. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of employee and dependent coverage for each EME. EME dependents are not required to participate in the Wellness Incentive program. Employees must report any
subsequent changes in marital status, such as legal separation or divorce, within 30 days of the event. Failure to report legal separation or divorce from a covered spouse shall require repayment of all premiums paid by the County under this program during the period in which the employees were ineligible due to legal separation or divorce.

D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

E. For employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. Health Plan Enrollment

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.
B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees’ eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund administered in compliance with applicable state and federal law, for the purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said trust fund; the County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law.

C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.
D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees, attorneys, agents, advisors and representatives harmless from any claims or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500.

2. The annual report shall include the following information:

   a. the actual cost of benefits provided by the trust fund;

   b. member contributions to the cost of benefits provided by the trust fund;

   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);

   d. a summary of other trust fund expenditures; and

   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County’s written request or the report’s completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. **Premium Only Plan**

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee’s gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided
health insurance coverage as permitted by state and federal law, regulations, and guidelines.

Section 5. Retiree Medical Plan

A. Retiree Medical Grant

Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan ("the Plan") for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 reopener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered retiree health insurance plan and/or Medicare premiums as provided below.

   a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.

   b. The Grant will be adjusted as follows:

      1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than
age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

4. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

c. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or to enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility
requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006 who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regularly paid hours immediately preceding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the Retiree Medical Plan Document, shall be eligible for the Grant. Employees who were employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, have been given the option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.

The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.

Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as
defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty-five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of service or actual years of credited County service, whichever is greater.

b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

c. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.

d. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.

3. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.
b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. Survivor Benefits

1. A surviving dependent of a retiree who was eligible to receive a Grant and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) was made available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.

2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.
Section 6. **Reopener**

Reopener as a Result of the ACA

The County may reopen negotiations on this Article¹ and other provisions of the MOU (e.g., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

Section 7. **Accidental Death and Dismemberment Insurance**

The County shall provide basic accidental death and dismemberment insurance in the amount of one hundred thousand dollars ($100,000) for all Sheriffs Special Officer employees without proof of insurability. The policy shall provide benefits for death or dismemberment occurring in the line of duty. Such insurance will be subject to the limitations of liability contained in those insurance policies.

¹ Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
ARTICLE XX      DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

   a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

   b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

   c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

   d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

   e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

   f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.
ARTICLE XXI  
RETIREMENT

Section 1.  Retirement Benefit Levels

A.  For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered “Legacy Members” of OCERS within the Meaning of the Public Employees’ Pension Reform Act of 2013 (“PEPRA).

1.  Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. This retirement benefit formula is commonly known as the “2.7% at 55” benefit formula.

   a.  For eligible employees hired on or before September 20, 1979 the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.

   b.  For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee’s highest three (3) years of compensation per Government Code section 31462.

2.  1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.

   a.  Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the “2.7% at 55” benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65” benefit formula) for future County service.

   b.  In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the “2.7% at 55” benefit formula and shall make the employee retirement contributions established for that benefit formula.
c. In the event an eligible employee elects the “1.62% at 65” benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C below.

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, i.e., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active
members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

3. Reduction in Reverse Pickup

a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

d. Effective July 2, 2021, reduce Reverse Pickup by an additional 1.2% for a total fixed ongoing 3.6% reduction of the employee’s paid reverse pickup.

e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.
Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010, the County will make available a County 1.62 Retirement Section 457(b) Defined Contribution Plan (the “DC plan”) to those employees who are covered by the “1.62% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII   SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII  RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Sheriffs Special Officer Unit for classes in effect on June 30, 2023. Said classes are listed in Appendix A.
ARTICLE XXIV FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1. **Dependent Care Reimbursement Account (DCRA)**

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2. **Health Care Reimbursement Account (HCRA)**

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV PERFORMANCE INCENTIVE PROGRAM (PIP)

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year.

All other performance management components of PIP remain in effect.
ARTICLE XXVI  LABOR MANAGEMENT COMMITTEES

Section 1.  Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of Department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:
   1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;
   2. Has County-wide impact; or
   3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.

Section 2.  Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.
B. 1. Every department shall have an LMC.

2. The department LMC structure shall consist of management representatives selected by the department and employee representatives selected by OCEA. The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each department LMC shall have two sponsors who may or may not be members of the LMC: the department head and a representative designated by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time Off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.

D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/Modification of a solution submitted by the LMC.
F. Any issue which is not resolved by the department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII   SALARY

1. Effective the first day of the first pay period following adoption of this 2023-2026 MOU, the salary schedule will be increased by 4.75%.

2. Effective June 28, 2024, the salary schedule will be increased by 4.25%.

3. Effective June 27, 2025, the salary schedule will be increased by 4.0%.
ARTICLE XXVIII  DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

SIDE LETTER AGREEMENT TO THE 2023-2026 COUNTY MEMORANDA OF UNDERSTANDING BETWEEN THE COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION

June 27, 2023

This document serves as a Side Letter Agreement modifying the 2023-2026 Memoranda of Understanding (“MOUs”) between the County of Orange (“County”) and the Orange County Employees Association (“OCEA”) for the Community Services Unit, County General Unit, Healthcare Professional Unit, Office Services Unit, Sheriffs Special Officer Unit, and the Supervisory Management Unit. This Side Letter shall be effective beginning with the first day of the first full pay period after adoption by the County’s Board of Supervisors.

This agreement reestablishes the Insurance Working Group to discuss the redesign of the Wellness Credit program, how employees earn their 5% credit, and reducing the cost of health insurance.

Other bargaining groups and stakeholders (e.g., Teamsters, IUOE, AFSCME, OCMA, OCAA, unrepresented employees) may also be invited to participate in the working group. Each party may have up to five (5) members as representatives serving on the working group.

2019-2023 – 20236

COUNTY OF ORANGE
AND
THE ORANGE COUNTY EMPLOYEES ASSOCIATION
MEMORANDUM OF UNDERSTANDING

202319 - 202336

COUNTY OF ORANGE

AND

THE ORANGE COUNTY EMPLOYEES ASSOCIATION

FOR THE

SHERIFFS SPECIAL OFFICER

UNIT

This Memorandum of Understanding adopted by the Board of Supervisors on October 22, 2019 through June 27, 2023 sets forth the terms of agreement reached between the County of Orange and the Orange County Employees Association as the Exclusively Recognized Employee Organization for the Sheriffs Special Officer Unit for the period beginning June 21, 2019 through June 29, 2023. Unless otherwise indicated herein, all provisions shall become effective October 22, 2019 through June 30, 2023.
DEFINITIONS

The following terms as used in this Memorandum of Understanding shall, unless the context clearly indicates otherwise, have the respective meanings herein set forth:

BOARD shall mean Board of Supervisors of the County of Orange.

CHIEF HUMAN RESOURCES OFFICER shall mean the Chief Human Resources Officer or his or her designee.

CHIEF OF EMPLOYEE RELATIONS shall mean the Chief of Employee Relations, or his or her designee.

CONTINUOUS SERVICE shall mean employment in a regular position which has not been interrupted by resignation, discharge or retirement. Official Leaves of Absence where the employee has balances posted shall not be credited toward continuous service.

COUNTY shall mean the County of Orange and special districts governed by the Board of Supervisors.

DISABILITY RETIREMENT shall mean a service or non-service connected disability retirement pension under the Orange County Employees Retirement System.

EMERGENCY shall mean an unforeseen circumstance requiring immediate action, a sudden unexpected happening, an unforeseen occurrence or condition, a pressing necessity.

EMPLOYEE shall mean a person employed by the County and covered by terms of this Memorandum of Understanding, except where the natural construction of this Memorandum of Understanding indicates otherwise.

EXTRA HELP EMPLOYEE shall mean an employee employed in an extra help position. An extra help employee serves at the pleasure of the County in an extra help position.

EXTRA HELP POSITION shall mean a position which is intended to be occupied on less than a year-round basis including, but not limited to, the following: to cover seasonal peak workloads; emergency extra workloads of limited duration; necessary vacation relief, paid healthcare leave and other situations involving a fluctuating staff. Ordinarily, a full-time extra help position will not be authorized for a period exceeding six (6) months. In unusual circumstances, and at the discretion of the County Executive Officer and the Chief Human Resources Officer, a full-time extra help position may be authorized for a period longer than six (6) months, provided such period shall not exceed one (1) year.

SSO – 1
FULL-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours equal those of a full workweek or work period as described hereinafter.

HEALTHCARE OR HEALTHCARE LEAVE shall mean and be synonymous with the terms “sick” and/or “sick leave.”

LIMITED-TERM EMPLOYEE shall mean an employee employed in a limited-term position except where a regular position is converted to a limited-term position, the incumbent shall retain his or her former status. As an exception to this definition, a limited-term employee may also be used to fill a regular position when the incumbent employee is on Official Leave of Absence.

LIMITED-TERM POSITION shall mean a position which the County has determined has no anticipated long-range funding or has uncertain future funding.

PART-TIME EMPLOYEE shall mean an employee employed in one (1) or more regular or limited-term positions whose normally assigned work hours do not equal those required of a full-time employee.

PERSONAL BUSINESS shall mean a foreseeable personal event or circumstance which necessitates the employee's absence from County duty. Personal Business leave must be requested in advance by the employee and be preapproved by supervision or management.

PERSONAL EMERGENCY shall mean an event or circumstance of a serious nature which is beyond an employee's control and which necessitates the employee's absence from County duty, including, but not limited to, those events and circumstances which require the employee's prompt attention to avoid possible financial loss to, or damage to the health of, either the employee or a member of his or her household.

PRACTICABLE means feasible; reasonably able to accomplish.

PROBATIONARY EMPLOYEE shall mean an employee who is serving a probation period and is employed in a regular or limited-term position.

PROMOTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step on the new salary range is at least one (1) full step higher than the maximum step of the old salary range.

REASSIGNMENT shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class on the same salary range or to a class where the maximum step on the new salary range is less than one (1) full step higher or lower than the maximum step of the old salary range.

RECRUITING STEP shall be the first step of the salary range allocated to a class unless otherwise authorized by the Board or the Chief Human Resources Officer.
**REDUCTION** shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step of the new salary range is at least one (1) full step lower than the maximum step of the old salary range.

**REGULAR EMPLOYEE** shall mean an employee who is not on probation and is employed in a regular or limited-term position.

**REGULAR POSITION** shall mean a position established on a permanent year-round basis requiring work on a regular schedule unless otherwise authorized by minute order of the Board.

**SENIORITY** shall mean total continuous full-time equivalent service as a regular employee.

**Y-RATE** shall mean a pay rate outside of the assigned salary range of a class.
ARTICLE I WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

A. The official workweek for full-time employees in classifications designated as non-exempt from FLSA shall be forty (40) hours. The workweek shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight except for employees working an alternate schedule, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different workweek may be designated. Work ordered and performed in excess of forty (40) hours actually worked in a workweek, or eighty (80) hours worked in the pay period for employees in FLSA exempt classifications, shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek, or eighty (80) hours of paid time in the pay period for employees in FLSA exempt classifications, in accordance with an emergency declared by the Board of Supervisors, activation of the County’s Emergency Operations Center (EOC) or agency Department Operations Center (DOC), shall be overtime.

B. The official FLSA work period for Sheriffs Special Officers shall be 28 days and shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later. For purposes of payment of overtime under this MOU, each 28 day period shall be divided into two 14 day periods, with overtime being paid for work ordered and performed in excess of eighty (80) hours actually worked in each 14 day period. Work ordered and performed in excess of eighty (80) hours of paid time in each 14 day period in accordance with an emergency declared by the Board of Supervisors shall be overtime.

C. The work period for all other employees in FLSA exempt classifications may be established on a pay period basis, starting on a Friday and ending on the second Thursday thereafter. Such employees who occupy full-time positions shall be scheduled to work eighty (80) hours in each work period. Employees shall receive compensation on a biweekly basis.

1. Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period and scheduled days off shall fall on at least two (2) consecutive calendar days. Work ordered and performed in excess of eighty (80) hours actually worked in a work period shall be overtime. Work ordered and performed in excess of eighty (80) hours of paid time in accordance with an emergency declared by the Board of Supervisors shall be overtime.

2. Alternate work schedules shall not be implemented without the County and OCEA first negotiating and attempting to reach agreement on such hours of work for each division or work unit in each agency or department proposing implementation of such alternate work schedules.
3. An employee in this unit may request to trade his or her days of work for another employee's days of work provided both employees work in the same division, have the same classification and the days traded are within the same pay period. Should, as a direct result of such trades, either employee work more than forty (40) hours in a workweek, the hours in excess of forty (40) hours shall not be considered overtime. Except, all overtime work ordered and performed which would have been performed regardless of such trade shall be treated in accordance with Section 1.A., above.

Trades under this provision shall require the written approval of the Department.

4. An employee may request to trade his or her biannual, quarterly or monthly shift for another employee's biannual, quarterly or monthly shift provided both employees have the same work assignment and the request is made within two (2) weeks of posting of scheduled shift rotation.

Trades under this provision shall require the written approval of the department.

D. The County agrees to give employees a fourteen (14) calendar day advance notice of a shift change whenever practicable.

E. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.

F. The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

G. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee's work period as defined in A., above, except on authorized overtime.

H. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by the Department.

1. Upon written request by OCEA, the County agrees to study the feasibility of establishing work schedules consisting of either:

   a four (4) ten (10) hour workdays per week;
b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or

c. flex time.

2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.

3. OCEA agrees not to request more than three (3) such studies concurrently for the Department.

4. The County agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

I. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the Department, work beyond the normal workday, workweek or work period is required, the agency/department will notify any employee who may be asked to perform such work of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) in the employee’s designated workweek for classifications designated as non-exempt from FLSA or eighty (80) in FLSA exempt classifications, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

B. Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.

2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.

3. If the responsible supervisor determines that overtime is necessary on a situation already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.
4. The County and OCEA may meet and confer and, in so doing, shall attempt to reach agreement regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.2. and 3., above.

C. Payment for Overtime

1. Except as provided in 2.C.3., below, overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. Except as provided in 2.C.3., below, for all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the Department. Consideration shall be given to effectuating the wishes of employees. The maximum number of CTO hours which may be accrued by any employee is eighty (80). If an employee accrues 80 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

3. Overtime hours worked by extra help employees shall be paid.

4. Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by his or her Department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

5. No scheduled compensatory time off will be cancelled except in cases of emergency.

6. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

7. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.

8. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work.
Such rest periods shall be scheduled in accordance with the requirements of the Department, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal wash-up and changing clothes.

Section 4. Premium Pay

A. Night Shift Differential

1. An employee who works an assigned night shift shall in addition to his or her regular salary be paid a night shift differential for each hour actually worked on the assigned night shift.

2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Overtime which is worked as an extension of an assigned day shift shall not qualify an employee for night shift differential.

3. The rate of night shift differential shall be five (5) percent of the employee's basic hourly rate with a minimum of sixty (60) cents per hour and a maximum of one (1) dollar and fifty (50) cents per hour.

B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.

3. Employees paid on a sixteen (16) hour shift basis are exempt from these provisions.
4. On-call pay shall not apply to extra help employees unless expressly directed in writing to be on-call.

C. Call-Back Pay

1. When an employee returns to work because of a Department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Except as provided in 4.C.3., below, call-back shall be paid at one and one-half (1 1/2) times the regular rate.

3. There shall not be any duplication or pyramiding of rates paid under this Section.

4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.

5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.

6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. Bilingual Pay

1. Qualified employees who meet the following criteria shall receive an additional forty (40) cents per hour (approximately sixty-nine (69) dollars per month) for all hours actually paid.

   a. An employee must be assigned by Departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.

   b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.

   c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.

2. Qualified employees in the unit who, in addition to meeting the criteria in 1.a. and b. above, and when approved by the Division Commander, are certified by the Chief Human Resources Officer as qualified to perform exceptional bilingual duties that are essential to the performance of their
professional and/or technical duties, based on assignment requirements, shall receive an additional seventy (70) cents per hour (approximately one hundred and twenty one (121) dollars per month) for all hours actually paid.

3. An employee shall not be eligible to receive more than one type of bilingual pay concurrently.

4. Bilingual pay shall not apply to workers' compensation supplement pay.

5. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the Department Head, who will consider it according to:

   a. Department need;
   
   b. availability of a qualified replacement; and
   
   c. availability of another suitable assignment for the requesting employee.

6. Upon the agreement of the County and OCEA, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

F. Training Officer Assignment Pay

Employees in the classification of Sheriffs Special Officer assigned to John Wayne Airport, Security Bureau, Court Operations, all jail facilities or the Training Academy on a regular, full-time basis who are responsible for training new Sheriffs Special Officers shall be paid two dollars ($2.00) per hour for all hours assigned to perform such training functions.

G. Emergency Communications Training and Certification Pay

1. Employees in the classification of Sheriffs Special Officer I, II who are assigned to receive training as or act in the capacity of a Radio Dispatcher or Communication Coordinator shall receive an additional two dollars and three cents (2.03) per hour for all hours assigned while training or acting in the capacity of a Radio Dispatcher or Communication Coordinator at the Emergency Communications Bureau.

2. If, during the term of the contract, the difference between the step 12 hourly rate of the Radio Dispatcher or Communication Coordinator classification and the step 12 hourly rate of the Sheriffs Special Officer
II classification exceeds two dollars and three cents (2.03) per hour, the premium will be adjusted accordingly.

H. Quartermaster Pay

Effective as of the first day of the first full pay period after adoption by the Board of Supervisors on or after June 30, 2023, employees in an active pay status in the classification of Sheriffs Special Officer assigned on a regular, full-time basis by the department to the Quartermaster Unit who possess a valid Class A or B driver's license shall be paid an additional monthly premium of seventy-five dollars ($75) per month (approximately $34.62 biweekly).
ARTICLE II          PAY PRACTICES

Section 1.    Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2.    Pay for New Employees

A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The agency or department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the Agency or Department Head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant's previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the agency or department head, the County Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

   2. If a recruiting step is decreased, incumbents of the class will be unaffected.

   3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.CB. for new employees.
4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.

Section 3. Merit Increase Within Range

A. Extra help employees shall not be eligible for merit increases within range.

BA. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the Department Head.

CB. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.

When an employee is absent from work and not posting personal leave balances (with the exception of Military Leave), the merit increase eligibility date shall be extended by the number of days the absence exceeds the Department Leave and rounded to the first day of the first full pay period. Subsequent merit increase eligibility dates shall fall on the first day of the pay period following the completion of fifty-two (52) week intervals after the extended merit increase eligibility date.

A suspension shall cause the merit eligibility date to be extended by the total number of calendar days equal to the suspension and rounded to the first day of the first full pay period.

A military leave, paid or unpaid, shall not result in the extension of a merit increase eligibility date.

DC. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following
completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

ED. 1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of “meets performance objectives” shall earn a two (2) step increase. **Effective June 1, 2015**, a performance rating of “meets performance objectives” shall earn a one (1) step increase.

2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases beyond Step 10 (Step 12 for employees assigned to Salary Schedule G), and if granted, in what amounts, shall be solely within the discretion of the Department Head and shall be based on merit.

FE. If, in the Department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the Department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.

GF. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. **Salary on Promotion**

A. Except as modified by B. and C., below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class, except that the employee will retain their former merit increase eligibility date if the promotion was the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.
B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the agency/department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. Salary on Reassignment

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B to a class on a different salary range
Section 6. **Salary on Reduction**

A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.CB., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's agency/department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change except if the reduction is the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.
2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. Salary on Reclassification

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.
B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.2.

Section 8. Salary on Reemployment

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer, be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. Changes in Salary Allocation

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XIX.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. Additional Compensation

Notwithstanding anything in this Memorandum of Understanding to the contrary when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 11. Paycheck Deposit

A. The County will permit an employee to authorize automatic deposit of his or her Paycheck to a financial institution of the employee's choice, if and when the Chief Human Resources Officer and Auditor-Controller determine it is feasible.
B. Employees hired after June 29, 2001 will be required to authorize automatic deposit of his or her paycheck to a financial institution of the employee’s choice.

Section 12. Classification and Compensation Studies

The County agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year.
ARTICLE III      GENERAL PERSONNEL PROVISIONS

Section 1.    Probation

A. New Probation

1. Full-Time Employee

A new or reemployed employee in a regular or limited-term position shall be placed on a new probation period for fifty-two (52) weeks from the date of appointment and ending with the first day of the pay period following completion of said period.

2. Part-Time Employees

A new or reemployed employee in a part-time regular or limited-term position shall be placed on a new probation period for two thousand eighty (2080) paid hours exclusive of overtime, ending with the first day of the pay period following completion of said period.

B. Promotional Probation

1. Any regular or limited-term employee who is promoted, excluding a temporary promotion, shall be placed on promotional probation except as provided in section B.2., below.

   a. A full-time employee shall serve a probation period equal to the time period of the initial probation ending with the first day of the pay period following completion of said period. However, an employee who promotes to a class in the same or closely related occupational series, shall serve a promotional probation period of twenty-six (26) weeks from the date of promotion ending with the first day of the pay period following completion of said period or the remainder of any uncompleted new probation period, whichever is longer.

   b. A part-time employee shall be placed on promotional probation for two thousand eighty (2080) paid hours, exclusive of overtime, ending with the first day of the pay period following completion of said period except that for promotion to a class in the same or closely related occupational series, the promotional probation period shall be one thousand forty (1040) paid hours exclusive of overtime or the remainder of any uncompleted new probation period, whichever is longer.
2. When a regular or limited-term employee is promoted as a result of the employee's position being reclassified to a higher class and the class from which the employee is promoted is subsequently deleted or abolished or if the reclassification occurred as the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B, the incumbent employee shall not serve a promotional probation period.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's Department Head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.

C. Failure of Probation

1. New Probation

   An employee on new probation may be released at the sole discretion of the Department at any time without right of appeal or hearing, except as provided in C.3., below.

2. Promotional Probation

   a. An employee on promotional probation may be failed at any time without right of appeal or hearing, except as provided in C.3., below, and except that failing an employee on promotional probation must not be arbitrary, capricious or unreasonable.

   b. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

   c. When an employee fails his or her promotional probation, the employee shall have the right to return to his or her former class provided the employee was not in the previous class for the purpose of training for a promotion to a higher class. When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position other than at the direction of the employee's Department Head shall not have the right to return to his or her former class.
d. If the employee's former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to promotion and shall serve the remainder of any probationary period not completed in the former class.

3. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVIII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within ten (10) days after receipt of notice of failure of new probation.

D. General Provisions

1. When an employee's record consists of a combination of full-time and part-time service in regular or limited-term positions, except as provided in Section 4.C., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal fifty-two (52) weeks.

2. When the Department Head or his/her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended, except as provided in Section E1., 2. and 3. of this Article, below, and an employee who is permitted by the Department to work beyond the end of a probation period shall be deemed to have passed such probation period.

3. An employee who is on probation may not transfer from one Department to another in the same class without the approval of the Chief Human Resources Officer.

E. Extension of Probation Periods

1. The granting of an Official or Military Leave of Absence shall cause the employee's probation period to be extended by the length of the Official Leave or by the length of the Military Leave in excess of fifteen (15) calendar days. If the employee is on probation, the extended probation period resulting from the Official or Military Leave of Absence shall end with the first day of the pay period after said extended date. When an employee is absent from work and is not posting leave balances, the new hire and promotional probation periods shall be extended by the number of calendar days the absence exceeds the Department Leave and rounded to the first day of the first full pay period.
When an employee is absent from work for more than 30 calendar days, the new hire and promotional probation periods shall be extended by the number of days the absence exceeds 30 calendar days and rounded to the first day of the first full pay period.

An employee who is on Administrative Leave with Pay or suspended shall have his or her probation extended by the length of the Administrative Leave with Pay or suspension, with the extended probation period ending with the first day of the pay period after said extended date and rounded to the first day of the first full pay period.

2. The Chief Human Resources Officer shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.

3. With the mutual agreement of a new probationary employee and his or her Department, the employee's new probation period may be extended at the sole discretion of the Chief of Employee Relations for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief of Employee Relations before the normal probation period is completed. In such cases, the Department shall advise OCEA in writing regarding the extension of probation as soon as practicable.

Denial of a request to extend a probation period shall not be subject to appeal or hearing.

Section 2. Performance Evaluation

A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee. Any written response by the
employee to the performance evaluation shall be attached to such evaluation in the official personnel files.

Section 3. Contents of Personnel File

A. Adverse statements prepared by the County shall not be included in an employee's official personnel file unless a copy is provided to the employee.

B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.

C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

D. Letters of reference and reports concerning criminal investigations concerning the employee shall be excluded from the provisions of B. and C., above.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief of Employee Relations and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the Department Head shall become a limited-term regular employee.

C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to permanent funded positions, maintain their original hire date for purposes of
annual leave, vacation and healthcare leave accrual, retirement, layoff and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in section E., below.

E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the Department Head shall retain their former status and retain their layoff benefits in their former layoff unit. The Department Head shall make such an order in writing prior to the date of transfer or promotion.

Section 5. Temporary Promotion

A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. The Department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours but not to exceed eighteen (18) months.

C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and agency/department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6. Reemployment of Employees on Disability Retirement

A. The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of
reemployment on their disability retirement benefits prior to accepting reemployment.

B. Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status. They will remain on such list for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:

1. a person appointed to a regular position in the County service shall be removed from the list;

2. a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

3. a person who on three (3) separate occasions, declines referral for interviews in a class for which he or she is qualified shall be removed from the list.

Section 7. Reemployment of Regular Employee

A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on Departmental Leave for such period of time.

Section 8. Time Off for Selection Procedures

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one agency/department to another.

Section 9. Transfer Policy for OCEA Officers and Grievance Representatives

Management shall not, wherever practicable, assign an OCEA officer or grievance representative to a different location if:

A. the employee's performance “meets” or “exceeds” performance objectives; and

B. OCEA objects to such assignment (OCEA shall not object to such assignment change, except for good cause); and
C. there is another employee in the same classification in the Department who meets the specific qualifications for the assignment.

Section 10. Training

A. Upon approval of the Department Head, employees may participate in various County sponsored training programs. The County and OCEA will inform employees of these training programs.

B. During the term of this Memorandum of Understanding, OCEA may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with OCEA and consider implementation.
ARTICLE IV  LEAVE PROVISIONS

Section 1.  Healthcare Leave

A.  Healthcare Leave Accrual

1.  During the first three (3) years of employment, an employee shall earn .0347 hours of healthcare leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two [72] hours per year).

2.  After an employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours, approximately three (3) years, the employee shall earn .0462 hours of healthcare leave with pay for each paid hour in a regularly scheduled work period to a maximum of eighty (80) hours in a pay period (approximately ninety-six [96] hours per year).

3.  Healthcare leave earned shall be added to the employee's healthcare leave accumulation account upon the completion of the pay period, with no credit to be applied during the progress of the pay period or for a portion of the pay period during which the employee terminates County service.

4.  Except as required by law, extra help employees shall not earn healthcare leave.

B.  Permitted Uses of Healthcare Leave

Employees with annual leave balances must use accrued annual leave prior to use of healthcare leave, until all annual leave has been taken, unless otherwise indicated in this Article.

Healthcare leave may be applied to:

1.  An absence necessitated by an employee's personal illness, injury or disability due to pregnancy or childbirth, medical or dental appointments during working hours for the diagnosis, care, or treatment of an existing health condition, or preventative care, or absences related to Family Leave as defined in Section 14 of this Article. The employee shall notify the Department in advance to attend medical and dental appointments whenever practicable.

   a.  An employee with an annual leave balance may use healthcare leave for absences resulting from an employee's illness due to a medical diagnosis of COVID-19, for symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment or experiencing COVID-19 vaccine-related/booster-related symptoms.
2. Absence from duty for an employee to attend to the diagnosis, care or treatment of an existing health condition of, or preventative care for, the employee’s family member or eligible person as defined by applicable law because the employee’s presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner, child, grandparent, grandchild, or legal guardian. Use of this leave is limited to the time period specified in Labor Code section 233.

a. An employee with an annual leave balance may use healthcare leave for absences resulting from caring for a family member’s illness due to a medical diagnosis of COVID-19, caring for a family member with symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment with a family member or to care for a family member experiencing COVID-19 vaccine-related/booster-related symptoms.

3. Absence from duty because an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a).

4. Leave for School and Child Care Activities (terms specified in Section 2.C.1 below). If an employee is a parent, legal guardian, or grandparent who has custody of a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child care facility, the employee may use up to ten (10) hours per fiscal year, to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school related disciplinary issue. Time off requests to attend such events are non-discretionary, but shall be requested in advance to the extent possible.

5. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the following conditions:

   a. The illness or injury of the employee was of a nature that would preclude the effective use of vacation and would prevent the employee from performing his or her normal duties.
b. The employee must notify his or her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his or her vacation leave, whichever is sooner, to request that his or her illness on vacation be charged to healthcare leave.

c. The Department shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.

d. Upon the employee’s return to work, the employee must furnish the Department with a certificate signed by a licensed physician or registered nurse stating the nature of the medical condition and the period of disablement.

6. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

7. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

8. Absence from duty because of personal business not to exceed forty (40) working hours during the fiscal year.

9. Up to twenty-four (24) hours of healthcare leave per fiscal year may be donated as a part of the County’s Catastrophic Leave Donation plan.

C. Prohibited Uses of Healthcare Leave

1. Healthcare leave shall not be applied to:

   a. Absence caused by illness or injury to a member of the employee’s family except as provided in B., above.

   b. Absences which occur on a County holiday.

2. Healthcare leave shall not be used for circumstances not specified in this Article, unless required by law.

D. General Provisions

1. In any use of healthcare leave, an employee's account shall be charged to the nearest quarter hour.
2. Except as prohibited by law, an employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls when the Department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

3. Employees hired on or after July 15, 1977 are not eligible for any payoff of healthcare leave. Employees hired before July 15, 1977 are eligible for healthcare leave payoff under the following conditions:

   a. Upon paid retirement or death, an employee or the employee's estate shall be paid for a portion of the employee's unused healthcare leave in an amount computed as provided below:

<table>

</tbody>
</table>

   Years of service as used herein shall be the equivalent of full-time continuous service in a regular position. Employees who elect to take deferred retirement shall not be eligible for any benefits provided by this paragraph.

   b. Not more than once in each fiscal year, an employee hired prior to July 15, 1977, who, as of date of request, is eligible for Tier I paid retirement and who has accumulated unused healthcare leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his or her accumulated healthcare leave, provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of healthcare leave paid shall be computed based on years of continuous service in accordance with Section 1.D.3.a., above. The employee's healthcare leave balance will be reduced by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.D.3.a.

   c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977 who, as of the date of request, is eligible for
Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire, may request that a payoff of his or her accumulated healthcare/leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Such request must be made at least thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee’s retirement.

4. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining healthcare leave earning rates. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid healthcare days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid healthcare days and to accrue additional paid healthcare days upon rehiring to the extent required by law.

Section 2.

Section 32. Authorized Leave Without Pay

A. Discretionary Leave of Absence

4. A Discretionary Leave of Absence is granted based on the operational needs of the department in which the employee is assigned. The granting of such Leave shall be at the discretion of the department.

1.

2. Departmental Leave

A regular, limited-term or probationary employee may request an agency/dDepartmental Leave without pay for a period of time not to exceed fifteen (15) calendar days. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted. The granting of such Leave shall be at the discretion of the agency/department, except in cases where Official Leave has been authorized pursuant to Sections 10, 11.A. and 14, below. The agency/department head may require that all accumulated compensatory leave time be used prior to granting of
agency/departmental leave. The use of earned vacation or annual leave prior to the obtaining of agency/departmental Leave shall be at the option of the employee.

3. **Official Leave**

   a. **1a.** Upon request, a regular, limited-term or probationary employee may be granted an Official Leave of Absence Without Pay. Such Leave, if granted, shall not exceed one (1) year. Employees will be required to use available Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave time is exhausted, except as provided in subsections 2. and 3., below. Such Leave may be authorized only after an employee's completion of an agency/departmental leave and after all compensatory time and vacation accruals or the portion of annual leave balance subject to 100% payoff have been applied toward payment of the absence.

   b. **2b.** An Official Leave of Absence may be extended for up to an additional year at the discretion of the agency/department. Failure to request an extension before the end of the Official Leave may result in denial of that extension, except that requests for Official Leave which qualify as Family Leave pursuant to applicable law shall be granted to the extent required by such law. If the agency/department denies the extension of such Leave, the provisions of subsections 5. and 6., below, shall not apply.

4. **An employee who has requested and identified a valid need for Family Leave pursuant to Article IV, Section 14, and applicable law shall be granted Official Leave to the extent required by such law. Such Leave shall be authorized only after use of leave balances as specified below:**

5. **a.** When Official Leave involves the employee’s own serious health condition—after all accumulated compensatory time, vacation accruals, healthcare leave and annual leave have been used;

6. **b.** When Official Leave involves the circumstances covered by Section 1, subsections B.4, B.5 or B6 of this Article—after all accumulated compensatory time, vacation, healthcare leave (to the extent available to the employee for such use) and annual leave have been used.

7. **c.** When Official Leave is used for all other reasons—after all accumulated compensatory time and vacation accruals and/or the portion of the annual leave balance subject to 100% payoff have been applied toward the absence. Use of annual leave beyond the leave balance subject to 100% payoff shall be at the discretion of the employee, subject to the annual leave provision.

11. **SSO – 33**
12.4. An employee shall give notice two (2) weeks prior to the date he or she wants to return to work, except that an employee returning from Family Leave shall give the lesser of two (2) weeks’ notice or the maximum notice allowable under applicable law. If an employee does not give the required notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the employee to work until the employee gives such notice; however, the agency/department may waive the notice or reduce the notice period at its discretion.

13.  

14.5. Except as to leaves which must be granted pursuant to sections 10, 11 and 14 in this Article, the agency/department shall: (a) indicate on the request its decision as to whether the request should be granted, modified or denied; (b) promptly transmit the request to the Chief Human Resources Officer; and (c) deliver a copy to the employee.

15.  

16.6. If the agency/department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

17.  

18.7. An Official Leave shall not be credited toward continuous service.

4.  

a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee’s department only where the employee is unable to initiate such action.

c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5) business days of receiving the request, however this timeline may be extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall remain/return to work during this review process. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.
e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 96. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act

a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.

b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee’s spouse, son, daughter, or parent when the employee meets applicable requirements.

c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.
d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act

a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.

b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave, Sick/Healthcare, Vacation, Compensatory, and PIP balances, in that order.

5. Pregnancy Disability Leave

a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.

b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation, Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave

SSO – 36
balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.

b. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave

a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

c. To qualify for Parenthood Leave, employees must meet the following conditions:

1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.

3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.
4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b. above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

7. Military Leave
   a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.
   b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.
   c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.
   d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.
   e. Military Leave shall be credited toward continuous County service.

8. Verification
a. A request for Leave shall be made upon forms prescribed by the
Chief Human Resources Officer and shall state specifically the
reason for the request, the date when it is desired to begin the Leave
of Absence, the date of return, and the required documentation
supporting the request.

b. As a condition to the approval of a medical Non-Discretionary Leave
of Absence, an employee will be required to furnish medical
certification from the employee’s health care provider which states:
(1) the date on which the Leave is to commence; (2) the date on
which the Leave is to end; (3) that the employee cannot perform their
duties because of the employee’s own serious health condition.

c. To request Leave to care for another eligible person, an employee is
required to furnish medical certification from the eligible person’s
health care provider with the same information listed in 7.b. (1-2)8.a
and 8.b above and (3) stating that the employee cannot perform their
duties because the leave is required to care for the eligible person
pursuant to applicable law.

d. Whenever possible, an employee shall give notice of the request for
Leave at least thirty (30) days, or as soon as practicable, prior to the
start of the requested leave.

e. Failure to provide satisfactory verification of the necessity for a Non-
Discretionary Leave of Absence may be grounds for denial of the
leave.

f. If the department modifies or does not approve a request for Non-
Discretionary Leave of Absence, the employee may, within fifteen
(15) calendar days of said action, file a request for review with the
Chief Human Resources Officer. The employee shall include the
department’s modification or denial of the leave in the request for
review by the Chief Human Resources Officer. The decision of the
Chief Human Resources Officer on such appeals shall be final.

1. General Provisions – Non-Discretionary Leave

a. The twelve (12) month period for calculating Non-Discretionary
leave entitlement will be based on the calendar year (January 1 to
December 31).

b. Unless otherwise prohibited by state or federal law, Non-
Discretionary Leaves of absence will run concurrently.

c. Any portion of the leave which is unpaid shall not be credited
toward service hours.

C. Other Leaves of Absence
1. Leave for School and Child Care Activities

a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue.

b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may
be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.

d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee's accrued balances and must meet eligibility requirements and conditions set forth in Article IV - Section 1.B.8, Article V, or Article VI.

C. General Provisions

1. A request for a Leave of Absence shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the probable date of return.

2. A request for Leave of Absence Without Pay shall normally be initiated by the employee, but may be initiated by the Department only where the employee is unable to initiate such action, except in cases where the provisions of Section 11.A. apply.

Section 4. Official Leave for Nonoccupational Disability

A. A regular, limited-term or probationary employee shall be granted upon request an Official Leave of Absence Without Pay for up to six (6) months for a non-occupational disability including disabilities related to pregnancy and childbirth provided that the employee meets the following conditions:

1. A medical statement setting forth the need for the leave, start date of the leave, the expected date of return and the period of disability shall be submitted with the Leave request.

2. Such Leave shall begin after all accrued healthcare leave, compensatory time, vacation and/or annual leave time have been applied toward the absence.

3. Unless otherwise required by law, the employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours or more. (This provision does not apply to pregnancy disability leave.)

4. For employees who are disabled because of pregnancy, as defined by state law, the County will maintain and pay for an eligible employee's coverage under the County's group health plan for the
duration of the leave, not to exceed four (4) months over the course
of a 12-month period, at the level and under the conditions that
coverage would have been provided if the employee had continued
in employment continuously for the duration of the leave.

B. If additional Leave is desired, the employee may request additional Leave in accordance with Official Leave, Section 3.B., above.

C. Unless otherwise required by law, an employee shall not be entitled to more than one (1) such Leave pursuant to this Section per twelve (12) month period.

Section 5. Absences Caused by Illness, Injury or Pregnancy

An employee who is absent from work for a period of more than fourteen (14) consecutive calendar days due to illness, injury or pregnancy shall not be permitted to resume work until, and unless, the employee obtains a medical clearance from a physician designated by the County.

Section 63. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee's regular rate of pay for those hours of absence due to the jury duty which occur during the employee's regularly scheduled working hours provided the employee deposits the employee's fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 74. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee’s work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 85. Leave for OCEA Business
A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana and attendance at the bi-monthly Board of Trustees meeting. In addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.

A.C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

A. 1. OCEA shall make a request to the Department Head at least ten (10) days in advance.

B. 2. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

C. 3. The services of such an employee are not immediately required by the County, and other competent employees are available to do the employee's usual work.

Section 96. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 96.A., above, the County shall send written notice by certified mail to the employee's last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. A statement of the County's intention to implement the employee's automatic resignation and its effective date;

2. A statement of the reasons for considering the employee to have automatically resigned;

3. A statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. A statement of the employee's right to representation;
5. A copy of the automatic resignation provisions which apply to the employee;

6. A statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.

C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for the employee to contact his or her Department; or 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.

E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absences is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the Department Head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 10. Parenthood Leave

A. A regular, limited-term or probationary employee shall be granted, upon request, a Parenthood Leave Without Pay of up to six (6) months in connection with the birth or placement for legal adoption of a child provided the employee meets the following conditions:

1. The requested Leave is commenced within six (6) months before or after the date of birth or placement for legal adoption of the child.

2. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

3. Such employee has completed new probation.
4. All accrued vacation, compensatory time or annual leave subject to 100% payoff has been applied toward the absence.

B. Unless otherwise required by law, employees shall not be eligible for more than one (1) such Leave within any twelve (12) month period.

C. Healthcare leave or annual leave must be applied toward any portion of the absence which qualifies under Section 1.B.1. of this Article provided the employee has furnished the agency/department with a certificate signed by a licensed physician stating the nature of the medical condition and period of disability.

D. Pregnant employees may also apply for a Non-occupational Disability Leave for the term of disability as provided in Section 4. of this Article.

E. Parenthood Leave shall not be credited toward continuous service.

F. For employees on Parenthood Leave, merit increase dates, probation periods and performance evaluation dates shall be treated as if the employee were on Official Leave.

Section 11. Workers' Compensation Leave

A. When an injury is determined to be job related in accordance with Article XII, a regular, limited-term or probationary employee shall be placed on Workers' Compensation Leave. If such determination cannot readily be made and all healthcare leave or annual leave subject to 100% payoff has been applied to the absence, the employee shall be placed on Official Leave until a final determination is made.

B. Workers' Compensation Leave shall continue until the employee:

1. Is determined to be physically able to return to work and such medical determination, if disputed, is confirmed by Workers' Compensation Appeals Board; or

2. Is determined to be physically able to return to work with medical restrictions which the County can accept and such determination, if disputed, is confirmed by Workers' Compensation Appeals Board; or

3. Accepts employment outside the County; or

4. Accepts employment in another County position; or

5. Has been found to be permanent and stationary and is not rehabilitated as provided by law; or

C. If practicable, an employee on Workers' Compensation Leave or 4850 Leave will give notice two (2) weeks prior to the date he or she wants to return to work. If an employee does not give two (2) weeks notice prior to the date he or she wants to return to work, the Department shall not be required to return the employee to work until such notice is given; however, the Department may waive the notice or reduce the notice period at its discretion.

Section 427. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on Departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.
D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee's eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsections A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 138. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (824 hours maximum per fiscal year), compensatory time and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 14. Family Leave

A. General Provisions

1. Family Leave shall be granted to the extent required by law. The following provisions set forth certain of the rights and obligations with respect to this leave. Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this Section “family leave” under this Agreement shall mean leave pursuant to the FMLA and CFRA.

2. Family Leave may be used in the following situations:

   a. An employee's serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.
b. The birth of a child, and in order to care for the newborn child within one year of birth;

c. Placement of a child for adoption or foster care within one year of the placement.

d. An employee’s presence is needed to attend to a serious health condition of the employee’s child, spouse, parent or child of an employee standing in loco parentis (those with day-to-day responsibilities to care for and financially support a child).

e. Leave for a qualifying exigency arising out of the fact that the employee’s spouse, registered domestic partner, child or parent is on covered active duty or called to active duty status in the Armed Forces.

f. Leave to care for a spouse, registered domestic partner, child, parent, or “next of kin” who is a covered service member of the Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces.

3. Employees must request and identify their need for Family Leave. The County and OCEA agree that certain other types of leaves available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.

4. Eligibility for Family Leave will be determined according to the requirements of applicable law.

5. Family leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a) – (d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. Where Family Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

6. Leave taken under the FMLA for a disability due to pregnancy shall run concurrently with leave taken under the California Pregnancy Disability Act (See Section 4 of this Article). A family member may also be entitled to an additional twelve (12) weeks of bonding time under the CFRA.

7. The twelve (12) month period for calculating leave entitlement will be based on the calendar year (January 1 to December 31).
8. When a request for Family Leave is approved, the agency/department shall determine whether annual leave, healthcare leave, compensatory leave, and/or vacation time is to be applied. Such determination shall be consistent with other leave provisions of this Agreement and shall give consideration to the circumstances and the wishes of the employee. The use of healthcare leave shall be restricted to those circumstances which qualify under the provisions of Article IV., Section 1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the department with thirty (30) calendar days notice of his or her intent to take Family Leave.

2. If the event necessitating the Family Leave becomes known to the employee less than thirty (30) calendar days prior to the employee’s need for Family Leave, the employee must provide as much notice as possible. In no case shall the employee provide notice later than five (5) calendar days after he or she learns of the need for Family Leave.

3. For foreseeable leave due to a qualifying exigency, an employee must provide notice of the need for leave as soon as practicable, regardless of how far in advance such leave is foreseeable.

4. When the Family Leave is for the purpose of the scheduled medical treatment or planned medical care of a child, parent, spouse or registered domestic partner, the employee shall, to the extent practicable, schedule treatment and/or care in a way that minimizes disruption to agency/department operations.

C. Verification

1. As a condition to the approval of Family Leave, an employee may be required to furnish certification from the health care provider which states: (1) the date on which the condition commenced; (2) the probable duration of the condition; (3) an estimate of time that the employee needs to be off; (4) that the employee cannot perform his/her duties because of the employee’s own serious health condition or that care is needed when the leave is for an eligible family member pursuant to applicable law.
2. Employees who request leave to care for a covered service member who is a child, spouse, registered domestic partner, parent or “next of kin” of the employee must provide written certification from a health care provider regarding the injured service member’s injury or illness.

3. The first time an employee requests leave because of a qualifying exigency, the employee is required to provide the County with a copy of the covered military member’s active duty orders or other documentation issued by the military which indicates that the covered military member is on active or called to active duty in a foreign country with the dates of active duty service. New active duty orders or similar documentation shall be provided to the County if the need for qualifying exigency leave arises out of a different active or call to active duty status of the same or a different covered military member.

4. Failure to provide satisfactory verification of the necessity for Family Leave is grounds for denial of the Family Leave.

Section 15. LEAVE LANGUAGE WORKING GROUP

Upon adoption of the MOU, the County and OCEA agree to establish a working group to clarify language regarding Leaves of Absences, including streamlining language for understandability.
ARTICLE V       VACATION

Section 1.  Vacation Accrual

A. During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year). Part-time employees will earn vacation on a pro-rated basis. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty [120] hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .077 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty [160] hours per year), under the same terms and conditions as under subsection B., above.

D. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with less than ten (10) years of continuous County service shall be two hundred forty (240) hours. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be three hundred twenty (320) hours. An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee's vacation credit drops below the maximum allowed.

Section 2.  General Provisions

A. Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Article V., Section 2.C.

B. Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.

C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use
a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Section 1.C., and D.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee’s County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Section 1.C., and D.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee’s account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by the Department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the agency/department, except in cases of emergency.

J. Illness while on paid vacation will be charged to Healthcare Leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.

K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.

M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the agency/department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.
Section 3.  Vacation Cash Out

A. Vacation Cash Out Where Employee Has No Annual Leave Balances

   After annual leave has been exhausted, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to twenty five (25) hours each or one (1) increment of up to fifty (50) hours. Such payment shall be made upon request unless the Department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. Vacation and Annual Leave Cash Out Where Employee Has Annual Leave

   1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the applicable cap (as set forth in Section 1.D., above) some time during the fiscal year unless the employee is able to cash out vacation time.

   2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of eighty (80) hours each fiscal year, except if the employee has eighty (80) or more hours of accrued, unused Annual Leave balances then they may cash out up to one hundred (100) hours of vacation each fiscal year.
ARTICLE VI  ANNUAL LEAVE

The Annual Leave provisions shall apply to regular and limited-term employees hired on or after July 15, 1977, and before June 21, 2019 the implementation of the 2019-2023 MOU.

Section 1.  Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Effective as soon as practicable following adoption of the MOU by the Board of Supervisors, employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 1.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

C. During the ninety (90) day period beginning thirty (30) days after the adoption of this MOU, employees will have a one-time opportunity to convert Annual Leave that has been accumulated prior to the implementation of this MOU to Healthcare Leave.

Section 2.  Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee's personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee's presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.

5. Absence from duty because: (1) the employee’s presence is needed to attend to the diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee’s family member;
or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233, except as to extra help employees, who will be limited to three (3) days provided they meet the requirements set forth in the Healthy Workplaces, Healthy Families Act of 2014 (Labor Code sections 245-249). For purposes of this Subsection “family member” means child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).

For those extra help employees who qualify for paid healthcare leave under Labor Code section 246, the first three days or 24 hours, whichever is greater, of annual leave taken each 12 month period will be considered healthcare leave used pursuant to the Healthy Workplaces, Healthy Families Act of 2014. The 12 month period is July 1 through June 30 for employees hired prior to July 1, 2015. For employees hired on or after July 1, 2015, the 12 month period is the 12 month period beginning on the employee’s hire date.

6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the agency/department except in cases of emergency.

C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.
D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Election Board Officer or Election Night Help.

E. Holidays which fall during an employee’s annual leave (vacation) period shall not be charged against the employee’s annual leave balance.

Section 4. General Provisions

A. In any use of annual leave, an employee’s account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.

Section 5. Annual Leave Payoff Provisions

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 40 hours of Annual Leave; an additional 40 hours may be requested, with its payout at the discretion of the Department/Agency Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 80 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment for the unused annual leave balance as provided below:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Maximum Payoff</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 3 years</td>
<td>160 hours maximum paid at 100%</td>
</tr>
<tr>
<td>3 but less than 10 years</td>
<td>240 hours maximum paid at 100%</td>
</tr>
</tbody>
</table>
10 or more years  A maximum of 1600 hours of the accrued annual leave balance has cash value. 320 hours are paid at 100%; the remaining balance, after the 320 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance.

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 240 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits specified in Article V, Section 1.D. Remaining hours, up to the accrual limits specified in Article V, Section 1.D, will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.
D. An employee who is separating from County service by way of paid County retirement may elect either to take annual leave as time off, or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.

E. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.

B. If a holiday falls on a Saturday but is observed on the preceding Friday by the Municipal and/or Superior Courts, employees who have been designated by the County as being necessary to the operation of said Courts may be allowed to observe the Court observed Friday holiday in lieu of the Saturday holiday provided such employees are given notice of their work schedule change not less than thirty (30) calendar days prior to the holiday.

C. When a holiday other than Christmas Day falls on a Sunday, the next day shall be observed as the holiday. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with Department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.

D. When New Year’s Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday. When Christmas Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with Department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding.

E. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with Department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.
F. When Christmas Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases the employee may, with Department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding.

Section 2. Eligibility for Holiday Pay

A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.

C. An employee who elects paid County retirement on a holiday shall be paid for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay

A. On each of the holidays designated above, each full-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work.

B. On each of the holidays designated above, each part-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work.

C. Compensation for Holidays Falling on Scheduled Days Off

1. When a holiday falls on a full-time employee’s regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.
2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

D. Compensation for Work on Holidays

1. An employee who is required to work on Columbus Native American Day, Veteran’s Day, Day after Thanksgiving, Martin Luther King, Jr.’s Birthday, Lincoln’s Birthday or Washington’s Birthday and who meets the eligibility requirements contained herein shall receive his or her regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year’s Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee’s basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay as provided in D.1. or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.

E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

F. Holidays which fall during an employee’s vacation period shall not be charged against the employee’s vacation or annual leave balance.

G. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

H. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII  REIMBURSEMENT PROGRAMS

Section 1.  Mileage Reimbursement

A.  Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1. Through December 31, 1994 the reimbursement rate shall be thirty-nine (39) cents per mile.

2. Except as provided in A.4., below, effective January 1, 1995 through June 22, 1995, the reimbursement rate shall be thirty-four (34) cents per mile.

3. Except as provided in A.4., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

4. Effective January 1, 1995, for an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

5. Effective January 1, 2006, employees who drive two-hundred fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

6. There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

B. An employee who is required by the County to furnish a privately owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars. The minimum shall not apply in any month:

1. In which the employee has not actually worked eighty (80) hours;

2. Unless the employee claims the ten (10) dollar minimum and the Department certifies that the employee was required to use a privately owned vehicle on County business.
Section 2. **Personal Property Reimbursement**

Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee. The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article. Reimbursement for a watch shall be limited to the functional value of the watch.

Section 3. **Educational and Professional Reimbursement**

Effective the first full day of the first full pay period following adoption of the MOU, eligible employees may receive educational and professional reimbursement at a maximum of $10,000 per fiscal year. Terms and conditions for this reimbursement are set forth in the Personnel and Salary Resolution (PSR).

Section 4. **Boots**

A. The parties agree to establish a working group to identify additional classifications or to develop a policy for identifying classifications and/or positions qualifying for safety boot reimbursement.

B. During the first year of this contract, a Department Head in conjunction with Risk Management may authorize provision of safety work boots through a boot-mobile, voucher, or a reimbursement of a maximum of $150 per fiscal year for additional positions/employees that as a result of their duties are required to wear safety compliant work boots on a regular basis.

A. A Department Head may authorize the provision of safety work boots for employees who are required to furnish their own safety work boots up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher, or a reimbursement per the following:

1. As a result of their duties, the employees are required to wear safety compliant work boots.

2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.

4. If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.
5. The department is able to absorb any increased costs within its existing budget.

6. Employees are only entitled to receive one form of safety work boot provision (i.e., stipend, boot mobile, voucher or reimbursement per fiscal year or as otherwise described above).

Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classifications who are required to wear compliant protective footwear. Department Head in conjunction with Risk Management and/or the Department Safety Manager may authorize provision of safety work boots up to a maximum of three hundred dollars ($300) per fiscal year through a stipend, boot mobile, voucher, or a reimbursement for the term of this MOU for additional designated classifications/employees per the following parameters:

As a result of their duties, the employees are required to wear safety compliant work boots.

There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classifications within the department or specific division/unit/s.

If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.

The department is able to absorb any increased costs within its existing budget.

If a department implements a program to provide safety work boots through a stipend, boot mobile and/or voucher system, the employees will no longer be entitled to the safety work boot reimbursement. Employees are only entitled to receive one form of safety work boot provision, i.e., stipend, boot mobile, voucher or reimbursement, per fiscal year or as otherwise described above.

Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classifications who are required to wear compliant protective footwear.

A.B.
ARTICLE IX  

DISCIPLINARY ACTION

Section 1.  Reprimand and Substandard Performance Evaluation

A.  No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B.  A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure. Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2.  Emergency Suspensions of Five Days or Less

A.  In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

   1.  Whenever practicable, be given an opportunity to respond to the proposed suspension to a designated Department representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

   2.  Be informed of the employee’s right to representation in the response;

   3.  Be informed of the employee’s right to appeal should the proposed suspension become final.

B.  In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3.  Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A.  In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action. Such written notice shall contain:

   1.  A description of the proposed action and its effective date(s);

   2.  A statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;
3. Copies of material on which the proposed action is based;

4. A statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

5. A statement of the employee's right to representation;

6. A statement of the employee's right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee's option, to a designated Department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2. above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4. and 5. of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6. of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for
suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.

Section 5. Reduction

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. Discharge and Right of Appeal

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. Polygraph Examination

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.

Section 8. Investigatory Meetings

A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and
2. A statement of the employee's right to representation.

B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X  GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A. A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee's wages, hours or conditions of employment.

B. Specifically excluded from the scope of grievances are:

1. Subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2. Matters which have other means of appeal;

3. Position classification;

4. Performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2.  Basic Rules

A. If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B. If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C. If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure. By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D. The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, agency/department-wide or County-wide basis in an emergency situation. OCEA may appeal this decision to the Board of Supervisors.

E. A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation. The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office. The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation. Once the EEO Office has completed the intake, review, and if applicable, investigation, the
grievant/appellant and, if applicable, the OCEA representative shall be notified in writing and the time limits for processing the grievance shall resume, unless timelines are extended by mutual agreement.

F. Upon written consent of the parties (i.e., the representatives of the County and the employee or his or her representative), the time limits at any step in the procedure may be extended.

FG. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

GH. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

HI. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure. An employee is not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing. Provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the grievance process and/or arbitration hearing.
B. Authorized grievance/appeal representatives shall be regular employees in the same Department or Representation Unit as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify Department Head of the names and titles of such representatives and send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. An employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. An authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and

   b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Agency/Department Head

An employee may formally submit a grievance to the agency/department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the agency/department head, or his or her designee(s), shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2: Chief of Employee Relations

If the grievance/appeal is not settled under Step 1 and it concerns:

   a. an interpretation or an application of this Memorandum of Understanding;

   b. a performance evaluation rating of “does not meet performance objectives”;

   c. deferral or denial of a merit increase, or a dispute about the number of steps granted; or
d. a written reprimand; or

e. a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3; or

ef. a release from promotional probationary release alleging discrimination pursuant to Article III, Section 1.C.3.;

Items a., b., c., or d., above, it may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, and/or appeal of a suspension and/or a reduction ordered by the Department Head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in B., C. and D., above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure
a. If an appeal from suspension or reduction is not settled at Step 3, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.

b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.

c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing.

d. The issues in all disciplinary appeals shall be: Was (employee's name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?

e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies

a. Findings of Facts

An arbitrator's decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

b. Remedies - All Disciplinary Actions (Other than Discharge)

1. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

2. Suspensions/Reductions

If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

c. Remedies - Discharges

1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.
2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.
   a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVIII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?
   b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?

2. Findings of Facts and Remedies
   a. In the event the arbitrator finds no violation of Article XVIII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.
   b. In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.
   c. In the event the arbitrator finds a violation of Article XVIII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:
      1. The probationary release may be sustained.
      2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. Except as otherwise required by law, all the costs of an arbitration shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVIII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be private.

3. Arbitration appeal hearings of suspensions of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Arbitration appeal hearings of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies...
of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:

a. Oral evidence shall be taken only on oath or affirmation.

b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a new hire probation release or suspension.

11. The decision of the arbitrator shall be final and binding on all parties.
12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI LAYOFF PROCEDURE

Section 1. General Provisions

A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B. This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.

C. When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) agency/department are transferred to another agency/department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.

D. Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2. Order of Layoff

A. When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their agency/department head shall be laid off in an order based on consideration of:

1. Employment status,

2. Past performance,

3. Length of continuous service with the County.

B. Layoffs shall be made by class within the Department except that:

1. Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

2. Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of the Department.
C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional</td>
<td>Layoff Points</td>
</tr>
<tr>
<td>Probationary</td>
<td></td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the Department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last “Performance Evaluation Report,” for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.
Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee’s hire date, the employee’s layoff points, a list of classes in the employee’s occupational series within the layoff unit, the employee’s rights under Sections 5 and 6, and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify the Department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify the Department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify the Department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her Department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

The names of persons laid off shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5

The names of persons who exercise their rights under Section 5 shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.
3. Persons Who Voluntarily Reduced Under the Provisions of Section 6

The names of persons who were voluntarily reduced under the provisions of Section 6 shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

B. The names of persons laid off shall be placed on the COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

C. Names of persons placed on the DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:

1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.
3. An employee who, upon retirement, signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.

D. In the event two (2) or more agencies/departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/department to another agency/department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee’s account or any unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:
1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee’s salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII
ON-THE-JOB INJURY, WORKERS' COMPENSATION SUPPLEMENT PAY

Section 1. Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq., or Labor Code 4850 et seq. for the classification of Sheriffs Special Officer.

Section 2. Exhaustion of 4850 Benefits

When an employee has exhausted all benefits provided by California Labor Code Section 4850, and such employee continues to be unable to return to work due to an injury or disease arising out of and in the course of County employment, the provisions of Section 3. (below), Worker's Compensation Supplement Pay, shall apply.

Section 3. Workers' Compensation Supplement Pay

A. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.

B. Workers' compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued healthcare leave, compensatory time, annual leave and/or vacation, in that order.

C. While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any healthcare leave, compensatory time, annual leave or vacation time previously accumulated by the employee. The employee shall not accrue healthcare leave, annual leave or vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.
D. When an injury is determined to be job-related by the County or by the Workers' Compensation Appeals Board, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the fourth day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the first day of disability shall be restored to the employee's account(s).

E. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered County service for merit increase eligibility and completion of the probation period.

F. When an employee is no longer entitled to receive workers' compensation supplement pay or 4850 Leave, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph A., above.

G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

H. Nothing in this provision shall be construed as waiving any right to greater benefits which may be available pursuant to Labor Code Section 4850.

Section 4. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee's option, in that order.
ARTICLE XIII   SAFETY

Section 1.   General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A. No employee shall be required to work under conditions dangerous to the employee's health or safety.

B. The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F. Wherever practicable, the County shall provide the necessary first aid kits in each location.

G. Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.

Section 2.   Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the Department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.
Section 3. **Abatement of Violations**

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4. **Safety Representatives**

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.

2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:

   a. the Safety Representative checks in and checks out with the supervisor of the unit; and

   b. he or she does not unduly interfere with the work of the unit.
Section 5. Resolution of Safety or Health Complaints

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV  UNIFORMS AND SPECIAL EQUIPMENT

Section 1.  Uniforms

The County will provide, but will not launder or dry clean, required uniforms for employees in the following classes:

Sheriffs Special Officer I
Sheriffs Special Officer II

Section 2.  Special Equipment

The County will provide employees in the classes of Sheriffs Special Officer I and II with firearms, batons, handcuffs and leather goods whenever these items are required by the County.
ARTICLE XV OCEA AND EMPLOYEE RIGHTS

Section 1. Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2. Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3. Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4. Use of Bulletin Boards

Space shall be made available to OCEA on Departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the Department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5. Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII  NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by state and federal law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII  POSITION CLASSIFICATION

Section 1.  The Establishment of New Classes

The County will provide OCEA an information copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2.  Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3.  Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to the Department Head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate Department response to an employee's request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Chief Human Resources Officer with a recommendation that a classification study be conducted.

A. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration.
B. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not agree with the County's decision, the employee may submit the request to OCEA.

Step 3:  After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4:  The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

A. If the study is justified and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

B. If the study is justified, and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

C. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4.  Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.
Section 5. Review of Disputed Position Classification Decisions

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.

B. The consultant's review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3., above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX  INSURANCE

Section 1.  Health Plans and Premium Contributions

A.  Full-Time Employees

1.  Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all full-time regular, limited term, and probationary employees and their eligible dependents.

2.  The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a.  Employee Only Coverage - eighty-five (85) percent of the employee’s premium or ninety (90) percent of the employee’s premium if the employee completes the Wellness Incentive program;

   b.  Employee and Dependent Coverage - seventy (70) percent of the total health plan premium, for each employee and such employee’s eligible dependents or seventy-five (75) percent of the employee’s premium if the employee completes the Wellness Incentive program.

   c.  Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3.  Employees who elect the Sharewell Choice PPO plan will not only have their insurance premium fully paid by the County but will also receive a payroll credit per plan guidelines. In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4.  The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

B.  Part-Time Employees

1.  Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all part-time regular, limited term, and probationary employees. Enrollment of part-time employees shall be restricted to employees whose normal workweek consists of at least twenty (20) hours.
2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee’s premium if the employee completes the Wellness Incentive program;

   b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37½) percent of the total health plan premium, for each employee and such employee’s eligible dependents if the employee completes the Wellness Incentive program.

   c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

   a. Employee Only Coverage – one hundred (100) percent of the premium;

   b. Employee and Dependent Coverage – per subsection B.2.b above

   In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

C. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of employee and dependent coverage for each EME. EME dependents are not required to participate in the Wellness Incentive program. Employees must report any
subsequent changes in marital status, such as legal separation or divorce, within 30 days of the event. Failure to report legal separation or divorce from a covered spouse shall require repayment of all premiums paid by the County under this program during the period in which the employees were ineligible due to legal separation or divorce.

D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

E. For employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. Health Plan Enrollment

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.
B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees’ eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund administered in compliance with applicable state and federal law, for the purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said trust fund; the County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law.

C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.
D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees, attorneys, agents, advisors and representatives harmless from any claims or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500.

2. The annual report shall include the following information:
   a. the actual cost of benefits provided by the trust fund;
   b. member contributions to the cost of benefits provided by the trust fund;
   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);
   d. a summary of other trust fund expenditures; and
   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County’s written request or the report’s completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. Premium Only Plan

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee’s gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided
health insurance coverage as permitted by state and federal law, regulations, and guidelines.

Section 5. **Retiree Medical Plan**

A. **Retiree Medical Grant**

Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan (“the Plan”) for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 reopener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered retiree health insurance plan and/or Medicare premiums as provided below.

   a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.

   b. The Grant will be adjusted as follows:

      1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than
age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

4. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

c. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or to enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility
requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006 who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regularly paid hours immediately preceding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the Retiree Medical Plan Document, shall be eligible for the Grant. Employees who were employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, shall have been given the option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.

The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.

Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as
defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of service or actual years of credited County service, whichever is greater.

b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

c. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.

d. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.

3. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer
retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. Survivor Benefits

1. A surviving dependent of a retiree who was eligible to receive a Grant and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) will be available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.
2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.

Section 6. Reopener

Reopener as a Result of the ACA

The County may reopen negotiations on this Article and other provisions of the MOU (e.g., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

Section 7. Accidental Death and Dismemberment Insurance

The County shall provide basic accidental death and dismemberment insurance in the amount of one hundred thousand dollars ($100,000) for all Sheriffs Special Officer employees without proof of insurability. The policy shall provide benefits for death or dismemberment occurring in the line of duty. Such insurance will be subject to the limitations of liability contained in those insurance policies.

---

1 Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
ARTICLE XX DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.
ARTICLE XXI  RETIREMENT

Section 1.  Retirement Benefit Levels

A.  For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered “Legacy Members” of OCERS within the Meaning of the Public Employees’ Pension Reform Act of 2013 (“PEPRA).

1.  Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code.  This retirement benefit formula is commonly known as the “2.7% at 55” benefit formula.
   a.  For eligible employees hired on or before September 20, 1979 the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.
   b.  For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee’s highest three (3) years of compensation per Government Code section 31462.

2.  1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.
   a.  Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members).  Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the “2.7% at 55” benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65” benefit formula) for future County service.
   b.  In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the “2.7% at 55” benefit formula and shall make the employee retirement contributions established for that benefit formula.
c. In the event an eligible employee elects the “1.62% at 65” benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C. below.

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, ie., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active
members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

3. Reduction in Reverse Pickup

a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

d. Effective July 2, 2021, reduce Reverse Pickup by an additional 1.2% for a total fixed ongoing 3.6% reduction of the employee’s paid reverse pickup.

SSO – 115
e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62\% at 65 Classic benefit formulas shall be eliminated.

Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010, the County will make available a County 1.62 Retirement Section 457(b) Defined Contribution Plan (the “DC plan”) to those employees who are covered by the “1.62\% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII  SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII  RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Sheriffs Special Officer Unit for classes in effect on June 21, 2019, 2023. Said classes are listed in Appendix A.
ARTICLE XXIV FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1. Dependent Care Reimbursement Account (DCRA)

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2. Health Care Reimbursement Account (HCRA)

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV PERFORMANCE INCENTIVE PROGRAM (PIP)

Section 1.

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year.

All other performance management components of PIP remain in effect.
ARTICLE XXVI  LABOR MANAGEMENT COMMITTEES

Section 1. Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of Agency/Department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for agency and department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:
   1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;
   2. Has County-wide impact; or
   3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.

Section 2. Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.
B. 1. Every agency/department shall have an LMC.

2. The agency/department LMC structure shall consist of management representatives selected by the agency/department and employee representatives selected by OCEA. The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each agency/department LMC shall have two sponsors who may or may not be members of the LMC: the agency/department head and a representative designated by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time Off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.

D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the agency/department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.
F. Any issue which is not resolved by the agency/department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII   SALARY

1. Effective the first day of the first pay period following adoption of this 2019-2023 MOU, the salary schedule will be increased by 2.504.75%.

2. Effective July 3, 2020 June 28, 2024, the salary schedule will be increased by 2.504.25%.

3. Effective July 2, 2024 June 27, 2025, the salary schedule will be increased by 2.504.0%.

4. Effective July 1, 2022, the salary schedule will be increased by 3.50%. 

ARTICLE XXVIII  DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Section 1.—Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

HEALTHCARE or HEALTHCARE LEAVE shall mean and be synonymous with the term “sick” or “sick leave.”

LIMITED-TERM EMPLOYEE shall mean an employee employed in a limited-term position except where a regular position is converted to a limited-term position, the incumbent shall retain his or her former status. As an exception to this definition, a limited-term employee may also be used to fill a regular position when the incumbent employee is on a Leave of Absence.
LIMITED-TERM POSITION shall mean a position which the County has determined has no anticipated long-range funding or has uncertain future funding.

PART-TIME EMPLOYEE shall mean an employee employed in one or more regular or limited-term positions whose normally assigned work hours do not equal those required of a full-time employee.

PERSONAL BUSINESS shall mean a foreseeable personal event or circumstance which necessitates the employee's absence from County duty. Personal Business leave must be requested in advance by the employee and be preapproved by supervision or management.

PERSONAL EMERGENCY shall mean an event or circumstance of a serious nature which is beyond an employee's control and which necessitates the employee's absence from County duty, including, but not limited to, those events and circumstances which require the employee's prompt attention to avoid possible financial loss to, or damage to the health of, either the employee or a member of his or her household.

PRACTICABLE means feasible; reasonably able to accomplish.

PROBATIONARY EMPLOYEE shall mean an employee who is serving a probation period and is employed in a regular or limited-term position.

PROMOTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step on the new salary range is at least one (1) full step higher than the maximum step of the old salary range.

REASSIGNMENT shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class on the same salary range or to a class where the maximum step on the new salary range is less than one (1) full step higher or lower than the maximum step of the old salary range.

RECRUITING STEP shall be the first step of the salary range allocated to a class unless otherwise authorized by the Board or the Chief Human Resources Officer.

REDUCTION shall mean the movement of a regular, limited-term or probationary employee from one (1) class to another class where the maximum step of the new salary range is at least one (1) full step lower than the maximum step of the old salary range.

REGULAR EMPLOYEE shall mean an employee who is not on probation and is employed in a regular or limited-term position.

REGULAR POSITION shall mean a position established on a permanent year-round basis requiring work on a regular schedule unless otherwise authorized by minute order of the Board.
SENIORITY shall mean total continuous full-time equivalent service as a regular employee.

Y-RATE shall mean a pay rate outside of the assigned salary range of a class.
ARTICLE I WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

A. The official workweek for full-time employees in classifications designated as non-exempt from FLSA shall be forty (40) hours. The workweek shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight except for employees working an alternate schedule, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different workweek may be designated. Work ordered and performed in excess of forty (40) hours actually worked in a workweek, or eighty (80) hours worked in the pay period for employees in FLSA exempt classifications, shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek, or eighty (80) hours of paid time in the pay period for employees in FLSA exempt classifications, in accordance with an emergency declared by the Board of Supervisors, activation of the County’s Emergency Operations Center (EOC) or agency Department Operations Center (DOC), shall be overtime.

The official work period for Sheriffs Special Officer III shall be 28 days and shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later. For purposes of payment of overtime under this MOU, each 28 day period shall be divided into two 14 day periods, with overtime being paid for work ordered and performed in excess of eighty (80) hours actually worked in each 14 day period. Work ordered and performed in excess of eighty (80) hours of paid time in each 14 day period in accordance with an emergency declared by the Board of Supervisors shall be overtime.

1. Employees shall receive compensation on a biweekly basis. The pay period for employees in specified agencies, departments or divisions shall start on a Friday and end on the second Thursday thereafter.

2. Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period and scheduled days off shall fall on at least two (2) consecutive calendar days. Alternate work schedules shall not be implemented without the County and OCEA first negotiating and attempting to reach agreement on such hours of work for each division or work unit in each department proposing implementation of such alternate work schedules.

3. Work Period for Correctional Services Employees

a. The official FLSA work period for Sr. Sheriff’s Correctional Services Technicians shall be 28 days and shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later.
b. For purposes of payment of overtime under the MOU, each 28 day period shall be divided into four, seven (7) day periods, with overtime being paid for work ordered and performed in excess of the employee’s regularly scheduled work hours. The beginning and ending of the seven (7) day work period will begin each Friday and end the following Thursday.

c. An employee assigned to corrections who is designed as 207k exempt may request to trade their days of work for another employee’s days of work provided both employees work in the same division, have the same classification and the days traded are within the same pay period. Should, as a direct result of such trades, either employee work more than forty (40) hours in a workweek, the hours in excess of forty (40) hours shall not be considered overtime. Except, all overtime work ordered and performed which would have been performed regardless of such trade shall be treated in accordance with Section 1.A.4.a., above.

1. An employee may request to trade their biannual, quarterly or monthly shift for another employee’s biannual, quarterly or monthly shift provided both employees have the same work assignment and the request is made within two (2) weeks of posting of scheduled shift rotation.

Trades under this provision shall require the written approval of the department.

B. The County agrees to give employees a seven (7) calendar day advance notice of a shift change whenever practicable.

C. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.

D. The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

E. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee’s work period as defined under Section 1.A., above, except on authorized overtime.

F. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by an department.
1. Upon written request by OCEA, the County agrees to study the feasibility of establishing work schedules consisting of either:
   a. four (4) ten (10) hour workdays per week;
   b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or
   c. flex time.
2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.
3. OCEA agrees not to request more than twelve (12) such studies concurrently for the combined units represented by OCEA and no more than three (3) concurrently for each department.
4. The County agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

G. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the department, work beyond the normal workday, workweek or work period is required, the department will notify any employee who may be asked to perform such overtime of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) in the employee's designated workweek in classifications designated as non-exempt from FLSA or eighty (80) for employees in FLSA exempt classifications, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

B. Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.
2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.
3. If the responsible supervisor determines that overtime is necessary on a client case or patient case already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.

4. The County and OCEA may meet and confer and, in so doing shall attempt to reach agreement regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.2. and 3., above.

C. Payment for Overtime

1. Except as provided in 2.C.3., below, overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. Except as provided in 2.C.3., below, for all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the department. Consideration shall be given to effectuating the wishes of employees. The maximum number of CTO hours which may be accrued by any employee is eighty (80). If an employee accrues 80 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

3. Compensatory time earned and accrued by an employee in excess of forty-four (44) hours may be scheduled off for an employee by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

4. No scheduled compensatory time off will be cancelled except in cases of emergency.

5. In no case may an employee's work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

6. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.

7. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work. Such rest periods shall be scheduled in accordance with the requirements of the department, but in no case shall rest
periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal wash-up and changing clothes.

Section 4. Exclusions from Workweek and Overtime Provisions

Employees in the class of Senior Real Property Agent shall not be subject to the provisions of Sections 1., 2. or 3.

Section 5. Premium Pay

A. Night Shift Differential

1. Except as provided in 7. below, an employee who works an assigned night shift shall, in addition to his or her regular salary, be paid a night shift differential for each hour actually worked on the assigned night shift.

2. Except as provided in subsections 5. and 6. below, for purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m. Hours worked as an extension of an assigned shift eligible for Night Shift Differential shall be paid at the same Night Shift Differential rate as the assigned shift. Hours worked as an extension of an assigned shift not eligible for Night Shift Differential shall not be eligible for Night Shift Differential.

3. Except as provided in 4., 5. and 6., below, the rate of night shift differential shall be five (5) percent of the employee's basic hourly rate with a minimum of sixty (60) cents per hour and a maximum of one (1) dollar and fifty (50) cents per hour.

4. The rate of night shift differential for employees in the classes listed below shall be one (1) dollar and twenty-five (25) cents per hour:

   Supervising Public Health Nurse I
   Supervising Public Health Nurse II

5. An employee in the below listed classes who works an assigned night shift where the majority of the hours are between 5:00 p.m. to 11:00 p.m. shall, in addition to his/her regular pay, be paid a night shift differential of one dollar and seventy five ($1.75) cents per hour.
for each hour actually worked on the assigned night shift. Hours worked as an extension of an assigned shift eligible for Night Shift Differential shall be paid at the same Night Shift Differential rate as the assigned shift. Hours worked as an extension of an assigned shift not eligible for Night Shift Differential shall not be eligible for Night Shift Differential.

Senior Comprehensive Care Nurse
Supervising Comprehensive Care Nurse

6. An employee in the below listed classes who works an assigned late night shift where the majority of the hours are between 11:00 p.m. to 7:00 a.m. shall, in addition to his or her regular pay, be paid a late night shift differential of two dollars and seventy five ($2.75) cents per hour for each hour actually worked on the assigned late night shift. Hours worked as an extension of an assigned shift eligible for Night Shift Differential shall be paid at the same Night Shift Differential rate as the assigned shift. Hours worked as an extension of an assigned shift not eligible for Night Shift Differential shall not be eligible for Night Shift Differential.

Senior Comprehensive Care Nurse
Supervising Comprehensive Care Nurse

7. Employees in the classes of Custodian Leadworker and Supervising Custodian I and II shall not be eligible to receive night shift differential premium pay.

B. On-Call Pay

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.
C. **Call-Back Pay**

1. When an employee returns to work because of an department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Call-back shall be paid at one and one-half (1 1/2) times the regular rate.

3. There shall not be any duplication or pyramiding of rates paid under this Section.

4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.

5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.

6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. **Bilingual Pay**

1. Except as provided in 2. below, qualified employees who meet the following criteria shall receive an additional forty (40) cents per hour (approximately sixty-nine [69] dollars per month) for all hours actually paid.

   a. An employee must be assigned by departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.

   b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.

   c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.

2. **Exceptional Bilingual Pay**

   Qualified employees in the following classes who, in addition to meeting the criteria in 1.a., b. and c. above, are assigned by department management to perform exceptional bilingual duties that are essential to the performance of their professional and/or technical duties and responsibilities shall receive an additional seventy (70) cents per hour
(approximately one hundred and twenty-one (121) dollars per month) for all hours actually paid:

- Eligibility Supervisor

- Supervising Public Health Nurse I
- Supervising Public Health Nurse II

3. An employee shall not be eligible to receive more than one (1) type of bilingual pay concurrently.

4. Bilingual pay shall not apply to workers' compensation supplement pay.

5. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the department head, who will consider it according to:

   a. department need;

   b. availability of a qualified replacement; and

   c. availability of another suitable assignment for the requesting employee.

6. Upon the agreement of the County and OCEA, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

ARTICLE II PAY PRACTICES

Section 1. Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2. Pay for New Employees

A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the department head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant’s previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the department head, the County Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2. If a recruiting step is decreased, incumbents of the class will be unaffected.

3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.B. for new employees.

4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.
Section 3. **Merit Increase Within Range**

A. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the department head.

B. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class.

When an employee is absent from work and not posting personal leave balances (with the exception of Military Leave), the merit increase eligibility date shall be extended by the number of days the absence exceeds the Department Leave and rounded to the first day of the first full pay period. Subsequent merit increase eligibility dates shall fall on the first day of the pay period following the completion of fifty-two (52) week intervals after the extended merit increase eligibility date.

A suspension shall cause the merit eligibility date to be extended by the total number of calendar days equal to the suspension and rounded to the first day of the first full pay period.

A military leave, paid or unpaid, shall not result in the extension of a merit increase eligibility date.

C. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

D. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of "meets performance objectives" shall earn a two (2) step increase.

E. If, in the department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral
of decision accompanied by an intensive effort at improved performance might be productive, the department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.

F. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion

A. Except as modified by B. and C. below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class except that the employee will retain their former merit increase eligibility date if the promotion was the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. Salary on Reassignment

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same
probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain their former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B to a class on a different salary schedule, his or her salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

F. As soon as practicable following adoption by the Board of Supervisors on or after June 30, 2023, the supervisory employee shall be paid at least two (2) steps higher than the maximum step of the pay range of their highest paid subordinate staff member, but not to exceed the top step of the pay range for their classification. This provision does not apply when supervision is being provided to higher level professional and/or technical staff, including licensed professionals (e.g., psychiatrist, psychologist, nursing staff, IT staff, etc.).

Section 6. Salary on Reduction

A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.B., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.
2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change except if the reduction is the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. Salary on Reclassification

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.2.

Section 8. Salary on Reemployment

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may upon approval of the Chief Human Resources Officer be appointed at a step higher than the recruiting step, but no higher than the step the person received at
the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. Changes in Salary Allocation

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XVIII.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. Additional Compensation

Notwithstanding anything in this Memorandum of Understanding to the contrary, when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 11. Paycheck Deposit

A. The County will permit an employee to authorize automatic deposit of his or her Paycheck to a financial institution of the employee's choice, if and when the Chief Human Resources Officer and Auditor-Controller determine it is feasible.

B. Employees hired after June 29, 2001 will be required to authorize automatic deposit of his or her paycheck to a financial institution of the employee's choice.

Section 12. Classification and Compensation Studies

The County agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year.
ARTICLE III GENERAL PERSONNEL PROVISIONS

Section 1. Probation

A. New Probation

1. Full-Time Employee

A new or reemployed employee in a regular or limited-term position shall be placed on new probation period for fifty-two (52) weeks from the date of appointment and ending with the first day of the pay period following completion of said period.

2. Part-Time Employee

A new or reemployed part-time employee in a regular or limited-term position shall be placed on a new probation period for two thousand eighty (2080) paid hours, exclusive of overtime, ending with the first day of the pay period following completion of said period.

B. Promotional Probation

1. Any regular or limited-term employee who is promoted, excluding a temporary promotion, shall be placed on promotional probation except as provided in section B.2., below.

   a. A full-time employee shall serve a probation period of fifty-two (52) weeks ending with the first day of the pay period following completion of said period. However, an employee who promotes from a class in the Supervisory Management Unit to a class in the same or closely related occupational series shall serve a promotional probation period of twenty-six (26) weeks from the date of promotion ending with the first day of the pay period following completion of said period or the remainder of any uncompleted new probation period, whichever is longer.

   b. A part-time employee shall be placed on promotional probation for two thousand eighty (2080) paid hours, exclusive of overtime ending with the first day of the pay period following completion of said period except that for promotion from a class in the Supervisory Management Unit to a class in the same or closely related occupational series, the promotional probation period shall be one thousand forty (1040) paid hours exclusive of overtime or the remainder of any uncompleted new probation period, whichever is longer.
2. When a regular or limited-term employee is promoted as a result of the employee’s position being reclassified to a higher class and the class from which the employee is promoted is subsequently deleted or abolished or if the reclassification occurred as the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B, the incumbent employee shall not serve a promotional probation period.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee’s department head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.

C. Failure of Probation

1. New Probation

An employee on new probation may be released at the sole discretion of the department at any time without right of appeal or hearing, except as provided in C.3., below.

2. Promotional Probation

   a. An employee on promotional probation may be failed at any time without right of appeal or hearing, except as provided in C.3., below, and except that failing an employee on promotional probation must not be arbitrary, capricious or unreasonable.

   b. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

   c. When an employee fails his or her promotional probation, the employee shall have the right to return to his or her former class provided the employee was not in the previous class for the purpose of training for a promotion to a higher class. When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position, other than at the direction of the employee’s department head, shall not have the right to return to his or her former class.

   d. If the employee’s former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to
promotion and shall serve the remainder of any probationary period not completed in the former class.

3. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within ten (10) days after receipt of notice of failure of new probation.

D. General Provisions

1. When an employee’s record consists of a combination of full-time and part-time service in regular or limited-term positions, except as provided in Section 4.C., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal fifty-two (52) weeks.

2. When an department head or his or her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended, except as provided in E.1, 2. And 3. of this Article, below, and an employee who is permitted by the department to work beyond the end of a probation period shall be deemed to have passed such probation period.

3. An employee who is on probation may not transfer from one department to another in the same class without the approval of the Chief Human Resources Officer.

E. Extension of Probation Periods

1. When an employee is absent from work and is not posting leave balances, the new hire and promotional probation periods shall be extended by the number of calendar days the absence exceeds the Department Leave and rounded to the first day of the first full pay period.

When an employee is absent from work for more than 30 calendar days, the new hire and promotional probation periods shall be extended by the number of days the absence exceeds 30 calendar days and rounded to the first day of the first full pay period.

An employee who is on Administrative Leave with Pay or suspended shall have their probation extended by the length of the Administrative Leave with Pay or suspension, and rounded to the first day of the first full pay period.
2. With the mutual agreement of a new probationary employee and his or her department, the employee’s new probation period may be extended at the sole discretion of the Chief of Employee Relations for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief of Employee Relations before the normal probation period is completed. In such cases, the department shall advise OCEA in writing regarding the extension of probation as soon as practicable.

Denial of a request to extend a probation period shall not be subject to appeal of hearing.

3. The Chief Human Resources Officer shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.

Section 2. Performance Evaluation

A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee’s personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating thereto, shall be given to the employee. Any written response by the employee to the performance evaluation shall be attached to such evaluation in the official personnel files.

Section 3. Contents of Personnel File

A. Adverse statements prepared by the County shall not be included in an employee’s official personnel file unless a copy is provided to the employee.

B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.
C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

D. Letters of reference and reports concerning criminal investigations concerning the employee shall be excluded from the provisions of B. and C., above.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief of Employee Relations and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the department head shall become a limited-term regular employee.

C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to permanent funded positions, maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement, layoff and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in section E., below.

E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the department head shall retain their former status and retain their layoff benefits in their former layoff unit. The department head shall make such an order in writing prior to the date of transfer or promotion.
Section 5. Temporary Promotion

A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. An department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours but not to exceed eighteen (18) months.

C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6. Reemployment of Employees on Disability Retirement

A. The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.

B. Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status. They will remain on such list for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:
1. a person appointed to a regular position in the County service shall be removed from the list;

2. a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

3. a person who on three (3) separate occasions, declines referral for interviews in a class for which he or she is qualified shall be removed from the list.

Section 7. Reemployment of Regular Employee

A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on departmental leave for such period of time.

Section 8. Time Off for Selection Procedures

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one department to another.

Section 9. On-Duty Meals

A. The County shall provide meals to personnel employed in residential care institutions and Probation Department juvenile institutions who are required to be on duty through their own meal period and to take their meals while supervising the activities of the residents.

B. The County shall provide reasonable reimbursement for meals for employees in field assignments who are required by their supervisor to take their meal period while in custodial charge of a client.

C. During emergencies which require unusual amounts of overtime, employees who are required to work such excessive overtime shall be provided appropriate meals. Such meals shall either be provided by County contract, such as that provided on a fireline, or the employee shall be authorized a meal ticket. The determination as to how such meals are provided and the amount authorized shall be at the discretion of the department.

Section 10. Transfer Policy for OCEA Officers and Grievance Representatives

Management shall not, wherever practicable, assign an OCEA officer or grievance representative to a different location if:
A. the employee's performance “meets” or “exceeds” performance objectives; and

B. OCEA objects to such assignment (OCEA shall not object to such assignment change, except for good cause); and

C. there is another employee in the same classification in the department who meets the specific qualifications for the assignment.

Section 11. Training

A. Upon approval of the department head, employees may participate in various County sponsored training programs. The County and OCEA will inform employees of these training programs.

B. During the term of this Memorandum of Understanding, OCEA may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with OCEA and consider implementation.
ARTICLE IV LEAVE PROVISIONS

Section 1. Healthcare Leave

A. Healthcare Leave Accrual

1. For the purpose of this Section, each biweekly pay period for which a full-time employee receives his or her full biweekly salary shall be considered the equivalent of eighty (80) regularly scheduled paid hours.

2. During the first three (3) years of employment, an employee shall earn .0347 hours of healthcare leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two (72) hours per year).

3. After an employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours, approximately three (3) years, the employee shall earn .0462 hours of healthcare leave with pay for each paid hour in a regularly scheduled work period to a maximum of eighty (80) hours in a pay period (approximately ninety-six (96) hours per year).

4. Healthcare leave earned shall be added to the employee's healthcare leave accumulation account upon the completion of the pay period, with no credit to be applied during the progress of the pay period or for a portion of the pay period during which the employee terminates County service.

B. Permitted Uses of Healthcare Leave

Employees with annual leave balances must use accrued annual leave prior to use of sick leave, until all annual leave has been taken, unless otherwise indicated in this Article.

Healthcare leave may be applied to:

1. An absence necessitated by an employee’s personal illness, injury or disability due to pregnancy or childbirth, medical or dental appointments during working hours for the diagnosis, care, or treatment of an existing health condition, or preventative care. The employee shall notify the Department in advance to attend medical and dental appointments whenever practicable.

   a. An employee with an annual leave balance may use healthcare leave for absences resulting from an employee’s illness due to a medical diagnosis of COVID-19, for symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment or experiencing COVID-19 vaccine-related/booster-related symptoms.
2. Absence from duty for an employee to attend to the diagnosis, care or treatment of an existing health condition of, or preventative care for, the employee’s family member or eligible person as defined by applicable law. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner, child, grandparent, grandchild or legal guardian. Use of this leave is limited to the time period specified in Labor Code section 233.

   a. An employee with an annual leave balance may use healthcare leave for absences resulting from caring for a family member’s illness due to a medical diagnosis of COVID-19, caring for a family member with symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment with a family member or to care for a family member experiencing COVID-19 vaccine-related/booster-related symptoms.

3. Absence from duty because an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a).

4. Leave for School and Child Care Activities (terms specified in Section 2.C.1 below).

5. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the following conditions:

   a. The illness or injury of the employee was of a nature that would preclude the effective use of vacation and would prevent the employee from performing his or her normal duties.

   b. The employee must notify his or her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his or her vacation leave, whichever is sooner, to request that his or her illness on vacation be charged to healthcare leave.

   c. The department shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.

   d. Upon the employee’s return to work, the employee must furnish the department with a certificate signed by a licensed physician or registered nurse stating the nature of the medical condition and the period of disablement.
6. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

7. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

8. Absence from duty because of personal business not to exceed forty (40) working hours during the fiscal year.

9. Up to twenty-four (24) hours of healthcare leave per fiscal year may be donated as a part of the County’s Catastrophic Leave Donation plan.

C. Prohibited Uses of Healthcare Leave

1. Healthcare leave shall not be applied to:
   a. Absence caused by illness or injury to a member of the employee's family except as provided in B above.
   b. Absences which occur on a County holiday.

2. Healthcare leave shall not be used for circumstances not specified in this Article, unless required by law.

D. General Provisions

1. In any use of healthcare leave, an employee's account shall be charged to the nearest quarter hour.

2. Except as prohibited by law an employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

3. Employees hired on or after July 15, 1977 are not eligible for any payoff of healthcare leave. Employees hired before July 15, 1977 are eligible for healthcare leave payoff under the following conditions:
   a. Upon paid retirement or death, an employee or the employee's estate shall be paid for a portion of the employee's unused healthcare leave in an amount computed as provided below:

Years of service as used herein shall be the equivalent of full-time continuous service in a regular position. Employees who elect to take deferred retirement shall not be eligible for any benefits provided by this paragraph.

b. Not more than once in each fiscal year, an employee hired prior to July 15, 1977, who, as of date of request, is eligible for Tier I paid retirement and who has accumulated unused healthcare leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his or her accumulated healthcare leave provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of healthcare leave paid shall be computed based on years of continuous service in accordance with Section 1.D.3.a., above. The employee's healthcare leave balance will be reduced by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.D.3.a.

c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977, who, as of the date of request, is eligible for Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire, may request that a payoff of his or her accumulated healthcare leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Such request must be made at least thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee's retirement.

4. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining healthcare leave earning rates. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously
accrued and unused paid healthcare days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid healthcare days and to accrue additional paid healthcare days upon rehiring to the extent required by law.

Section 2. Authorized Leave

A. Discretionary Leave of Absence

1. A Discretionary Leave of Absence is granted based on the operational needs of the department in which the employee is assigned. The granting of such Leave shall be at the discretion of the department.

2. Departmental Leave

A regular, limited-term or probationary employee may request a Departmental Leave without pay for a period of time not to exceed fifteen (15) calendar days. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted.

3. Official Leave

a. A regular, limited-term or probationary employee may request an Official Leave of Absence Without Pay. Such Leave, if granted, shall not exceed one (1) year. Employees will be required to use available Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave time is exhausted.

b. An Official Leave of Absence may be extended for up to an additional year at the discretion of the department. Failure to request an extension before the end of the Official Leave may result in denial of that extension.

a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee’s department only where the employee is unable to initiate such action.

c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5) business days of receiving the request, however this timeline may be
extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall remain/return to work during this review process. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 6. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act

   a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.
b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee’s spouse, son, daughter, or parent when the employee meets applicable requirements.

c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act

a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.

b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave,
5. Pregnancy Disability Leave
   a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.

   b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation, Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.

   c. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave
   a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

   b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

   c. To qualify for Parenthood Leave, employees must meet the following conditions:

      1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.
2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.

3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.

4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b. above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

7. **Military Leave**

   a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.

   b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.
c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.

d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.

e. Military Leave shall be credited toward continuous County service.

8. Verification

a. A request for Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence, the date of return, and the required documentation supporting the request.

b. As a condition to the approval of a medical Non-Discretionary Leave of Absence, an employee will be required to furnish medical certification from the employee’s health care provider which states: (1) the date on which the Leave is to commence; (2) the date on which the Leave is to end; (3) that the employee cannot perform their duties because of the employee's own serious health condition.

c. To request Leave to care for another eligible person, an employee is required to furnish medical certification from the eligible person’s health care provider with the same information listed in 8.a and 8.b above and stating that the employee cannot perform their duties because the leave is required to care for the-eligible person pursuant to applicable law.

d. Whenever possible, an employee shall give notice of the request for Leave at least thirty (30) days, or as soon as practicable, prior to the start of the requested leave.

e. Failure to provide satisfactory verification of the necessity for a Non-Discretionary Leave of Absence may be grounds for denial of the leave.

f. If the department modifies or does not approve a request for Non-Discretionary Leave of Absence, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.
9. **General Provisions – Non-Discretionary Leave**

   a. The twelve (12) month period for calculating Non-Discretionary leave entitlement will be based on the calendar year (January 1 to December 31).

   b. Unless otherwise prohibited by state or federal law, Non-Discretionary Leaves of absence will run concurrently.

   c. Any portion of the leave which is unpaid shall not be credited toward service hours.

C. **Other Leaves of Absence**

1. **Leave for School and Child Care Activities**

   a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or childcare facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue.

   b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

2. **Bereavement Leave**

   Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

   a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent,
grandchild or person with whom the employee has/had a legal guardian relationship.

b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.

d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee’s accrued balances and must meet eligibility requirements and conditions set forth in Article IV, Section 1.B.8, Article V, or Article VI.

Section 3. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee’s regular rate of pay for those hours of absence due to the jury duty which occur during the employee’s regularly scheduled working hours provided the employee deposits the employee’s fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 4. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee’s work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.
Section 5. Leave for OCEA Business

A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana and attendance at the bi-monthly Board of Trustees meeting. In addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.

C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

1. OCEA shall make a request to the employee's department head at least ten (10) days in advance.

2. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

3. The services of such an employee are not immediately required by the County, and other competent employees are available to do the employee's usual work.

Section 6. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 6.A., above, the County shall send written notice by certified mail to the employee's last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. a statement of the County's intention to implement the employee's automatic resignation and its effective date;

2. a statement of the reasons for considering the employee to have automatically resigned;

3. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

4. a statement of the employee's right to representation;
5. a copy of the automatic resignation provisions which apply to the employee;

6. a statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.

C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for the employee to contact his or her department; 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.

E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absence is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the department head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 7. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.
4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, annual leave and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee’s eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsection A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 8. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (24 hours maximum per fiscal year), compensatory and/or PIP leave time to an employee who
is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 9. Leave for Attendance at Professional Conferences

A. Employees may request five (5) working days leave with pay each fiscal year for attendance at professional conferences subject to the following conditions:

1. A request is made in advance on the appropriate Request to Attend a Conference form.

2. The conference is job related and qualifies for CEU credits if the incumbent's position requires certification or if the incumbent is a registered nurse.

3. The employee pays all costs connected with the conference attendance, including registration, meals, transportation and/or lodging, if any.

4. The conference or professional study is located in the United States.

5. The employee agrees to provide within two (2) weeks following the conference a comprehensive report on the event through channels to the department director with a copy to the Staff Development liaison (to include conference materials, handouts, etc.).

6. The employee’s workload is current and his or her performance “meets” or “exceeds” performance objectives.

B. Attendance at conferences by eligible members of this Unit shall be scheduled throughout the fiscal year to avoid concentration of absences at the same time in the department or in the assigned unit.

C. Multiple requests to attend the same conference or conferences scheduled at the same time will be considered based upon availability of adequate caseload coverage in the applicable units, past record of conference attendance, and applicability of the conference to the specific work assignment of the employee.

D. Requests may be made for additional leave for attendance at a professional conference in any one (1) year under this provision; however, approval shall be at the discretion of the department.

E. Attendance at conferences outside of the United States will require approval of a department head.
ARTICLE V VACATION

Section 1. Vacation Accrual

A. During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year). Part-time employees will earn vacation on a pro-rated basis. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty (120) hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .077 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty (160) per year), under the same terms and conditions as under subsection B., above.

D. The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with less than ten (10) years of continuous County service shall be three hundred twenty (320) hours.

The maximum allowable vacation credit an employee may accrue at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be four hundred (400) hours. An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

E. Employees in the class of Senior Real Property Agent shall earn an additional .0193 hours of vacation for each hour of pay during the regularly scheduled workweek, but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such additional credit shall be applied to vacation accrual account only upon completion of each pay period. The maximum allowable vacation credit at any one (1) time for employees with less than ten (10) years of continuous County service shall be three hundred twenty (320) hours. The maximum allowable vacation credit at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be four hundred (400) hours. An employee who has accrued the maximum allowable vacation credit will not
accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

Section 2. General Provisions

A. Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Section 2.C.

B. Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.

C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Sections 1.C. and E.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee’s County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Sections 1.C. and E.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee’s account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the department, except in cases of emergency.

J. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.

K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County.
service except as a Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.

M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.

Section 3. Vacation Cash Out

A. Vacation Cash Out Where Employee Has No Annual Leave Balances
   1. After annual leave has been exhausted, except as provided in 3.A.2. below, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to thirty (30) hours each or one (1) increment of up to sixty (60) hours. Such payment shall be made upon request unless the department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment of vacation remain unchanged.

   2. After annual leave has been exhausted, during each fiscal year, an employee in the class of Senior Real Property Agent may request to be paid for accrued vacation in either two (2) separate increments of up to forty (40) hours each or one (1) increment of up to eighty (80) hours. Such payment shall be made upon request unless the department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible.

   3. After annual leave has been exhausted, during each fiscal year, employees in the following classes may request to be paid for accrued vacation in either two (2) separate increments of up to thirty five (35) hours each or one (1) increment of up to seventy (70) hours. Such payment shall be made upon request unless the department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. **Vacation and Annual Leave Cash Out Where Employee Has Annual Leave**

1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the applicable cap (as set forth in Section 1.D. and 1.E, above) some time during the fiscal year unless the employee is able to cash out vacation time.

2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of one hundred twenty (120) hours each fiscal year, except if an employee has eighty (80) or more hours of Annual Leave, then they may cash out vacation or any combination of vacation leave and annual leave to an aggregate total of one hundred twenty (120) hours each fiscal year regardless of whether they will reach the applicable cap some time during the fiscal year.
ARTICLE VI ANNUAL LEAVE PLAN PROVISIONS

The Annual Leave provisions shall apply to regular and limited term employees hired on or after July 15, 1977, and before June 21, 2019.

Section 1. Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Effective as soon as practicable following adoption of the MOU by the Board of Supervisors, employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 1.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

Section 2. Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee's personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee's presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.

5. Absence from duty because: (1) the employee's presence is needed to attend to the diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's family member; or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233. For purposes of this Subsection “family member” means child, parent,
spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).

6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the department except in cases of emergency.

C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.

D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Deputy Sheriff-Emergency Service, Election Board Officer or Election Night Help.

Section 4. General Provisions

A. In any use of annual leave, an employee's account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer
Section 5. **Annual Leave Payoff Provisions**

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 60 hours of Annual Leave; an additional 60 hours may be requested, with its payout at the discretion of the Department Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 120 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment from the unused annual leave balances as provided below:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Maximum Payoff</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 3 years</td>
<td>240 hours maximum paid at 100%</td>
</tr>
<tr>
<td>3 but less than 10 years</td>
<td>320 hours maximum paid at 100%</td>
</tr>
<tr>
<td>10 or more years</td>
<td>A maximum of 1600 hours of the accrued annual leave balance has cash value. 400 hours are paid at 100%; the remaining balance after the 400 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance after deducted from the 1600 hours maximum.</td>
</tr>
</tbody>
</table>

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 400 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits specified in Article V, Sections 1.D. and E. Remaining hours, up to the accrual limits specified in Article V, Sections 1.D. and E., will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for
purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

D. An employee separating from County service by way of paid County retirement may elect either to take annual leave as time off or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.

E. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.
ARTICLE VII  HOLIDAYS

Section 1. Holidays Observed

A. Except as modified below, County employees shall observe the following holidays:

B. If a holiday falls on a Saturday but is observed on the preceding Friday by the Municipal and/or Superior Courts, employees who have been designated by the County as being necessary to the operation of said courts may be allowed to observe the Court observed Friday holiday in lieu of the Saturday, holiday provided such employees are given notice of their work schedule change not less than thirty (30) calendar days prior to the holiday.

C. Except as provided in E., below, when a holiday other than Christmas Day falls on a Sunday, the next day shall be observed as the holiday. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases, the employee may, with department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.

D. Except as provided in E., below, when New Year's Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday. When Christmas Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases, the employee may, with department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding.

F. Employees Regularly Scheduled to Work on the Holiday

1. Employees in the classifications of Supervising Fee Station Attendant, Landfill Maintenance Crew Supervisor or Landfill Operations Supervisors who are required to work on New Year’s Day (January 1), Independence Day (July 4) or Christmas Day (December 25) will observe the holiday on a Saturday or Sunday when the holiday falls on a Saturday or Sunday.

2. Employees of Orange County Parks and Orange County Animal Care who are required to work on the holiday will be permitted to observe the holiday on a Saturday or Sunday when the holiday falls on a Saturday or Sunday.

Section 2. Eligibility for Holiday Pay

A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.
C. An employee who elects paid County retirement on a holiday shall be paid for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay

A. On each of the holidays designated in Article VII, Section 1, a full-time employee scheduled to work, but permitted to take the day off, shall receive pay computed at the employee's basic hourly rate for the number of hours the employee was regularly scheduled to work on the holiday.

B. On each of the holidays designated in Article VII, Section 1, a part-time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work on the holiday.

C. Compensation for Holidays Falling on Scheduled Days Off

1. When a holiday falls on a full-time employee’s regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.

2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

D. Compensation for Work on Holidays

1. An employee who is required to work on Native American Day, Veterans Day, Day after Thanksgiving, Martin Luther King, Jr.'s Birthday, Lincoln's Birthday or Washington's Birthday and who meets the eligibility requirements contained herein shall receive his or her regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee's basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay
as provided in B.1. or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.

E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

F. Holidays which fall during an employee’s vacation period shall not be charged against the employee’s vacation or annual leave balance.

G. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

H. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII REIMBURSEMENT PROGRAMS

Section 1. Mileage Reimbursement

A. Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1. Through December 31, 1994 the reimbursement rate shall be thirty-nine (39) cents per mile.

2. Except as provided in A.4., below, effective January 1, 1995 through June 22, 1995, the reimbursement rate shall be thirty-four (34) cents per mile.

3. Except as provided in A.4., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

4. Effective January 1, 1995, for an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

5. Effective January 1, 2006, employees who drive two-hundred fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

6. There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

B. An employee who is required by the County to furnish a privately-owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars. The minimum shall not apply in any month:

1. in which the employee has not actually worked eighty (80) hours;

2. unless the employee claims the ten (10) dollar minimum and the department certifies that the employee was required to use a privately-owned vehicle on County business.

Section 2. Personal Property Reimbursement
Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee. The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article. Reimbursement for a watch shall be limited to the functional value of the watch.

Section 3. Tools

A. Employees as designated below who are required to furnish their own tools shall be eligible for reimbursement for tool purchases to a maximum of six-hundred and twenty five (625) dollars per fiscal year. Eligible employees shall include employees in the following classes:

   Automotive Mechanic Leadworker
   Equipment Mechanic Leadworker

B. Persons employed as Senior Communications Technician - Supervisory who are required to furnish their own tools shall be eligible for reimbursement for tool purchases to a maximum of four hundred (400) dollars per fiscal year.

C. Persons employed as Senior Equipment Welder who are required to furnish their own tools shall be eligible for reimbursement for tool purchases to a maximum of four hundred twenty-five (425) dollars per fiscal year.

D. The County shall replace or furnish insurance protection for employee-owned trades and crafts tools required by the department to be used in the performance of the employee's duties against loss sustained on County-owned or controlled property resulting from theft and arising out of the activities related to the employee's regularly assigned work duties provided that loss attributable to negligence of the employee shall not be covered. For each incident, a deductible of fifty (50) dollars will be applied to each employee's loss. The payment of claims under such coverage shall not be appealable under the grievance procedure.

E. If stolen tools are recovered in an undamaged condition and replacement tools have been secured, the employee shall return to the County the replacement tools. When the replacement tools are returned to the County, the employee shall receive from the County a fifty (50) dollar cash refund in consideration of the fifty (50) dollar deductible. If replacement tools have not been secured, the employee shall return all reimbursement funds received from the County.

Section 4. Calculator Allowance

A. The County shall pay a ten (10) dollar annual calculator allowance to Eligibility Supervisors who do not otherwise have access to a County provided calculator. Said allowance shall be paid to Eligibility Supervisors who furnish a calculator for use in performing their duties subject to the following conditions:
1. Eligible employees must submit a claim on or before August 31 of each year on a form provided by the County for that purpose.

2. The County shall not be held liable for the purchase, replacement, maintenance or repair of any calculators, batteries or other appurtenances furnished by the employee pursuant to this provision.

B. The annual calculator allowance shall be payable in September of each year during the term of this Memorandum of Understanding.

Section 5. Boots

A. Employees listed in B. below, who are required to furnish their own safety work boots shall be eligible for reimbursement up to a maximum of three hundred dollars ($300) per fiscal year. Per C. below, a Department Head may authorize the provision of safety work boots for employees in additional classifications who are required to furnish their own safety work boots, up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher or a reimbursement.

B.  

1. Landfill Operations Supervisor  
   Landfill Operations Superintendent  
   Maintenance Crew Supervisor I,II,III,IV  
   Park Maintenance Supervisor I,II

C. For employees in classifications not listed in B., above, but who are authorized by the Department Head to receive safety work boots, the following applies:

   1. As a result of their duties, the employees are required to wear safety compliant work boots.

   2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

   3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.

   4. If the safety work boots are not required to be worn frequently (e.g., twice weekly) the Department Head may authorize provision of safety work boots on a less frequent basis.

   5. The department is able to absorb any increased costs within its existing budget.

   6. Employees are only entitled to receive one form of safety work boot provision (i.e., stipend, boot mobile, voucher or reimbursement per fiscal year or as otherwise described above).

C. Each department has the option to implement specific safety work boot policies for employees in the designated and/or approved classification who are required to wear compliant protective footwear.

Section 6. Educational and Professional Reimbursement

A. Effective the first full day of the first full pay period following adoption of the MOU, eligible employees may receive educational and professional reimbursement at a maximum of $10,000 per fiscal year. Terms and conditions for this reimbursement are set forth in the Personnel and Salary Resolution (PSR).
ARTICLE IX DISCIPLINARY ACTION

Section 1. Reprimand and Substandard Performance Evaluation

A. No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B. A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure. Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2. Emergency Suspensions of Five Days or Less

A. In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

   1. whenever practicable, be given an opportunity to respond to the proposed suspension to a designated department representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

   2. be informed of the employee's right to representation in the response;

   3. be informed of the employee's right to appeal should the proposed suspension become final.

B. In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3. Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A. In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action. Such written notice shall contain:

   1. a description of the proposed action and its effective date(s);

   2. a statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;
3. copies of material on which the proposed action is based;

4. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

5. a statement of the employee's right to representation;

6. a statement of the employee's right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee's option, to a designated department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2, above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4 and 5 of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6 of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for
suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.

Section 5. **Reduction**

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. **Discharge and Right of Appeal**

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. **Polygraph Examination**

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.
Section 8. **Investigatory Meetings**

A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and

2. A statement of the employee's right to representation.

B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X  GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A.  A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee's wages, hours or conditions of employment.

B.  Specifically excluded from the scope of grievances are:

1.  subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;
2.  matters which have other means of appeal;
3.  position classification;
4.  performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2.  Basic Rules

A.  If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B.  If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C.  If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure.  By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D.  The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, department-wide or County-wide basis in an emergency situation.  OCEA may appeal this decision to the Board of Supervisors.

E.  A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation.  The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office.  The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation.  Once the EEO Office has completed the intake, review, and if applicable, investigation, the
grievant/appellant and, if applicable, the OCEA representative shall be notified in writing and the time limits for processing the grievance shall resume, unless timelines are extended by mutual agreement.

F. Upon written consent of the parties (i.e., the representatives of the County and the employee or his or her representative), the time limits at any step in the procedure may be extended.

G. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

H. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

I. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and OCEA agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by OCEA in the formal grievance/appeal procedure. An employee is not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing. Provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the grievance process and/or arbitration hearing.
B. Authorized grievance/appeal representatives shall be regular employees in the same department or Representation Unit as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify department heads of the names and titles of such representatives and send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and

   b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Department Head

An employee may formally submit a grievance to the department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the department head, or his or her designee(s), shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2: Chief of Employee Relations

If the grievance/appeal is not settled under Step 1 and it concerns:

   a. an interpretation or an application of this Memorandum of Understanding;

   b. a performance evaluation rating of “does not meet performance objectives”; and

   c. deferral or denial of a merit increase, or a dispute about the number of steps granted;
d. a written reprimand;

e. a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3; or

f. a release from promotional probation alleging discrimination pursuant to Article III, Section 1.C.3.

Items a., b., c., or d., above, may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, or an appeal of suspension and/or a reduction ordered by an department head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in b., c. and d., above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.
B. Disciplinary Appeals

1. Submission Procedure
   a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.
   
   b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.
   
   c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing.
   
   d. The issues in all disciplinary appeals shall be: Was (employee's name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?
   
   e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies
   a. Findings of Facts
      
      An arbitrator's decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:
      
   b. Remedies - All Disciplinary Actions (Other than Discharge)
      
      1. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.
      
      2. Suspensions/Reductions
         
         If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.
      
   c. Remedies - Discharges
      
      1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his
or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.

   a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?

   b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?

2. Findings of Facts and Remedies

   a. In the event the arbitrator finds no violation of Article XVII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.

   b. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.

   c. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

      1. The probationary release may be sustained.
2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. Except as otherwise required by law, all costs of arbitration shall be shared equally in all cases by the County and the appealing party. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be private.

3. Arbitration appeal hearings of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies
of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:

a. Oral evidence shall be taken only on oath or affirmation.

b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a new hire probation release or suspension.

11. The decision of the arbitrator shall be final and binding on all parties.
12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI        LAYOFF PROCEDURE

Section 1.    General Provisions

A.   This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B.   This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.

C.   When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) department are transferred to another department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.

D.   Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.    Order of Layoff

A.   When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their department head shall be laid off in an order based on consideration of:

1.   employment status,

2.   past performance,

3.   length of continuous service with the County.

B.   Layoffs shall be made by class within an department except that:

1.   Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

2.   Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of an department.
C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Probationary</td>
<td>Layoff Points</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last "Performance Evaluation Report," for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.
Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays,
following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. **Persons Laid Off**

   The names of persons laid off shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. **Persons Who Exercise Their Rights Under Section 5.**

   The names of persons who exercise their rights under Section 5. shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6.**
The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on an DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

B. The names of persons laid off shall be placed on a COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an department, other than the department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an department, other than the department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower-ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

C. Names of persons placed on the DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:

1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.

D. In the event two (2) or more agencies/departments are consolidated while DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of
one (1) department to another department occurs, employees previously laid off from such function(s) who are on an DEPARTMENTAL REINSTATEMENT LIST for the department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee's account or any unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:

1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.
C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII  ON-THE-JOB INJURY, WORKERS' COMPENSATION SUPPLEMENT PAY

Section 1. Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq., or California Labor Code 4850 for employees in the classification of Sheriffs Special Officer III. Upon exhaustion of 4850 Benefits, the following Workers’ Compensation Supplement Pay provision shall apply.

Section 2. Workers' Compensation Supplement Pay

A. Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.

B. Workers' compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued healthcare leave, compensatory time, annual leave and/or vacation, in that order.

C. While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any healthcare leave, compensatory time, annual leave or vacation time previously accumulated by the employee. The employee shall not accrue healthcare leave, annual leave or vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.

D. When an injury is determined to be job related by the County or by the Workers' Compensation Appeals Board, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the fourth day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the first day of disability shall be restored to the employee's account(s).

E. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered County service for merit increase eligibility and completion of the probation period.
F. When an employee is no longer entitled to receive workers' compensation supplement pay, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph A., above.

G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee's option, in that order.
ARTICLE XIII  SAFETY

Section 1. General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A. No employee shall be required to work under conditions dangerous to the employee's health or safety.

B. The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F. Wherever practicable, the County shall provide the necessary first aid kits in each location.

G. Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.

Section 2. Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Industrial Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the employee's department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.
Section 3. **Abatement of Violations**

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4. **Safety Representatives**

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.

2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:

   a. the Safety Representative checks in and checks out with the supervisor of the unit; and

   b. he or she does not unduly interfere with the work of the unit.
Section 5. Resolution of Safety or Health Complaints

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV  UNIFORMS AND SPECIAL EQUIPMENT

Section 1.  Uniforms

A.  The County will provide uniforms for regular employees in the following assignments:

   1.  **Resources and Development Management Department**

      Custodial Services Supervisor  
      Custodian Leadworker  
      Maintenance Crew Lead I, II  
      Sr. Agricultural Standards Inspector  
      Supervising Custodian I and II  
      Supervising Fleet Technician

   2.  **Sheriff - Coroner Department**

      Chief Cook  
      Office Supervisor (A-D)  
      Senior Communications Technician  
      Senior Correctional Farm Supervisor  
      Senior Head Cook  
      Senior Information Technologist  
      Senior IT Network Engineer  
      Senior IT Security Administrator  
      Senior Sheriff’s Community Services Officer  
      Sheriff’s Correctional Services Assistant Trainee  
      Sheriff’s Special Officer III  
      Storekeeper I, II  
      Supervising Communications Technician  
      Supervising Forensic Specialist  
      Supervising Radio Dispatcher

B.  The County will continue the current system of providing and/or laundering uniforms for all other groups of employees in the Unit who are currently provided uniforms.

Section 2.  Special Equipment

The County will provide employees in the class of Sheriff Special Officer III with firearms, batons, handcuffs and leather goods whenever these items are required by the County.
ARTICLE XV  OCEA AND EMPLOYEE RIGHTS

Section 1.  Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2.  Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors, shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3.  Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XIX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4.  Use of Bulletin Boards

Space shall be made available to OCEA on departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5.  Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI  MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII     NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by state and federal law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII    POSITION CLASSIFICATION

Section 1. The Establishment of New Classes

The County will provide OCEA an informational copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2. Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3. Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to his or her department head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate department response to an employee's request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Human Resources Department with a recommendation that a classification study be conducted.

    a. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration.
b. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not agree with the County's decision, the employee may submit the request to OCEA.

Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

a. If the study is justified, and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

b. If the study is justified and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

c. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.
Section 5. **Review of Disputed Position Classification Decisions**

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article, or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.

B. The consultant’s review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3., above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX    INSURANCE

Section 1.    Health Plans and Premium Contributions

A.    Full-Time Employees

1.    Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all full-time regular, limited term, and probationary employees and their eligible dependents.

2.    The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a.    Employee Only Coverage - eighty-five (85) percent of the employee's premium or ninety (90) percent of the employee's premium if the employee completes the Wellness Incentive program;

   b.    Employee and Dependent Coverage - seventy (70) percent of the total health plan premium, for each employee and such employee's eligible dependents or seventy-five (75) percent of the employee's premium if the employee completes the Wellness Incentive program.

   c.    Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3.    Employees who elect the Sharewell Choice PPO plan will not only have their insurance premium fully paid by the County but will also receive a payroll credit per plan guidelines. In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4.    The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

B.    Part-Time Employees

1.    Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all part-time regular, limited term, and probationary employees. Enrollment of part-time employees shall be restricted to employees whose normal workweek consists of at least twenty (20) hours.
2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee’s premium if the employee completes the Wellness Incentive program;

b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37 ½) percent of the total health plan premium, for each employee and such employee’s eligible dependents if the employee completes the Wellness Incentive program.

c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

a. Employee Only Coverage – one hundred (100) percent of the premium;

b. Employee and Dependent Coverage – per subsection B.2.b above

In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

C. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of employee and dependent coverage for each EME. EME dependents are not required to participate in the Wellness Incentive program. Employees must report any
D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

E. For employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. Health Plan Enrollment

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.
B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees’ eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund administered in compliance with applicable state and federal law, for the purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said trust fund; the County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law.

C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.
D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees, attorneys, agents, advisors and representatives harmless from any claims or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500

2. The annual report shall include the following information:
   a. the actual cost of benefits provided by the trust fund;
   b. member contributions to the cost of benefits provided by the trust fund;
   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);
   d. a summary of other trust fund expenditures; and
   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County’s written request or the report’s completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.

Section 4. Premium Only Plan

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee’s gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided
health insurance coverage as permitted by state and federal law, regulations, and guidelines.

Section 5. Retiree Medical Plan

A. Retiree Medical Grant

Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan (“the Plan”) for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 reopener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered retiree health insurance plan and/or Medicare premiums as provided below.

a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such changes, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.

b. The Grant will be adjusted as follows:

1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than
age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

4. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

c. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or to enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out
1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006, who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regular paid hours immediately preceding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the Retiree Medical Plan Document, shall be eligible for the Grant. Employees who were employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, have been given the option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.

The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.
Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of credited service or actual years of County service, whichever is greater.

b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

c. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.

d. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.

3. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred
retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. **Survivor Benefits**

1. A surviving dependent of a retiree who was eligible to receive a Grant and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. **Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)**

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. **Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement**

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) was made available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.

2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.
Section 6. Reopener
Reopener as a Result of the ACA

The County may reopen negotiations on this Article¹ and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

Section 7. Physical Examination

The County will provide voluntary annual physical examinations by a County-designated physician at no cost to the employee.

Section 8. Accidental Death and Dismemberment Insurance

The County shall provide a one hundred thousand dollar ($100,000) Accidental Death and Dismemberment policy for death or dismemberment for employees in the classification of Sheriffs Special Officer III. Such insurance will be subject to the limitations of liability contained in those insurance policies.

¹ Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
ARTICLE XX  DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

   a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

   b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

   c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

   d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

   e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

   f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.
ARTICLE XXI    RETIREMENT

Section 1.    Retirement Benefit Levels

A.    For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered “Legacy Members” of OCERS within the Meaning of the Public Employees’ Pension Reform Act of 2013 (“PEPRA”).

1.    Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. This retirement benefit formula is commonly known as the “2.7% at 55” benefit formula.

   a. For employees hired on or before September 20, 1979 the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.

   b. For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee’s highest three (3) years of compensation per Government Code section 31462.

2.    1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.

   a. Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the “2.7% at 55” benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65” benefit formula) for future County service.

   b. In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the “2.7% at 55” benefit formula and shall make the employee retirement contributions established for that benefit formula.
c. In the event an eligible employee elects the “1.62% at 65” benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C. below

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions pursuant to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, ie., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary.
The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

3. Reduction in Reverse Pickup

a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

d. Effective July 2, 2021, reduce Reverse Pickup by an additional 1.2% for a total fixed ongoing 3.6% reduction of the employee’s paid reverse pickup.

e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.
Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010, the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the “DC plan”) to those employees who are covered by the “1.62% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII    SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII   RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Supervisory Management Unit for classes in effect on June 30, 2023. Said classes are listed in Appendix A.
ARTICLE XXIV  FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1.  Dependent Care Reimbursement Account (DCRA)

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2.  Health Care Reimbursement Account (HCRA)

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV PERFORMANCE INCENTIVE PROGRAM (PIP)

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year.

All other performance management components of PIP remain in effect.
ARTICLE XXVI  LABOR MANAGEMENT COMMITTEES

Section 1.  Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:

1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;

2. Has County-wide impact; or

3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.

Section 2.  Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.
B. 1. Every department shall have an LMC.

2. The department LMC structure shall consist of management representatives selected by the department and employee representatives selected by OCEA. The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each department LMC shall have two sponsors who may or may not be members of the LMC: the department head and a representative designated by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.

D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.
F. Any issue which is not resolved by the department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII  SALARY

1. Effective the first day of the first pay period following adoption of this 2023-2026 MOU, the salary schedule will be increased by 4.75%.

2. Effective June 28, 2024, the salary schedule will be increased by 4.25%.

3. Effective June 27, 2025, the salary schedule will be increased by 4.00%.
Article XXVIII    DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

SIDE LETTER AGREEMENT TO THE 2023-2026 COUNTY MEMORANDA OF UNDERSTANDING BETWEEN THE COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION

June 27, 2023

This document serves as a Side Letter Agreement modifying the 2023-2026 Memoranda of Understanding ("MOUs") between the County of Orange ("County") and the Orange County Employees Association ("OCEA") for the Community Services Unit, County General Unit, Healthcare Professional Unit, Office Services Unit, Sheriffs Special Officer Unit, and the Supervisory Management Unit. This Side Letter shall be effective beginning with the first day of the first full pay period after adoption by the County’s Board of Supervisors.

This agreement reestablishes the Insurance Working Group to discuss the redesign of the Wellness Credit program, how employees earn their 5% credit, and reducing the cost of health insurance.

Other bargaining groups and stakeholders (e.g., Teamsters, IUOE, AFSCME, OCMA, OCAA, unrepresented employees) may also be invited to participate in the working group. Each party may have up to five (5) members as representatives serving on the working group.

SENIORITY shall mean total continuous full-time equivalent service as a regular employee.

Y-RATE shall mean a pay rate outside of the assigned salary range of a class.
ARTICLE I WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

A. The official workweek for full-time employees in classifications designated as non-exempt from FLSA shall be forty (40) hours. The workweek shall begin on each Friday at 12:01 a.m. and end with the following Thursday at 12:00 midnight except for employees working an alternate schedule, such as a 9/80. For these employees the beginning and end of the workweek shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different workweek may be designated. Work ordered and performed in excess of forty (40) hours actually worked in a workweek, or eighty (80) hours worked in the pay period for employees in FLSA exempt classifications, shall be overtime. Work ordered and performed in excess of forty (40) hours of paid time in a workweek, or eighty (80) hours of paid time in the pay period for employees in FLSA exempt classifications, in accordance with an emergency declared by the Board of Supervisors, activation of the County’s Emergency Operations Center (EOC) or agency Department Operations Center (DOC), shall be overtime.

The official work period for Sheriffs Special Officer III shall be 28 days and shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later. For purposes of payment of overtime under this MOU, each 28 day period shall be divided into two 14 day periods, with overtime being paid for work ordered and performed in excess of eighty (80) hours actually worked in each 14 day period. Work ordered and performed in excess of eighty (80) hours of paid time in each 14 day period in accordance with an emergency declared by the Board of Supervisors shall be overtime.

1. Employees shall receive compensation on a biweekly basis. The pay period for employees in specified agencies, departments or divisions shall start on a Friday and end on the second Thursday thereafter.

2. Work shall not be regularly scheduled on more than ten (10) calendar days during any pay period and scheduled days off shall fall on at least two (2) consecutive calendar days. Alternate work schedules shall not be implemented without the County and OCEA first negotiating and attempting to reach agreement on such hours of work for each division or work unit in each agency or department proposing implementation of such alternate work schedules.

3. Work Period for Correctional Services Employees

   a. The official FLSA work period for Sr. Sheriff’s Correctional Services Technicians shall be 28 days and shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later.
b. For purposes of payment of overtime under the MOU, each 28 day period shall be divided into four, seven (7) day periods, with overtime being paid for work ordered and performed in excess of the employee’s regularly scheduled work hours. The beginning and ending of the seven (7) day work period will begin each Friday and end the following Thursday.

c. An employee assigned to corrections who is designed as 207k exempt may request to trade their days of work for another employee’s days of work provided both employees work in the same division, have the same classification and the days traded are within the same pay period. Should, as a direct result of such trades, either employee work more than forty (40) hours in a workweek, the hours in excess of forty (40) hours shall not be considered overtime. Except, all overtime work ordered and performed which would have been performed regardless of such trade shall be treated in accordance with Section 1.A.4.a., above.

1. An employee may request to trade their biannual, quarterly or monthly shift for another employee’s biannual, quarterly or monthly shift provided both employees have the same work assignment and the request is made within two (2) weeks of posting of scheduled shift rotation.

Trades under this provision shall require the written approval of the department.

B. The County agrees to give employees a seven (7) calendar day advance notice of a shift change whenever practicable.

C. No employee shall be permitted to work more than sixteen (16) consecutive hours except in an emergency situation.

D. The County shall discuss with OCEA any proposed changes in existing scheduled hours of work before such changes are put into effect. Whenever practicable, the County shall provide written notification of such proposed changes to OCEA at least fourteen (14) calendar days before such changes are put into effect.

E. Except as otherwise provided, no employee may be employed in one (1) or more positions, full or part-time, more than the total number of hours for the employee’s work period as defined under Section 1.A., above, except on authorized overtime.

F. This Section shall not prevent an employee or group of employees from requesting a modified work schedule. Such requests may be implemented by an agency/department.
1. Upon written request by OCEA, the County agrees to study the feasibility of establishing work schedules consisting of either:
   a. four (4) ten (10) hour workdays per week;
   b. four (4) nine (9) hour workdays each week with an additional eight (8) hour workday on alternate weeks; or
   c. flex time.

2. The County shall initiate such studies within thirty (30) days and provide a written response within ninety (90) days.

3. OCEA agrees not to request more than twelve (12) such studies concurrently for the combined units represented by OCEA and no more than three (3) concurrently for each agency/department.

4. The County agrees to discuss with OCEA any findings and recommendations prior to reaching a final decision and implementation.

G. In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee’s regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the agency/department, work beyond the normal workday, workweek or work period is required, the agency/department will notify any employee who may be asked to perform such overtime of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) in the employee’s designated workweek in classifications designated as non-exempt from FLSA or eighty (80) for employees in FLSA exempt classifications, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

B. Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.
2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.

3. If the responsible supervisor determines that overtime is necessary on a client case or patient case already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.

4. The County and OCEA may meet and confer and, in so doing shall attempt to reach agreement regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.2. and 3., above.

C. Payment for Overtime

1. Except as provided in 2.C.3., below, overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. Except as provided in 2.C.3., below, for all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the agency/department. Consideration shall be given to effectuating the wishes of employees. The maximum number of CTO hours which may be accrued by any employee is eighty (80). If an employee accrues 80 hours of CTO, he/she cannot accrue additional CTO until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

3. Overtime hours worked by extra help employees shall be paid.

4. Compensatory time earned and accrued by an employee in excess of forty-four (44) hours may be scheduled off for an employee by his or her agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

5. No scheduled compensatory time off will be cancelled except in cases of emergency.

6. In no case may an employee’s work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

7. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.

SM - 9
7. An employee separating from the County service shall be paid for
accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

A. Employees shall be allowed rest periods of fifteen (15) minutes during each
four (4) consecutive hours of work. Such rest periods shall be scheduled in
accordance with the requirements of the agency/department, but in no case
shall rest periods be scheduled within one (1) hour of the beginning or the
ending of a work shift or lunch period. The County may designate the location
or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be
required to perform duties, if necessary.

B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes
of paid County time at the end of each work shift to perform such activities as
cleaning up a work area, putting away tools, personal wash-up and changing
clothes.

Section 4. Exclusions from Workweek and Overtime Provisions

Employees in the class of Senior Real Property Agent shall not be subject to the
provisions of Sections 1., 2. or 3.

Section 5. Premium Pay

A. Night Shift Differential

1. Except as provided in 7. below, an employee who works an assigned night
shift shall, in addition to his or her regular salary, be paid a night shift
differential for each hour actually worked on the assigned night shift.

2. Except as provided in subsections 5. and 6. below, for purposes of this
Section, night shift shall mean an assigned work shift of seven (7)
consecutive hours or more which includes at least four (4) hours of work
between the hours of 4 p.m. and 8 a.m. Hours worked as an extension
of an assigned shift eligible for Night Shift Differential shall be paid at the
same Night Shift Differential rate as the assigned shift. Hours worked as
an extension of an assigned shift not eligible for Night Shift Differential
shall not be eligible for Night Shift Differential.

3. Except as provided in 4., 5. and 6., below, the rate of night shift differential
shall be five (5) percent of the employee's basic hourly rate with a
minimum of sixty (60) cents per hour and a maximum of one(1) dollar and
fifty (50) cents per hour.
4. The rate of night shift differential for employees in the classes listed below shall be one (1) dollar and twenty-five (25) cents per hour:

- Supervising Public Health Nurse I
- Supervising Public Health Nurse II

5. An employee in the below listed classes who works an assigned night shift where the majority of the hours are between 5:00 p.m. to 11:00 p.m. shall, in addition to his/her regular pay, be paid a night shift differential of one dollar and seventy five ($1.75) cents per hour for each hour actually worked on the assigned night shift. Hours worked as an extension of an assigned shift eligible for Night Shift Differential shall be paid at the same Night Shift Differential rate as the assigned shift. Hours worked as an extension of an assigned shift not eligible for Night Shift Differential shall not be eligible for Night Shift Differential.

- Senior Comprehensive Care Nurse
- Supervising Comprehensive Care Nurse

6. An employee in the below listed classes who works an assigned late night shift where the majority of the hours are between 11:00 p.m. to 7:00 a.m. shall, in addition to his or her regular pay, be paid a late night shift differential of two dollars and seventy five ($2.75) cents per hour for each hour actually worked on the assigned late night shift. Hours worked as an extension of an assigned shift eligible for Night Shift Differential shall be paid at the same Night Shift Differential rate as the assigned shift. Hours worked as an extension of an assigned shift not eligible for Night Shift Differential shall not be eligible for Night Shift Differential.

- Senior Comprehensive Care Nurse
- Supervising Comprehensive Care Nurse

7. Employees in the classes of Custodian Leadworker and Supervising Custodian I and II shall not be eligible to receive night shift differential premium pay.

B. **On-Call Pay**

1. When a regular, limited-term or probationary employee is assigned on-call duty by the County, the employee shall, whenever practicable, be informed in writing at least five (5) days in advance of the dates and inclusive hours of such assignment; the employee shall be compensated at one-fourth (1/4) of his or her basic hourly rate for the entire period of such assignment.
2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.

3. On-call pay shall not apply to extra help employees unless expressly directed in writing to be on call.

C. Call-Back Pay

1. When an employee returns to work because of an agency/department request made after the employee has completed his or her normal work shift and left the work station, the employee shall be credited with four (4) hours work plus any hours of work in excess of four (4) hours in which the employee is continuously engaged in work for which he or she was called back.

2. Call-back shall be paid at one and one-half (1 1/2) times the regular rate.

3. There shall not be any duplication or pyramiding of rates paid under this Section.

4. An employee shall be credited with not more than one (1) minimum four (4) hour guarantee for work performed during any four (4) consecutive hour period.

5. An employee credited with four (4) hours pursuant to this Section may be assigned other work until the guaranteed time has elapsed.

6. Call-back pay shall apply only when an employee is required to physically return to work (e.g., leave home or another off-duty location) in order to perform required duties.

D. Bilingual Pay

1. Except as provided in 2. below, qualified employees who meet the following criteria shall receive an additional forty (40) cents per hour (approximately sixty-nine [69] dollars per month) for all hours actually paid. This will not apply to the class of interpreter.

a. An employee must be assigned by agency/departmental management to speak or translate a language in addition to English. This includes such specialized communication skills as sign language.

b. Employees must regularly and frequently speak and/or translate a second language, i.e., once daily.
c. To become qualified, employees must be certified as qualified by the Chief Human Resources Officer.

2. Exceptional Bilingual Pay

Qualified employees in the following classes who, in addition to meeting the criteria in 1.a., b. and c. above, are assigned by agency/department management to perform exceptional bilingual duties that are essential to the performance of their professional and/or technical duties and responsibilities shall receive an additional seventy (70) cents per hour (approximately one hundred and twenty-one (121) dollars per month) for all hours actually paid:

- Eligibility Supervisor
- Program Assistant
- Senior Comprehensive Care Nurse
- Senior Defense Investigator
- Supervising Family Support Officer
- Supervising Public Health Nurse I
- Supervising Public Health Nurse II

3. An employee shall not be eligible to receive more than one (1) type of bilingual pay concurrently.

4. Bilingual pay shall not apply to workers' compensation supplement pay.

5. An employee in a bilingual assignment may request assignment to a position which does not require bilingual certification. The request shall be made in writing to the agency/department head, who will consider it according to:

  a. agency/department need;

  b. availability of a qualified replacement; and

  c. availability of another suitable assignment for the requesting employee.

6. Upon the agreement of the County and OCEA, negotiations shall be reopened for the sole purpose of considering the addition or deletion of classes eligible for exceptional bilingual pay.

R. Engineering Certification Pay
Employees in the classification of Senior Project Manager who possess and maintain a Professional Engineer (Civil) license issued by the California State Board of Professional Engineers shall receive an additional 5.5% pay for all hours worked, based on the following criteria:

1. Department management will determine which assignment(s) and employee(s) will qualify to receive this pay.

2. Supervisor and/or manage professional, technical, and/or construction personnel/consultants performing engineering work on Capital and Maintenance Improvement projects.

S. Case Call Pay

When a Supervising Deputy Public Guardian receives a case call at home, the employee shall be paid at time and one-half (1 ½) the regular rate with one (1) hour minimum for each case.

T. Board Certification Pay

1. For the purposes of this section, Board Certification shall mean those Board Certifications designated by a State of California or National Board.

2. Employees in pay status and assigned on a regular, full-time basis in the classifications of Supervising Therapist, California Children Services and Therapy Consultant, California Children Services, who are Board Certified in a Pediatric Specialty, shall receive, in addition to their salary, the equivalent of three hundred fourteen dollars ($314) monthly (approximately one hundred forty-five dollars ($145) bi-weekly).

3. Employees in part-time regular or part-time limited-term positions shall receive pro-rata Board certification pay in bi-weekly segments.

U. Major Accident Reconstruction Team (M.A.R.T.) Pay

Employees in the classification of Senior Sheriff’s Community Services Officer on pay status and assigned to the Major Accident Reconstruction Team (M.A.R.T.) on a regular, full-time basis shall receive the equivalent of fifty three dollars and eight cents ($53.08) biweekly (approximately one hundred and fifteen dollar ($115) per month).

In the event an employee assigned to M.A.R.T. is on pay status for a portion of the pay period, M.A.R.T. shall be based on the ratio of hours actually paid to hours in a pay period (eighty (80) hours).

V. Special Assignment Pay
Any full-time regular, limited term or probationary employee in the following classifications permanently assigned to the Crisis Stabilization Unit (CSU), Crisis Assessment Team (CAT), which includes the Psychiatric Emergency Response Team (PERT), shall be paid an additional one dollar and fifty cents ($1.50) per hour for all hours worked:

Service Chief I & II

There shall not be any duplication or pyramiding of rates paid under this Section.

W. Clinical or Mental Health Supervision Pay

Employees in the classifications of Senior Social Services Supervisor or HCA Service Chief I & II, whose license is used to authorize the performance of duties and who are designated by the department to provide supervised clinical hours for those classification that are obtaining clinical hours, shall be paid an additional two dollars ($2.00) for all hours such licensure is required.

X. Emergency Response Assignment Pay

1. Full-time, limited term or probationary employees in the Senior Social Services Supervisor classification assigned to Emergency Response or Foster Care Investigations shall be paid, in addition to their regular salary, the equivalent of one dollar and fifty cents ($1.50) per hour for all paid hours.

2. Employees must be in an active status to be eligible for Emergency Response Assignment pay. Employees in a transitional work assignment are not eligible for Emergency Response Assignment pay.

3. In the event an eligible employee is not in active status for a portion of a pay period, Emergency Response Assignment Pay shall be based on a ratio of hours actually worked to hours in a pay period (eighty [80] hours).
ARTICLE II PAY PRACTICES

Section 1. Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2. Pay for New Employees

A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The agency or department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such appointments shall be made only when the agency or department head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant's previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the agency or department head, the County Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2. If a recruiting step is decreased, incumbents of the class will be unaffected.

3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.CB. for new employees.

4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate
change, shall have his or her merit increase date advanced to the same date provided for such new employee.

Section 3. **Merit Increase Within Range**

A. Extra help employees shall not be eligible for merit increases within range.

B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the agency/department head.

C. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.

When an employee is absent from work and not posting personal leave balances (with the exception of Military Leave), the merit increase eligibility date shall be extended by the number of days the absence exceeds the Department Leave and rounded to the first day of the first full pay period. Subsequent merit increase eligibility dates shall fall on the first day of the pay period following the completion of fifty-two (52) week intervals after the extended merit increase eligibility date.

A suspension shall cause the merit eligibility date to be extended by the total number of calendar days equal to the suspension and rounded to the first day of the first full pay period.

A military leave, paid or unpaid, shall not result in the extension of a merit increase eligibility date.

D. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of
overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

D. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. A performance rating of "meets performance objectives" shall earn a two (2) step increase. Effective June 1, 2015, a performance rating of"meets performance objectives" shall earn a one (1) step increase.

2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases beyond Step 10 and if granted, in what amounts, shall be solely within the discretion of the agency/department head and shall be based on merit.

E. If, in the agency's/department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the agency/department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.

F. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion

A. Except as modified by B. and C. below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class except that the employee will retain their former merit increase eligibility date if the promotion was the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B.
B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the agency/department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. Salary on Reassignment

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges or is reassigned through a Classification Maintenance Review as defined in Article XVIII, Section 2.B to a class on a different salary
schedule, his or her salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

F. As soon as practicable following adoption by the Board of Supervisors on or after June 30, 2023, the supervisory employee shall be paid at least two (2) steps higher than the maximum step of the pay range of their highest paid subordinate staff member, but not to exceed the top step of the pay range for their classification. This provision does not apply when supervision is being provided to higher level professional and/or technical staff, including licensed professionals (e.g., psychiatrist, psychologist, nursing staff, IT staff, etc.).

Section 6. Salary on Reduction

A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.CB., above, or the employee’s salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee’s agency/head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee’s rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

SM - 25
D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary of the employee shall not change except if the reduction is the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B in which case the new salary will be the closest step on the new salary range which is not lower than the current rate of pay; in any case, the merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the
maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. **Salary on Reclassification**

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 6.D.2.

Section 8. **Salary on Reemployment**

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may upon approval of the Chief Human Resources Officer be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. **Changes in Salary Allocation**

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XVIII.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. **Additional Compensation**

Notwithstanding anything in this Memorandum of Understanding to the contrary, when in the judgment of the Board, it becomes necessary or desirable to utilize the
services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an additional rate of compensation for such employees.

Section 11. Paycheck Deposit

A. The County will permit an employee to authorize automatic deposit of his or her Paycheck to a financial institution of the employee’s choice, if and when the Chief Human Resources Officer and Auditor-Controller determine it is feasible.

B. Employees hired after June 29, 2001 will be required to authorize automatic deposit of his or her paycheck to a financial institution of the employee’s choice.

Section 12. Classification and Compensation Studies

The County agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year.
ARTICLE III    GENERAL PERSONNEL PROVISIONS

Section 1.  Probation

A.  New Probation

1.  Full-Time Employee

A new or reemployed employee in a regular or limited-term position shall be placed on new probation period for fifty-two (52) weeks from the date of appointment and ending with the first day of the pay period following completion of said period.

2.  Part-Time Employee

A new or reemployed part-time employee in a regular or limited-term position shall be placed on a new probation period for two thousand eighty (2080) paid hours, exclusive of overtime, ending with the first day or the pay period following completion of said period.

B.  Promotional Probation

1.  Any regular or limited-term employee who is promoted, excluding a temporary promotion, shall be placed on promotional probation except as provided in section B.2., below.

   a.  A full-time employee shall serve a probation period of fifty-two (52) weeks ending with the first day of the pay period following completion of said period. However, an employee who promotes from a class in the Supervisory Management Unit to a class in the same or closely related occupational series shall serve a promotional probation period of twenty-six (26) weeks from the date of promotion ending with the first day of the pay period following completion of said period or the remainder of any uncompleted new probation period, whichever is longer.

   b.  A part-time employee shall be placed on promotional probation for two thousand eighty (2080) paid hours, exclusive of overtime ending with the first day of the pay period following completion of said period except that for promotion from a class in the Supervisory Management Unit to a class in the same or closely related occupational series, the promotional probation period shall be one thousand forty (1040) paid hours exclusive of overtime or the remainder of any uncompleted new probation period, whichever is longer.
2. When a regular or limited-term employee is promoted as a result of the employee’s position being reclassified to a higher class and the class from which the employee is promoted is subsequently deleted or abolished or if the reclassification occurred as the result of a Classification Maintenance Review as defined in Article XVIII, Section 2.B, the incumbent employee shall not serve a promotional probation period.

3. When an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee’s agency/department head is reduced to a class the employee formerly occupied, the employee shall serve the remainder of any uncompleted probationary period in that class.

C. Failure of Probation

1. New Probation

   An employee on new probation may be released at the sole discretion of the agency/department at any time without right of appeal or hearing, except as provided in C.3., below.

2. Promotional Probation

   a. An employee on promotional probation may be failed at any time without right of appeal or hearing, except as provided in C.3., below, and except that failing an employee on promotional probation must not be arbitrary, capricious or unreasonable.

   b. An employee who fails promotional probation shall receive a performance evaluation stating the reason for failure of promotional probation.

   c. When an employee fails his or her promotional probation, the employee shall have the right to return to his or her former class provided the employee was not in the previous class for the purpose of training for a promotion to a higher class. When an employee is returned to his or her former class under the provisions of this Section, the employee shall serve the remainder of any uncompleted probationary period in the former class. A regular employee who accepts promotion to a limited-term position, other than at the direction of the employee’s agency/department head, shall not have the right to return to his or her former class.

   d. If the employee’s former class has been deleted or abolished, the employee shall have the right to return to a class in his or her former occupational series closest to, but no higher than, the salary range of the class which the employee occupied immediately prior to
promotion and shall serve the remainder of any probationary period not completed in the former class.

3. An employee who alleges that his or her probationary release was based on discrimination by the County in violation of Article XVII, NONDISCRIMINATION, may submit a grievance at Step 2 of the grievance procedure within ten (10) days after receipt of notice of failure of new probation.

D. General Provisions

1. When an employee’s record consists of a combination of full-time and part-time service in regular or limited-term positions, except as provided in Section 4.C., below, part-time service shall be applied proportionately by using total hours worked to appropriate full-time requirements. For purposes of this Section, one thousand forty (1040) hours shall equal twenty-six (26) weeks and two thousand eighty (2080) hours shall equal fifty-two (52) weeks.

2. When an agency/department head or his or her representative passes an employee on probation, that determination shall be based upon a written performance evaluation and shall be discussed with the employee. A probation period may not be extended, except as provided in E.1, 2. And 3. of this Article, below, and an employee who is permitted by the agency/department to work beyond the end of a probation period shall be deemed to have passed such probation period.

3. An employee who is on probation may not transfer from one agency/department to another in the same class without the approval of the Chief Human Resources Officer.

E. Extension of Probation Periods

1. The granting of an Official or Military Leave of Absence shall cause the employee’s probation period to be extended by the length of the Official Leave or by the length of the Military Leave in excess of fifteen (15) calendar days. If the employee is on probation, the extended probation period resulting from the Official or Military Leave of Absence shall end with the first day of the pay period after said extended date. An employee who is suspended shall have his or her probation extended by the length of suspension, with the extended probation period ending with the first day of the pay period after said extended date.

When an employee is absent from work and is not posting leave balances, the new hire and promotional probation periods shall be extended by the number of calendar days the absence exceeds the Department Leave and rounded to the first day of the first full pay period.
When an employee is absent from work for more than 30 calendar days, the new hire and promotional probation periods shall be extended by the number of days the absence exceeds 30 calendar days and rounded to the first day of the first full pay period.

An employee who is on Administrative Leave with Pay or suspended shall have their probation extended by the length of the Administrative Leave with Pay or suspension, and rounded to the first day of the first full pay period.

2. With the mutual agreement of a new probationary employee and his or her agency/department, the employee's new probation period may be extended at the sole discretion of the Chief of Employee Relations for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief of Employee Relations before the normal probation period is completed. In such cases, the agency/department shall advise OCEA in writing regarding the extension of probation as soon as practicable.

Denial of a request to extend a probation period shall not be subject to appeal of hearing.

3. The Chief Human Resources Officer shall extend the new or promotional probationary periods of incumbents appointed as a result of a selection procedure which is appealed. Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee's probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.

Section 2. Performance Evaluation

A. The County shall maintain a system of employee performance ratings designed to give a fair evaluation of the quantity and quality of work performed by an employee. Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

C. When a performance evaluation is recorded in the personnel file of an employee, a copy of such evaluation, together with any attachment relating
thereto, shall be given to the employee. Any written response by the employee to the performance evaluation shall be attached to such evaluation in the official personnel files.

Section 3. Contents of Personnel File

A. Adverse statements prepared by the County shall not be included in an employee's official personnel file unless a copy is provided to the employee.

B. An employee shall have the right to inspect and review the contents of his or her official personnel file at reasonable intervals.

C. In addition, an employee shall have the right to inspect and review the contents of his or her official personnel file in any case where the employee has a grievance related to performance; to a performance evaluation; or is contesting his or her suspension or discharge from County service.

D. Letters of reference and reports concerning criminal investigations concerning the employee shall be excluded from the provisions of B. and C., above.

E. An employee shall have the right to respond in writing or personal interview to any information contained in his or her official personnel file, such reply to become a permanent part of such employee's official personnel file.

F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief of Employee Relations and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 4. Status of Limited-Term Employees

A. All limited-term employees shall be subject to the same hiring standards and shall earn all benefits, except Article XI, LAYOFF PROCEDURE, which accrue to employees in regular positions.

B. A regular employee who transfers, promotes or reduces to a limited-term position on a voluntary basis and not at the direction of the agency/department head shall become a limited-term regular employee.

C. Limited-term employees hired under programs which involve special employment standards shall serve a new probation period upon transfer to permanent funded positions. Upon transfer to permanent positions, such employees shall maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement and layoff. The requirement that such employees serve a new probation period may be waived by the County. Limited-term employees not hired under programs which involve special employment standards shall, upon transfer to
permanent funded positions, maintain their original hire date for purposes of annual leave, vacation and healthcare leave accrual, retirement, layoff and new employee probation.

D. When funding ceases for a limited-term position or when the position is no longer necessary, the limited-term position shall be abolished and the incumbent shall be removed from the payroll except as provided in section E., below.

E. Regular employees who transfer, promote or reduce to limited-term positions at the direction of the agency/department head shall retain their former status and retain their layoff benefits in their former layoff unit. The agency/department head shall make such an order in writing prior to the date of transfer or promotion.

Section 5. Temporary Promotion

A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred twenty (120) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class, unless the employee requests to be reassigned to his or her former class. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. An agency/department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours but not to exceed eighteen (18) months.

C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee’s former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and agency/department. A temporary promotion shall not exceed a period of eighteen (18) months.

Section 6. Reemployment of Employees on Disability Retirement
A. The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.

B. Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status. They will remain on such list for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:

1. a person appointed to a regular position in the County service shall be removed from the list;

2. a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

3. a person who on three (3) separate occasions, declines referral for interviews in a class for which he or she is qualified shall be removed from the list.

Section 7. Reemployment of Regular Employee

A regular employee who leaves County employment and is reemployed within fifteen (15) calendar days shall be deemed to have been on agency/departmental leave for such period of time.

Section 8. Time Off for Selection Procedures

A regular, limited-term or probationary employee shall be entitled to necessary time off with pay to participate in tests of fitness, examinations and interviews required by the Chief Human Resources Officer during working hours for the purpose of determining eligibility for movement to another class in the County service or transfer from one agency/department to another.

Section 9. On-Duty Meals

A. The County shall provide meals to personnel employed in residential care institutions and Probation Department juvenile institutions who are required to be on duty through their own meal period and to take their meals while supervising the activities of the residents.
B. The County shall provide reasonable reimbursement for meals for employees in field assignments who are required by their supervisor to take their meal period while in custodial charge of a client.

C. During emergencies which require unusual amounts of overtime, employees who are required to work such excessive overtime shall be provided appropriate meals. Such meals shall either be provided by County contract, such as that provided on a fireline, or the employee shall be authorized a meal ticket. The determination as to how such meals are provided and the amount authorized shall be at the discretion of the agency/department.

Section 10. Transfer Policy for OCEA Officers and Grievance Representatives

Management shall not, wherever practicable, assign an OCEA officer or grievance representative to a different location if:

A. the employee’s performance “meets” or “exceeds” performance objectives; and

B. OCEA objects to such assignment (OCEA shall not object to such assignment change, except for good cause); and

C. there is another employee in the same classification in the agency/department who meets the specific qualifications for the assignment.

Section 11. Training

A. Upon approval of the agency/department head, employees may participate in various County sponsored training programs. The County and OCEA will inform employees of these training programs.

B. During the term of this Memorandum of Understanding, OCEA may request specific training or development opportunities for various employees in this Unit. The County agrees to discuss such requests with OCEA and consider implementation.
ARTICLE IV    LEAVE PROVISIONS

Section 1. Healthcare Leave

A. Healthcare Leave Accrual

1. For the purpose of this Section, each biweekly pay period for which a full-time employee receives his or her full biweekly salary shall be considered the equivalent of eighty (80) regularly scheduled paid hours.

2. During the first three (3) years of employment, an employee shall earn .0347 hours of healthcare leave with pay for each paid hour in a regularly scheduled workweek or period to a maximum of eighty (80) hours in a pay period (approximately seventy-two (72) hours per year).

3. After an employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours, approximately three (3) years, the employee shall earn .0462 hours of healthcare leave with pay for each paid hour in a regularly scheduled work period to a maximum of eighty (80) hours in a pay period (approximately ninety-six (96) hours per year).

4. Healthcare leave earned shall be added to the employee's healthcare leave accumulation account upon the completion of the pay period, with no credit to be applied during the progress of the pay period or for a portion of the pay period during which the employee terminates County service.

5. Except as provided by law, extra help employees shall not earn healthcare leave.

B. Permitted Uses of Healthcare Leave

Employees with annual leave balances must use accrued annual leave prior to use of sick leave, until all annual leave has been taken, unless otherwise indicated in this Article.

Healthcare leave may be applied to:

1. An absence necessitated by an employee's personal illness, injury or disability due to pregnancy or childbirth, medical or dental appointments during working hours for the diagnosis, care, or treatment of an existing health condition, or preventative care, or absences related to Family Leave as defined in Section 15 of this Article. The employee shall notify the Department in advance to attend medical and dental appointments whenever practicable.
a. An employee with an annual leave balance may use healthcare leave for absences resulting from an employee’s illness due to a medical diagnosis of COVID-19, for symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment or experiencing COVID-19 vaccine-related/booster-related symptoms.

2. Absence from duty for an employee to attend to the diagnosis, care or treatment of an existing health condition of, or preventative care for, the employee’s family member or eligible person as defined by applicable law because the employee’s presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Subsection, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner, child, grandparent, grandchild or legal guardian. Use of this leave is limited to the time period specified in Labor Code section 233.

a. An employee with an annual leave balance may use healthcare leave for absences resulting from caring for a family member’s illness due to a medical diagnosis of COVID-19, caring for a family member with symptoms of COVID-19 (i.e., fever, cough, shortness of breath) and seeking a medical diagnosis from a healthcare provider, for attending a COVID-19 vaccination/booster appointment with a family member or to care for a family member experiencing COVID-19 vaccine-related/booster-related symptoms.

3. Absence from duty because an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a).

4. Leave for School and Child Care Activities (terms specified in Section 2.C.1 below). If an employee is a parent, legal guardian, or grandparent who has custody of a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may use up to ten (10) hours per fiscal year, to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or child care facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child’s school-related disciplinary issue. Time off requests to attend such events are non-discretionary, but shall be requested in advance to the extent possible.
5. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the following conditions:
   a. The illness or injury of the employee was of a nature that would preclude the effective use of vacation and would prevent the employee from performing his or her normal duties.
   b. The employee must notify his or her supervisor within four (4) calendar days of the beginning of the illness or prior to the end of his or her vacation leave, whichever is sooner, to request that his or her illness on vacation be charged to healthcare leave.
   c. The agency/department shall be under no obligation to extend the vacation beyond the original scheduled vacation ending date.
   d. Upon the employee’s return to work, the employee must furnish the agency/department with a certificate signed by a licensed physician or registered nurse stating the nature of the medical condition and the period of disablement.

6. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

7. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

8. Absence from duty because of personal business not to exceed forty (40) working hours during the fiscal year.

9. Up to eight-twenty-four (824) hours of healthcare leave per fiscal year may be donated as a part of the County’s Catastrophic Leave Donation plan.

C. Prohibited Uses of Healthcare Leave

1. Healthcare leave shall not be applied to:
   a. Absence caused by illness or injury to a member of the employee’s family except as provided in B above.
   b. Absences which occur on a County holiday.

2. Healthcare leave shall not be used for circumstances not specified in this Article, unless required by law.
D. General Provisions

1. In any use of healthcare leave, an employee's account shall be charged to the nearest quarter hour.

2. Except as prohibited by law an employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury, medical condition or medical or dental office calls when the agency/department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

3. Employees hired on or after July 15, 1977 are not eligible for any payoff of healthcare leave. Employees hired before July 15, 1977 are eligible for healthcare leave payoff under the following conditions:
   
a. Upon paid retirement or death, an employee or the employee's estate shall be paid for a portion of the employee's unused healthcare leave in an amount computed as provided below:

   Years of service as used herein shall be the equivalent of full-time continuous service in a regular position. Employees who elect to take deferred retirement shall not be eligible for any benefits provided by this paragraph.

b. Not more than once in each fiscal year, an employee hired prior to July 15, 1977, who, as of date of request, is eligible for Tier I paid retirement and who has accumulated unused healthcare leave in excess of two hundred eighty (280) hours shall, upon request, receive a payoff for up to one-third (1/3) of all his or her accumulated healthcare leave provided that the remaining balance is not reduced below two hundred eighty (280) hours. The percentage of healthcare leave paid shall be computed based on years of continuous service in accordance with Section 1.D.3.a., above. The employee's healthcare leave balance will be reduced...
by the total number of hours elected and approved for payoff by the employee prior to the application of the eligible percentage described in Section 1.D.3.a.

c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977, who, as of the date of request, is eligible for Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire, may request that a payoff of his or her accumulated healthcare leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Such request must be made at least thirty (30) calendar days prior to the effective date of his or her retirement. Such payoff shall be made prior to the effective date of the employee's retirement.

4. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the agency/department, apply the period of previous County continuous service for the purpose of determining healthcare leave earning rates. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid healthcare days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid healthcare days and to accrue additional paid healthcare days upon rehiring to the extent required by law.

Section 2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

A. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

B. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.
C. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss.

D. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee’s accrued balances and must meet eligibility requirements and conditions set forth in Article IV—Section 1, Article V, or Article VI.

Section 32. Authorized Leave Without Pay

A. Discretionary Leave of Absence

1. A Discretionary Leave of Absence is granted based on the operational needs of the department in which the employee is assigned. The granting of such Leave shall be at the discretion of the department.

1.2. Agency/Departmental Leave

A regular, limited-term or probationary employee may request an agency/departmental leave without pay for a period of time not to exceed fifteen (15) calendar days. Employees will be required to use available accrued Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave is exhausted. The granting of such Leave shall be at the discretion of the agency/department, except in cases where Official Leave has been authorized pursuant to B.4., B.5., and Sections 10, 11.A., and 14., below. The agency/department head may require that all accumulated compensatory leave time be used prior to granting of agency/departmental leave. The use of earned vacation or annual leave prior to the obtaining of agency/departmental leave shall be at the option of the employee.

B. 3. Official Leave

a. Upon request, a regular, limited-term or probationary employee may be granted an Official Leave of Absence Without Pay. Such Leave, if granted, shall not exceed one (1) year. Employees will be required to use available Annual Leave, Vacation, Compensatory Leave, and PIP time in that order until all accrued leave time is exhausted, except as provided in subsections 2. and 3. below. Such Leave may be authorized only after an employee's completion of an agency/departmental leave and after all compensatory time and vacation accruals or the portion of annual
leave balance subject to 100% payoff have been applied toward payment of the absence.

b. An Official Leave of Absence may be extended for up to an additional year at the discretion of the agency/department. Failure to request an extension before the end of the Official Leave may result in denial of that extension except that request for an Official Leave which qualify as Family Leave pursuant to applicable law shall be granted to the extent required by such law. If the agency/department denies the extension of such Leave, the provisions of subsections 4. and 5. below, shall not apply.

3. An employee who has requested and identified a valid need for Family Leave pursuant to Article IV, Section 14, and applicable law shall be granted Official Leave to the extent required by such law. Such Leave shall be authorized only after use of leave balances as specified below:

b. When Official Leave involves the employee’s own serious health condition – after all accumulated compensatory time, vacation accruals, healthcare leave and annual leave have been used;

b. When Official Leave involves the circumstances covered by Section 1, subsections B.4, B.5 or B6 of this Article – after all accumulated compensatory time, vacation, healthcare leave (to the extent available to the employee for such use) and annual leave have been used;

c. When Official Leave is used for all other reasons – after all accumulated compensatory time and vacation accruals and/or the portion of the annual leave balance subject to 100% payoff have been applied toward the absence. Use of annual leave beyond the leave balance subject to 100% payoff shall be at the discretion of the employee, subject to the annual leave provision.

4. An employee shall give notice two (2) weeks prior to the date he or she wants to return to work except that an employee returning from Family Leave shall give the lesser of two (2) weeks notice or the maximum notice allowable under applicable law. If an employee does not give the required notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the employee to work until the employee gives such notice; however, the agency/department may waive the notice or reduce the notice period at its discretion.
5. Except as to leaves which must be granted pursuant to sections 10, 11 and 14 in this Article, the agency/department shall: (a) indicate on the request its decision as to whether the request should be granted, modified or denied; (b) promptly transmit the request to the Chief Human Resources Officer; and (c) deliver a copy to the employee.

6. If the agency/department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

7. An Official Leave shall not be credited toward continuous service.

4. C. General Provisions – Discretionary Leave

a. A request for a Discretionary Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the date of return.

b. A request for Discretionary Leave shall normally be initiated by the employee but may be initiated by the employee's department only where the employee is unable to initiate such action.

c. The department shall: (a) indicate on the request its decision as to whether the request is granted, modified, or denied within five (5) business days of receiving the request, however this timeline may be extended as necessary if further information is required from the employee for the department to render its decision regarding the request; (b) deliver a copy of the decision to the employee.

d. If the department modifies or does not approve a request for Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall remain/return to work during this review process. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

e. An employee who fails to provide a request for a Discretionary Leave unrelated to an ongoing medical accommodation or has been denied for the Leave in accordance with B.3 and/or B.4 and is absent from work, may be subject to Article IV, Section 96. Absence Without Authorization.

f. A Discretionary Leave not covered by employee’s balances shall not be credited toward service hours. This does not apply during any portion of
the Leave where the employee is applying Annual Leave, Vacation, Compensatory Leave or PIP balances to the leave.

g. Departmental Leave and Official Leave do not run concurrently.

B. Non-Discretionary Leave of Absence

1. A Non-Discretionary Leave of Absence is leave which an eligible employee may use for various reasons under applicable law. Eligibility for a Non-Discretionary Leave of Absence will be determined according to the requirements of applicable law. The County follows all applicable state and federal laws pertaining to Non-Discretionary Leaves of Absence. Non-Discretionary Leave includes, but is not limited to, FMLA, CFRA, and PDL.

2. If conflicting language exists in the application of a Non-Discretionary Leave between this Article and state or federal law, then state or federal law shall prevail.

3. Family and Medical Leave Act

   a. Family and Medical Leave Act (FMLA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for an FMLA-eligible person, or for any other FMLA-eligible purpose. Unless otherwise provided by this Section, “FMLA Leave” under this Agreement shall mean leave pursuant to the FMLA. Employees may be eligible for up to twelve (12) weeks (480 hours) of FMLA Leave during a calendar year.

   b. An employee may qualify for up to twelve (12) weeks of leave for a “qualifying exigency” arising out of the foreign deployment of the employee’s spouse, son, daughter, or parent when the employee meets applicable requirements.

   c. Eligible employees may qualify to take up to twenty-six (26) weeks of military caregiver leave under FMLA when the employee meets applicable requirements. Where FMLA Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

   d. FMLA Leave is unpaid under the law. However, to the extent that an employee has accrued leave balances, the employee is required to use Annual Leave, Sick/Healthcare Leave, Vacation time, Compensatory, and PIP balances in that order for the Leave.

4. California Family Rights Act
a. California Family Rights Act (CFRA) shall be granted to the extent required by law to an employee for their own serious medical condition, to care for a CFRA-eligible person, or for any other CFRA-eligible purpose. Unless otherwise provided by this Section, “CFRA Leave” under this Agreement shall mean leave pursuant to the CFRA. Employees may be eligible for up to twelve (12) weeks (480 hours) of CFRA Leave during a calendar year.

b. If an employee uses CFRA Leave for their own serious health condition and is not receiving disability benefits, the employee is required to use accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. If an employee is receiving disability benefits, then the employee may elect to supplement the disability benefits by using accrued Annual, Sick/Healthcare, Vacation, Compensatory, and PIP balances in that order. The employee is required to notify the department at the time of the CFRA Leave request, or as soon as practicable, that they are/will be receiving disability benefits.

c. If an employee uses CFRA Leave for purposes of “child bonding,” the employee is required to use accrued Annual Leave, Vacation, and Sick/Healthcare balances, Compensatory, and PIP balances in that order.

d. If an employee uses CFRA Leave to care for another CFRA-eligible person, the employee is required to use accrued Annual Leave, Sick/Healthcare, Vacation, Compensatory, and PIP balances, in that order.

5. Pregnancy Disability Leave

a. Pregnancy Disability Leave (PDL) shall be granted to the extent required by the Fair Employment and Housing Act (FEHA) to an employee disabled by pregnancy, childbirth, or a pregnancy-related medical condition, or for any other PDL-eligible purpose. Unless otherwise provided by this Section, “PDL” under this Agreement shall mean leave pursuant to Pregnancy Disability Leave. An employee may be eligible for up to sixteen (16) weeks (640 hours) of PDL for each qualifying leave.

b. PDL is unpaid under the law. If an employee uses PDL, the employee is required to use Sick/Healthcare balances until they are exhausted, unless the employee is receiving disability benefits. Once an employee exhausts accrued Sick/Healthcare Leave balances, the employee may use Annual Leave, Vacation,
Compensatory, and PIP balances in that order. As soon as practicable, but no later than the end of the PDL leave, the employee shall notify the department whether they choose to use the above leave balances once they have exhausted their Sick/Healthcare balances. At the time of the PDL request or as soon as practicable, the employee is required to notify the department that they are/will be receiving disability benefits.

c. In instances when an employee is using PDL and FMLA leave concurrently, the posting of leave balances shall be controlled by Section 5.b. above (Pregnancy Disability Leave).

6. Parenthood Leave

a. Parenthood Leave shall be granted to the extent required by this provision in connection with the birth or placement for legal adoption of a child.

b. Eligible regular, limited-term, or promotional probationary employees may qualify for Parenthood Leave of up to six (6) months. Eligible new-hire probation employees may qualify for Parenthood Leave of up to three (3) months (12 weeks).

c. To qualify for Parenthood Leave, employees must meet the following conditions:

1. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

2. The requested Leave is commenced within one (1) month prior to, or six (6) months after, the date of birth or placement for legal adoption of the child.

3. Parenthood Leave runs concurrently with Pregnancy Disability Leave (PDL), Family and Medical Leave Act (FMLA), and California Family Rights Act (CFRA), where applicable. In those situations, law pertaining to those leaves shall supersede this section.
4. In instances when an employee is using PDL and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.5.b. above (Pregnancy Disability Leave). In instances when an employee is using FMLA and/or CFRA and Parenthood Leave concurrently, the posting of leave balances shall be controlled by Section B.3.d. and/or B.4.b above (Family and Medical Leave Act and/or California Family Rights Act).

5. In instances when the Parenthood Leave is not running concurrently with FMLA, CFRA, or PDL, employees are required to use available accrued Annual Leave, Healthcare Leave, Vacation, Compensatory Leave, and PIP time in that order for this Leave. If an employee exhausts all accrued balances, the remaining Parenthood Leave shall not be credited toward continuous service.

7. Military Leave

a. The Uniformed Services Employment and Reemployment Rights Act (USERRA) offers job protections for employees who voluntarily or involuntarily leave employment to undertake military service. The County will follow all applicable federal law pertaining to USERRA, and any other state and local regulations pertaining to any Military Leave of Absence.

b. An employee who is requesting a Military Leave is required to submit notice on forms prescribed by the Chief Human Resources Officer to their department within 30 days prior to the start of the leave, or as soon as practicable. The employee is to include military orders identifying that he/she has been called to active duty, the Leave and Earnings Statement (LES) when applicable, the expected start date of the leave, and the probable date of return to work.

c. An employee on an active Military Leave is required to timely provide any further LES documents, when applicable, to their department throughout the entire duration of the leave.

d. Failure to provide satisfactory verification for Military Leave may be grounds for denial of the leave.

e. Military Leave shall be credited toward continuous County service.

8. Verification
a. A request for Leave shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence, the date of return, and the required documentation supporting the request.

b. As a condition to the approval of a medical Non-Discretionary Leave of Absence, an employee will be required to furnish medical certification from the employee’s health care provider which states: (1) the date on which the Leave is to commence; (2) the date on which the Leave is to end; (3) that the employee cannot perform their duties because of the employee's own serious health condition.

c. To request Leave to care for another eligible person, an employee is required to furnish medical certification from the eligible person's health care provider with the same information listed in 8.a and 8.b above and stating that the employee cannot perform their duties because the leave is required to care for the-eligible person pursuant to applicable law.

d. Whenever possible, an employee shall give notice of the request for Leave at least thirty (30) days, or as soon as practicable, prior to the start of the requested leave.

e. Failure to provide satisfactory verification of the necessity for a Non-Discretionary Leave of Absence may be grounds for denial of the leave.

f. If the department modifies or does not approve a request for Non-Discretionary Leave of Absence, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The employee shall include the department’s modification or denial of the leave in the request for review by the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

9. General Provisions – Non-Discretionary Leave

a. The twelve (12) month period for calculating Non-Discretionary leave entitlement will be based on the calendar year (January 1 to December 31).

b. Unless otherwise prohibited by state or federal law, Non-Discretionary Leaves of absence will run concurrently.

c. Any portion of the leave which is unpaid shall not be credited toward service hours.
C. Other Leaves of Absence

1. Leave for School and Child Care Activities

   a. Pursuant to California Labor Code section 230.8, if an employee is a parent, guardian, step-parent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child enrolled in a California public or private school, kindergarten through grade twelve (12), or in a licensed child day care facility, the employee may take up to forty (40) hours each calendar year (at a maximum of 8 hours a month) to attend school conferences and events. Any activity that is sponsored, supervised, or approved by the school, school board, or childcare facility is acceptable. Examples include participating in parent-teacher conferences, Open House, or a child's school-related disciplinary issue.

   b. A qualifying employee may use up to ten (10) hours of Healthcare Leave in accordance with Article IV, Section 1.B.4. per fiscal year, to attend such events. If an employee chooses not to use all 10 hours of Healthcare Leave for this leave, the employee is required to use Annual Leave, Vacation, Compensatory, and PIP balances in that order for the Leave for School and Childcare Activities. If an employee has exhausted leave balances, an employee may elect to take the leave unpaid.

1.2. Bereavement Leave

Bereavement leave is paid leave which is available to an employee related to the death of a family member of the employee’s immediate family as defined below.

   a. For purposes of this Section, immediately family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, spouse, registered domestic partner, child, step-child, grandparent, grandchild or person with whom the employee has/had a legal guardian relationship.

   b. Upon request, regular, limited-term or probationary employees who are in full-time paid status shall receive time off with pay, not to exceed five (5) regularly scheduled shifts for each death, and employees who are in part-time status shall receive time off with pay, not to exceed the number of hours scheduled in a part-time employee’s normal workweek for each death.

   c. Generally, time off shall be taken in whole day increments and may be taken nonconsecutively. If requested, partial day absences may
be approved if operationally feasible. Use of this leave must be completed within six (6) months of the loss. In the event there are circumstances necessitating use of bereavement leave beyond six (6) months but not more than twelve (12) months, prior written approval must be received from the supervisor within six (6) months of the loss.

c-d. An employee may request additional time off for bereavement. Additional time off shall be charged to the employee’s accrued balances and must meet eligibility requirements and conditions set forth in Article IV, Section 1.B.8, Article V, or Article VI.

1. A request for a Leave of Absence shall be made upon forms prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the probable date of return.

2. A request for Leave of Absence Without Pay shall normally be initiated by the employee, but may be initiated by the employee’s agency/department only where the employee is unable to initiate such action, except in cases where the provisions of Section 11.A. apply.

Section 4. Official Leave for Nonoccupational Disability

A. A regular, limited-term or probationary employee shall be granted upon request an Official Leave of Absence Without Pay for up to six (6) months for a non-occupational disability including disabilities related to pregnancy and childbirth provided that the employee meets the following conditions:

1. A medical statement setting forth the need for the leave, start date of the leave, the expected date of return and the period of disability shall be submitted with the Leave request.

2. Such Leave shall begin after all accrued healthcare leave, compensatory, vacation and/or annual leave time have been applied toward the absence.

3. Unless otherwise required by law, the employee has been paid for six thousand two hundred forty (6240) regularly scheduled hours or more. (This provision does not apply to pregnancy disability leave.)

B. If additional Leave is desired, the employee may request additional Leave in accordance with Official Leave, Section 3.B., above.

C. Unless otherwise required by law, an employee shall not be entitled to more than one (1) such Leave pursuant to this Section per twelve (12) month period.
Section 5. Absences Caused by Illness, Injury or Pregnancy

An employee who is absent from work for a period of more than fourteen (14) consecutive calendar days due to illness, injury or pregnancy shall not be permitted to resume work until, and unless, the employee obtains a medical clearance from a physician designated by the County.

Section 63. Jury Duty Leave

A regular, limited-term or probationary employee who is called for jury duty or for examination for jury duty shall be compensated at the employee's regular rate of pay for those hours of absence due to the jury duty which occur during the employee's regularly scheduled working hours provided the employee deposits the employee's fees for such hours of jury duty, exclusive of mileage, with the County Treasurer. Fees for jury duty performed during hours other than regularly scheduled working hours may be retained by the employee. Any hours worked beyond the regularly scheduled workday shall be subject to the workweek and overtime provisions (Article I). An employee may request a change in regularly scheduled working hours to a Monday through Friday day shift for the duration of such jury duty. Such requests shall be granted if practicable.

Section 74. Witness Leave

A regular, limited-term or probationary employee who is called to answer a subpoena as a witness for court appearances during the employee's work hours, except where the employee is a litigant, shall be compensated at his or her regular rate of pay for all hours of absence from work due to answering the subpoena provided the employee shows proof of such subpoena and deposits witness fees received for such hours, exclusive of mileage, with the County Treasurer. Fees for answering a subpoena as a witness during hours other than regularly scheduled working hours may be retained by the employee.

Section 85. Leave for OCEA Business

A. The County shall grant OCEA stewards the ability to utilize accrued leave time to attend monthly OCEA steward meetings of up to sixty (60) minutes and up to sixty (60) minutes travel time to the OCEA offices in Santa Ana.

B. Up to six (6) times annually, no more than seven (7) employees who are trustees of the OCEA Health & Welfare Trust shall be released with pay for up to ninety (90) minutes for travel to and from the OCEA offices in Santa Ana and attendance at the bi-monthly Board of Trustees meeting. In addition, no more than seven (7) employees who are trustees of the OCEA Health & Welfare trust shall be released with pay for up to three (3) days annually to attend a trustee continuing education conference.
A-C. The County shall allow a regular, limited-term or probationary employee up to six (6) working days absence without pay during each fiscal year for the term of this Agreement to perform official OCEA business, provided that:

A. OCEA shall make a request to the employee's agency/department head at least ten (10) days in advance.

1. B. OCEA shall not request that such Leave be effective for more than four (4) employees on any workday.

2. C. The services of such an employee are not immediately required by the County, and other competent employees are available to do the employee's usual work.

Section 96. Absence Without Authorization

A. Absence without authorization for three (3) consecutive working days shall be considered an automatic resignation.

B. When the County believes an employee has been absent without authorization and the County plans to invoke the provisions of 96.A., above, the County shall send written notice by certified mail to the employee's last known address at least ten (10) calendar days prior to implementing an automatic resignation. Such written notice shall contain:

1. a statement of the County's intention to implement the employee's automatic resignation and its effective date;
2. a statement of the reasons for considering the employee to have automatically resigned;
3. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;
4. a statement of the employee's right to representation;
5. a copy of the automatic resignation provisions which apply to the employee;
6. a statement that if the employee fails to respond to the written notice before the effective date of the automatic resignation, the automatic resignation shall be implemented.
C. An automatic resignation shall not be implemented if the employee responds to the notice before the effective date and 1) it was physically impossible for the employee to contact his or her agency/department; 2) the employee can show that it would be arbitrary, capricious or discriminatory to implement the automatic resignation.

D. An employee who responds prior to the effective date of the proposed action shall be sent written notice of any action taken pursuant to the notice of intent.

E. An employee who is permitted to continue his or her employment pursuant to subsection B. and/or C., above, shall not be paid for the period of his or her unauthorized absence and shall be treated as if on a Leave of Absence for purposes of continuity of employment and other appropriate benefits, unless the use of healthcare leave, compensatory time, vacation, annual leave or other paid leave to cover the absence is appropriate.

F. If an employee does not have authorization to be absent from work, such employee may request authorization from the agency/department head prior to the expiration of the time limit specified in subsection A., above.

G. Notwithstanding any other provision of this Section, the County may rescind an automatic resignation.

H. Automatic resignation shall not be considered a discharge under the provisions of Article IX, DISCIPLINARY ACTION.

Section 10. Parenthood Leave

A. A regular, limited-term or probationary employee shall be granted, upon request, a Parenthood Leave Without Pay of up to six (6) months in connection with the birth or placement for legal adoption of a child provided the employee meets the following conditions:

1. The requested Leave is commenced within six (6) months before or after the date of birth or placement for legal adoption of the child.

2. Sufficient documentation of such birth or placement for legal adoption is submitted with the request for Leave.

3. Such employee has completed new probation.

4. All accrued vacation, compensatory time or annual leave subject to 100% payoff has been applied toward the absence.

B. Unless otherwise required by law, employees shall not be eligible for more than one (1) such Leave within any twelve (12) month period.
C. Healthcare leave or annual leave must be applied toward any portion of the absence which qualifies under Section 1.B.1. of this Article provided the employee has furnished the agency/department with a certificate signed by a licensed physician stating the nature of the medical condition and period of disability.

D. Pregnant employees may also apply for a Non-occupational Disability Leave for the term of disability as provided in Section 4. of this Article.

E. Parenthood Leave shall not be credited toward continuous service.

F. For employees on Parenthood Leave, merit increase dates, probation periods and performance evaluation dates shall be treated as if the employee were on Official Leave.

Section 11. Workers’ Compensation Leave

A. When an injury is determined to be job related in accordance with Article XII, a regular, limited-term or probationary employee shall be placed on Workers’ Compensation Leave. If such determination cannot readily be made and all healthcare leave or annual leave subject to 100% payoff has been applied to the absence, the employee shall be placed on Official Leave until a final determination is made.

B. Workers’ Compensation Leave shall continue until the employee:

1. is determined to be physically able to return to work and such medical determination, if disputed, is confirmed by Workers’ Compensation Appeals Board; or

2. is determined to be physically able to return to work with medical restrictions which the County can accept and such determination, if disputed, is confirmed by Workers’ Compensation Appeals Board; or

3. accepts employment outside the County; or

4. accepts employment in another County position; or

5. has been found to be permanent and stationary and is not rehabilitated as provided by law; or

6. is retired pursuant to Government Code provisions.

C. If practicable, an employee on Workers’ Compensation Leave and/or 4850 Leave will give notice two (2) weeks prior to the date he or she wants to return to work. If an employee does not give two (2) weeks notice prior to the date he or she wants to return to work, the agency/department shall not be required to return the employee to work until such notice is given; however,
the agency/department may waive the notice or reduce the notice period at its discretion.

Section 137. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.

8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on agency/departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, annual leave and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.
E. The employee's eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in subsections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of subsection A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 148. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (824 hours maximum per fiscal year), compensatory and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.

Section 129. Leave for Attendance at Professional Conferences

A. Employees may request five (5) working days leave with pay each fiscal year for attendance at professional conferences subject to the following conditions:

1. A request is made in advance on the appropriate Request to Attend a Conference form.

2. The conference is job related and qualifies for CEU credits if the incumbent's position requires certification or if the incumbent is a registered nurse.

3. The employee pays all costs connected with the conference attendance, including registration, meals, transportation and/or lodging, if any.

4. The conference or professional study is located in the United States.

5. The employee agrees to provide within two (2) weeks following the conference a comprehensive report on the event through channels to the agency/department director with a copy to the Staff Development liaison (to include conference materials, handouts, etc.).
6. The employee's workload is current and his or her performance “meets” or “exceeds” performance objectives.

B. Attendance at conferences by eligible members of this Unit shall be scheduled throughout the fiscal year to avoid concentration of absences at the same time in the agency/department or in the assigned unit.

C. Multiple requests to attend the same conference or conferences scheduled at the same time will be considered based upon availability of adequate caseload coverage in the applicable units, past record of conference attendance, and applicability of the conference to the specific work assignment of the employee.

D. Requests may be made for additional leave for attendance at a professional conference in any one (1) year under this provision; however, approval shall be at the discretion of the agency/department.

E. Attendance at conferences outside of the United States will require approval of a department head.

Section 13. OCEA Presidential Leave

A. The County agrees to grant, if requested by OCEA, Presidential Leave with pay and without loss of any benefits provided by the Memorandum of Understanding, except as provided below, to the President of OCEA during the term of this Memorandum of Understanding provided that:

1. The Presidential Leave shall be for a minimum of eight (8) hours.

2. The Presidential Leave is requested in advance within a reasonable time period. Every effort will be made to give the maximum advance notice. Any notice may be waived by mutual agreement.

3. OCEA promptly reimburses the County for all OCEA President salary expenses incurred during the Presidential Leave.

4. OCEA promptly reimburses the County for all benefit expenses incurred during the Presidential Leave of Absence.

5. The employee shall continue to conform to the department rules and regulations that are not inconsistent with Presidential Leave.

6. There is not a compelling need for the employee to perform County work.

7. The employee “meets” or “exceeds” performance objectives.
8. When the duration or frequency of Presidential Leave is such that the employee’s absence imposes a hardship on agency/departmental operations, the County may reassign or transfer the individual to a less critical position in his or her class.

B. Vacation, annual leave and healthcare leave accrual rates will apply to the employee as though he or she were on duty status.

C. The merit increase eligibility date, if applicable, shall be extended a number of calendar days equal to the Presidential Leave. This extended merit increase eligibility date will be effective the first day of the pay period after said date.

D. The probation period, if applicable, shall be extended by the length of the Presidential Leave. The extended probation period shall end on the first day of the pay period following said extended date.

E. The employee’s eligibility for promotional examinations shall not be affected by Presidential Leave.

F. Layoff points shall not be affected by Presidential Leave.

G. In the event emergency recall of the employee becomes necessary, Presidential Leave may be suspended or cancelled during the course of the emergency. OCEA shall not be obligated for reimbursement costs listed in sub-sections A.3. and A.4. for the period that Presidential Leave is suspended or cancelled. Provisions of sub-section A.1. through A.8., above, shall be suspended during said emergency recall.

H. Not more than one (1) employee shall be eligible for Presidential Leave at any one (1) time.

Section 14. Catastrophic Leave

The County will administer a Catastrophic Leave procedure designed to permit individual donations of annual leave, vacation, healthcare leave (8 hours maximum per fiscal year), compensatory and/or PIP leave time to an employee who is required to be on an extended unpaid leave due to a catastrophic medical condition or other serious circumstances.
Section 15. Family Leave

A. General Provisions

1. Family Leave shall be granted to the extent required by law. The following provisions set forth certain of the rights and obligations with respect to this leave. Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this Section “family leave” under this Agreement shall mean leave pursuant to the FMLA and CFRA.

2. Family Leave may be used in the following situations:

a. An employee’s serious health condition which makes the employee unable to perform the functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical condition.

b. The birth of a child, and in order to care for the newborn child within one year of birth.

c. Placement of a child for adoption or foster care within one year of placement.

d. An employee’s presence is needed to attend to a serious health condition of the employee’s child, spouse, parent or a child of an employee standing in loco parentis (those with day-to-day responsibilities to care for and financially support a child).

e. Leave for a qualifying exigency arising out of the fact that the employee’s spouse, registered domestic partner, child or parent is on covered active duty or called to active duty status in the Armed Forces.

f. Leave to care for a spouse, registered domestic partner, child, parent, or “next of kin” who is a covered service member of the Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces.

3. Employees must request and identify their need for Family Leave. The County and OCEA agree that certain other types of leaves available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time
during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.

4. Eligibility for Family Leave will be determined according to the requirements of applicable law.

5. Family leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a)–(d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. Where Family Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.

6. Leave taken under the FMLA for a disability due to pregnancy shall run concurrently with leave taken under the California Pregnancy Disability Act (See Section 4 of this Article). A family member may also be entitled to an additional twelve (12) weeks of bonding time under the CFRA.

7. The twelve (12) month period for calculating leave entitlement will be based on the calendar year (January 1 to December 31).

8. When a request for Family Leave is approved, the agency/department shall determine whether annual leave, healthcare leave, compensatory leave, and/or vacation time is to be applied. Such determination shall be consistent with other leave provisions of this Agreement and shall give consideration to the circumstances and the wishes of the employee. The use of healthcare leave shall be restricted to those circumstances which qualify under the provisions of Article IV., Section 1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the agency/department with thirty (30) calendar days notice of his or her intent to take Family Leave.

2. If the event necessitating the Family Leave becomes known to the employee less than thirty (30) calendar days prior to the employee's need for Family Leave, the employee must provide as much notice as possible. In no case shall the employee provide notice later than five (5) calendar days after he or she learns of the need for Family Leave.

3. For foreseeable leave due to a qualifying exigency, an employee must provide notice of the need for leave as soon as practicable, regardless of how far in advance such leave is foreseeable.
4. When the Family Leave is for the purpose of the scheduled medical treatment or planned medical care of a child, parent spouse or registered domestic partner, the employee shall, to the extent practicable, schedule treatment and/or care in a way that minimizes disruption to agency/department operations.

C. Verification

1. As a condition to the approval of Family Leave, an employee may be required to furnish certification from the health care provider which states: (1) the date on which the condition commenced; (2) the probable duration of the condition; (3) an estimate of time that the employee needs to be off; (4) that the employee cannot perform his or her duties because of the employee's own serious health condition or that care is needed when the leave is for an eligible family member pursuant to applicable law.

2. Employees who request leave to care for a covered service member who is a child, spouse, registered domestic partner, parent or “next of kin” of the employee must provide written certification from a health care provider regarding the injured service member’s injury or illness.

3. The first time an employee requests leave because of a qualifying exigency, the employee is required to provide the County with a copy of the covered military member’s active duty orders or other documentation issued by the military which indicates that the covered military member is on active or called to active duty in a foreign country with the dates of active duty service. New active duty orders or similar documentation shall be provided to the County if the need for qualifying exigency leave arises out of a different active or call to active duty status of the same or a different covered military member.

4. Failure to provide satisfactory verification of the necessity for Family Leave is grounds for denial of the Family Leave.

Section 16. LEAVE LANGUAGE WORKING GROUP

Upon adoption of the MOU, the County and OCEA agree to establish a working group to clarify language regarding Leaves of Absences, including streamlining language for understandability.
ARTICLE V VACATION

Section 1. Vacation Accrual

A. During the first three (3) years of employment, a full-time employee in a regular or limited-term position shall earn .0385 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately eighty [80] hours per year). Part-time employees will earn vacation on a pro-rated basis. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty (120) hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee's vacation accrual account only upon completion of each pay period.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service (20,800 regularly scheduled hours), an employee in a regular or limited-term position shall earn .0777 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty (160) per year), under the same terms and conditions as under subsection B., above.

D. The maximum allowable vacation credit an employee may accrue at any one time for employees with less than ten (10) years of continuous County service shall be three hundred twenty (320) hours. The maximum allowable vacation credit an employee may accrue at any one time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be four hundred (400) hours. An employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

E. Employees in the class of Senior Real Property Agent shall earn an additional .0193 hours of vacation for each hour of pay during the regularly scheduled workweek, but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such additional credit shall be applied to vacation accrual account only upon completion of each pay period. The maximum allowable vacation credit at any one (1) time for employees with less than ten (10) years of continuous County service shall be three hundred twenty (320) hours. The maximum allowable vacation credit at any one (1) time for employees with ten (10) or more years of continuous County service (20,800 regularly scheduled hours) shall be four hundred (400) hours.
employee who has accrued the maximum allowable vacation credit will not accrue additional credit until the employee’s vacation credit drops below the maximum allowed.

Section 2. **General Provisions**

A. Employees with annual leave balances must use accrued annual leave prior to use of vacation leave, until all annual leave has been taken, with the exception of Section 2.C.

B. Not more than eighty (80) hours of paid time may be credited toward accrual of vacation credit in any pay period.

C. Employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off. Employees with eighty (80) or more hours of Annual Leave, regardless of years of County service, may elect to use a maximum of sixty (60) Vacation hours during the fiscal year for approved time off.

D. Approved unpaid leaves, including Non-Medical Discretionary Leave of Absence, Non-Occupational Disability Leave, unpaid Family Leave, or Parenthood Leave shall cause the aforementioned ten (10) years (Article V, Sections 1.C. and E.) of full-time County service to be postponed a number of calendar days equal to the approved unpaid Leave.

E. When an employee’s County service consists of part-time regular service or a combination of full-time regular and part-time regular service, both periods of service shall apply towards the required ten (10) years (Article V, Sections 1.C. and E.) of County service, with the part-time service being applied proportionately to the appropriate full-time interval.

F. Additional vacation earned during the period of vacation may be taken consecutively.

G. In any use of vacation, an employee’s account shall be charged to the nearest quarter hour.

H. Vacation shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

I. No scheduled vacation will be cancelled by the agency/department, except in cases of emergency.

J. Illness while on paid vacation will be charged to healthcare leave rather than vacation only under the conditions specified in Article IV, Section 1.B.5.
K. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Suppression Volunteer, Election Board Officer or Election Night Help.

L. An employee separating from County service for reasons other than paid County retirement shall be paid for all accrued vacation in a lump sum payment. An employee who is separating from County service by way of paid County retirement may elect either to take time off for his or her vacation or to be paid for his or her vacation in a lump sum payment.

M. When a person is reemployed in a regular or limited-term position, the Chief Human Resources Officer may, upon the request of the agency/department, apply the period of previous County continuous service for the purpose of determining vacation earning rates.

Section 3. Vacation Cash Out

A. Vacation Cash Out Where Employee Has No Annual Leave Balances
   1. After annual leave has been exhausted, except as provided in 3.A.2. below, during each fiscal year, an employee may request to be paid for accrued vacation in either two (2) separate increments of up to thirty (30) hours each or one (1) increment of up to sixty (60) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment of vacation remain unchanged.

   2. After annual leave has been exhausted, during each fiscal year, an employee in the class of Senior Real Property Agent may request to be paid for accrued vacation in either two (2) separate increments of up to forty (40) hours each or one (1) increment of up to eighty (80) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible.

   3. After annual leave has been exhausted, during each fiscal year, employees in the following classes may request to be paid for accrued vacation in either two (2) separate increments of up to thirty five (35) hours each or one (1) increment of up to seventy (70) hours. Such payment shall be made upon request unless the agency/department determines it is not economically or operationally feasible. In such case, payment shall be made as soon as feasible. It is the intent of this provision that the current practice regarding payment for vacation remain unchanged.

B. **Vacation and Annual Leave Cash Out Where Employee Has Annual Leave**

1. An employee with an annual leave balance may cash out vacation time if the employee’s accrued vacation bank is such that she/he will reach the applicable cap (as set forth in Section 1.D. and 1.E, above) some time during the fiscal year unless the employee is able to cash out vacation time.

2. If an employee’s vacation balance will reach the applicable cap some time during the fiscal year, an employee may cash out vacation or any combination of vacation leave and annual leave, to an aggregate total of one hundred twenty (120) hours each fiscal year, except if an employee has eighty (80) or more hours of Annual Leave, then they may cash out vacation or any combination of vacation leave and annual leave to an aggregate total of one hundred twenty (120) hours each fiscal year regardless of whether they will reach the applicable cap some time during the fiscal year.
ARTICLE VI       ANNUAL LEAVE PLAN PROVISIONS

The Annual Leave provisions shall apply to regular and limited term employees hired on or after July 15, 1977, and before the implementation of the 2019-2023 MOU June 21, 2019.

Section 1.  Cessation of Annual Leave, Transition Time Period to Use Annual Leave

A. Effective as soon as practicable following adoption of the MOU by the Board of Supervisors, employees will no longer accrue Annual Leave. Instead, employees will accrue Healthcare Leave and Vacation time pursuant to Article IV, Section 1 and Article V, Section 1.

B. Annual Leave must be exhausted prior to any use of Healthcare Leave or Vacation Leave, except employees with Annual Leave balances and with ten (10) years of continuous full-time County service (20,800 regularly scheduled hours) may elect to use a maximum of forty (40) Vacation hours during the fiscal year for approved time off.

C. During the ninety (90) day period beginning thirty (30) days after the adoption of this MOU, employees will have a one-time opportunity to convert Annual Leave that has been accumulated prior to the implementation of this MOU to Healthcare Leave.

Section 2. Use of Annual Leave for Illness or Injury

A. Annual Leave may be applied to:

1. An absence necessitated by the employee’s personal illness, injury or disability due to pregnancy or childbirth.

2. Medical and dental office appointments when absence during working hours for this purpose is authorized by the department.

3. Absence due to exposure to a contagious disease when quarantine is imposed by health authorities or when it is determined by a physician designated by the County that the presence of the employee on duty would endanger the health of others.

4. Absence from duty because the employee’s presence is needed to attend to the serious illness of a member of his or her immediate family. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, stepparent, brother, sister, wife, husband, child, stepchild, grandparent or legal ward.
5. Absence from duty because: (1) the employee's presence is needed to attend to the diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee's family member; or (2) an employee is a victim of domestic violence, sexual assault, or stalking and the employee uses the leave time for the purposes described in Labor Code sections 230(c) and 230.1(a). Use of this leave is limited to the time period specified in Labor Code section 233, except as to extra help employees, who will be limited to three (3) days provided they meet the requirements set forth in the Healthy Workplaces, Healthy Families Act of 2014 (Labor Code sections 245-249). For purposes of this Subsection “family member” means child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling as those terms are defined by Labor Code section 245.5(c).

For those extra help employees who qualify for paid healthcare leave under Labor Code section 246, the first three days or 24 hours, whichever is greater, of annual leave taken each 12 month period will be considered healthcare leave used pursuant to the Healthy Workplaces, Healthy Families Act of 2014. The 12 month period is July 1 through June 30 for employees hired prior to July 1, 2015. For employees hired on or after July 1, 2015, the 12 month period is the 12 month period beginning on the employee's hire date.

6. Absence from duty because of personal emergencies not to exceed thirty (30) annual leave hours during the fiscal year.

7. An absence due to an air pollution alert which prevents the employee from traveling to his or her work location.

B. An employee may be required to furnish a certificate issued by a licensed physician or registered nurse or other satisfactory evidence of illness, injury or medical condition, or medical or dental office calls when the department has notified the employee in advance of such a requirement or when the employee has been under the care of a physician.

C. Annual Leave shall not be applied to absences which occur on a County holiday.

Section 3. Use of Annual Leave for Vacation

A. Calendared annual leave, including vacations, shall be scheduled for employees by their agency/department; however, consideration shall be given to effectuating the wishes of those employees requesting specific vacation periods.

B. No scheduled annual leave will be cancelled by the agency/department except in cases of emergency.
C. No employee shall be required to return to work for the County in any capacity during the time of his or her paid annual leave from the County service, except in cases of emergency.

D. No employee shall be permitted to work for compensation for the County in any capacity during the time of his or her paid vacation from the County service except as a Fire Suppression Volunteer, Deputy Sheriff-Emergency Service, Election Board Officer or Election Night Help.

Section 4. General Provisions

A. In any use of annual leave, an employee’s account shall be charged to the nearest quarter hour.

B. The parties agree that the Annual Leave Plan shall not impact compensation, compensation earnable or final compensation as defined by the 1937 Retirement Act, above or below that to which employees would have been entitled prior to this agreement. If a court should decide that benefits under this plan, or analogous benefits, increase compensation, compensation earnable or final compensation above that to which employees would have been entitled prior to this agreement, the parties agree to meet and confer regarding employee/employer responsibility for funding said increase. Increased costs shall not be automatically assumed by the County.

Section 5. Annual Leave Payoff Provisions

A. During each fiscal year, an employee with Annual Leave balances may cash out Annual Leave as follows:

1. An employee who has less than 600 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 60 hours of Annual Leave; an additional 60 hours may be requested, with its payout at the discretion of the Department/Agency Head.

2. An employee who has 600 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 120 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 600 hours, at which point cash out procedures will be governed by Section 5. A.1, above.

B. An employee separating from County service shall be paid in a lump sum payment from the unused annual leave balances as provided below:

<table>

<tr>
<th>Years of Service</th>
<th>Maximum Payoff</th>
</tr>
</thead>
</table>

SM - 69
Less than 3 years  240 hours maximum paid at 100%
3 but less than 10 years  320 hours maximum paid at 100%
10 or more years  A maximum of 1600 hours of the accrued annual leave balance has cash value. 400 hours are paid at 100%; the remaining balance after the 400 hours are deducted, obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 12 years of service equals 24% cash value for remaining balance; 25 or more years of service equals 50% cash value of the remaining balance after deducted from the 1600 hours maximum.

Notwithstanding the above, for employees with less than 10 years of service, no employee may receive a payoff paid at 100% that exceeds 320 hours for combined accrued vacation and annual leave. For employees with 10 or more years of service, no employee may receive a payoff paid at 100% that exceeds 400 hours for combined accrued vacation and annual leave. Accrued vacation will be paid at 100% up to the accrual limits specified in Article V, Sections 1.D. and E. Remaining hours, up to the accrual limits specified in Article V, Sections 1.D. and E., will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article V, Section 2.L.), will be considered as a payoff for purposes of this provision.)

Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours.

C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service will be prorated.

D. An employee separating from County service by way of paid County retirement may elect either to take annual leave as time off or be paid for his or her annual leave in a lump sum payment. The amount of annual leave which can be taken as time off shall be limited to the amount of hours the employee is eligible to receive at 100%. The remaining balance (up to the allowed maximum less the hours taken as time off) shall be paid in accordance with the annual leave payoff provisions above.

E. Notwithstanding the above, any Annual Leave taken as time off during the final two (2) pay periods of employment with the County will be deducted from the Annual Leave payoff provisions set forth above. This provision shall not apply to the use of Family Leave, Pregnancy Disability Leave, Workers
Compensation Leave, or other statutorily protected leave during the final two (2) pay periods of employment.

B. If a holiday falls on a Saturday but is observed on the preceding Friday by the Municipal and/or Superior Courts, employees who have been designated by the County as being necessary to the operation of said courts may be allowed to observe the Court observed Friday holiday in lieu of the Saturday holiday provided such employees are given notice of their work schedule change not less than thirty (30) calendar days prior to the holiday.

C. Except as provided in E., below, when a holiday other than Christmas Day falls on a Sunday, the next day shall be observed as the holiday. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases, the employee may, with agency/department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.

D. Except as provided in E., below, when New Year's Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday.

F. Employees Regularly Scheduled to Work on the Holiday

1. Employees in the classifications of Supervising Fee Station Attendant, Landfill Maintenance Crew Supervisor or Landfill Operations Supervisors who are required to work on New Year’s Day (January 1), Independence Day (July 4) or Christmas Day (December 25) will observe the holiday on a Saturday or Sunday when the holiday falls on a Saturday or Sunday.
2. Employees of Orange County Parks and Orange County Animal Care who are required to work on the holiday will be permitted to observe the holiday on a Saturday or Sunday when the holiday falls on a Saturday or Sunday.

E. When Christmas Day falls on a Sunday, the next day (Monday) shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases, the employee may, with agency/department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the following Monday.

F. When Christmas Day falls on a Saturday, the Friday immediately preceding shall be observed as the holiday unless an employee is required to work on December 25 as part of his or her normal work schedule. In such cases, the employee may, with agency/department approval, observe the holiday on December 25. Under no circumstances shall an employee receive holiday compensation for both December 25 and the Friday immediately preceding.

Section 2. Eligibility for Holiday Pay

A. An employee must be paid for all or a portion of both the regularly scheduled working assignment immediately prior to a holiday and the regularly scheduled working assignment immediately after that holiday in order to receive holiday pay. With County approval, compensatory time earned for working on a holiday or for a holiday falling on a regularly scheduled day off may be taken on the first scheduled working day after the holiday.

B. A new employee whose first working day is the day after a holiday shall not be paid for that holiday.

C. An employee who elects paid County retirement on a holiday shall be paid for the holiday.

D. An employee who is terminating employment for reasons other than paid County retirement and whose last day as a paid employee is the day before a holiday shall not be paid for that holiday.

E. Only regular, limited-term and probationary employees shall be eligible for holiday pay.

Section 3. Holiday Pay

A. On each of the holidays designated in Article VII, Section 1.A full-time employee scheduled to work, but permitted to take the day off, shall receive pay computed at the employee's basic hourly rate for the number of hours the employee was regularly scheduled to work on the holiday.
B. On each of the holidays designated in Article VII, Section 1, a part time employee scheduled to work but permitted to take the day off shall receive pay computed at the employee’s basic hourly rate for the number of hours the employee was regularly scheduled to work on the holiday.

C. Compensation for Holidays Falling on Scheduled Days Off

1. When a holiday falls on a full-time employee’s regularly scheduled day off, the employee shall receive eight (8) hours of compensatory time.

2. A part-time employee shall receive compensatory time at the rate of one (1) hour for each five (5) hours of regularly scheduled work in the workweek to a maximum of eight (8) hours of compensatory time.

D. Compensation for Work on Holidays

1. An employee who is required to work on Columbus Native American Day, Veteran's Day, Day after Thanksgiving, Martin Luther King, Jr.'s Birthday, Lincoln's Birthday or Washington's Birthday and who meets the eligibility requirements contained herein shall receive his or her regular pay for each hour worked. Work performed on a holiday which is overtime as defined in Article I, Section 1.A., shall be compensated as provided in Article I, Section 2.C.1.

2. An employee who is required to work on Christmas Day, New Year's Day, Memorial Day, Independence Day, Labor Day or Thanksgiving Day shall receive pay computed at one and one-half (1 1/2) times the employee's basic hourly rate for the number of hours actually worked.

3. An employee who is required to work on a holiday and who meets the eligibility requirements contained herein shall receive, in addition to pay as provided in B.1 or 2. of this Section, compensatory time for each hour worked to a maximum of eight (8) hours.

E. There shall not be any duplication or pyramiding of rates paid under this Section. The total amount of holiday pay received under Section 3.A above and holiday compensatory time received under Section 3.C above, shall not exceed the total number of hours that the employee is regularly scheduled to work on a shift.

F. Holidays which fall during an employee's vacation period shall not be charged against the employee's vacation or annual leave balance.

G. Full-time employees who are on a pay status during the pay period which includes March 1 each fiscal year during the term of this Agreement shall be credited with two (2) hours of compensatory time at the end of the pay period which includes that date. Part-time employees whose regularly assigned
work schedule is at least twenty (20) hours per week shall, in like manner, earn and be credited with one (1) hour of compensatory time.

H. Compensatory time earned under the provisions of this Section may be granted as compensatory time off or paid for at the discretion of the County, as provided in Article I, Section 2.C.2. of this Agreement.
ARTICLE VIII  REIMBURSEMENT PROGRAMS

Section 1.  Mileage Reimbursement

A.  Subject to the current Vehicle Rules and Regulations established by the Board, an employee who is authorized to use a private automobile in the performance of duties shall be reimbursed for each mile driven in the performance of his or her duties during each monthly period as follows:

1.  Through December 31, 1994 the reimbursement rate shall be thirty-nine (39) cents per mile.

2.  Except as provided in A.4., below, effective January 1, 1995 through June 22, 1995, the reimbursement rate shall be thirty-four (34) cents per mile.

3.  Except as provided in A.4., below, effective June 23, 1995, the reimbursement rate shall be the Internal Revenue Service Standard Mileage Rate for the Business Use of a Car.

4.  Effective January 1, 1995, for an employee who drives two hundred-fifty (250) or more miles in any calendar month in the performance of his or her duties the reimbursement rate shall be thirty-nine (39) cents per mile for each mile driven that month in the performance of his or her duties.

5.  Effective January 1, 2006, employees who drive two-hundred fifty (250) or more miles in any calendar month in the performance of their duties shall be reimbursed at a differential rate of ten (10) cents per mile above the standard IRS mileage rate for each mile driven that month in the performance of his or her duties.

6.  There shall not be any duplication or pyramiding of reimbursement rates paid under this Section.

B.  An employee who is required by the County to furnish a privately-owned vehicle for the performance of his or her duties shall receive a minimum of ten (10) dollars in any month in which the actual mileage reimbursement would otherwise be less than ten (10) dollars.  The minimum shall not apply in any month:

1.  in which the employee has not actually worked eighty (80) hours;

2.  unless the employee claims the ten (10) dollar minimum and the agency/department certifies that the employee was required to use a privately-owned vehicle on County business.
Section 2. **Personal Property Reimbursement**

Employees shall, in proper cases, be reimbursed for the repair or replacement of personal property damaged in the line of duty without fault of the employee. The amount of reimbursement for articles of clothing shall be the depreciated value based on the age and condition of the article. Reimbursement for a watch shall be limited to the functional value of the watch.

Section 3. **Tools**

A. Employees as designated below who are required to furnish their own tools shall be eligible for reimbursement for tool purchases to a maximum of six-hundred and twenty five (625) dollars per fiscal year. Eligible employees shall include employees in the following classes:

   Automotive Mechanic Leadworker
   Equipment Mechanic Leadworker

B. Persons employed as Senior Communications Technician - Supervisory who are required to furnish their own tools shall be eligible for reimbursement for tool purchases to a maximum of four hundred (400) dollars per fiscal year.

C. Persons employed as Senior Equipment Welder who are required to furnish their own tools shall be eligible for reimbursement for tool purchases to a maximum of four hundred twenty-five (425) dollars per fiscal year.

D. The County shall replace or furnish insurance protection for employee-owned trades and crafts tools required by the agency/department to be used in the performance of the employee's duties against loss sustained on County-owned or controlled property resulting from theft and arising out of the activities related to the employee's regularly assigned work duties provided that loss attributable to negligence of the employee shall not be covered. For each incident, a deductible of fifty (50) dollars will be applied to each employee's loss. The payment of claims under such coverage shall not be appealable under the grievance procedure.

E. If stolen tools are recovered in an undamaged condition and replacement tools have been secured, the employee shall return to the County the replacement tools. When the replacement tools are returned to the County, the employee shall receive from the County a fifty (50) dollar cash refund in consideration of the fifty (50) dollar deductible. If replacement tools have not been secured, the employee shall return all reimbursement funds received from the County.

Section 4. **Calculator Allowance**

A. The County shall pay a ten (10) dollar annual calculator allowance to Eligibility Supervisors who do not otherwise have access to a County provided
calculator. Said allowance shall be paid to Eligibility Supervisors who furnish a calculator for use in performing their duties subject to the following conditions:

1. Eligible employees must submit a claim on or before August 31 of each year on a form provided by the County for that purpose.

2. The County shall not be held liable for the purchase, replacement, maintenance or repair of any calculators, batteries or other appurtenances furnished by the employee pursuant to this provision.

B. The annual calculator allowance shall be payable in September of each year during the term of this Memorandum of Understanding.

Section 5. Boots

A. Employees listed in B. below, who are required to furnish their own safety work boots shall be eligible for reimbursement up to a maximum of three hundred dollars ($300) per fiscal year. Per C. below, a Department Head may authorize the provision of safety work boots for employees in additional classifications who are required to furnish their own safety work boots, up to a maximum of three hundred dollars ($300) per fiscal year. As designated by the Department Head, compensation for safety work boots may be provided through a stipend, boot-mobile, voucher or a reimbursement.

Employees in the below listed classes who are required to furnish their own safety workboots shall be eligible for reimbursement up to a maximum of one hundred and fifty (150) dollars per fiscal year.

B.

1. Landfill Operations Supervisor
   Landfill Operations Superintendent
   Maintenance Crew Supervisor I,II,III,IV

7.1. Maintenance Crew Supervisor I, II, III, IV
8.1. Public Works Maintenance Supervisor I
9.1. Public Works Maintenance Supervisor I/Vegetation
10. Senior Integrated Pest Management Technician

42.2. C. Employees in the below listed classes that are regularly assigned field assignments and who are required to furnish their own safety workboots shall be eligible for reimbursement up to a maximum of one hundred and fifty (150) dollars per fiscal year:

- Craft Supervisor I, II
- Senior Land Surveyor
- Senior Engineering Technician
- Supervising Engineering Technician I, II, III
- Supervising Maintenance Inspector Specialist
- Surveyor III

43.3. D. Employees of the Orange County Public Works Dept. (OCPW) in the below listed classes that are regularly assigned field or wilderness assignments and who are required to furnish their own safety work boots shall be eligible for reimbursement up to a maximum of $150 per fiscal year:

- Senior Environmental Resources Specialist
- Senior Agricultural Standards Inspector
- Senior Civil Engineer (Some assignments, as determined by management, may only be eligible for safety work boots every other year, when the assignment does not require daily field work)

C. For employees in classifications not listed in B., above, but who are authorized by the Department Head to receive safety work boots, the following applies:

1. As a result of their duties, the employees are required to wear safety compliant work boots.

2. There is written documentation on file of the Risk Management and/or the Department Safety Manager assessment and the justified business need for the employees to wear safety compliant work boots.

3. There is written documentation on file detailing the classifications that qualify for safety work boots. The documentation shall be based on classification within the department or specific division/s – unit/s.
4. If the safety work boots are not required to be worn frequently (e.g.,
twice weekly) the Department Head may authorize provision of safety
work boots on a less frequent basis.

5. The department is able to absorb any increased costs within its existing
budget.

6. Employees are only entitled to receive one form of safety work boot
 provision (i.e., stipend, boot mobile, voucher or reimbursement per
fiscal year or as otherwise described above).

C. Each department has the option to implement specific safety work boot
policies for employees in the designated and/or approved classification who
are required to wear compliant protective footwear.

G. The parties agree to establish a working group to identify additional
classifications or to develop a policy for identifying classifications and/or
positions qualifying for safety boot reimbursement.

H. During the first year of this contract, a Department Head in conjunction with
Risk Management may authorize provision of safety work boots through a
boot-mobile, voucher, or a reimbursement of a maximum of $150 per fiscal
year for additional positions/employees that as a result of their duties are
required to wear safety compliant work boots on a regular basis.

Section 6. Educational and Professional Reimbursement

A. Effective the first full day of the first full pay period following adoption of the
MOU, eligible employees may receive educational and professional
reimbursement at a maximum of $10,000 per fiscal year. Terms and
conditions for this reimbursement are set forth in the Personnel and Salary
Resolution (PSR).
ARTICLE IX DISCIPLINARY ACTION

Section 1. Reprimand and Substandard Performance Evaluation

A. No regular, limited-term or probationary employee shall receive a written reprimand or a substandard performance evaluation except for reasonable cause.

B. A written reprimand or substandard performance evaluation (i.e., a rating of “does not meet performance objectives”) given to a regular, limited-term or probationary employee may be appealed through the grievance/appeal procedure. Such appeal shall be initiated at Step 1 of the grievance/appeal procedure.

Section 2. Emergency Suspensions of Five Days or Less

A. In suspending a regular, limited-term or probationary employee for five (5) days or less when it is necessary to remove the employee from the work site immediately because of a potential emergency situation, including, but not limited to, situations that may endanger life or property the employee shall:

1. whenever practicable, be given an opportunity to respond to the proposed suspension to a designated agency/department representative with the authority to make an effective recommendation on the proposed suspension prior to the suspension becoming effective;

2. be informed of the employee's right to representation in the response;

3. be informed of the employee's right to appeal should the proposed suspension become final.

B. In such emergency suspensions, the procedural requirements of Section 3., below, shall be complied with within ten (10) days following the effective date of the disciplinary action.

Section 3. Pre-Disciplinary Hearing for Suspension, Reduction or Discharge

A. In suspending an employee in a non-emergency situation or in reducing a regular, limited-term or probationary employee for reasons of unsatisfactory performance or physical disability or in discharging a regular or limited-term regular employee, a written notice of such proposed disciplinary action shall be served on the employee personally, or by certified mail, at least ten (10) calendar days prior to the effective date of the proposed action. Such written notice shall contain:

1. a description of the proposed action and its effective date(s);
2. a statement of the reasons for such proposed action, including the acts or omissions on which the proposed action is based;

3. copies of material on which the proposed action is based;

4. a statement of the employee's right to respond, either orally or in writing, prior to the effective date of such proposed action;

5. a statement of the employee's right to representation;

6. a statement of the employee's right to appeal should such proposed action become final.

B. Prior to the effective date of such suspension, reduction or discharge, an employee will be given an opportunity to respond either orally or in writing, at the employee's option, to a designated agency or department representative with the authority to make an effective recommendation on the proposed disciplinary action.

C. An employee shall be given reasonable time off without loss of pay to attend a hearing pursuant to this Article.

D. An employee may represent himself or herself or may be represented by OCEA in a hearing pursuant to this Article.

E. An employee shall receive written notice either sustaining, modifying or canceling a proposed discharge on or prior to the effective date of such action.

F. An employee shall receive written notice either sustaining, modifying or canceling a proposed suspension or reduction prior to the effective date of such action except that such written notice may be given after the imposition of suspensions pursuant to Section 2, above.

G. Should a proposed reduction or suspension become final, an employee shall have the right to appeal such action pursuant to Sections 4. and 5. of this Article.

H. Should a proposed discharge become final, an employee shall have the right to appeal such action pursuant to Section 6. of this Article.

Section 4. Suspension

A. No regular, limited-term or probationary employee shall be suspended except for reasonable cause.

B. A written notice of such suspension stating specifically the cause of the suspension shall be given to the employee.
C. In accordance with the provisions of Article X, an appeal of suspension shall be initiated at Step 2 of the grievance/appeal procedure, except for suspensions imposed by the County Executive Officer, which may be referred directly to arbitration.

Section 5. Reduction

A. No regular employee or limited-term regular employee shall be reduced to a position in a lower class for reasons of unsatisfactory performance or physical disability except for reasonable cause.

B. A written notice of such reduction stating specifically the cause of the reduction shall be given to the employee.

C. In accordance with the provisions of Article X, an appeal of reduction for reasons of unsatisfactory performance or physical disability shall be initiated at the Step 2 of the grievance/appeal procedure; except for reductions imposed by the County Executive Officer which may be referred directly to arbitration.

Section 6. Discharge and Right of Appeal

A. No regular or limited-term regular employee shall be discharged except for reasonable cause. No proposed discharge shall be effected unless approved by the Chief of Employee Relations except for discharges imposed by the County Executive Officer.

B. A written notice of such discharge stating specifically the cause of the discharge shall be given to the employee.

C. In accordance with the provisions of Article X, a discharge may be appealed directly to arbitration.

Section 7. Polygraph Examination

No employee shall be compelled to submit to a polygraph examination. No disciplinary action whatsoever shall be taken against an employee refusing to submit to a polygraph examination; nor shall any comment be anywhere recorded indicating that an employee offered to take, took or refused to take a polygraph examination unless otherwise agreed to in writing by the parties; nor shall any testimony or evidence of any kind regarding an employee's offer to take, refusal to take, or the results of a polygraph examination be admissible in any proceeding pursuant to this Agreement, unless otherwise agreed to in writing by the parties.
Section 8. **Investigatory Meetings**

A. An employee required to attend an investigatory meeting shall receive advance notice of such meeting. Such notice shall include:

1. A statement of the reasons for such meeting, including the subject matter and the fact that the meeting could lead to discipline, and

2. A statement of the employee's right to representation.

B. All investigatory meetings shall be scheduled to allow an employee a reasonable opportunity to obtain representation. Whenever practicable, such notice shall be given at least three (3) working days prior to the meeting.

C. An employee may represent himself or herself or may be represented by OCEA in an investigatory meeting. An employee is not entitled to be represented by privately retained counsel at the meeting, provided, however, an employee eligible for Legal Defense Fund coverage (LDF) under PORAC or any other OCEA-approved LDF provider shall be entitled to be represented by privately retained counsel obtained through that coverage during the investigatory process including, but not limited to, the investigatory meeting.
ARTICLE X  GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A.  A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee's wages, hours or conditions of employment.

B. Specifically excluded from the scope of grievances are:

1. subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2. matters which have other means of appeal;

3. position classification;

4. performance evaluations with a rating of “meets” or “exceeds” performance objectives.

Section 2.  Basic Rules

A. If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B. If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C. If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure. By mutual agreement of the County and OCEA, any step of the procedure may be waived.

D. The Chief of Employee Relations may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, agency/department-wide or County-wide basis in an emergency situation. OCEA may appeal this decision to the Board of Supervisors.

E. A grievance alleging discrimination shall first be referred to the County Equal Employment Opportunity (EEO) Office for intake, review, and if applicable, investigation. The grievant/appellant and, if applicable, the OCEA representative shall be notified in writing of the grievance being referred to the EEO Office. The timelines for a grievance alleging discrimination may be held in abeyance by mutual agreement until the EEO Office has completed its intake, review, and if applicable, investigation. Once the EEO Office has
completed the intake, review, and if applicable, investigation, the

grievant/appellant and, if applicable, the OCEA representative shall be

notified in writing and the time limits for processing the grievance shall

resume, unless timelines are extended by mutual agreement.

F. Upon written consent of the parties (i.e., the representatives of the County

and the employee or his or her representative), the time limits at any step in

the procedure may be extended.

G. Every reasonable effort shall be made by the employee and the

County to resolve a grievance/appeal at the lowest possible step in the

grievance/appeal procedure.

H. No claim shall be granted for retroactive adjustment of any grievance

prior to sixty (60) calendar days from the date of filing the written grievance.

I. In order to encourage frank discussion and compromise in

attempting to resolve grievances and other labor disputes, the County and

OCEA agree that the files of the respective parties concerning such matters

shall be confidential, except that this shall not restrict any access that either

party might otherwise have to the other’s files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a

grievance. No employee or group of employees shall be hindered from or

disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they

may, and if requested by the County must, collectively present and pursue

their grievance if they report to the same immediate supervisor.

C. If the grievant is a group of more than three (3) employees, the group shall,

at the request of the County, appoint one (1) or two (2) employees to speak

for the collective group. To be considered a grievant in a group grievance,

each employee must be individually identified as a grievant when the

grievance is submitted at Step 2.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by

OCEA in the formal grievance/appeal procedure. An employee is not entitled

to be represented by privately retained counsel during the grievance process

or arbitration hearing. Provided, however, an employee eligible for Legal

Defense Fund coverage (LDF) under PORAC or any other OCEA-approved

LDF provider shall be entitled to be represented by privately retained counsel

obtained through that coverage during the grievance process and/or

arbitration hearing.
B. Authorized grievance/appeal representatives shall be regular employees in the same agency or department as the grievant/appellant who are members of and are designated by OCEA to represent employees for purposes of the grievance/appeal procedure. OCEA shall notify agency heads of the names and titles of such representatives and send a copy of such notice to the Chief of Employee Relations quarterly.

C. If an employee chooses not to be represented by OCEA, OCEA may have staff representatives present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present OCEA's interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and OCEA.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant
or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and

   b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.

Step 1: Agency/Department Head

An employee may formally submit a grievance to the agency/department head, or their designee, within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the agency/department head, or his or her designee(s), shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2: Chief of Employee Relations

If the grievance/appeal is not settled under Step 1 and it concerns:

   a. an interpretation or an application of this Memorandum of Understanding;
b. a performance evaluation rating of “does not meet performance objectives”;

c. deferral or denial of a merit increase, or a dispute about the number of steps granted;

d. a written reprimand; or

e. a release from new hire probationary release alleging discrimination pursuant to Article III, Section 1.C.3; or

d. a release from promotional probation alleging discrimination pursuant to Article III, Section 1.C.3.

Items a., b., c., or d., above, it may be appealed in writing to the Chief of Employee Relations within seven (7) calendar days after receipt of the written decision from Step 1. Items e. or f., above, or an appeal of suspension and/or a reduction ordered by an agency/department head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief of Employee Relations or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief of Employee Relations in Bb., Cc. and Dd., above, shall be final and binding and shall not be referable to arbitration.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or
separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure
   a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief of Employee Relations within seven (7) calendar days from the date the decision was rendered.
   b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief of Employee Relations within ten (10) calendar days from the date the action becomes final.
   c. All disciplinary appeals shall be signed by an employee or by a representative of OCEA and shall be submitted in writing.
   d. The issues in all disciplinary appeals shall be: Was (employee's name)suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of the MOU?
   e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief of Employee Relations, an arbitrator shall hear the appeal.

2. Findings of Facts and Remedies
   a. Findings of Facts
      An arbitrator's decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:
   b. Remedies - All Disciplinary Actions (Other than Discharge)
      1. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.
      2. Suspensions/Reductions
      If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.
c. Remedies - Discharges

1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.

   a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and OCEA?

   b. If so, what shall the remedy be under the provisions of Article X, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and OCEA?

2. Findings of Facts and Remedies

   a. In the event the arbitrator finds no violation of Article XVII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.

   b. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.

   c. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the
arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

1. The probationary release may be sustained.

2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. Except as otherwise required by law, the cost of an arbitrator all costs of arbitration shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.

2. Grievance/Appeal hearings by an arbitrator shall be private.

3. Arbitration appeal hearings of a release from new hire probation alleging discrimination pursuant to Article III, Section 1.C.3 shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternate strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date,
the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:

a. Oral evidence shall be taken only on oath or affirmation.

b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.
10. The parties agree to forego the use of briefs whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a new hire probation release or suspension.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief of Employee Relations within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend to normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI   LAYOFF PROCEDURE

Section 1.   General Provisions

A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B. This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.

C. When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) agency/department are transferred to another agency/department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.

D. Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.   Order of Layoff

A. When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their agency/department head shall be laid off in an order based on consideration of:

1. employment status,

2. past performance,

3. length of continuous service with the County.

B. Layoffs shall be made by class within an agency/department except that:

1. Where a class has a dual or multiple concept, the Chief of Employee Relations may authorize a layoff by specialty within the class.

2. Where appropriate, the Chief of Employee Relations may authorize a layoff by division or smaller unit of an agency/department.
C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Agency/Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Agency/Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Probationary</td>
<td>Layoff Points</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the agency/department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. OCEA may designate employees who are regular OCEA officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “does not meet performance objectives” on the last "Performance Evaluation Report," for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.
Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5 and 6, and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their agency/department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify their agency/department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their agency/department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her agency/department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on AGENCY/DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

The names of persons laid off shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5.

The names of persons who exercise their rights under Section 5. shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST
for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6.**

The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the AGENCY/DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

B. The names of persons laid off shall be placed on a COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower-ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

C. Names of persons placed on the AGENCY/DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:

1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.
2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.

D. In the event two (2) or more agencies/departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/department to another agency/department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to OCEA and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All healthcare leave credited to the employee's account or any unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining annual leave, healthcare leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Sections 1.B.1. and 1.B.2. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

B. An employee who has voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a regular or limited-term position in the class from which the employee reduced shall receive the following considerations:
1. The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay, or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher.

2. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer.

3. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

C. An employee who is voluntarily reduced under the provisions of this Article and is subsequently reemployed, within a two (2) year period from the date of reduction, in a class higher than the one from which the employee was reduced shall receive the following considerations:

1. The employee shall be deemed returned to the class from which the employee had been reduced as provided in B., above.

2. The employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.
ARTICLE XII  ON-THE-JOB INJURY, WORKERS' COMPENSATION SUPPLEMENT PAY

Section 1.  Treatment of Industrial Injuries

Whenever an employee sustains an injury or disability arising out of and in the course of County employment and requires medical care, the employee shall obtain treatment according to the provisions of the California Labor Code Section 4600 et seq., or California Labor Code 4850 for employees in the classification of Sheriffs Special Officer III. Upon exhaustion of 4850 Benefits, the following Workers’ Compensation Supplement Pay provision shall apply.

Section 2.  Workers' Compensation Supplement Pay

A.  Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall receive workers' compensation supplement pay which, when added to the workers' compensation temporary disability benefit, shall equal eighty (80) percent of the employee's base salary for a period not to exceed one (1) year including holidays.

B.  Workers’ compensation supplement pay shall begin the same day as the workers' compensation temporary disability benefits. Prior to qualifying for workers' compensation temporary disability benefits, an injured employee may, at his or her option, use any accrued healthcare leave, compensatory time, annual leave and/or vacation, in that order.

C.  While an employee receives workers' compensation supplement pay, no deductions nor payments shall be made from any healthcare leave, compensatory time, annual leave or vacation time previously accumulated by the employee. The employee shall not accrue healthcare leave, annual leave or vacation credit during the period in which the employee receives workers' compensation temporary disability benefits.

D.  When an injury is determined to be job related by the County or by the Workers' Compensation Appeals Board, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the fourth day of disability shall be restored to the employee's account(s), except that if the injury required the employee's hospitalization or caused disability of more than fourteen (14) days, eighty (80) percent of all healthcare leave, compensatory time, annual leave and/or vacation expended since the first day of disability shall be restored to the employee's account(s).

E.  The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days from the date of the injury shall be considered
County service for merit increase eligibility and completion of the probation period.

F. When an employee is no longer entitled to receive workers' compensation supplement pay, the employee may, at his or her option, use healthcare leave, compensatory time, annual leave and/or vacation, in that order, if the employee is compelled to be absent from duty as set forth in Paragraph A., above.

G. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of healthcare leave, vacation and annual leave earning rates.

Section 3. Exposure to Contagious Diseases

Whenever an employee is compelled by direction of a County-designated physician to be absent from duty due to an on-the-job exposure to a contagious disease, the employee shall receive full compensation for a period not to exceed eighty (80) working hours for a full-time employee or fourteen (14) calendar days for a part-time employee. If the absence extends beyond the applicable period, healthcare leave, compensatory time, annual leave and/or vacation may be used, at the employee’s option, in that order.
ARTICLE XIII     SAFETY

Section 1.  General Provisions

Recognizing that a safe work environment is of substantial benefit to both the County and employees, the County and OCEA agree to the following safety program:

A. No employee shall be required to work under conditions dangerous to the employee's health or safety.

B. The County shall make every reasonable effort to provide and maintain a safe place of employment. OCEA shall urge all employees to perform their work in a safe manner. Employees shall be alert to unsafe practices, equipment and conditions and report any such unsafe practices, equipment or conditions to their immediate supervisors. Employees shall follow safe practices and obey reasonable safety rules during the hours of their employment.

C. Any employee who either does not receive an answer to a safety-related question from his or her supervisor within three (3) days or receives an answer which the employee deems unsatisfactory may directly contact the County Safety Officer.

D. Any employee who is directed to perform a task which the employee in good faith feels is unsafe may request an immediate investigation from the Safety Officer. During the period that the Safety Officer is conducting an investigation, the employee will be assigned to other work at no loss of earnings. If the Safety Officer concludes the task complained of is safe, the employee shall perform the work as instructed.

E. The County shall furnish all equipment which is necessary for employees to perform their job in a safe manner.

F. Wherever practicable, the County shall provide the necessary first aid kits in each location.

G. Wherever practicable, the County shall provide first aid training for one (1) employee at each new work location.

Section 2.  Safety Inspection

During inspection of County facilities conducted by the State Division of Occupational Industrial Safety and Health for the purpose of determining compliance with the California OSHA requirements, an OCEA designated employee shall be allowed to accompany the inspector while the inspector is in the employee's agency/department. The employee so designated shall suffer no loss of pay when this function is performed during the employee's regularly scheduled work hours.

SM - 105
Section 3. **Abatement of Violations**

In any instance in which the County is cited for a violation of CAL/OSHA, the County shall abate the cited hazard to health or safety within the abatement period required.

Section 4. **Safety Representatives**

A. Safety Representatives may be selected by OCEA to meet at least once a month, upon request, with a County designated supervisor or manager for each County facility to discuss matters affecting employee health and safety.

B. The number of Safety Representatives at each facility shall be determined as follows:

1. For facilities with fewer than one hundred (100) Bargaining Unit employees, one (1) Safety Representative may be selected.

2. For facilities with one hundred (100) or more Bargaining Unit employees, one (1) Safety Representative may be selected for each one hundred (100) Bargaining Unit employees or for each fraction thereof.

C. A Safety Representative who has received a safety or health complaint shall be given reasonable time off without loss of pay to gather appropriate information on such complaint provided that:

   1. The Safety Representative obtains permission from his or her supervisor prior to performing such work and reports back to the supervisor when the work is completed.

   2. The Safety Representative shall not leave his or her job to perform such work unless his or her supervisor determines that the employee's absence will not unduly interfere with the work of the unit in which the employee is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

   3. When an authorized Safety Representative must go into another section or unit to gather information regarding a safety or health complaint, the Safety Representative shall be permitted to do so provided that:

      a. the Safety Representative checks in and checks out with the supervisor of the unit; and

      b. he or she does not unduly interfere with the work of the unit.
Section 5. Resolution of Safety or Health Complaints

If a safety or health complaint is not satisfactorily resolved, the Safety Representative may request to meet with the County Safety Officer to resolve the complaint. If the complaint is not resolved, a grievance may be filed at Step 2 of the grievance procedure.
ARTICLE XIV  UNIFORMS AND SPECIAL EQUIPMENT

Section 1.  Uniforms

A.  The County will provide uniforms for regular employees in the following assignments:

1.  Resources and Development Management Department
   - Custodial Services Supervisor
   - Custodian Leadworker
   - Equipment Mechanic Leadworker
   - Maintenance Crew Supervisor I, II
   - Maintenance Crew Lead I, II
   - Sr. Agricultural Standards Inspector
   - Supervising Custodian I and II
   - Supervising Fleet Technician
   - Weed Abatement Supervisor

2.  Sheriff - Coroner Department
   - Chief Cook
   - Head Cook
   - Office Supervisor (A-D)
   - Senior Communications Technician
   - Senior Correctional Farm Supervisor
   - Senior Head Cook
   - Senior Information Technologist
   - Senior IT Network Engineer
   - Senior IT Security Administrator
   - Senior Sheriff’s Community Services Officer
   - Sheriff’s Correctional Services Assistant Trainee
   - Sheriff’s Special Officer III
   - Storekeeper I, II
   - Supervising Communications Technician
   - Supervising Forensic Specialist
   - Supervising Radio Dispatcher

B.  The County will continue the current system of providing and/or laundering uniforms for all other groups of employees in the Unit who are currently provided uniforms.

C.  The parties will establish a working group to review the issue of required uniforms for certain employees in the Orange County Public Works Department (OCPW). The working group will commence its work within 45 days of the adoption of the MOU with a goal of concluding the review within 90 days thereafter.
Section 2. **Special Equipment**

The County will provide employees in the class of Sheriff Special Officer III with firearms, batons, handcuffs and leather goods whenever these items are required by the County.
ARTICLE XV  OCEA AND EMPLOYEE RIGHTS

Section 1.  Employee Rights

The County shall not hinder or discipline an employee for exercising any rights or benefits provided in the Memorandum of Understanding.

Section 2.  Payroll Deduction

A. Membership dues of OCEA members in this Representation Unit and insurance premiums for such OCEA sponsored insurance programs as may be approved by the Board of Supervisors, shall be deducted by the County from the pay warrants of such members. The County shall promptly transmit the dues and insurance premiums so deducted to OCEA.

B. OCEA shall notify the County, in writing, as to the amount of dues uniformly required of all members of OCEA and also the amount of insurance premiums required of employees who choose to participate in such programs.

Section 3.  Employee Information Listing

Once each quarter, during the term of this Memorandum, the County shall provide OCEA with a listing of all current employees in this Unit. Such file shall include employee name, job classification, agency/department, timekeeping location, salary range and step. The County shall also provide OCEA with any other information needed pursuant to Article XIX, Section 3. OCEA agrees to pay all costs necessary to providing such lists.

Section 4.  Use of Bulletin Boards

Space shall be made available to OCEA on agency/departmental bulletin boards within the Representation Unit provided such use does not interfere with the needs of the agency/department and material posted is not derogatory to the County, County employees or other employee organizations. Notice shall be dated and signed by the authorized representatives of OCEA responsible for its issuance.

Section 5.  Use of County Facilities

OCEA may, with the approval of the Chief of Employee Relations, hold meetings of their members on County property during nonworking hours provided request is made to the Chief of Employee Relations as to the specific location and dates of the meeting prior to such meeting.
ARTICLE XVI MANAGEMENT RIGHTS

The County retains any rights, powers or authority it had prior to the signing of this Agreement except as those rights are or may during the term of this Agreement be directly or indirectly affected by this Agreement or applicable law. Such rights shall include, by way of example but not limitation, the right to manage the County and direct the work force, including the right to hire, select, discipline, transfer and assign work. Nothing in this provision shall be construed to restrict grievances concerning this Agreement or to limit or waive the rights of the parties pursuant to law or this Agreement.
ARTICLE XVII   NONDISCRIMINATION

Section 1.

The County and the Orange County Employees Association agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination as required by state and federal law.

Section 2.

OCEA shall not discriminate in membership or representation as required by state and federal law.
ARTICLE XVIII  POSITION CLASSIFICATION

Section 1.  The Establishment of New Classes

The County will provide OCEA an informational copy of the new class specification for any proposed class relevant to this Bargaining Unit. The County agrees to meet and confer with OCEA in an attempt to reach agreement on the salary range and probation period for any such proposed class before submitting the class to the Board of Supervisors for adoption.

Section 2.  Reclassification of a Position

A. Sections 3. and 4. shall apply only to individual classification problems or studies involving small numbers of employees where the issue is a question of allocating a position to the appropriate class. Classification Maintenance Reviews are excluded from the provisions of Sections 3. and 4.

B. Classification Maintenance Review is defined as 1) any study which involves all positions in a class or series except for a class or series with five (5) or fewer positions; 2) any study which involves all positions in an organizational unit which is greater than five (5) positions; 3) any study in which the class concept, minimum qualifications or salary relationship is at issue.

C. By mutual agreement, the County may contract with a consultant to carry out Classification Maintenance Reviews. Provisions of Section 5. will apply.

Section 3.  Procedure for Requesting Reclassification of a Position

Step 1: An employee who believes his or her position is not properly classified may submit a written request to his or her agency/department head that a classification study be conducted. Requests shall state the reasons the employee believes the present class is not appropriate and which class the employee believes is appropriate based on the employee's present duties.

Step 2: Appropriate agency/department response to an employee's request for reclassification includes, but is not limited to, denial of request or forwarding of the request to the Human Resources Department with a recommendation that a classification study be conducted.

a. If the request is denied, the employee shall be given a written statement of the reasons for the denial. If management denies the request or fails to respond within thirty (30) calendar days, the employee may submit the request to OCEA for consideration.
b. If the Human Resources Department studies a position at the employee's request as provided above and the employee does not agree with the County's decision, the employee may submit the request to OCEA.

Step 3: After receiving an employee request for study, OCEA may request in writing that the Human Resources Department conduct a classification study of the position or refer the matter to a consultant, as provided in Step 4. Such requests are to be timely.

Step 4: The Human Resources Department shall determine when the position was last studied and whether there has been a change of duties or change in classification structure which justifies restudy.

a. If the study is justified, and the request is made under Step 2.A., the employee shall be given a Position Description Form within fifteen (15) days. Within one hundred twenty (120) calendar days after the Human Resources Department receives the completed Position Description Form, the Human Resources Department shall notify OCEA of the appropriate classification of the position.

b. If the study is justified and the request is made under Step 2.B., the Human Resources Department shall complete the study in thirty (30) days and communicate the results to OCEA. If the study is not completed within thirty (30) days, upon request of OCEA the matter shall be referred to a consultant under the provisions of Section 5. of this Article.

c. If the study is not justified, the County shall notify OCEA within fifteen (15) days. OCEA may accept the County position that the study is not justified or may request a consultant review as provided in Section 5.

Section 4. Limitations on Concurrent Studies

A. The County shall not be required to initiate a study if the total number of positions currently requested by OCEA for reclassification studies plus the new request exceeds twenty-five (25) positions.

B. The numerical limitation shall apply only to studies for which Position Description Forms have been initiated and shall not include studies which have been referred to or are pending referral to a consultant.

C. In the event of a major layoff of County employees, all time limits in Section 3. of this Article shall be extended forty-five (45) days.
Section 5. Review of Disputed Position Classification Decisions

A. If the County does not respond at the end of the appropriate time period as specified in Section 3., Step 4 of this Article, or OCEA does not agree with a position classification decision of the County after the steps in Section 2. or 3. of this Article have been followed, the issue may be presented to a classification consultant for advisory review. Other provisions notwithstanding, no more than fifty (50) positions may be referred to a consultant per fiscal year except that any maintenance study done by a consultant shall not be included.

B. The consultant’s review shall be documented on forms supplied by the County and used by the County for documenting its classification decisions.

C. The consultant shall have access to the organizational and classification files of the Human Resources Department and shall have the right to conduct the classification study in the manner the consultant deems most appropriate.

D. Any salary change for any employee resulting from a consultant's advisory recommendation shall be effective no sooner than the beginning of the pay period following the decision of the County at Step 4 of the procedure described in Section 3., above.

E. A consultant shall be chosen who has experience in conducting position classification analyses for local governmental agencies. The consultant will be chosen by a committee with an equal number of County and OCEA members. The cost of the consultant shall be shared equally by the County and OCEA.
ARTICLE XIX  

INSURANCE

Section 1.  Health Plans and Premium Contributions

A.  Full-Time Employees

1.  Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all full-time regular, limited term, and probationary employees and their eligible dependents.

2.  The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a.  Employee Only Coverage - eighty-five (85) percent of the employee’s premium or ninety (90) percent of the employee’s premium if the employee completes the Wellness Incentive program;

   b.  Employee and Dependent Coverage - seventy (70) percent of the total health plan premium, for each employee and such employee's eligible dependents or seventy-five (75) percent of the employee’s premium if the employee completes the Wellness Incentive program.

   c.  Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3.  Employees who elect the Sharewell Choice PPO plan will not only have their insurance premium fully paid by the County but will also receive a payroll credit per plan guidelines. In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4.  The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

B.  Part-Time Employees

1.  Except as modified in Section 1.C., D., E., and F. below, the County will offer health plans to all part-time regular, limited term, and probationary employees. Enrollment of part-time employees shall be restricted to employees whose normal workweek consists of at least twenty (20) hours.
2. The County will pay the following percentage of the premium for employees electing any health insurance plan other than the Sharewell Choice PPO plan:

   a. Employee Only Coverage – forty-five (45) percent of the employee’s premium or fifty (50) percent of the employee's premium if the employee completes the Wellness Incentive program;

   b. Employee and Dependent Coverage – thirty-two and one-half (32.5) percent of the total health plan premium for each employee and such employee’s eligible dependents or thirty-seven and one-half (37 ½) percent of the total health plan premium, for each employee and such employee’s eligible dependents if the employee completes the Wellness Incentive program.

   c. Employees will pay the remaining portion of the total plan premium and consent to have their portion deducted from their County regular or supplemental payroll checks.

3. The County will pay the following percentage of the premium for employees electing the Sharewell Choice PPO plan:

   a. Employee Only Coverage – one hundred (100) percent of the premium;

   b. Employee and Dependent Coverage – per subsection B.2.b above

   In addition, those employees who elect the Sharewell Choice PPO plan are not required to participate in the Wellness Incentive program.

4. Coverage shall be terminated for any employee whose normal assigned hours are reduced to less than twenty (20) in a full workweek.

5. The health plans and their premiums are adopted by, and may be modified by, the Board of Supervisors. Plan descriptions are contained in the plan documents available through HRS/Employee Benefits.

C. Two married full-time employees who are enrolled in the same health plan must be enrolled as Employee Married to Employee (EME). While enrolled as EME, for each EME subscriber who does not complete the Wellness Incentive program, the County will pay ninety-five (95) percent of employee and dependent coverage. For each EME subscriber who does complete the Wellness Incentive program, the County will pay the full cost of
employee and dependent coverage for each EME. EME dependents are not required to participate in the Wellness Incentive program. Employees must report any subsequent changes in marital status, such as legal separation or divorce, within 30 days of the event. Failure to report legal separation or divorce from a covered spouse shall require repayment of all premiums paid by the County under this program during the period in which the employees were ineligible due to legal separation or divorce.

D. Dual Coverage: If two married employees are enrolled in separate health plans neither employee may be covered as a dependent on their employee spouse’s health plan. Eligible employees may choose to enroll in different health plans and choose to cover eligible dependent children on one or both health plans, subject to employee contributions for coverage.

E. For employees who are on approved leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law, the County shall continue to pay health insurance premiums as provided in A and B, above, to the extent required by applicable law.

F. For employees who are on approved leave which meets the requirements of Pregnancy Disability Leave pursuant to Government Code section 12945, the County shall continue to pay health insurance premiums as provided in A and B above, to the extent required by applicable law.

I.G. Effective January 1, 2008 through December 31, 2023, active employees are pooled separately from retirees for purposes of setting premiums for participation in County-offered health plans.

J.H. Effective January 1, 2024, County health insurance plans will be restructured to include both active County employees and eligible County retirees, with the requirement that the retiree health insurance premiums for non-Medicare retirees exceed the active employee health insurance premiums by 20 percent. Active employee premiums (contributions/payroll deductions) shall not increase beyond the actuarially determined increases related to active employee claims experience.

Section 2. Health Plan Enrollment

A. New eligible employees will be enrolled in the health plan of their selection effective the first day of the month following the first thirty (30) days of employment. Eligible full-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Wellwise Choice PPO Health Plan, employee only. Eligible part-time employees failing to elect a plan or failing to properly opt-out of enrolling in a County health plan, as described in Section 1, will be enrolled in the Sharewell Choice PPO Health Plan, employee only. Employees who go out on leave of absence prior to satisfying the waiting
period for coverage shall not be eligible for coverage until returning to work unless required by state/federal law. Upon return to work, coverage will become effective the first day of the month following thirty (30) days from the date of return unless otherwise required by state/federal law.

B. Employees may opt out of participation in the County’s health insurance programs at any Open Enrollment or within 30 days of qualifying life event beginning with Plan Year 2021 provided they sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements.

C. Terminated employees will be continued with coverage in all health plans until the last day of the calendar month in which they terminate. Terminated employees may be eligible for continuation of health insurance as required by the Consolidated Omnibus Budget Reconciliation Act (COBRA) and/or by other state/federal law.

D. The County shall provide for an open enrollment period once each calendar year for employees, employees’ eligible dependents, and retirees, to change their enrollment in a County health plan. Employees who wish to opt out of a County Health Plan will be required to sign a waiver of the offer of health coverage that complies with the Affordable Care Act (“ACA”) and/or any other relevant Federal or California State requirements and upon request provide the County proof they will maintain continuous health insurance coverage that complies with the ACA and any other relevant Federal or California State requirements of coverage at each Open Enrollment.

E. Employees who are enrolled in a County health plan at the time of retirement will be given the opportunity to elect and enroll in a retiree health plan. Employees who have opted out of a County health plan as described in Section 1 will be given an opportunity to elect and enroll in a retiree health plan in a manner consistent with Article XIX, Section 5.A.3.c of this MOU.

Section 3. Other Insurance Coverage

A. OCEA shall maintain a trust fund administered in compliance with applicable state and federal law, for the purpose of providing dental, vision, disability and other benefits for employees in regular or limited term positions in the Representation Unit.

B. The County shall, on a biweekly basis, forward thirty cents ($0.30) per hour for all regular hours paid for all employees in this Representation Unit for deposit in said trust fund; the County shall forward at least monthly an amount equal to thirty cents ($0.30) for each regularly scheduled hour in each full pay
period of unpaid leave which meets the requirements of Family Leave pursuant to Article IV, Section 15 and applicable law.

C. Insurance coverages provided through the trust fund with monies contributed by the County shall be made available by OCEA to all employees in the Representation Unit on an equal basis regardless of membership status.

D. OCEA shall indemnify and hold the County harmless from any claims or legal actions brought under this Section. Notwithstanding the above, the County shall indemnify and hold OCEA, the trust fund, its trustees, attorneys, agents, advisors and representatives harmless from any claims or legal action as a result of the submission of any annual report required hereunder to be provided to the County by the trust fund or its trustees.

E. Not more than once each contract year, upon written request, the trustees of the trust fund will provide the County with correspondence verifying the trust fund’s compliance with applicable law during the previous contract year. Not more than once each contract year, the trustees shall also, upon written request, provide the County with the following:

1. Upon completion, a copy of the annual independent financial report of the trust fund by a certified Public Accountant and form 5500

2. The annual report shall include the following information:
   a. the actual cost of benefits provided by the trust fund;
   b. member contributions to the cost of benefits provided by the trust fund;
   c. rate increases by carriers for the immediately preceding year of insured benefits provided through the trust fund, if applicable (or, if not included in the report, these shall be provided separately);
   d. a summary of other trust fund expenditures; and
   e. the beginning and ending cash balances of the trust fund.

3. The annual report shall be provided to the County within thirty (30) days of either the County’s written request or the report’s completion, whichever shall last occur.

4. A letter from the Certified Public Accountant for the trust fund verifying that the transaction of the trust fund during the preceding year have been reviewed, that payments have been made consistent with contractual agreements, and that required tax returns have been filed in accordance with applicable laws.
Section 4. **Premium Only Plan**

The County will administer a Premium Only Plan that will allow an employee to pay for health insurance premiums as permitted by state and federal law, regulations, and guidelines. Under the plan, an employee's gross taxable salary will be reduced by the amount of his or her share of the premium costs of County-provided health insurance coverage as permitted by state and federal law, regulations, and guidelines.

Section 5. **Retiree Medical Plan**

A. **Retiree Medical Grant**

Effective the pay period beginning on June 16, 2023, the Retiree Medical Grant benefits shall be frozen. Employees shall not accumulate additional service hours or credit toward eligibility for the Retiree Medical Grant as of June 16, 2023. Cost of living adjustments (COLAs) and age adjustments, other than the 50% grant reduction at age 65 for retirees eligible for Medicare, shall cease for employees retiring effective on or after June 16, 2023.

1. Effective August 1, 1993, and as amended by the Board of Supervisors, the County implemented a Retiree Medical Plan ("the Plan") for employees who have retired from County service and who meet certain eligibility requirements of the Plan. The Plan does not create any vested rights to the benefits on the part of any employee, retiree, or any other person.

2. As set forth pursuant to the September 2006 reopener between the parties, the County will: (a) fund the cost of the Plan; and (b) establish a trust to administer the Plan.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered retiree health insurance plan and/or Medicare premiums as provided below.
a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such changes, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums. The adjustments to the Grant (COLAs) based on changes to health plan premiums as referenced in this section will cease to apply for eligible retirees who retire effective on or after June 16, 2023.

b. The Grant will be adjusted as follows:

1. The Grant will be reduced by seven and one-half percent (7-1/2%) per year for each year of age the employee is less than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

2. The Grant will be increased by seven and one-half percent (7-1/2%) per year for each year of age the employee is greater than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date. This provision will cease to apply for eligible retirees retiring effective on or after June 16, 2023.

4. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a

SM - 122
retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

c. All current employees who retire and become eligible for a Grant shall be provided a one time opportunity of thirty (30) days to enroll in a County offered retiree health plan or elect to temporarily opt out of retiree health from the date they retire. Should a retiree fail to make an election to temporarily opt out or to enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible, and enrollment in a County offered retiree health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with C.2 below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.

2. An employee who is employed by the County prior to June 23, 2006, who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regular paid hours immediately preceding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS). New employees hired on or after June 16, 2023 are not eligible for the Grant.

Employees who were employed by the County on or before June 15, 2023 with 10 or more years of credited service as defined under the
Retiree Medical Plan Document shall be eligible for the Grant. Employees who were employed by the County as of June 16, 2023 with one or more full years of credited service, as defined under the Retiree Medical Plan Document, shall have been given the option to elect keep their Grant, if otherwise eligible under the Retiree Medical Plan Document, or have the County make a contribution to the County Health Reimbursement Arrangement (HRA) based on their full credited years of service. The County contribution to the HRA will be made as soon as administratively feasible on or after June 16, 2023. If an employee has retired before June 16, 2023, the employee may only receive the Grant, if otherwise eligible under the Retiree Medical Plan Document, and will not be eligible to elect to receive the County HRA contribution.

The County contribution to the HRA will be eight hundred and fifty five dollars ($855) for each full year of credited service, as defined under the Retiree Medical Plan Document. There will be no County contribution for partial credited years of service.

Any employee who elects the Grant shall have the value of their Grant calculated based upon the credited years of service, as defined under the Retiree Medical Plan Document, up to a maximum of 25 years. Any employee whose years of credited service is greater than 25 shall receive eight hundred and fifty five dollars ($855) per each full year of eligible service beyond the 25-year cap contributed by the County to the HRA.

a. A retiree who receives a service-connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant equal to either ten (10) years of credited service or actual years of County service, whichever is greater.

b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS effective before June 16, 2023 shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.

c. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and has requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive the Grant until a determination of disability status is made by the Orange County Board of Retirement.
d. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Orange County Board of Retirement grants a disability retirement.

2. All eligible retirees and enrolled dependents who are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents who are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.

3. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

b. An employee who is not eligible for paid retirement at the time he or she separates from County service and elects deferred retirement status shall not become eligible for participation in the Grant.

D. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993, shall be counted toward credited service only if the employee has been continuously employed by the County from August 1, 1993 until his or her retirement.

E. Survivor Benefits

1. A surviving dependent of a retiree who was eligible to receive a Grant and who qualifies for a monthly retirement allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.

2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her
own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

F. **Opt-Out of Retiree Medical Grant and Transition to a Health Reimbursement Arrangement (HRA)**

Effective June 16, 2023, employees who choose to opt out of the Retiree Medical Grant shall receive a value for their grant of $855.00 for each full year of qualified service contributed to the employee’s HRA. The opt-out value will not be limited to a 25-year cap.

G. **Transition from County Retiree Medical Grant to a Health Reimbursement Arrangement**

1. Effective on June 16, 2023, a Health Reimbursement Arrangement (HRA) will be made available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the HRA Advisory Committee, shall administer the program subject to the requirements set forth in the County Health Reimbursement Arrangement Plan Document.

2. The County will contribute to each employee’s HRA effective the pay period beginning on June 16, 2023, $60.00 per pay period for each full-time employee and $30.00 for each part-time employee (scheduled to work at least 40 hours per pay period) and the County contribution will be increased by 2.5% annually each first full pay period beginning July 2024.

Section 6. **Reopener**

**Reopener as a Result of the ACA**

The County may reopen negotiations on this Article¹ and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues related to the changes to the Affordable Care Act (ACA), or other Federal legislation/regulation which impacts the County’s ability to provide Benefits under this MOU.

Section 7. **Physical Examination**

---

¹ Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
The County will provide voluntary annual physical examinations by a County-designated physician at no cost to the employee.

Section 8. **Accidental Death and Dismemberment Insurance**

The County shall provide a one hundred thousand dollar ($100,000) Accidental Death and Dismemberment policy for death or dismemberment for employees in the classification of Sheriffs Special Officer III. Such insurance will be subject to the limitations of liability contained in those insurance policies.
ARTICLE XX  DEFINED CONTRIBUTION

Section 1. An employee in a regular position may, at the employee’s request, participate in the County’s Section 457(b) Defined Contribution Plan.

Section 2. The parties agree to establish a working group to explore: (1) the possibility of expanding investment options in the County’s Defined Contribution plans to include unitization of the OCERS fund; and (2) the retiree medical plan.

Section 3. This Section shall only apply to OCEA represented employees covered under this MOU, newly hired on or after February 26, 2021, and who are covered by the “1.62% at 65” retirement benefit formula (whether by election, deemed to have elected or are hired after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA).

a. Employees shall be given an opportunity during the first 90 days after their date of hire to affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan.

b. If an employee does not affirmatively opt out of enrollment in the 1.62 Section 457(b) Plan within 90 days of their date of hire, the County will automatically enroll the employee in the 1.62 Section 457(b) Plan and make an automatic deduction of two percent (2%) of the employee’s base salary which shall be contributed to the 1.62 Section 457(b) Plan. Such contributions will begin with the first full pay period after the first 90 days of the employee’s date of hire.

c. If the employee does not make an investment selection before the County has automatically enrolled the employee in the 1.62 Section 457(b) Plan, the investment selection will be the selection recommended by the Defined Contribution Advisory Committee and approved by the 1.62 Section 457(b) Plan Trustee. Employees may change their investment selection as permitted under the 1.62 Section 457(b) Plan.

d. The County will make a biweekly contribution to the County 1.62 Retirement, Section 401(a) Defined Contribution Plan as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B. Such contributions shall vest as described in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, B.

e. Employee and County contributions to the Defined Contribution plans shall be subject to contribution limits imposed by the Internal Revenue Service as stated in ARTICLE XXI, RETIREMENT, Section 3. Defined Contribution Retirement Plan, C. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

f. Employees shall be permitted to stop contributions to the 1.62 Section 457(b) Plan by giving proper notice to the County as required under the 1.62 Section 457(b) Plan.
ARTICLE XXI    RETIREMENT

Section 1.    Retirement Benefit Levels

A. For Employees Hired Prior to January 1, 2013 and for Employees Hired on or After January 1, 2013 who are Considered “Legacy Members” of OCERS within the Meaning of the Public Employees’ Pension Reform Act of 2013 (“PEPRA).

1. Except as set forth in Section A.2 and A.3 below, employees will be provided a one-fiftieth (1/50) retirement benefit calculated pursuant to Section 31676.19 of the Government Code. This retirement benefit formula is commonly known as the “2.7% at 55” benefit formula.

   a. For employees hired on or before September 20, 1979 the retirement allowance will be computed on the highest one (1) year of final compensation per Government Code Section 31462.1.

   b. For eligible employees hired on or after September 21, 1979, the retirement allowance will be computed upon the employee’s highest three (3) years of compensation per Government Code section 31462.

2. 1.62% at 65 Pension Formula Election for Employees Hired Prior to May 7, 2010.

   a. Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the “2.7% at 55” benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65” benefit formula) for future County service.

   b. In the event an eligible employee fails to make an election during the period set forth in Subsection 2a above, the employee shall continue to be provided with the “2.7% at 55” benefit formula and shall make the employee retirement contributions established for that benefit formula.
c. In the event an eligible employee elects the “1.62% at 65” benefit formula, the employee shall be eligible to participate in the County 1.62 Retirement 457(b) Defined Contribution Plan (the “DC Plan”) described in Section 3 below.

d. Effective with the beginning of pay period following the date an employee elects the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Government Code section 31621. The employee will also make the contributions described in Section 2.B and C of this Article.

3. Election Option of “2.7% at 55” or “1.62 at 65” Pension Formula for Those Employees Hired by the County between May 7, 2010 and January 1, 2013.

a. Employees hired on or after May 7, 2010 and prior to January 1, 2013 were required to make the pension benefit formula election provided for in Board Resolution 10-072.

b. Employees had forty-five (45) calendar days from the date of hire or appointment to elect either the “2.7% at 55” benefit formula or the “1.62% at 65” benefit formula. Regardless of which benefit formula was selected, the employee is required to make retirement contributions in accordance with the provisions of Section 2.B and C below.

c. In the event an eligible employee failed to make an election during the 45 day period set forth in subsection 3.b above, the employee was deemed to have elected the “1.62% at 65” benefit formula.

d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula is eligible to participate in the “DC Plan” described in Section 3 below.

e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c. above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.
f. Effective with the pay period following the date an employee elected, or was deemed to have elected, the “1.62% at 65” benefit formula, the normal employee contribution rate to the retirement system for the employee will be calculated pursuant to Section 31621 of the Government Code. The employee will also make the contributions described in Section 2.B and C below.

B. For Employees Hired on or After January 1, 2013 who are Considered “New Members” within the Meaning of PEPRA.

1. The retirement formula will be the “1.62% at 65” benefit formula described in Government Code section 31676.01, utilizing the average three highest years of compensation per Government Code section 7522.32. Pensionable compensation and other pension related conditions are governed by the provisions of PEPRA and the OCERS Board of Retirement. Employees will also make the contributions described in Section 2.B and C below.

2. “New Members” are eligible to participate in the “DC Plan” described in Section 3 below.

Section 2. Retirement Contributions

A. Members’ normal contribution rates shall continue to be established and adjusted subsequent to and in accordance with state law and the actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.

B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the OCERS actuary. Employees will pay the full member contribution for each of the benefit plans provided by the County.

C. Employee Retirement Contributions pursuant to Offset the Increased Cost of the “2.7% at 55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, i.e., it will be borne entirely by the employees. Effective with the pay period that commenced on June 24, 2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full
reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.

3. Reduction in Reverse Pickup

a. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPRA and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

b. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, reduce Reverse Pickup by an ongoing 1.2%.

c. Effective July 3, 2020, reduce Reverse Pickup by an additional 1.2%, for a total fixed ongoing 2.4% reduction of the employee’s paid reverse pickup.

d. Effective July 2, 2021, reduce Reverse Pickup by an additional
1.2% for a total fixed ongoing 3.6% reduction of the employee's paid reverse pickup.

e. By July 2, 2021, the entire Reverse Pickup for employees in the PEPRA and 1.62% at 65 Classic benefit formulas shall be eliminated.

Section 3. Defined Contribution Retirement Plan

A. Beginning on May 7, 2010, the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the “DC plan”) to those employees who are covered by the “1.62% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

Section 4. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXII  SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIII RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Orange County Employees Association is the Exclusively Recognized Employee Organization for the Supervisory Management Unit for classes in effect on \textit{June 21, 2019 June 30, 2023}. Said classes are listed in Appendix A.
ARTICLE XXIV  FLEXIBLE SPENDING ACCOUNTS

The County will administer the following Flexible Spending Accounts:

Section 1.  Dependent Care Reimbursement Account (DCRA)

The County will administer a Dependent Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s dependent care reimbursement account to pay for dependent care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.

Section 2.  Health Care Reimbursement Account (HCRA)

The County will administer a Health Care Reimbursement Account that will allow eligible employees the opportunity to allocate a specified amount of biweekly pre-tax salary into the employee’s health care reimbursement account to pay for health care expenses as permitted by state and federal law, regulations and guidelines, and as permitted by the County’s Section 125 Plan Document.
ARTICLE XXV PERFORMANCE INCENTIVE PROGRAM (PIP)

Section 1.

Effective, June 1, 2015, employees who are granted PIP awards will receive non-cashable time off of twenty (20) hours. This time off will not be subject to the requirement that PIP time be taken off within one (1) year.

All other performance management components of PIP remain in effect.
ARTICLE XXVI  LABOR MANAGEMENT COMMITTEES

Section 1.  Introduction

A. The County and OCEA desire to mutually encourage a cooperative, collaborative partnership approach to addressing and resolving workplace issues. The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor/management relations through the establishment of agency/department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for agency and department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:

1. Concerns only an individual employee, such as that employee’s performance evaluation, PIP award, discipline or an individual problem with another employee;

2. Has County-wide impact; or

3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.
Section 2. Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief of Employee Relations and two of whom shall be appointed by OCEA. Any issue concerning the implementation or administration of the LMC process may be referred to the LMC Program Sponsors by request of either party.

B. 1. Every agency/department shall have an LMC.

2. The agency/department LMC structure shall consist of management representatives selected by the agency/department and employee representatives selected by OCEA. The LMC Program Sponsors may also select representatives to participate on the LMC.

3. Each agency/department LMC shall have two sponsors who may or may not be members of the LMC: the agency/department head and a representative designated by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A, above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.
D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the agency/department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.

F. Any issue which is not resolved by the agency/department LMC shall upon request by either departmental sponsor be submitted to the central LMC Program Sponsors for advisory review.
ARTICLE XXVII   SALARY

1. Effective the first day of the first pay period following adoption of this 2019-2023-2026 MOU, the salary schedule will be increased by 2.504.75%.

2. Effective July 3, 2020 June 28, 2024, the salary schedule will be increased by 2.504.25%.

3. Effective July 2, 2021 June 27, 2025, the salary schedule will be increased by 2.504.00%.

    Effective July 1, 2022, the salary schedule will be increased by 3.5%.
Article XXVIII       DEPENDENT/CHILD CARE AND WORK-LIFE BALANCE

Section 1.——Upon adoption of the 2019-2023 MOU, the County and OCEA agree to establish a working group to discuss issues related to dependent/childcare and work-life balance.

SIDE LETTER AGREEMENT TO THE 2023-2026 COUNTY MEMORANDA OF UNDERSTANDING BETWEEN THE COUNTY OF ORANGE AND THE ORANGE COUNTY EMPLOYEES ASSOCIATION

June 27, 2023

This document serves as a Side Letter Agreement modifying the 2023-2026 Memoranda of Understanding (“MOUs”) between the County of Orange (“County”) and the Orange County Employees Association (“OCEA”) for the Community Services Unit, County General Unit, Healthcare Professional Unit, Office Services Unit, Sheriffs Special Officer Unit, and the Supervisory Management Unit. This Side Letter shall be effective beginning with the first day of the first full pay period after adoption by the County’s Board of Supervisors.

This agreement reestablishes the Insurance Working Group to discuss the redesign of the Wellness Credit program, how employees earn their 5% credit, and reducing the cost of health insurance.

Other bargaining groups and stakeholders (e.g., Teamsters, IUOE, AFSCME, OCMA, OCAA, unrepresented employees) may also be invited to participate in the working group. Each party may have up to five (5) members as representatives serving on the working group.

To: Clerk of the Board of Supervisors
From: Frank Kim, County Executive Officer
Subject: Exception to Rule 21

The County Executive Office is requesting a Supplemental Agenda Staff Report for the June 16, 2023, Board Hearing.

Agency: OC Waste & Recycling
Subject: Frank R. Bowerman Third Amendment to the Landfill Gas Rights Agreement
Districts: 3

Reason Item is Supplemental: Due to the timing of negotiations, expiration of the Tolling Agreement, funding request needs for the Renewable Natural Gas (RNG) plant from the Bowerman Power LFG, LLC CEO and executive leadership has requested that we execute the amendment prior to July 1, 2023, to secure funding approval from their board.

Justification: Bowerman Power LFG, LLC (Bowerman Power) has agreed to implement the Flare Facility Master Plan, and the associated costs, prior to approval of their proposed RNG Facility, and has already invested significantly in Flare Facility upgrades as a showing of good faith prior to execution of the proposed 3rd Amendment. After over two years of negotiations, OC Waste & Recycling sees scheduling this item as a supplemental, and presenting the item for Board of Supervisors consideration, before Bowerman Power’s, upcoming Board of Directors meeting as an opportunity to reciprocate good faith in our negotiations to finalize the amendment. Prompt approval will be critical for Bowerman Power to secure funding approval to start RNG Facility planning, design and construction. Approval of the Amendment to the Agreement will be used in financial reporting for Bowerman Power thus the criticality of the date of execution prior to July 1st for their corporate reporting.

RECOMMENDED ACTION(S)

1. Approve the Frank R. Bowerman Landfill Third Amendment to the Landfill Gas Rights & Production Facilities Agreement with Bowerman Power LFG, LLC.

2. Authorize the OC Waste & Recycling Director to execute the Agreement effective upon Board approval.

SUMMARY:

Approval of the Third Amendment to the Landfill Gas Rights & Production Facilities Agreement with Bowerman Power LFG, LLC will strengthen environmental systems, provide a new and local renewable fuel source and increase future revenue.

BACKGROUND INFORMATION:
OC Waste & Recycling (OCWR) is responsible for managing the County's solid waste disposal system including Central Region Landfills that consist of the active Frank R. Bowerman (FRB) Landfill and five closed solid waste disposal sites. The FRB Landfill was opened in 1990 to meet the solid waste disposal needs of the central portion of Orange County.

Landfill Gas (LFG) is the natural byproduct of waste decomposition at the landfills and a gas disposal facility is required for landfill operations to comply with regulatory requirements. Currently, the LFG at the FRB is disposed of by conversion of LFG into electricity at Bowerman Power LFG, LLC's (Bowerman Power) Renewable Electricity Generation (REG) facility with excess LFG being destroyed in the Flare Facility.

On April 7, 1998, the County of Orange (County) and GSF Energy, LLC (GSF) entered into an Amended and Restated Gas Rights and Facilities Agreement (Original Agreement), wherein the County granted GSF the rights to all LFG and/or constituent products produced and recovered from the Landfill.

On June 8, 2004, the County and GSF entered into Amendment No. 1 of the Original Agreement whereby GSF agreed to construct a fifth Flare Facility, with the costs being shared by the County and GSF.

On November 8, 2011, the Board of Supervisors approved the Second Amended & Restated Landfill Gas Rights & Production Facilities Agreement (Second Amended Agreement) between GSF and the County whereby the County agreed to GSF's request to assign all of its rights to its wholly owned subsidiary Bowerman Power, transfer ownership to the County of the landfill gas collection and control system and authorize the construction of a new 23 megawatt REG facility and extend the term for an additional 20 years upon commercial operation of the new REG facility.

The Second Amended Agreement has a 20-year term with options to renew for two additional ten-year terms with the first term set to expire in 2034. Under the Second Amended Agreement, Bowerman Power was granted the exclusive right to recover and process all LFG produced at FRB and is obligated to extract the maximum value of LFG from the site.

Since the execution of the Second Amended Agreement, production of LFG has increased over time, exceeding the capacity of Bowerman Power's REG facility and requiring increasing amounts of LFG to be destroyed in the Flare Facility. To beneficially use the excess LFG, which is currently being destroyed in the Flare Facility, Bowerman Power is proposing the development of a new Renewable Natural Gas (RNG) facility to supplement the REG facility. After CEQA review and construction of the RNG facility have been completed, it is anticipated that royalties paid to the County will more than double even accounting for the Flare Facility Master Plan cost offsets as discussed below.

In addition to its obligation to beneficially use the LFG under the existing Second Amended Agreement, Bowerman Power is also responsible for ensuring that the landfill remains regulatorily compliant with air quality standards by ensuring that there is adequate Flare Facility capacity to destroy all LFG produced at the landfill. In this regard, as background, a dispute arose between Bowerman Power and the County regarding the extent of each party’s financial responsibility as it pertained to necessary Flare Facility upgrades. This dispute resulted in the Parties entering into a Tolling Agreement on August 18, 2020, to preserve their contractual rights while they negotiated a potential settlement of the dispute. During negotiations, the Tolling Agreement was extended twice and is currently set to expire on August 31, 2023.

Over the course of the last three years, OCWR engineering staff coordinated with Bowerman Power to develop a detailed Preliminary Design Report and Scope of Responsibility for the FRB Flare Facility (Flare Facility Master Plan). The Flare Facility Master Plan consists of over 100 pages of technical drawings and
detailed engineering specifications (Basis of Design) for the Flare Facility which are needed to collect and dispose of projected LFG at FRB through the year 2041 and beyond. In support of OCWR’s primary goal of regulatory compliance, this document clearly sets out County expectations regarding required Flare Facility upgrades through the term of the Agreement and provides a detailed Scope of Responsibility that clearly sets forth each party’s responsibilities and resolves the dispute that led to the Tolling Agreement.

With the assistance of County Counsel, OCWR was able to negotiate the following key benefits to the proposed Third Amendment to the Agreement:

a) Incorporation of the Flare Facility Master Plan into the Agreement upon execution. (Subject to the Minimum Annual Guarantee, the costs associated with this significant investment in the Flare Facility over the course the term of the Agreement will be paid for by using up to 50 percent of the royalty payments annually. In exchange the County receives assurances that its primary goal of ensuring sufficient Flare Facility capacity and the associated regulatory compliance that will result from that investment)

b) Update the royalty payment structure to include a Minimum Annual Guarantee to the County of $1.5 million Consumer Price Index (CPI) adjusted (before Flare Facility expenses);

c) Bowerman Power to initiate pilot program, at its sole cost, to analyze the effectiveness of installation of an Automated Landfill Gas Collection System, and if approved by OCWR, Bowerman Power will install an automated system across the landfill, adding a new effective compliance tool;

d) Authorize Bowerman Power to begin the design and planning for the proposed RNG facility;

e) Require Bowerman Power to complete all CEQA and other permitting requirements and obtain separate OCWR and Orange County Board of Supervisors (Board) discretionary approval in order to initiate construction; if all precedent conditions are met, approval of the project is subject to the Board’s discretionary approval of the project for CEQA purposes;

f) Increasing royalties to the County upon commercial operation of the new RNG facility with County receiving up to 50 percent of Gross Revenue when sale of Covered Products is greater than $15.00 per Metric Million British thermal unit (MMBtu);

g) A 20-year term from the date the RNG facility begins commercial operation with two ten-year Agreement renewal options.

CEQA Compliance: This action is not a project within the meaning of CEQA Guidelines Section 15378 and is therefore not subject to CEQA since it does not have the potential for resulting in either a direct or physical change in the environment or a reasonably foreseeable indirect physical change in the environment. The approval of this agenda item does not commit the County to a definite course of action in regard to a project since it involves an amendment to an existing agreement allowing for clarification of responsibilities, and environmental due diligence, permitting and design for a proposed new RNG facility. This agreement amendment conditions approval of the proposed RNG facility upon the applicant first completing all required CEQA and other permitting requirements and obtaining additional Board approval. This proposed activity is therefore not subject to CEQA. Any future action connected to this approval that constitutes a project will be reviewed for compliance with CEQA.

SECOND AMENDED & RESTATED LANDFILL GAS RIGHTS & PRODUCTION FACILITIES AGREEMENT

For Frank R. Bowerman Landfill

THIS SECOND AMENDED & RESTATED LANDFILL GAS RIGHTS & PRODUCTION FACILITIES AGREEMENT, hereinafter referred to as “Agreement,” is made as of November 17, 2011 by and between COUNTY OF ORANGE, hereinafter referred to as “COUNTY,” and Bowerman Power LFG, LLC, a Delaware limited liability company, hereinafter referred to as “BOWERMAN POWER” without regard to number and gender.

RECITALS

I. COUNTY and GSF Energy, LLC (“GSF”) entered into an Amended and Restated Gas Rights and Production Facilities Agreement (“Original Agreement”) dated December 8, 1998 granting GSF the rights to all Landfill Gas and/or constituent products produced and recovered from the Landfill and creating an integrated Landfill Gas recovery program at the Landfill that would more efficiently utilize the energy potential of the Landfill Gas and would also include a Landfill Gas Flare Facility required to comply with regulations and to protect public health and safety all as further provided for in the Original Agreement.

II. COUNTY and GSF entered into Amendment No. 1 to Amended and Restated Landfill Gas Rights and Production Facilities Agreement dated June 8, 2004 pursuant to which GSF agreed to construct a fifth (5th) Flare Facility, with the cost thereof being shared by COUNTY and GSF.

III. BOWERMAN POWER, a wholly owned subsidiary of GSF, intends to develop an electric generation project at the Landfill and intends to enter into an Energy Agreement to sell electric energy and certain related products to one or more parties generated by the Conversion System (defined below) located at the Landfill.

IV. GSF requests the COUNTY’S consent to assign all of GSF’s rights and obligations under the Original Agreement, as amended, to BOWERMAN POWER by virtue of having BOWERMAN POWER execute this Second Amended and Restated Landfill Gas Rights and Production Facilities Agreement. The COUNTY agrees herein to provide such consent.

V. COUNTY and BOWERMAN POWER now desire to enter into this Second Amended & Restated Landfill Gas Rights & Production Facilities Agreement in order to give effect to the intentions of the parties set forth herein.
NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENT

1.1 DEFINITIONS

The following words in this Agreement have the significance attached to them in this clause unless otherwise apparent from context:

“Affiliate” shall mean, with respect to any person or entity, any other person or entity: (a) directly or indirectly controlling, controlled by, or under common control with, such person or entity; (b) directly or indirectly owning or holding or receiving any equity interest or other equity benefit in such person or entity in excess of fifty percent (50%); or (c) in which such person or entity directly or indirectly controls any voting stock or other equity interest in excess of fifty percent (50%). For purposes of this definition, “control” (including with correlative meanings, the terms “controlling,” “controlled by” and “under common control with”) means the possession directly or indirectly of the power to direct or cause the direction of the management and policies of a person or entity, whether through the ownership of voting securities, by contract or otherwise.

“Applicable Law” shall mean all federal, state and local statutes, judicial decisions, ordinances, regulations, rules, permits, orders and notices having jurisdiction over the Landfill, the Site, the Conversion System, the creation and sale of Covered Products and Flare Products.

“Assignment Fee” shall have the meaning set forth in Section 1.16(c) of this Agreement.

“Auditor-Controller” shall mean the Auditor-Controller, County of Orange or upon written notice to BOWERMAN POWER, the Auditor-Controller’s designee.

“Bond Documents” shall mean (a) the Lease dated as of November 1, 1997 by and between COUNTY and the County of Orange Public Financing Authority (“Authority”) recorded in the County of Orange, California on November 26, 1997; (b) the Sublease dated as of November 1, 1997 between the Orange Public Financing Authority and COUNTY recorded in the County of Orange, California on November 26, 1997; and (c) the Trust Agreement dated as of November 1, 1997 between the Orange County Public Financing Authority and First Trust of California, National Association, as Trustee.”

“BOWERMAN POWER” shall mean Bowerman Power LFG, LLC, a Delaware limited liability company, a wholly owned subsidiary of GSF, and any respective successor thereto or permitted assign thereof under this Agreement.

“BOWERMAN POWER’s System Maintenance Manual” shall mean a manual of general and technical “how to” procedures (including communication procedures and methods between the parties), materials, specifications, “as-built” plans (COUNTY to supply as-built drawings for systems installed by the COUNTY), and other data set forth for the maintenance, repair,
replacement, and expansion of the Collection System, Condensate System and Flare Facilities and, when applicable, the Collection Instrumentation and Control System at the Landfill prepared by BOWERMAN POWER or its engineering consultants in consultation with COUNTY. None of the material in BOWERMAN POWER’s System Maintenance Manual is Proprietary Information.

“CEQA” shall mean the California Environmental Quality Act, as the same may be amended from time to time. OC Waste & Recycling is the lead agency under CEQA.

“Collection Instrumentation and Control System” shall mean all of BOWERMAN POWER’s equipment (including, without limitation, monitoring equipment, flow measurement elements, valves, pressure sensors, Landfill Gas probes, and Landfill Gas composition measurement instruments), computer hardware and software, and other know-how and technology necessary to collect, process, or flare the Landfill Gas.

“Collection System” shall mean COUNTY’s network of Landfill Gas collection wells, interconnecting pipes, valves, monitoring equipment, and any additional Landfill Gas extraction equipment installed on the Landfill from time to time and used for the purpose of the extraction, collection, processing, and transportation of Landfill Gas on the Landfill, including but not limited to any expansions of that system as described in Exhibit C-3 and Exhibit C-5 attached hereto. The use of “Collection System” under this Agreement is not intended to be consistent with the use of that term under the United States Internal Revenue Code.

“Commercial Operation Date” shall mean the first date on which the Conversion System makes commercial deliveries of electric power pursuant to the Energy Agreement(s).

“Commercial Quantities” shall mean amounts of Landfill Gas deemed by BOWERMAN POWER in its sole judgment, to be sufficient to pay for all costs of the Conversion System, including initial and on-going capital costs and all operations and maintenance expenses associated with the Existing Facilities or Conversion System, plus a reasonable profit.

“Commercially Reasonable” shall mean those practices, methods, acts and standards that (a) are commonly used by a prudent person or entity in the same business as COUNTY or BOWERMAN POWER, as applicable, in a comparable situation and, (b) in the exercise of reasonable judgment, considering the facts known when engaged in, could have been expected to reach the expected result to the extent such result and the efforts required to attain such result are consistent with Applicable Law, safety, reliability, efficiency, expediency and economy. “Commercially Reasonable” shall not be limited to the optimum practices, methods, acts or standards, but rather shall encompass a spectrum of possible practices, methods, acts or standards.

“Condensate” shall mean those certain vapors condensed during any collecting, transporting, and processing of Landfill Gas that form a liquid and will be drawn from the Landfill as part of any Landfill Gas collecting, transporting, and processing operation.

“Condensate System” shall mean the Condensate collection and disposal system and all equipment used in connection with such system as described in Exhibit C-2 attached hereto.
 Portions of the Condensate System are owned by COUNTY, and portions of the Condensate System are owned by BOWERMAN POWER, as described in Exhibit C-2 and Exhibit C-4.

“Conversion System” shall mean all of the equipment needed to convert Landfill Gas into any Covered Product, which equipment is owned by or under contract to BOWERMAN POWER and is located at the Landfill and is not part of the Collection System which is more fully described in Exhibit D attached herein and made a part hereof.

“Cost Index” shall mean the annual adjustment in proportion to changes in the Consumer Price Index for Los Angeles—Riverside—Orange County (All Urban Consumers--All Items) promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor. The adjustment shall be effective on January 1st of each calendar year following the 1st anniversary of the Effective Date. In the event that the Consumer Price Index is not issued or published, or in the event that the Bureau of Labor Statistics of the U.S. Department of Labor should cease to publish said index figures, then any similar index published by any other branch or department of the U.S. Government shall be used and if none is so published, then another index generally recognized and authoritative shall be substituted by mutual agreement between COUNTY and BOWERMAN POWER.

In the case of Section 1.9(e), Major Maintenance reimbursement, the Cost Index shall be calculated by means of the following formula:

\[
A = \frac{100,000 \times B}{C}
\]

A = Adjusted payment
B = Monthly index. September will be the index used
C = Monthly index for the month in which the Agreement became effective

Notwithstanding the foregoing, in no event shall the Major Maintenance reimbursement be reduced by reason of any such adjustment to less than $100,000.

“COUNTY” shall mean the County of Orange, a political subdivision of the State of California.

“Covered Products” shall mean all of the useful output of the Collection System, the Condensate System and the Conversion System, whenever and however created, including without limitation the Landfill Gas and all electrical energy, capacity, reserves, renewable energy credits, greenhouse gas emission reduction credits and any other environmental or other attribute relating to the generation of “clean” or renewable power or the collection, processing or destruction of Landfill Gas by the Collection System, the Condensate System or the Conversion System, under any voluntary or mandatory market or other association, program or organization, whether governmental, quasi-governmental or non-governmental. Covered Products include, without limitation, credits, allowances, offsets, subsidies or incentives and all certificates, records and other evidences thereof; provided, however that Covered Products shall not include (i) federal, state or local tax credits, depreciation allowances or other incentives that may be claimed by BOWERMAN POWER or its Affiliates on its tax returns, (ii) electric energy consumed by BOWERMAN POWER within the confines of the Site for auxiliary use, (iii) Excess Gas and Energy recovered exclusively from Excess Gas or (iv) any Flare Products. As
between COUNTY and BOWERMAN POWER, the Covered Products shall at all times remain the property of BOWERMAN POWER, and only BOWERMAN POWER shall be able to sell or otherwise convey or transfer any Covered Products.

“Customer” shall mean any entity or other person to which any Covered Products or Flare Products are sold.

“Director of OC WASTE & RECYCLING” shall mean the Director, OC Waste & Recycling of the County of Orange, or upon written notice to BOWERMAN POWER, Director of OC WASTE & RECYCLING designee.

“Early Termination Penalty” shall have the meaning set forth in Section 2.5 of this Agreement.

“Effective Date” shall mean the date on which this Agreement is approved by the Orange County Board of Supervisors.

“Energy” shall mean Landfill Gas, or any energy derived therefrom, including but not limited to electrical or thermal energy, that can be measured in KWH or BTUs.

“Energy Agreement” shall mean any agreement that BOWERMAN POWER enters (or has entered) into with a Customer pursuant to which BOWERMAN POWER receives compensation for Covered Products.

“Equipment Bond” shall have the meaning set forth in Section 2.6(a) of this Agreement.

“Excess Gas” shall mean that quantity of Landfill Gas that is not used or consumed by BOWERMAN POWER in (i) the production of Covered Products by the Conversion System or (ii) the process of recovery and destruction of Landfill Gas. The quantity of Landfill Gas collected by BOWERMAN POWER in excess of the needs of the Conversion System or any planned Conversion System expansion which is destroyed in the Flares, can by mutual agreement of the parties, be declared Excess Gas.

“Existing Facilities” shall mean all facilities, activities and efforts existing on the Effective Date and associated with the collection, utilization, processing or destruction of Landfill Gas. They shall include, but not be limited to, the existing Collection System, Collection Instrumentation and Control System, Flare Facility, and associated equipment.

“Flare” shall mean a flare meeting the then applicable requirements for the destruction of Landfill Gas which is configured and equipped consistently with the flares at the Landfill on the Effective Date or equal as approved by the Director of OC WASTE & RECYCLING.

“Flare Facility” shall mean the Flares and all equipment used in connection with the Flare as described in Exhibit C-1 attached hereto.

“Flare Facility Capital Investment and O&M Expenses” shall mean the aggregate amount of all of the following costs and expenses incurred by BOWERMAN POWER or its Affiliates: (i) all capital expenditures with respect to compliance with the Flare Facility Master Plan, and as otherwise may be required under the Agreement; (ii) all costs and expenses relating to Routine
Flare Facility and Condensate System Operation and Maintenance, Major Maintenance, and any other maintenance and operation obligations with respect to the Flare Facility, the capacity thereof, the Condensate System, or the management of Condensate; and (iii) all additional costs required to comply with Applicable Law as applicable to the Flare Facility and its operational components or the Condensate System.

If, at any time during the term of this Agreement, the COUNTY establishes a system to treat and dispose of Leachate, the cost of such system, treatment and disposal may, at the option of the COUNTY, be included in the Flare Capital Investment and O&M Expenses.

“Flare Facility Master Plan” shall mean document entitled Master Plan for the Frank R. Bowerman Landfill Flare Facility which encompasses a Scope of Responsibility and Preliminary Design Report and his attached to this Agreement as Exhibit H. The Flare Facility Master Plan, in its current form or as may be amended, is intended to clarify the roles and responsibilities of both Parties as they pertain to necessary Flare Facility capital improvements and ongoing maintenance for the remaining term of the Agreement to ensure regulatory compliance. The Flare Facility Master Plan may be periodically amended and updated with written agreement of the Director of OC WASTE & RECYCLING and BOWERMAN POWER.

“Flare Products” shall mean all of the useful output of the Flare Facility as described in Section 1.11(a), whenever and however created, including without limitation all environmental or other attributes produced or processed by or relating to the Flare Facility together with any credits, certificates, offsets, records and other evidences thereof; and any Flare Products created prior to the Effective Date to the extent such Flare Products continue to exist on the Effective Date, and any Flare Products created after the Effective Date; provided, however, that Flare Products shall not include federal, state or local tax credits, depreciation allowances or other incentives that may be claimed by BOWERMAN POWER or its Affiliates on its tax returns. As between COUNTY and BOWERMAN POWER, the Flare Products shall at all times remain the property of BOWERMAN POWER and only BOWERMAN POWER shall be able to sell or otherwise convey or transfer any Flare Products.

“Flare Revenue” shall mean any revenues received from the sale by BOWERMAN POWER or any sublessee or assign or the COUNTY or any assign of Flare Products to a Customer. To the extent that, notwithstanding BOWERMAN POWER’s ownership of all Flare Products, COUNTY receives any Flare Revenue, COUNTY shall hold such Flare Revenue in trust for the benefit of BOWERMAN POWER and shall promptly deliver such Flare Revenue to BOWERMAN POWER in the form received by COUNTY.

“FORCE MAJEURE” shall have the meaning set forth in Section 2.14 of this Agreement.

“GAAP” shall mean generally accepted accounting principles established by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants.

“Gross Revenue” shall mean any revenues, monies, receipts and credits of things of a monetary value of whatever kind or nature received by BOWERMAN POWER from Covered Products or any use of the Site. Such revenues shall be decreased by costs assessed by the owners or operators of the transmission or delivery facilities, including without limitation wheeling,
transmission, interconnection, wheeling related facility fees, transportation or competitive transition costs incurred in the receipt of revenues and any transportation taxes and fees imposed or approved by governmental or quasi-governmental entities.

“GSF” shall mean GSF Energy, LLC, a Delaware limited liability company, parent company of BOWERMAN POWER, and any successor thereto or permitted assign thereof under this Agreement.

“Habitat” shall mean native plants and animals that are considered sensitive by the U.S. Fish and Wildlife Service, California Department of Fish and Game, the Nature Reserve of Orange County or other applicable agency that requires permission, permits and or implementation of mitigation prior to disturbance.

“Hazardous Material” shall mean any hazardous or toxic substance, material or waste which is or becomes regulated by any governmental authority, whether local, state, or federal. The term Hazardous Material includes, without limitation, any material or substance that is:

(a) designated as a “hazardous substance” pursuant to Section 311 of the Federal Water Pollution Control Act (33 U.S.C. Section 1251, et seq.);

(b) defined as a “hazardous waste” pursuant to Section 1004 of the Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6903, et seq.;

(c) defined as a “hazardous waste” pursuant to California Code of Regulations Title 22, Division 4.5, Chapter 11, Article 3, Section 66261.20;

(d) defined as a “hazardous substance” pursuant to Section 101 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. Section 9601, et seq. (42 U.S.C. Section 9601); or

(e) defined by any Applicable Law replacing the above.

“High BTU Natural Gas” shall mean processed Landfill Gas with a HHV BTU factor of 950 or greater.

“High Heating Value ("HHV")” shall mean the amount of heat released by a specified quantity (initially at 25 °C) once it is combusted and the products have returned to a temperature of 25 °C. (HHV; also known as the gross calorific value or gross energy).

“Landfill” shall mean the real property located in Orange County, California, and commonly known collectively as the Frank R. Bowerman Landfill, which is more particularly described on Exhibit A attached hereto, and any permitted expansions thereof, whether occurring currently or in the future during the term of this Agreement.

“Landfill Gas” shall mean the mixture of methane, carbon dioxide and other trace components generated at the Landfill from the anaerobic digestion by methanogenic bacteria of refuse and other wastes deposited in the Landfill.

“Landfill Gas Generation Rate Table” shall mean the document set forth in Exhibit G and any subsequent revisions.
“Leachate” shall mean any liquid, including any suspended components in the liquid, that has percolated through or drained from the Landfill.

“LNG” shall mean liquefied natural gas.

“Lower Heating Value ("LHV")” shall mean the net or lower heating value as obtained by subtracting the latent heat of vaporization of the water vapor formed by the combustion from the gross or higher heating value.

“Major Maintenance” shall mean those activities described as Major Maintenance in Exhibits C-1, C-2 and C-3 attached hereto.

“Market Price” shall mean the price at which BOWERMAN POWER or its Affiliate, acting in a Commercially Reasonable manner, sells, could sell, or enters into a long-term agreement to sell, the Covered Products in an arm’s length transaction. In the case of long-term agreements, the Market Price will be determined with reference to the prevailing market price for agreements of comparable duration and terms, as of the time such agreement is entered into. The Market Price for Covered Products shall be established by BOWERMAN POWER based on data available to them from public sources for similar transactions, and, absent manifest error, the Market Price so established by BOWERMAN POWER shall be binding for purposes of this Agreement. BOWERMAN POWER will provide COUNTY with written documentation with the quarterly statements as required in Section 1.4 of its determination of the Market Price for transactions lasting for one quarter or shorter. For transactions lasting longer than one quarter said written documentation will be provided with the statement for the quarter when the transaction is entered into.

“Migration” shall mean the subsurface movement of Landfill Gas.

“MMBTU/hr” shall mean million British Thermal Units per hour.

“Montauk” shall mean Montauk Energy Holdings, LLC, a Delaware limited liability company and indirect parent company of GSF and any successor thereto or permitted assign thereof under this Agreement.

“Natural Gas” shall mean methane rich gas typically provided by Southern California Gas Company but excluding Landfill Gas.

“OCWR” shall mean OC Waste & Recycling, a department of the County of Orange.

“Proprietary Information” shall mean trade secrets developed by BOWERMAN POWER that are not publicly available, the dissemination of which could have an adverse effect on BOWERMAN POWER’s competitive position in the Landfill Gas market, electric power market or other market, which information is not reasonably necessary for operation and maintenance of the Collection Instrumentation and Control System and/or the Condensate System and other equipment necessary to comply with Applicable Law. Notwithstanding the previous sentence, Proprietary Information shall not include the Market Price, development of the Market Price and any other material, data or information which BOWERMAN POWER is required to provide the COUNTY under this Agreement.
“RNG Facility” shall mean the high-BTU natural gas-based conversion system, natural gas pipeline relating thereto, and other facilities and improvements relating thereto to be constructed by BOWERMAN POWER upon completion of the “RNG Facility Conditions Precedent”.

“RNG Facility Commercial Operations Date” shall mean the first date on which the RNG Facility makes commercial deliveries of natural gas.

“RNG Facility Conditions Precedent” or “RNG Conditions” shall mean those conditions, as provided in Section 7 of the Third Amendment to this Agreement, that BOWERMAN POWER must complete prior to receiving approval to construct the RNG Facility.

“RNG Facility Site” shall mean that certain property shown on Exhibit I attached hereto as may be amended by the mutual agreement of COUNTY and BOWERMAN POWER.

“Routine Flare Facility and Condensate System Operation and Maintenance” shall mean routine activities performed by BOWERMAN POWER technicians and operators to operate and maintain the Flare Facility and the Condensate System, to allow the equipment to perform at rated capacity, and to allow equipment to meet or exceed designed service life. Routine Flare Facility and Condensate System Operation and Maintenance activities include, but are not limited to those listed in Exhibit C-1 and C-2 attached hereto.

“SCAQMD” shall mean the South Coast Air Quality Management District.

“Site” shall mean that certain property shown on Exhibit B attached hereto as may be amended by the mutual agreement of COUNTY and BOWERMAN POWER.

“Temporary H\textsubscript{2}S Treatment System” shall mean the individual components and equipment, including the boost blower skid, valve skid, and media vessels, installed for the specific purpose of reducing H\textsubscript{2}S content for Flare 6 only.

“Term” shall have the meaning set forth in Section 1.3(a) of this Agreement.

“Utility Interface” shall mean the metering facilities, conduit, power transmission lines, valves, electrical substations and any other equipment necessary to interconnect the Conversion System or systems with the transmission lines or other facilities needed to transport the Covered Products to the Customer.

### 1.2 RIGHTS GRANTED TO BOWERMAN POWER

(a) COUNTY hereby grants to BOWERMAN POWER the exclusive right to use the Collection System.

(b) COUNTY hereby grants to BOWERMAN POWER the title to and the exclusive right, except as described in Section 1.6 (c), to utilize all Landfill Gas produced at the Landfill to generate Covered Products and Flare Products for sale, including sales from the Conversion System as described in Exhibit D and the Flare Facility as described in Exhibit C-1.
(c) COUNTY hereby licenses to BOWERMAN POWER and BOWERMAN POWER accepts from COUNTY the non-exclusive right to utilize the Site provided, however, that the parties acknowledge that BOWERMAN POWER has exclusive rights, unless waived by BOWERMAN POWER, to utilize the Site with respect to the conversion of Landfill Gas and the creation and sale of Covered Products and Flare Products unless otherwise required by Applicable Law. The exact location of the Site is depicted on the drawing incorporated into this Agreement as Exhibit B, as the same may be amended from time to time as mutually agreed by the COUNTY and BOWERMAN POWER. Minor changes, modifications or adjustments to Exhibit B, to accommodate connections for utilities in support of the Conversion Facility, may be proposed from time to time by written request of BOWERMAN POWER to the COUNTY. For a period not to exceed five (5) years from the date this Agreement is approved by the Board of Supervisors, said request(s) may be approved or denied, at the sole discretion of the Director of OC WASTE & RECYCLING.

Such license shall not be revocable by COUNTY except as specifically provided in this Agreement. During the term of this Agreement, BOWERMAN POWER shall have a continuous right of access to the Site sufficient for BOWERMAN POWER to conduct all the activities contemplated by this Agreement. Such access shall be at locations that are reasonably determined by the Director of OC WASTE & RECYCLING after consultation with BOWERMAN POWER. In determining the location of BOWERMAN POWER’s access, the Director of OC WASTE & RECYCLING shall first consider any conflict with COUNTY’s operation of the Landfill, and then the convenience to BOWERMAN POWER. In no event shall COUNTY change the access location without thirty (30) days’ prior written notice to BOWERMAN POWER. Any costs incurred by BOWERMAN POWER relating to the change in such access shall be reimbursed in full by COUNTY to the extent that such costs are incurred for materials and installation of new access roads, entry ways, parking areas, relocation of new lighting fixtures, fences, gates, pipelines, power lines, sewer lines or other utility services, safety items (including without limitation safety barriers and fire access lanes) and other similar costs reasonably necessary to provide or restore access equivalent to the original, unless the change was at BOWERMAN POWER’s request.

(d) If during the Term of this Agreement the Site becomes unsuitable for the effective operation of the Conversion System and Flare Facility, then an alternative site suitable for construction and of similar size will be selected by the Director of OC WASTE & RECYCLING which if acceptable to BOWERMAN POWER will replace the original Site and this alternate site will then become the Site for the purposes of this Agreement. BOWERMAN POWER’s acceptance thereof will not be unreasonably withheld.

(i) If BOWERMAN POWER requests relocation of the Conversion System to an alternate site as set forth in this Section 1.2(d), BOWERMAN POWER shall pay all costs and expenses related to such relocation.

(ii) If the COUNTY requests relocation of the Conversion System to an alternate site as set forth in this Section 1.2(d), COUNTY shall pay all reasonable costs and expenses related to such relocation, except as limited by Section 2.34

(iii) The COUNTY acknowledges BOWERMAN POWER’s needs to occupy the Site for a minimum uninterrupted 20 year period, commencing on the Commercial Operations Date of the Conversion System, and will use Commercially
Reasonable efforts to maintain such time period consistent with COUNTY Landfill operations (as defined by the then current COUNTY Landfill Master Plan Soil/Airspace Management Plan (“Master Plan”)) but in no event shall the COUNTY be obliged to incur additional costs or expenses to maintain this 20 year period other than the obligations related to payment of relocation costs as set forth in this Section 1.2(d). Commencing in 2020, the parties agree to meet on at least an annual basis to discuss the status of projected waste volumes and issues or concerns related to the potential Conversion System relocation. The COUNTY shall provide BOWERMAN POWER a copy of any updated Master Plan within ninety (90) days of said update.: 

(iv) In the event the COUNTY requests re-location of the Site prior the expiration of the twenty (20) year period from the Commercial Operation Date or July 1, 2035, whichever occurs first, the following will occur for the period of time it takes for removal and reinstallation of the Conversion System, expect this time period shall not exceed 18 months unless approved by the Director of OC WASTE & RECYCLING in writing

1) the minimum annual royalty requirements as per Section 1.4(v) will be suspended, and

2) the time table in Section 1.4(v) will be extended, and

3) the Term shall automatically be extended

(e) In addition to any existing easements, COUNTY agrees to grant such reasonably required rights of way, licenses and easements as approved by the Director of OC WASTE & RECYCLING within the Landfill boundary consistent with the COUNTY’s landfill operations as may be necessary for BOWERMAN POWER to exercise its rights under this Agreement.

(f) The rights granted under this Agreement shall not be deemed to lease or grant rights of any kind to any oil and gas rights, also known as “mineral rights”, under or around the Landfill.

1.3 TERM

“(a) Subject to the termination provisions contained elsewhere in this Agreement, upon the Commercial Operation of the RNG Facility, the Term of this Agreement will run for a period of twenty (20) years (the “Updated Term”). The Updated Term of this Agreement may be extended by two (2) additional ten (10) year Terms by the COUNTY if 1) BOWERMAN POWER submits written notice not less than one (1) year in advance of the scheduled termination date and 2) BOWERMAN POWER is continuing to productively use Landfill Gas to produce Covered Products for sale and 3) BOWERMAN POWER agrees to relocate the REG and/or RNG Site (the “Sites”) at the sole expense of BOWERMAN POWER to an alternate location which is agreed to by each Party at such point in time that the current Sites is needed by the COUNTY for landfill operations or purposes during the requested extension period(s).”
(b) In the event that, on or before July 1, 2027 there is no RNG Commercial Operation Date, then the Term of this Agreement shall remain unchanged.

(c) N/A.

(a) Subject to the termination provisions contained elsewhere in this Agreement, the Term of this Agreement shall commence on the Effective Date and run for a period of twenty (20) years from the Commercial Operation Date of the Conversion System (the “Term”). The Term of this Agreement may be extended by two (2) additional ten (10) year Terms by the
COUNTY if 1) BOWERMAN POWER submits written notice not less than one (1) year in-advance of the scheduled termination date and 2) BOWERMAN POWER is continuing to—productively use the Landfill Gas to produce Covered Products for sale and 3) BOWERMAN—POWER agrees to relocate the Site at the sole expense of BOWERMAN POWER to an alternate-location which location is agreed to by each party at such point in time that the current Site is—needed by the COUNTY for landfill operations during the requested extension period(s).

(b)—In the event that, on or before June 30, 2015 there is no Commercial Operation Date then this Agreement may terminate on June 30, 2015 at the option of the Director of OC Waste & Recycling. This Agreement shall terminate if there is no Commercial Operation Date by June 30, 2016.

(c)—Notwithstanding (b) above, in the event that any applicable legislative or—regulatory changes or pending litigation involving the SCAQMD allocation of air emissions—offset credits from the SCAQMD Priority Reserve occurs on or before the date the County Board—of Supervisors approves this Agreement, thus resulting in the substantial delay, moratorium or—termination of the processing of any applicable SCAQMD permit required to be obtained by—BOWERMAN POWER or the inability of BOWERMAN POWER to receive air emission offset—credits from the Priority Reserve at no cost, upon the written request of BOWERMAN POWER,—the Director of OC Waste & Recycling may consent to extend the dates set forth in Sections—1.3(b) and 1.4(v) of this Agreement for a period of time equal to the number of months from—execution of this Agreement until the Priority Reserve issue is resolved such that BOWERMAN—POWER will have access to air emission offset credits at no cost to BOWERMAN POWER.—Such consent will not be unreasonably withheld. In the event said legislative or regulatory—changes or lawsuit(s) result in a permanent elimination or reduction of the offsets available to—BOWERMAN POWER or result in BOWERMAN POWER having to pay for any air emission—offset credits, BOWERMAN POWER may terminate this Agreement upon thirty (30) days—written notice to the COUNTY.

1.4 COMPENSATION TO COUNTY

BOWERMAN POWER shall submit to COUNTY by the end of each month following each—calendar quarter (April 30, July 31, October 31 and January 31) a statement of Gross Revenue—and Flare Revenue received by BOWERMAN POWER for that calendar quarter certified by a—company officer designated by BOWERMAN POWER. If BOWERMAN POWER provides—Covered Products to any Customer other than the COUNTY that statement shall also include the—Market Price for that calendar quarter. BOWERMAN POWER shall include, with each—quarterly statement, the royalty payment for that quarter according to the following:

(i) If BOWERMAN POWER provides or sells Covered Products to (x) itself, (y) any—subsidiary, Affiliate, or partner or (z) any other Customer except COUNTY at less—than the Market Price during that calendar quarter, BOWERMAN POWER shall pay—a royalty to COUNTY for those Covered Products of 12.5% of Gross Revenue for—that calendar quarter calculated as if the Covered Products had been sold during the—same period at that Market Price).
(ii) If BOWERMAN POWER sells Covered Products to (1) COUNTY, or (2) any other customer at or above the Market Price during that calendar quarter, the royalty for those Covered Products shall be calculated as the greater of either the Minimum Annual Royalty or as follows: at 9.5% of the Gross Revenue for that calendar quarter.

1. 5% of the Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is less than or equal to $6.00 per MMBtu;

2. 15% of incremental Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is greater than $6.00 per MMBtu but less than or equal to $10.00 per MMBtu;

3. 25% of incremental Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is greater than $10.00 per MMBtu but less than or equal to $15.00 per MMBtu; and

4. 50% of incremental Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is greater than $15.00 per MMBtu.

(iii) For all sales of Flare Products, BOWERMAN POWER shall pay to COUNTY a royalty of 50% of Flare Revenue received by BOWERMAN POWER (including without limitation any Flare Revenues received from COUNTY) for that calendar quarter.

(iii) In the event that BOWERMAN POWER utilizes the Landfill Gas to produce High BTU Natural Gas or LNG, the parties will negotiate, in good faith, the royalty rate applicable to sales of such High BTU Natural Gas or LNG.

(v) Minimum Annual Royalty: Beginning on the Effective Date of this Third Amendment the annual net minimum royalty (“Minimum Annual Royalty”) payable to COUNTY from Gross Revenue royalties before any offsets up to 50% are deducted for Flare Facility Capital Investment and O&M Expenses will not be less than $1,500,000 annually, as long as the annual average Landfill Gas available to the Conversion System and the Flare Facility during any such calendar year is not less than 217 MMBTU/hr (Lower Heating Value).

The Minimum Annual Royalty shall be adjusted annually according to the Cost Index as provided in Section 1.1 of the Agreement.

If the Conversion System ceases operation on any day prior to December 31 in the final year of operation, the minimum annual royalty will be subject to prorata reduction based on the number of calendar months the Conversion System operated in that calendar year.
Calculation of Royalties: For clarification, the Minimum Annual Royalty, and royalties for the sale of Covered Products in general, are to be calculated and paid as follows: Each quarter the royalty payment is to be calculated as set forth above. After the fourth quarter royalty payment is calculated, the minimum annual royalty due for any given year except the last year of operation of the Conversion System would be the greater of: (1) the royalty as calculated per Section 1.4(i) and 1.4(ii) or (2) the Minimum Annual Royalty amount. The minimum annual royalty payment is due with the fourth quarter payment of each year.

Prepayment of the amount due is allowable. Royalties paid pursuant to the sales of Flare Products as per Section 1.4(iii) are not applicable towards the calculation to meet the Minimum Annual Royalty.

All sales of Covered Products shall be consistent with Applicable Law.

Notwithstanding anything herein to the contrary, and subject to the payment of the Minimum Annual Royalty, any and all royalty payable pursuant to Section 1.4(ii) or Section 1.4(v) shall be reduced by the cumulative amount of any and all Bowerman Capital Investment and O&M Expenses not previously deducted from royalty payments pursuant to this Section 1.4(vii); provided, however, that no individual royalty payment shall be reduced by more than fifty percent (50%) and any remaining set-off amount not applied pursuant to such cap shall be rolled forward and set off against future royalty payments. In any event, prior to (and after) the RNG Commercial Operation Date the Minimum Annual Royalty shall not fall below one and a half million dollars ($1,500,000) paid to OCWR annually, as adjusted pursuant to the Cost Index as provided in Section 1.1 of the Agreement.

Any outstanding balance of expenditures made by BOWERMAN POWER for Flare Facility Capital Investment and O&M Expenses or compliance with the Flare Facility Master Plan that may exist upon the expiration of the Term, the Updated Term, or any extension of the Term of this Agreement shall be the sole responsibility of BOWERMAN POWER.

In the event BOWERMAN POWER is able to benefit from any federal or State of California law, regulation, policy, grant, stimulus or similar program, and or rental agreement such as a cellular tower which results in the receipt of unanticipated monies (found money) to BOWERMAN POWER, the parties agree to negotiate in good faith any additional royalty or other payment to be made to the COUNTY as a result of the receipt of found monies. BOWERMAN POWER agrees to notify the COUNTY within ninety (90) days of receipt of said “found money”.

1.5 PERMITS

Any and all environmental permits, and/or CEQA, planning approvals or other permits and/or approvals required to construct, operate, maintain, upgrade, or expand any facilities or equipment required of or by BOWERMAN POWER pursuant to this Agreement
shall be the sole responsibility of BOWERMAN POWER. Any and all environmental permits and/or CEQA planning approvals or other permits and/or approvals required to operate, maintain, upgrade or expand any facilities or equipment required of or by COUNTY pursuant to this Agreement shall be the sole responsibility of COUNTY. COUNTY and BOWERMAN POWER agree to fully cooperate with, expedite and assist the other in obtaining such permits or approvals.

(b) In connection therewith, each party agrees to make available copies of all environmental information reports, environmental assessment reports, environmental impact reports, air impact assessment studies, environmental applications filed and other available data relating to, necessary for and used (or useful) at each party’s sole determination, provided such information is not privileged, in connection with obtaining any environmental permits or CEQA and planning approvals necessary for the installation and operation of any equipment or the conducting of any other activities on the Landfill.

1.6 RIGHTS TO LANDFILL GAS

(a) BOWERMAN POWER’s Rights. Except as otherwise provided herein and subject to the terms and conditions of this Agreement, BOWERMAN POWER shall have the exclusive right to recover and process Landfill Gas at the Landfill for sale and or conversion to and sale of Energy and other Covered Products and Flare Products. Subject to Section 1.2 hereof, the rights of BOWERMAN POWER to those portions of the Landfill outside of the Site are also by non-exclusive license and are limited to those portions of the Landfill at which or within which the Collection System and the Collection Instrumentation and Control System are located together with such other portions of the Landfill as authorized by the Director of OC WASTE & RECYCLING that may be necessary for BOWERMAN POWER to exercise the rights and perform the duties of BOWERMAN POWER. COUNTY shall execute and deliver any further writing, instrument or document and take any further action as BOWERMAN POWER may reasonably request, in form and substance reasonably satisfactory to BOWERMAN POWER, in order to evidence BOWERMAN POWER’s ownership of the Covered Products and the Flare Products or to permit or facilitate the sale, conveyance or transfer of Covered Products or Flare Products by BOWERMAN POWER.

(b) Use of Natural Gas. Natural Gas may be used to supplement the Landfill Gas only if 1) the Conversion Facility is utilizing all of the Landfill Gas reasonably capable of being recovered from the landfill and 2) the Conversion Facility is operating at less than full capacity and 3) Landfill Gas use shall have priority over Natural Gas use. In no event shall the use of Natural Gas exceed twenty-five (25%) of the total annual fuel BTU throughput.

(c) COUNTY’s Rights. COUNTY shall have the right to take or otherwise use Excess Gas, with the approval of BOWERMAN POWER. Such approval shall not be unreasonably withheld, conditioned or delayed. Excess Gas shall be recovered in such a manner so as not to negatively impact BOWERMAN POWER’s operations or production and sales of Flare Products or Covered Products. In the event the recovery of such Excess Gas is required to comply with Applicable Law, COUNTY and BOWERMAN POWER agree to work together to develop Collection System additions, operational methods, and techniques in order for COUNTY to meet Applicable Law, subject to the payment obligations set forth in Section 1.9(d). Any third party purchasing or otherwise receiving from COUNTY Excess Gas or Energy recovered exclusively from Excess Gas shall sign an agreement acknowledging BOWERMAN
POWER’s superior rights to the Landfill Gas, the Covered Products and the Flare Products and other rights under this Agreement, which agreement shall be reasonably acceptable to BOWERMAN POWER. COUNTY and BOWERMAN POWER shall coordinate its efforts for Collection System work in the event that COUNTY installs or constructs any collection devices. In the event COUNTY and BOWERMAN POWER cannot agree on the actions needed to comply with Applicable Law, COUNTY shall have the sole and exclusive right to proceed with such action to the extent required to comply with Applicable Law or protect human health and the environment. Except as specifically provided in this Agreement, COUNTY reserves all rights to use the surface and subsurface of the Landfill; however, COUNTY shall use its best Commercially Reasonable efforts to minimize interference with the operations of the Collection System or Systems, the Conversion System or Systems, the Flare Facility, as described in Section 1.11(a) (if any) and the Utility Interface.

1.7 COMPLIANCE WITH LANDFILL OPERATING REQUIREMENTS

(a) System Plan. BOWERMAN POWER agrees to cooperate with COUNTY and appropriate regulatory agencies in the preparation of a plan for the sizing and installation of adequate Landfill Gas emission and Migration control devices including but not limited to Conversion System, Flare Facility, and Collection System to assure full compliance with air quality, and Landfill Gas emission and Migration regulations and other Applicable Law. COUNTY and regulatory agencies shall each approve the plan prior to design and construction of facilities contained herein. BOWERMAN POWER shall operate the Conversion System and any Flare Facility(s) necessary to maintain the COUNTY in compliance with all Applicable Law, including but not limited to, air quality and ground water quality and Landfill Gas emission and Migration regulations.

(b) Collection System Location. The installation of additional devices and operation of the COUNTY’s Collection System by BOWERMAN POWER is subject to the reasonable control and approval of COUNTY. The location(s) of the COUNTY’s Collection System may be changed, at any time, at the reasonable discretion of the Director of OC WASTE & RECYCLING. COUNTY shall be solely responsible for any and all costs related to such location change unless such change is at the request of BOWERMAN POWER.

(c) Governmental Monitoring. COUNTY intends to measure the concentrations of Landfill Gas on and around the Landfill to monitor for Landfill Gas emissions and Landfill Gas Migration for compliance with Applicable Law, including, but not limited to, air quality or other environmental regulations, such as Rule 1150.1 of the SCAQMD. COUNTY and BOWERMAN POWER agree that they shall coordinate their efforts to maintain the Landfill in compliance with all Applicable Law, including but not limited to air quality or other Applicable Law concerning Landfill Gas. If the COUNTY, BOWERMAN POWER or a regulatory agency at any time determines that the emissions of Landfill Gas from the Landfill exceed permissible limits, COUNTY and BOWERMAN POWER shall work together to determine the cause for such emissions. If the presence of excess concentrations of Landfill Gas are determined by COUNTY to be caused by surface fissures in the Landfill or other Landfill surface or subsurface irregularities, then COUNTY shall have the sole responsibility, at its expense, for the repair of such surface fissures or other Landfill surface or subsurface irregularities. If such excess concentrations of Landfill Gas are determined to be caused by the generation of Landfill Gas at the Landfill at a rate greater than the rate of collection by the Collection System operated by BOWERMAN POWER, then COUNTY shall promptly notify BOWERMAN POWER of its
determination and provide BOWERMAN POWER with the data in the possession of COUNTY supporting its determination of the cause of such excess concentration of Landfill Gas. Upon receipt of such notification and supporting data, BOWERMAN POWER shall adjust the draw rate on the wells or other collection devices in the Collection System located nearest to the area or areas of excess concentration of Landfill Gas. COUNTY and BOWERMAN POWER have set forth the preceding procedure to evidence the intent to cooperate with each other in an effort to maintain the compliance of the Landfill with applicable air quality and Landfill Gas emission, Migration regulations and other Applicable Law. The COUNTY and BOWERMAN POWER further agree that compliance with Applicable Law is a material obligation of this Agreement.

(d) Requests for Adjustment. BOWERMAN POWER acknowledges that COUNTY is required to respond promptly to complaints or other notifications COUNTY may receive from the SCAQMD or other governmental agencies having jurisdiction over the Landfill as to any purported noncompliance of the Landfill with Applicable Law. Accordingly, requests made by COUNTY to BOWERMAN POWER to adjust the draw rate on the wells or other collection devices constituting part of the Collection System may be made orally, either in person or by telephone, by COUNTY’s authorized representative to BOWERMAN POWER’s on-site representative(s) (as described in Section 1.12(b)). Such oral requests shall state the specific action that COUNTY desires BOWERMAN POWER to take with respect to the operation of the Collection System in order to meet the requirements of SCAQMD or other applicable governmental agency. Such oral requests shall be immediately followed by a written request containing the same information. BOWERMAN POWER shall initiate corrective actions expeditiously and notify the COUNTY verbally as soon as possible and then in writing of all actions taken and all modifications made to the Collection System no later than one (1) business day after such actions or modifications taken pursuant to a request by the COUNTY under this Section 1.7(d). COUNTY shall be solely responsible for any and all costs related to a COUNTY request pursuant to Section 1.7(c) or (d) other than to the extent that BOWERMAN POWER’s negligence causes or contributes to the conditions that prompt any such request or those requests that require only the services (routine operation and maintenance as described on Exhibit C-3 attached hereto) of BOWERMAN POWER personnel then assigned to the Landfill during normal business hours, for which there shall be no charge to COUNTY. If BOWERMAN POWER is unable to comply with such requests within twenty-four (24) hours from the receipt of such request by COUNTY (or within seventy two (72) hours if the applicable law allows for such longer period for compliance), or, if COUNTY is unable to locate any personnel of BOWERMAN POWER to deliver such request within a twenty-four (24) hour period (or within seventy two (72) hours if the applicable law allows for such longer period for compliance), then COUNTY shall be authorized through a technician or other personnel trained in the operation of the Collection System to adjust the appropriate wells or other collection devices included in the Collection System in order to meet the requirements of any rule, order, permit, or regulation of the SCAQMD or any other applicable governmental agency having jurisdiction over the Landfill, and all reasonable out-of-pocket costs associated with such actions by the COUNTY shall be reimbursed promptly by BOWERMAN POWER. The personnel utilized by COUNTY to adjust or perform other corrective work on the Collection System shall perform such work in accordance with the procedures and standards set forth in BOWERMAN POWER’s System Maintenance Manual. If COUNTY makes a request of BOWERMAN POWER to take action with respect to the Collection System that results in COUNTY using its personnel to adjust any such Collection System, following the completion of any such action taken by COUNTY, COUNTY shall (i) notify BOWERMAN POWER verbally as soon as possible and then in
writing of all actions taken and all modifications made to the Collection System no later than one (1) business day after such actions; and (ii) be subject to the indemnification provisions of Section 2.13.

(e) Compliance with Applicable Law. COUNTY covenants that the Landfill and all activities conducted thereon will, during the term of this Agreement, be in material compliance with all Applicable Law, including without limitation those relating to Hazardous Materials. BOWERMAN POWER covenants that all of its activities conducted on the Landfill will, during the term of this Agreement, be in material compliance with Applicable Law, including without limitation those relating to Hazardous Materials. Notwithstanding the foregoing, it shall not be deemed to be a breach of this Section, 1.7(e) by either party if a failure to comply is cured by the earlier of (i) one hundred twenty (120) days after receiving a notice of non-compliance from the other party or any third party; (ii) the cure period provided for in Applicable Law or (iii) notice from the governmental authority attempting to enforce compliance with same.

(f) Habitat Mitigation Responsibilities. The parties acknowledge that disturbance of Habitat may require permission, permits and or implementation of mitigation acceptable to the U.S. Fish and Wildlife Service, California Department of Fish and Game, the Nature Reserve of Orange County and or other applicable agency prior to disturbance. In the event a party requests a relocation of the Site as set forth in Section 1.2(d), the requesting party shall be responsible for all costs and expenses related to Habitat mitigation in connection with such relocation of the Site (including, but not be limited to, obtaining any permits/permission from the applicable agencies for impacts to Habitat, implementation of compensatory mitigation associated with the development of the project, all costs related to any required Habitat mitigation (i.e., consultants, processing permits, long-term maintenance and monitoring, etc.). Otherwise, each party shall be solely responsible for any Habitat mitigation related to such party’s operations under this Agreement. Said responsibilities shall include, but not be limited to, obtaining any permits/permission from the applicable agencies for impacts to Habitat, implementation of compensatory mitigation associated with the development of the project, all costs related to any required Habitat mitigation (i.e., consultants, processing permits, long-term maintenance and monitoring, etc.). In the event of a mutual project or disturbance, each party shall be responsible for its share of the mitigation based on the percentage involvement in the project or disturbance.

Prior to contacting the appropriate regulatory agencies, BOWERMAN POWER shall coordinate any plans or inquiries related to Habitat with regulatory agencies with the COUNTY dealing with Habitat mitigation on COUNTY property. In the event a potential Habitat disturbance issue is discovered by BOWERMAN POWER, exclusive of a disturbance caused by the COUNTY’s requested relocation of the Site, BOWERMAN POWER shall submit a Habitat mitigation plan satisfying the requirements of the applicable agencies to the COUNTY in accordance with the provisions of Section 1.8 for OC Waste & Recycling Director approval as per Section 1.8.

1.8 CONSTRUCTION OF CONVERSION SYSTEM

(a) BOWERMAN POWER shall cause to be designed, constructed, and installed within the Site and the Landfill, at its sole expense, any Conversion System improvements, as may be expanded from time to time, to adequately accommodate the uses permitted under this Agreement and shall submit its design plans and easement requirements therefore for review and
approval by Director of OC WASTE & RECYCLING and the appropriate COUNTY building official. The construction proposed by BOWERMAN POWER may be scheduled in Commercially Reasonable increments, subject to review by Director of OC WASTE & RECYCLING and the appropriate COUNTY building official. BOWERMAN POWER shall provide a construction schedule, updated monthly. Development of the Site for the Conversion System shall be conducted in a good and workmanlike manner and shall meet all other requirements contained in this Agreement. Approval by Director of OC WASTE & RECYCLING shall not be unreasonably conditioned, delayed, withheld or denied.

(b) Before starting construction of the Conversion System:

(i) If BOWERMAN POWER deems it necessary to secure areas of the Landfill in addition to the Site, provided that suitable areas of the Landfill are available, the Director of OC WASTE & RECYCLING will select an area sufficient in size and acceptable to BOWERMAN POWER to accommodate the construction and operation by BOWERMAN POWER of the Conversion System. The Director of OC WASTE & RECYCLING shall work with BOWERMAN POWER to select a parcel or parcels of real property with stable soil that does not contain refuse from landfilling operations or other fill material, takes into account the convenience to the Collection System, the convenience and proximity to the Utility Interface, aesthetic and environmental considerations and any other appropriate consideration in the opinion of the Director of OC WASTE & RECYCLING and acceptable to BOWERMAN POWER. BOWERMAN POWER shall prepare a site layout or plat map (at least 8 1/2” x 11” in size at a 1”:40’ scale) that shows the location of the Site including the additional area, once the additional area, if any, is agreed upon. Upon approval of this site layout or plat map by the Director of OC WASTE & RECYCLING, it shall be attached as Exhibit B to this Agreement.

(1) If the site layout or plat map is marked as “preliminary”, a final site layout or plat map must be included, for approval by the Director of OC WASTE & RECYCLING, with the design plans as required in Section 1.8(a).

(ii) The Director of OC WASTE & RECYCLING and BOWERMAN POWER will work together to identify and select an area of sufficient size to accommodate a temporary construction office trailer(s) and a work and storage area commonly referred to as the construction lay down area. BOWERMAN POWER will work to minimize the size and duration this area will be needed and will be responsible, at the sole cost of BOWERMAN POWER, to restore the area as nearly as practicable to its original condition or an alternate condition as agreed to by the Director of OC WASTE & RECYCLING.

(iii) BOWERMAN POWER will obtain environmental clearance for all work encompassed by this Agreement in accordance with the requirements of the CEQA.

(iv) BOWERMAN POWER will submit the following to the Director of OC WASTE & RECYCLING:
(a) Evidence of insurance coverage that fully complies with Section 2.12 of this Agreement.

(b) Evidence, by submitting approved building permits that the proposed development is:

1) In conformance with the General Plan of COUNTY pursuant to California Government Code Section 65402 or the then current applicable section.

2) In conformance with all federal, state and local land use planning requirements.

3) In compliance with all Applicable Law and other legal requirements applicable to the construction of the Conversion System.

(v) BOWERMAN POWER shall install the necessary fire protection system(s) as required per the Orange County Fire Authority (OCFA) and obtain adequate permits and approvals from OCFA for the Conversion System.

(a) The COUNTY is willing to allow BOWERMAN POWER to expand the COUNTY existing fire protection and potable water system to meet these requirements, pending approval of such modification by the OCFA and the Director of OC WASTE & RECYCLING, at the expense of BOWERMAN POWER.

1) Such improvements to existing COUNTY fire protection and potable water system shall become the property of the COUNTY upon acceptance by the appropriate building official.

2) If, pursuant to this Section 1.8 (b) (v), BOWERMAN POWER elects to install additional capacity or make improvements to the existing COUNTY fire protection and potable water system, it is understood BOWERMAN POWER may use these improvements for fire protection purposes only.

(b) Should OCFA require additional improvements to the existing COUNTY systems, cost sharing for any system improvements will be based proportionally on the size of the needed COUNTY improvements to the total size of the improvements needed by BOWERMAN POWER and must abide by COUNTY purchasing policies as defined by Applicable Law.

(vi) BOWERMAN POWER shall complete the decommissioning of the former LNG plant as mutually agreed upon in writing and directed by the Director of OC Waste & Recycling. Said decommissioning shall include the removal of
specific improvements and restoration of the site.

(c) Before delivering Covered Products to any Customer, BOWERMAN POWER shall provide a copy of the Energy Agreement to Director of OC WASTE & RECYCLING as per Section 1.12 (a)(xiii).

1.8.2 CONSTRUCTION OF RNG FACILITY

a. Upon completion of the RNG Conditions, BOWERMAN POWER shall cause to be designed, constructed, and installed within the RNG Facility Site, at its sole expense, any RNG Facility improvements as provided in the RNG Master Plan and as may be expanded from time to time, to adequately accommodate the uses permitted under this Agreement and shall submit its design plans and easement requirements therefore for review and approval by the Director of OC WASTE & RECYCLING and the appropriate COUNTY building official. The construction proposed by BOWERMAN POWER may be scheduled in Commercially Reasonable Increments, subject to review by the Director of OC WASTE & RECYCLING and the appropriate COUNTY building official. BOWERMAN POWER shall provide a construction schedule, updated monthly. Development of the RNG Facility Site shall be conducted in a good and workmanlike manner and shall meet all other requirements contained in this Agreement. Approval by the Director of OC WASTE & RECYCLING shall not be unreasonably conditioned, delayed, withheld or denied.

b. Prior to starting construction of the RNG Facility, BOWERMAN POWER will:

   i. Obtain environmental clearance for all work encompassed by this Agreement and the RNG Master Plan in accordance with the requirements of CEQA and all other Applicable Law;

   ii. Submit evidence of insurance coverage that fully complies with section 2.12 of this Agreement.

   iii. Submit evidence of approval of all required building permits;

   iv. Submit evidence of OCFA fire system approvals.

1.9 COLLECTION SYSTEM AND FLARE FACILITY

(a) Flare Facility Construction. BOWERMAN POWER shall install additional Flares and other Flare Facility components and improvements as reflected in the Flare Facility Master Plan and as may otherwise be required to destruct all Landfill Gas reasonably projected to be recovered by the Collection System at the Landfill and comply with all Applicable Law. The Parties agree that until and alternative method of Landfill Gas destruction and destruction capacity determination is clearly defined in writing by the SCAQMD to the reasonable satisfaction of the Director of OC WASTE & RECYCLING, only Flare Facility capacity will count towards the Landfill Gas destruction capacity requirements required by this Agreement. BOWERMAN POWER is solely responsible for the installation of temporary equipment as may be needed to maintain compliance and/or all fines and penalties associated with non-compliance caused by inadequate Flare Facility capacity. BOWERMAN POWER agrees to meet at a minimum annually with the COUNTY to review the most current Landfill Gas Generation Rate
Table (Exhibit G), and establish a timeline agreed to by both parties as to when expanded Flare capacity is to be installed.

In furtherance of the above, the Parties agree that BOWERMAN POWER shall construct, develop and install (or cause to be constructed, developed and installed) the additional Flares and other Flare Facility components and improvements to the Flare Facility as set forth in and in accordance with the Flare Facility Master Plan, at BOWERMAN POWER’s sole cost and expense pursuant to the royalty structure agreed to in Section 1.4(ii) of this Third Amendment; provided that (i) BOWERMAN POWER shall not be responsible for any material increases to anticipated costs and expenses as set forth in the Flare Facility Master Plan that result from changes to Applicable Law or Policy occurring after the date of this Third Amendment, and any such increases shall be addressed by the Parties in good faith in a subsequent amendment to the Agreement if the existing royalty structure is insufficient to cover the increased costs caused by the changes to Applicable Law, and (ii) all Flare Capital Investment and O&M Expenses shall be set off against royalties due to COUNTY hereunder in accordance with Section 1.4(ii). Without limiting the generality of the foregoing, BOWERMAN POWER shall be solely responsible for the provision of a Temporary H₂S Treatment System and a permanent H₂S treatment system and related appurtenances as set forth in the Flare Facility Master Plan (the “Permanent H₂S Treatment System”) sufficient to comply with Applicable Law; provided that, when the Temporary H₂S Treatment System is no longer necessary [as mutually determined by the Parties], BOWERMAN POWER shall remove the Temporary H₂S Treatment System, replace it with [straight pipe or similar alternative which ensures continuing compliance with Applicable Law as required under Section 1.15(c) of the Agreement], and shall retain ownership of the removed Temporary H₂S Treatment System following removal. COUNTY shall perform all of its obligations and responsibilities as set forth in the Flare Facility Master Plan and shall otherwise cooperate with BOWERMAN POWER in connection with BOWERMAN POWER’s performance of its obligations hereunder and as provided in the Flare Facility Master Plan. COUNTY agrees to grant to BOWERMAN POWER, and/or to the appropriate utility providers, easements across the Landfill (in form and substance satisfactory to COUNTY in its reasonable discretion) and across property contiguous with the Landfill that is owned or leased by COUNTY and that may be reasonably necessary in connection with BOWERMAN POWER’S exercise of its obligations hereunder. Upon request, COUNTY shall reasonably assist BOWERMAN POWER in connection with obtaining any permits, authorizations or third-party easements with respect to this Third Amendment and as required under the Flare Facility Master Plan.

(a) Construction of Flares. BOWERMAN POWER shall install additional Flares as needed to destruct all Landfill Gas reasonably projected to be recovered by the Collection System at the Landfill. The parties agree that until an alternate method of Landfill Gas destruction and destruction capacity determination is clearly defined in writing by the SCAQMD to the reasonable satisfaction of the Director of OC WASTE & RECYCLING, only Flare capacity will count towards the Landfill Gas destruction capacity requirements required by this Agreement. BOWERMAN POWER is solely responsible for the installation of temporary equipment as needed to maintain compliance and/or all fines and penalties associated with non-compliance caused by inadequate Flare capacity. BOWERMAN POWER agrees to meet at a minimum annually with the COUNTY to review the most current Landfill Gas Generation Rate Table (Exhibit G), and establish a timeline agreed to by both parties as to when a new Flare is to be installed.
(b) If and when BOWERMAN POWER is required to replace or install a new Flare, in order to maintain control system and spare parts consistency, the COUNTY approval for the new Flare is contingent on BOWERMAN POWER providing a Perennial Energy Flare unless it can be shown the Flare(s) available from Perennial Energy at the time the Flare is needed a) do not meet the then applicable requirements for the destruction of Landfill Gas, or b) control systems and or major parts have changed significantly enough to negate the advantage of purchasing from Perennial Energy.

(c) **Use of Existing Facilities.** BOWERMAN POWER and COUNTY agree to continue to work together to develop operational methods and techniques in order to optimize the quality and quantity of Landfill Gas recovered from the Collection System in the Landfill. To the extent reasonably practicable, BOWERMAN POWER agrees to utilize COUNTY’s horizontal Landfill Gas extraction system, vertical Landfill Gas wells, and header(s) to produce and recover Landfill Gas therefrom and transport Landfill Gas to the Site of the Conversion System.

(d) **Collection System Improvements.**

(i) All work required for capital additions (as set forth in Exhibit C-3 C) to the Collection System to comply with Applicable Law will be implemented by COUNTY at COUNTY’s expense.

(ii) The Collection System Major Maintenance responsibilities are defined in Exhibit C-3(B).

(e) **Collection System Improvement Reimbursement.** Beginning January 1, 2012, BOWERMAN POWER will pay or reimburse COUNTY for (i) the costs of all capital additions to the Collection System that are made at BOWERMAN POWER’s request; and (ii) the first One Hundred Thousand Dollars ($100,000) per year of other capital additions and Major Maintenance to the Collection System adjusted annually in accordance with the Cost Index, in both cases either through a credit or a direct payment to COUNTY (as evidenced by supporting documentation to be provided by COUNTY on an annual basis). Any such reimbursement shall be subject to pro rata reduction in the final year of the term to the extent the term does not expire or terminate on December 31 and shall be due within thirty (30) days after receipt by BOWERMAN POWER of a statement prepared by COUNTY setting out in reasonable detail the costs for which reimbursement is due under this Section 1.9(e).

(f) **Collection System to Control Landfill Gas Migration.** If (A) the Collection System as it exists at any given time, including the use of all improvements installed per Section 1.9(c) above, will control Landfill Gas Migration when adjusted as per and within Applicable Law limits, and (B) said adjustments result in Landfill Gas quality or quantities below limits acceptable to BOWERMAN POWER and (C) COUNTY determines that by readjusting the Collection System to meet the Landfill Gas quality or quantities acceptable to BOWERMAN POWER that Landfill Gas Migration in excess of regulatory limits cannot be prevented, or soon may not be preventable, then BOWERMAN POWER shall design and construct at its sole cost all improvements to the Collection System required to reduce the burden on the Collection System to increase the Landfill Gas quality or quantities to limits acceptable to BOWERMAN POWER, including if necessary, a separate Collection System. Said improvements shall be designed and operated in conjunction with the entire Collection System, which now includes the
additions installed by BOWERMAN POWER to prevent Landfill Gas Migration.

(g) Cooperation. The engineering staffs of COUNTY and BOWERMAN POWER shall meet and confer on the design of any expansion or additions to the Collection System at the Landfill. COUNTY and BOWERMAN POWER agree to cooperate in specifying the materials, design, and location of Landfill Gas collectors for the Collection System to satisfy Applicable Law. No structures, improvements, or facilities relating to the Collection System shall be constructed, erected, altered or made within the Site or the Landfill by BOWERMAN POWER without prior written consent or approval of the Director of OC WASTE & RECYCLING or designee, which consent shall not be unreasonably withheld, conditioned or delayed.

1.10 OPERATION AND MAINTENANCE OF THE COLLECTION AND CONVERSION SYSTEMS

(a) In operating and maintaining the Collection System and constructing, equipping, operating and maintaining the Conversion System, BOWERMAN POWER shall use reasonable care and diligence and shall perform all work in a proper and workmanlike manner and BOWERMAN POWER agrees to conduct its operations in full compliance with Applicable Law and so as not to unreasonably interfere with the use of the Landfill for sanitary landfill operations. BOWERMAN POWER’s operation and maintenance duties for the Collection System shall be as detailed in Exhibit C-3 attached hereto and BOWERMAN POWER shall perform the Routine Operations, Repair and Maintenance as assigned in Exhibit C-3(A) attached hereto, at the sole expense of BOWERMAN POWER. COUNTY agrees to use its best efforts to supervise the equipment operators employed at the Landfill and to instruct them not to damage any wells, piping, or other material or equipment installed at the Landfill which may extend above the surface of the Landfill during either normal day-to-day operations or during any operations in which the Landfill is brought up to its final grade.

(b) To the extent that any damage occurs to all or any part of any of the systems on the Site, specifically the Conversion System, Condensate System, the Collection System, the Flare Facility described in Section 1.11(a) below or the Utility Interface, each party shall pay for the cost of any and all damage that is the fault of that party, or caused by any Affiliate, sublessee or sublicensee, assignee, representative, contractor, agent, licensee, or invitee of that party. Nothing herein shall be construed as limiting either party’s right to pursue all other available rights at law or in equity.

1.11 OPERATION AND MAINTENANCE OF FLARE FACILITY AND CONDENSATE SYSTEM

(a) In order to allow COUNTY to comply with Applicable Law with respect to its operations at the Landfill, BOWERMAN POWER shall convey any Landfill Gas within the Collection System not being used by any Conversion System to the Flare Facility. BOWERMAN POWER agrees to consume or flare Landfill Gas as necessary to maintain COUNTY compliance with Applicable Law concerning Landfill Gas through the term of this Agreement.

(b) (i) BOWERMAN POWER shall perform the Routine Flare Facility and Condensate System Operation and Maintenance assigned to it in Exhibits C-1 and
C-2 attached hereto. All duties assigned to BOWERMAN POWER, as set forth in Exhibit C-1 and C-2, shall be performed at BOWERMAN POWER’s sole expense.

(ii) BOWERMAN POWER shall perform the Major Maintenance on the Flare Facility assigned to it in Exhibit C-1 attached hereto, at the sole expense of BOWERMAN POWER.

(iii) BOWERMAN POWER shall perform the Major Maintenance on the Condensate System assigned to it in Exhibit C-2 attached hereto at the sole expense of BOWERMAN POWER.

(c) As part of its obligation to operate and maintain the Flare Facility under this Section 1.11, BOWERMAN POWER shall purchase or otherwise provide all electricity necessary to operate the Flare System and install any metering necessary to do so. Such electricity shall be of utility standard quality and shall be separately metered. All costs of providing such electricity under this Section 1.11(c), including, but not limited to the purchase and installation of necessary capital items, shall be paid for by BOWERMAN POWER.

1.12 DUTIES OF BOWERMAN POWER

(a) Generally, BOWERMAN POWER shall keep and maintain the Site, Flare Facility, Condensate System and Collection System and all improvements of any kind which may be erected, installed, or made thereon in good condition and in good repair and in a safe, clean, and sanitary condition, all as set forth in Exhibits C-1, C-2 and C-3 attached hereto, and properly handle any Hazardous Material generated or brought into the Landfill by or at the request of BOWERMAN POWER, subject to the other terms of this Agreement. BOWERMAN POWER shall keep and maintain the aesthetics of the Site consistent with the COUNTY premises as they relate to the general style and color scheme where applicable, as reasonably determined by the Director of OC Waste & Recycling. In addition, BOWERMAN POWER shall pay particular attention to odor, fumes, light and sound as they relate to the duties described in this Agreement and work with the COUNTY to develop procedures for when complaints are received. These procedures are to become part of the BOWERMAN POWER System Maintenance Manual. BOWERMAN POWER shall employ, or otherwise obtain the services of, experienced Landfill Gas to energy personnel to assist BOWERMAN POWER in performing its obligations under this Agreement. Specifically, subject to the terms and conditions of this Agreement, BOWERMAN POWER will perform the following duties during the term of this Agreement:

(i) Provide routine operation and maintenance, Major Maintenance and capital improvements as provided in this Agreement.

(ii) Treat and dispose of all Condensate separated or collected from the Collection System, Flare Facility and the Conversion System at BOWERMAN POWER’s expense so that such Condensate satisfies the requirements of Applicable Law, including delivery of adequate Landfill Gas to the Flare Facility as described in Section 1.11(a) to the extent needed to dispose of Condensate through injection into the Flare Facility; provided that, notwithstanding anything in this Agreement to the
contrary, BOWERMAN POWER shall have no obligation to handle or dispose of Condensate that can be or will be classified as Hazardous Material, unless (x) the Condensate has been made a Hazardous Material by a treatment or process performed by BOWERMAN POWER or by the Conversion System or (y) such Condensate is readily treatable on site without any excessive expense (not to exceed $5,000 annually, escalating no more than 1.5% annually), such as a pH adjustment.

The COUNTY, at its option, may treat and use Condensate for dust control.

(iii) BOWERMAN POWER is responsible to provide all monitoring and testing with analysis as required by Applicable Law for the Landfill Gas (with the exception of the testing associated primarily with the Landfill, such as SCAQMD 1150.1 monitoring and testing requirements). The frequency, constituents and methods monitored and or tested may change as required by Applicable Law or the current permit.

(iv) Perform its duties hereunder in accordance with Applicable Law related to BOWERMAN POWER’s operations.

(v) Reimburse COUNTY for Major Maintenance and capital additions with respect to the Collection System in accordance with Section 1.9(e) herein.

(vi) Prepare and present to the COUNTY for review and approval, the BOWERMAN POWER System Maintenance Manual within ninety (90) days of the Effective Date of this Agreement and thereafter as it may be amended from time to time. The COUNTY has the right to request revisions annually.

A) BOWERMAN POWER shall within thirty (30) days of the Effective Date prepare and present to the COUNTY for review and approval, the Flare Facility and Collection System Operations and Maintenance procedures portion of BOWERMAN POWER’s System Maintenance Manual.

B) BOWERMAN POWER shall supply COUNTY with two (2) copies of the BOWERMAN POWER System Maintenance Manual as in effect from time to time, or whenever modified.

(vii) Perform all other duties and obligations of BOWERMAN POWER as specified in this Agreement.

(viii) Comply with all federal and state statutes and regulations regarding the employment of aliens.

(ix) Comply with all aspects of Applicable Law.

(x) Participate in monthly coordination meetings (via telephone or in-person) between COUNTY staff and BOWERMAN POWER management (routine management participation at the discretion of BOWERMAN POWER unless specifically requested to attend by the COUNTY) and/or on-site field and Conversion System personnel.
(xi) Pay fees associated with burning the Landfill Gas as they relate to air emissions, typically known as the Annual Emission Fees from the SCAQMD.

(xii) Maintain, repair and generally keep in a good and safe condition as per the standards for a private road, the portions of the access road located within the boundaries of the Site at the sole cost of BOWERMAN POWER.

(xiii) Provide copies of all Energy Agreements with a duration of more than one (1) year to COUNTY by BOWERMAN POWER within thirty (30) days of execution of any such Energy Agreements (see also Section 1.8 (c)).

(xiv) In the event there is Excess Gas available, BOWERMAN POWER and COUNTY agree to explore Commercially Reasonable options for the production and sale of electricity by BOWERMAN POWER to COUNTY from an expansion project or the self-generation of electricity by COUNTY for use by COUNTY for its’ administrative needs on the Landfill.

(b) Representatives. BOWERMAN POWER shall designate in writing to the Director of OC WASTE & RECYCLING an on-site representative who shall be responsible for the day-to-day operation and level of maintenance, cleanliness, and general order. COUNTY shall designate in writing to BOWERMAN POWER a representative who shall be responsible for interfacing with BOWERMAN POWER as to the day-to-day operations on the Site.

(i) The BOWERMAN POWER representative acting in the capacity of Landfill Gas Collection System supervisor or equivalent position shall have at least 5 years’ experience in the operations and maintenance of a Landfill Gas Collection System and within one year of assignment to the Landfill shall have successfully completed at a minimum the SWANA Landfill Gas Systems Operations and Maintenance and or Landtec Technician Landfill Gas Training course or equivalent.

(ii) The BOWERMAN POWER representative(s) acting in the capacity of Landfill Gas Collection System technician or equivalent position within one year of assignment to the Landfill shall have successfully completed at a minimum the SWANA Landfill Gas Basics course or equivalent.

(iii) If an inadequate, improper or delayed action on the part of BOWERMAN POWER staff results in a regulatory violation or fine, the parties agree to work together to first identify and then correct the root cause of any such inadequate, improper or delayed action. This correction would include but not be limited to; changing of policies, additional training, re-training or the replacement of the responsible BOWERMAN POWER staff member. The COUNTY may request the replacement of a BOWERMAN POWER staff member only after a second regulatory violation or fine has been attributed to
the BOWERMAN POWER staff member’s inadequate, improper or delayed action and only after a joint investigation by both parties; provided however, that the COUNTY may request that BOWERMAN POWER immediately remove a staff member in the event of negligence which results in a regulatory violation or fine or willful misconduct of such staff member as reasonably determined by the COUNTY.

(iv) If the COUNTY has evidence that BOWERMAN POWER’s operation and maintenance of the Collection System, Flare Facility and/or Condensate System is (a) not in compliance with Applicable law, (b) not in compliance with the manufacturers recommendations, (c) not within the operating parameters as reasonably defined by the COUNTY or (d) not within Commercially Reasonable standards, then the COUNTY may request BOWERMAN POWER to engage, at BOWERMAN POWER’s sole cost, an independent consultant to review and audit BOWERMAN POWER’s compliance with its’ operation and maintenance obligations under this Agreement. Such requests will be limited to once per calendar year and the independent consultant shall be selected by BOWERMAN POWER with approval from the Director of OC Waste & Recycling which approval shall not be unreasonably withheld or delayed. The parties agree to review the findings and implement agreed upon recommended changes to BOWERMAN POWER’s System Maintenance Manual and or take appropriate action as per Section 1.12(b)(iii) above.

(c) Failure to Maintain. If BOWERMAN POWER fails to maintain or make repairs or replacements as required of BOWERMAN POWER herein, the Director of OC WASTE & RECYCLING shall notify BOWERMAN POWER in writing of the failure. Should BOWERMAN POWER fail to commence correction of the situation within three (3) business days (or such earlier time as may be required by Applicable Law) after receipt of written notice, the Director of OC WASTE & RECYCLING may make the necessary correction or cause it to be made and the cost of labor, materials, and equipment shall be paid by the party responsible therefore as per Sections 1.9, 1.10 and 1.11 within ten (10) days of receipt of a statement of said cost from the Director of OC WASTE & RECYCLING. The Director of OC WASTE & RECYCLING may choose other remedies available herein, or by law.

(d) Further Improvements. Within sixty (60) days following completion of any substantial improvement within the Site and/or Landfill, pursuant to Sections 1.8 and 1.9 by BOWERMAN POWER, BOWERMAN POWER shall furnish the Director of OC WASTE & RECYCLING with one (1) complete set of reproducibles and two (2) sets of prints of “as-built” plans. In addition, BOWERMAN POWER shall furnish the Director of OC WASTE & RECYCLING with an itemized statement of the actual construction cost of COUNTY requested improvements to be paid by COUNTY. The statement of cost shall be sworn to and signed by BOWERMAN POWER or its responsible agent under penalty of perjury and may be subject to audit by COUNTY.

(e) Landscaping. BOWERMAN POWER shall, upon written request from the Director of OC WASTE & RECYCLING, install and maintain such landscaping as may be
reasonably required for adequate screening of BOWERMAN POWER’s facilities and appurtenant equipment.

(f) Sale of Covered Products. BOWERMAN POWER shall, itself or through an Affiliate, exercise Commercially Reasonable efforts to acquire and sell, or otherwise extract the maximum value from the Landfill Gas, Covered Products and the Flare Products while minimizing any adverse impact on the Landfill and Landfill operations. Among other things, BOWERMAN POWER shall, at its sole cost and expense: (1) prepare and file any document, application, registration or certificate; (2) institute or prosecute any proceeding, hearing, action or make any claim before any governmental agency or body; (3) negotiate any contract, agreement or other arrangement, or (4) take any and all other action that BOWERMAN POWER deems necessary or advisable with respect to the identification, acquisition or sale of any such Covered Product; provided, however that no document shall be filed or action taken by BOWERMAN POWER in the name of COUNTY without COUNTY’s prior written approval. Nothing herein shall be deemed as an obligation of BOWERMAN POWER to identify or pursue any particular opportunities with respect to Covered Products. BOWERMAN POWER shall have discretion to determine which Covered Products shall be identified and commercialized and there shall be no penalty or liability imposed on BOWERMAN POWER for its failure, or unsuccessful attempt, to identify and commercialize any particular Covered Product or to receive any particular value for any Covered Product. Notwithstanding anything contrary contained herein, COUNTY shall cooperate in good faith with BOWERMAN POWER with respect to matters undertaken by BOWERMAN POWER pursuant to this Section 1.12(f). Such cooperation shall include, but not be limited to, COUNTY’s execution of applications, certificates, filings, agreements and other documents as BOWERMAN POWER may reasonably request, provided, however, that COUNTY has reviewed and approved any such document and that execution of such document imposes no liability upon COUNTY, unless COUNTY, at its sole discretion, agrees to execute such document notwithstanding such liability.

(g) Engagement of Third Parties. Subject to the consent or other approval of the Director of OC WASTE & RECYCLING as required or permitted herein, BOWERMAN POWER may engage such persons and entities (including Affiliates of BOWERMAN POWER) as it deems advisable for the purpose of performing or carrying out any of its obligations under this Agreement; provided, however, that no such engagement shall relieve BOWERMAN POWER of any of its obligations or liabilities under this Agreement. BOWERMAN POWER, shall be solely responsible for the acts or defaults of its subcontractors and its agents, representatives and employees, including all persons and entities engaged pursuant to this Section 1.12(g). Nothing in this Agreement shall be construed to impose on COUNTY any obligation, liability or duty to an Affiliate, assignee, sublessee, sublicense, or subcontractor engaged pursuant to this Section 1.12(g), or to create any contractual relationship between any such entity or subcontractor and COUNTY. In the event that BOWERMAN POWER subsequently determines to employ a third-party operator or contractor to provide operations and maintenance services for BOWERMAN POWER hereunder, such third-party operator or contractor must be approved by the Director of OC WASTE & RECYCLING, which approval shall not be unreasonably withheld or delayed.
(h) **Health and Safety**

(i) BOWERMAN POWER will comply with all Applicable Laws relating to health and safety pertaining to its business operations. See also Exhibit E.

(1) For the purposes of this Agreement as it relates to noise requirements, the parties agree the Conversion Facility will not interfere with the operations of the Landfill.

(ii) BOWERMAN POWER will submit a copy of the Health and Safety Plan to the OC WASTE & RECYCLING Safety Officer within thirty (30) days after the Effective Date of the Agreement and within thirty (30) days whenever it is modified. Exhibit E outlines the minimum requirements, as known to the OC WASTE & RECYCLING Safety Officer as of the Effective Date of this Agreement, for COUNTY approval of the Health and Safety Plan. The COUNTY’s acceptance/concurrence of BOWERMAN POWER’s Health and Safety Plan does not relieve or transfer any such responsibilities to the COUNTY.

(iii) BOWERMAN POWER shall maintain an Orange County Fire Authority approved Hazardous Materials disclosure plan on Site as required by Applicable Law as soon as the Site becomes subject to such requirements. BOWERMAN POWER will provide a copy to the COUNTY within thirty (30) days of such requirement and within thirty (30) days whenever it is modified.

(i) Effective as of the Effective Date, BOWERMAN POWER shall reimburse COUNTY for any documented external third party costs reasonably incurred by COUNTY in the negotiation, preparation or delivery of this Agreement or any amendments thereto initiated or requested by BOWERMAN POWER. BOWERMAN POWER shall pay such costs within thirty (30) days of receipt of an invoice and proper supporting documentation from COUNTY.

1.13 **COMBUSTION CONTROL**

(a) BOWERMAN POWER shall operate the Collection System in accordance with Applicable Law, including but not limited to, U.S. Environmental Protection Agency New Source Performance Standards to avoid the ignition of Landfill fires.

(b) In the event Carbon Monoxide (CO) levels increase over established baseline levels as reported in the FLARE STATION DAILY TOTAL FLOW & HEAT INPUT LOG and as stated in the BOWERMAN POWER System Maintenance Manual, BOWERMAN POWER will immediately begin taking additional CO readings throughout the Collection System in an effort to identify the source of the higher than normal CO levels. Once the source is located, the source(s) will be either isolated or adjusted to reduce the possibility of a fire until such a time as the increased CO levels have decreased to baseline or below.
(c) In the event of a fire in the refuse-filled portion of the Landfill, BOWERMAN POWER will follow the emergency response plan, which includes the Standard Procedures for Elevated Subsurface Temperature Monitoring and Control, provided to it by COUNTY and will take such steps as COUNTY requests so as to allow such fires to be extinguished as soon as practicable. To the extent possible, BOWERMAN POWER will isolate any collection wells that are part of the Collection System located in the area in which any such fire is occurring and close off such wells from operating with the remainder of the Collection System until any such fire is extinguished so as to minimize the potential for air to be drawn into the area of the Landfill where the fire is located. Such actions shall be in accordance with Applicable Law.

Following any actions taken by the parties to extinguish any fire in the refuse filled portion of the Landfill, BOWERMAN POWER shall monitor and conduct tests of the temperature and CO levels in the immediate area of the fire in order to assess the effectiveness of control measures taken by BOWERMAN POWER and the COUNTY to extinguish such fire. BOWERMAN POWER shall promptly provide copies of such test data to COUNTY. The cost of the samples to be tested at a laboratory for any given fire shall be paid for by BOWERMAN POWER. Once both parties agree the laboratory tests show the fire to be extinguished, any subsequent requests by COUNTY for laboratory tests for the same fire shall be paid for by COUNTY.

1.14 TERMINATION RIGHTS

(a) Default by BOWERMAN POWER. COUNTY shall have the right (in addition to any other rights it may have under this Agreement, at law or in equity), to terminate this Agreement:

(i) If BOWERMAN POWER fails to timely pay any sums due to COUNTY under this Agreement and fails to cure such failure within thirty (30) days after COUNTY gives written notice of default to BOWERMAN POWER;

(ii) If BOWERMAN POWER defaults in the performance of any other material obligation of this Agreement either by action or inaction and/or causes the Landfill to be out of compliance with Applicable Law and fails to cure same within ninety (90) days after COUNTY gives written notice of default to BOWERMAN POWER, unless such default is excused by the provisions of Section 2.14 (Force Majeure);

(iii) If BOWERMAN POWER or GSF, only as it relates to GSF as per Section 1.16 (g) fails to pay its undisputed debts as they become due or admits in writing its inability to pay its debts or makes a general assignment for the benefit of creditors;

(iv) If a case is commenced by or against BOWERMAN POWER or GSF, only as it relates to GSF as per Section 1.16 (g) under Title 11 of the United States Bankruptcy Code as now in force or hereafter amended and if the same is not dismissed within ninety (90) days;
(v) If a trustee or receiver is appointed to take possession of substantially all of BOWERMAN POWER’s interest in this Agreement, where such seizure is not discharged within ninety (90) days;

(vi) If BOWERMAN POWER or GSF, only as it relates to GSF as per Section 1.16 (g) convenes a meeting of its creditors or any class thereof for the purpose of effecting a moratorium upon or composition of its debts. In the event of any such default, neither this Agreement nor any interests of BOWERMAN POWER in and to the Landfill shall become an asset in any such proceeding and, in such event, in addition to any and all rights and remedies of the COUNTY hereunder and by law, it shall be lawful for COUNTY to declare the term of this Agreement ended and to re-enter the Site and take possession thereof and remove all persons therefrom, and BOWERMAN POWER and its unsecured creditors (other than COUNTY) shall have no further claim thereon or hereunder other than with respect to BOWERMAN POWER’s assets remaining on the Landfill; or

(vii) If BOWERMAN POWER fails to construct additional Flare Facilities as required by Section 1.9(a).

(viii) If, after the Commercial Operations Date, BOWERMAN POWER fails to produce and sell commercial quantities of Covered Products for a period of twelve (12) consecutive months (subject to the provisions of Section 2.14, Force Majeure);

(ix) If any records, financial reports and or certifications related to the calculation of the royalty payment due the COUNTY is found to be materially false and BOWERMAN POWER does not correct it and pay the COUNTY any payments in arrears within ninety (90) days after written notice from the COUNTY.

(b) Default by COUNTY. BOWERMAN POWER shall have the right (in addition to any other right they may have at law or in equity) to terminate this Agreement:

(i) If COUNTY fails timely to pay any sums due to BOWERMAN POWER under this Agreement and fails to cure such failure within thirty (30) days after BOWERMAN POWER gives written notice of default to COUNTY;

(ii) If COUNTY defaults in the performance of any other material obligation of the Agreement and fails to cure same within ninety (90) days after BOWERMAN POWER gives written notice of default to COUNTY, unless such default is excused by the provisions of Section 2.14 (Force Majeure);

(iii) If COUNTY fails to pay its undisputed debts as they become due or admits in writing its inability to pay its debts or makes a general assignment for the benefit of creditors;
(iv) If a case is commenced by or against COUNTY under Title 11 of the United States Bankruptcy Code as now in force or hereafter amended and if the same is not dismissed within ninety (90) days;

(v) If a trustee or receiver is appointed to take possession of substantially all of COUNTY’s interest in this Agreement, where such seizure is not discharged within ninety (90) days; or

(vi) If COUNTY convenes a meeting of its creditors or any class thereof for the purpose of effecting a moratorium upon or composition of its debts.

(c) Default by Either Party. In the event of default by any party for nonpayment of sums due under this Agreement, the other party shall have the right to commence legal action to recover all sums due hereunder, including late fees under Section 2.3, the later of forty-five (45) days after such sums become due under this Agreement, or 30 days after the expiration of any cure period allowed for under this Agreement. Notwithstanding any provision to the contrary herein, no party shall have any right to set off any sums due or otherwise alleged to be due hereunder from moneys due the other party.

(d) Damages. In the event of the termination of this Agreement as set forth, authorized or permitted herein prior to BOWERMAN POWER constructing Flare capacity in order to consume all Landfill Gas reasonably projected to be recovered at the Landfill during the five (5) years following said termination and in addition to any other rights and remedies the COUNTY may have under this Agreement or at law, BOWERMAN POWER shall promptly pay COUNTY the sum of One Million Five Hundred Thousand Dollars ($1,500,000) toward the cost for the necessary Flare improvements to meet said requirements. Beginning in year eleven (11) after the Commercial Operation Date, this amount shall be adjusted annually as per the Cost Index, but in no case shall the amount 1) be less than $1,500,000 or 2) adjust by more than five percent (5%) in any one year. BOWERMAN POWER shall further be responsible for 50% of any penalties or fines imposed by regulatory agencies caused by emission control devices not being installed and operating to satisfy all regulatory requirements until said necessary Flare improvements are in full operation. In the event BOWERMAN POWER has paid the COUNTY the full amount as above at least 30 months prior to the mutually agreed date the Flare installation is required to be operational, BOWERMAN POWER’s obligations under this Section 1.14(d) shall have been satisfied.

(e) Termination Right of BOWERMAN POWER. BOWERMAN POWER shall have the right to terminate this Agreement upon ninety (90) days written notice whenever, in the sole judgment of BOWERMAN POWER, Covered Products can no longer be sold in Commercial Quantities. Prior to enacting this clause, BOWERMAN POWER shall leave the Landfill with enough fully operable Flare capacity to meet the requirements of law or regulatory agencies to consume all Landfill Gas reasonably projected to be produced during the five (5) years
following said termination or deposit monies as required per Section 1.14(d) of this Agreement.

1.15 SURRENDER OF POSSESSION

On the expiration of the Term of this Agreement, or this Agreement’s sooner termination, BOWEGERMAN POWER shall quietly and peaceably relinquish its rights to utilize the Site to COUNTY, and, if requested by COUNTY, shall cause a good and sufficient quitclaim deed to be recorded in Orange County, California, in which the Landfill is located.

(a) BOWEGERMAN POWER shall notify COUNTY, no later than 6 months prior to expiration of this Agreement or within sixty (60) days of any termination of this Agreement, of BOWEGERMAN POWER’s intention to either remove or abandon the above-ground property, fixtures, and improvements owned by BOWEGERMAN POWER which BOWEGERMAN POWER has placed on the Landfill. BOWEGERMAN POWER shall within six (6) months after said expiration or termination a) remove such above-ground property if (i) BOWEGERMAN POWER notifies the COUNTY of its intention to remove such above-ground property or (ii) COUNTY requests that such above-ground property be removed, and b) clean up any contamination of the Site caused by BOWEGERMAN POWER. In the event of a dispute as to the source of the contamination, reasonable exploratory costs to determine the source of the contamination shall be borne by the party ultimately determined to be responsible for the contamination. The COUNTY shall have the right to assume the interconnect agreements for any utility improvements (water, sewer and power), installed by BOWEGERMAN POWER. BOWEGERMAN POWER shall make reasonable efforts to ensure the COUNTY acquires these assumption rights, subject to any approval rights of the counterparty. BOWEGERMAN POWER and COUNTY shall mutually agree on the final Site configuration. The Site surface shall be left in a regulatory compliant manner unless waived by the Director of OC Waste & Recycling due to impending landfill operations.

(b) Within ninety (90) days of the Commercial Operation Date, BOWEGERMAN POWER shall select an engineering firm acceptable to the COUNTY to develop an appropriate estimate to decommission the Conversion System taking into consideration the approximate time value of money at the conclusion of the Term of this Agreement. BOWEGERMAN POWER shall provide a surety bond for said decommissioning cost estimate within 30 days of the determination, but no later than one hundred twenty (120) days from the Commercial Operation Date. Said surety bond shall be in form acceptable to the COUNTY and shall remain in effect until released by the COUNTY and only after BOWEGERMAN POWER has left the Site in a condition in compliance with the parameters of Section 1.15(a) and acceptable to the Director of OC Waste & Recycling using a Commercially Reasonable standard of review.

(c) BOWEGERMAN POWER shall leave the Landfill with fully operable Flare capacity adequate to meet Applicable Law in order to consume all Landfill Gas reasonably
projected to be recovered as per Exhibit G, or as amended, at the Landfill during the five (5) years following the expiration or termination of this Agreement.

1.16 ASSIGNMENTS

(a) Restrictions on Assignment by BOWERMAN POWER. BOWERMAN POWER may not sell, assign, pledge or transfer this Agreement or any interest BOWERMAN POWER may have hereunder, without the prior written consent of COUNTY, which consent shall not be unreasonably withheld or delayed, except as follows:

1. BOWERMAN POWER may sell, assign, pledge or transfer this Agreement or any interest BOWERMAN POWER may have hereunder to an Affiliate that is controlled by Montauk.

2. BOWERMAN POWER may sell, assign, pledge or transfer this Agreement or any interest BOWERMAN POWER may have hereunder to one or more lenders (or such lenders’ trustee or agent) as collateral security for any financing provided, directly or indirectly, by such lender(s) in connection with the construction, ownership or operation of BOWERMAN POWER’s facilities located on the Landfill.

Unless specifically agreed in writing by COUNTY, any sale, assignment, pledge or transfer by BOWERMAN POWER as contemplated by Section 1.16(a)(1) or (2) above, or otherwise as may be consented to by COUNTY, shall not be construed to relieve BOWERMAN POWER of any of its obligations under this Agreement, nor shall any such sale, transfer, pledge or assignment be deemed to modify or otherwise affect any of COUNTY’s rights hereunder.

(b) Ownership of BOWERMAN POWER. As of the Effective Date, 100% of the membership interests of BOWERMAN POWER are owned by GSF. GSF agrees that it will not sell, assign, pledge or transfer any of the membership interests of BOWERMAN POWER without the prior written consent of COUNTY, which consent shall not be unreasonably withheld or delayed, except as follows:

1. GSF may transfer membership interests of BOWERMAN POWER to an Affiliate that is controlled by Montauk.

2. GSF may pledge, assign or otherwise transfer membership interests of BOWERMAN POWER to one or more lenders (or such lenders’ trustee or agent) as collateral security for any financing provided, directly or indirectly, by such lender(s) in connection with the construction, ownership or operation of BOWERMAN POWER’s facilities located on the Landfill.

Unless specifically agreed to in writing by COUNTY, any sale, assignment, pledge or transfer by GSF of membership interests of BOWERMAN POWER as contemplated by Section 1.16(b)(1) or (2), or otherwise as may be consented to by COUNTY, shall not be construed to relieve BOWERMAN POWER of any of its obligations under this Agreement, nor shall any such sale, transfer, pledge or assignment be deemed to modify or otherwise affect any of COUNTY’s rights hereunder.
For the avoidance of doubt, the parties hereto contemplate that GSF and its Affiliates (excluding, for this purpose, BOWERMAN POWER) may find it necessary or desirable to provide equity participations in GSF (or such Affiliates) or to provide other financial accommodations or incentives in order to induce financing parties to provide financing in connection with the construction, ownership or operation of BOWERMAN POWER’s facilities located on the Landfill. Accordingly, COUNTY acknowledges that direct or indirect changes in ownership of GSF (and/or such Affiliates including Montauk) including any sale of GSF or other financial accommodations or incentives provided by GSF (and/or such Affiliates including Montauk), shall not require the consent of the COUNTY.

(c) **Information.** In the event that BOWERMAN POWER sells, transfers, pledges or assigns this Agreement or any interest it may have herein as contemplated by Section 1.16(a)(1) or (2) or Section 1.16(b)(1) or (2), or otherwise requests that COUNTY approve any other sale, transfer, pledge or assignment of this Agreement or any interest of hereunder, then BOWERMAN POWER will provide such information about the purchaser, transferee, pledgee or assignee as COUNTY may reasonably request. In the event of a BOWERMAN POWER assignment which requires the approval of the COUNTY as per above, BOWERMAN POWER shall pay to the COUNTY an Assignment Fee in the amount of Fifty Thousand dollars ($50,000) by the effective date of the assignment (“Assignment Fee”).

(d) **Assignment by COUNTY.** COUNTY may sell, transfer, pledge or assign this Agreement, or any of its rights hereunder, to any third party without the consent of BOWERMAN POWER, provided however that if at the time of such sale, transfer, pledge or assignment, such third party is engaged in the business of generating and selling electricity (or other Covered Products) from Landfill Gas or is otherwise a competitor of BOWERMAN POWER, the COUNTY shall obtain the prior written consent of BOWERMAN POWER, which consent shall not be unreasonably withheld or delayed.

(e) **Cooperation in Financing.** In the event that BOWERMAN POWER enters into a financing transaction contemplated by Section 1.16(a) (2), then COUNTY shall, upon the request of BOWERMAN POWER, cooperate with BOWERMAN POWER in order to deliver such customary additional documentation as the financing parties may reasonably request in order to effectuate such financing transaction. Such additional documentation may include the following (without limitation):

1. An acknowledgement by COUNTY of the sale, transfer, pledge or assignment;

2. An estoppel certificate confirming the absence of breaches of this Agreement by BOWERMAN POWER or COUNTY, and

3. An agreement under which COUNTY will provide to the financing party (i) notices of default and/or termination of this Agreement, (ii) upon default by BOWERMAN POWER under this Agreement, rights of the financing party to cure such defaults and otherwise perform the obligations of BOWERMAN
POWER hereunder, (iii) upon default by BOWERMAN POWER with respect to that financing transaction, “step-in” rights of the financing party (or an assignee of that financing party that is experienced in Landfill Gas to energy operations) to assume the rights and obligations of BOWERMAN POWER under this Agreement, and (iv) the right of the financing party to receive direct payment of any amounts due to BOWERMAN POWER from COUNTY.

(f) **Continued Obligation.** Notwithstanding any provision of this Agreement to the contrary, BOWERMAN POWER at all times shall remain liable for all acts, actions, inactions, obligations, duties and liabilities related in any way to this Agreement, unless otherwise expressly released in writing by the COUNTY. Unless otherwise expressly agreed to by the COUNTY in writing, the COUNTY will look to and communicate directly with BOWERMAN POWER with respect to all matters (including, without limitation, all payment obligations and events of default) under this Agreement and will not have any obligation to communicate with any Affiliate, assignee, sublessee, sublicensee or GSF.

(g) **Guaranty.** As an inducement for the COUNTY consenting to the assignment from GSF to BOWERMAN POWER, GSF hereby guarantees to the COUNTY the full and prompt payment when due of all of the obligations of BOWERMAN POWER arising under the Agreement (the “Obligations”). GSF hereby agrees as follows:

1. GSF agrees that its guaranty of the Obligations hereunder is independent of the obligations of BOWERMAN POWER under the Agreement and that, if any default occurs hereunder, a separate action or actions may be brought and prosecuted against GSF whether or not BOWERMAN POWER is joined therein.

2. GSF agrees that the COUNTY may enforce this guaranty, at any time and from time to time, without the necessity of proceeding against BOWERMAN POWER. GSF hereby waives the right to require the COUNTY to proceed against BOWERMAN POWER, to exercise any right or remedy under the Agreement or to pursue any other remedy or to enforce any other right.

3. GSF will continue to be subject to this guaranty notwithstanding: (i) any modification, agreement or stipulation between the COUNTY and BOWERMAN POWER, or their respective successors and assigns, with respect to the Agreement or the Obligations; (ii) any waiver of or failure to enforce any of the terms, covenants or conditions contained in the Agreement or any modification thereof, other than a full and indefeasible waiver by COUNTY of all obligations of BOWERMAN POWER under the Agreement; or (iii) any release of BOWERMAN POWER from any liability other than a full and indefeasible release by COUNTY of all obligations of BOWERMAN POWER under this Agreement.

(h) **Termination of Guaranty.** This guaranty shall be valid and enforceable and shall not terminate until the earlier to occur of (i) the expiration or termination of this Agreement in accordance with its terms or (ii) the date at which BOWERMAN POWER exhibits a net worth in the amount of twelve million five hundred thousand ($12,500,000) dollars. GSF will provide the
COUNTY with sixty (60) days written notice of the occurrence of (ii) above and (ii) shall not be effective until the expiration of such sixty (60) day period.

1.17 REGULATION OF BOWERMAN POWER

BOWERMAN POWER is not a public utility and does not intend to dedicate to public use any of its facilities or the Landfill Gas or Energy recovered or produced from the Landfill. Nothing contained in this Agreement shall be deemed a dedication by BOWERMAN POWER to the public of any of its facilities or the Landfill Gas or Energy. If any regulatory body shall at any time assert jurisdiction over BOWERMAN POWER or any Affiliate thereof as a public utility by reason of this Agreement, BOWERMAN POWER shall have the right at such time, upon thirty (30) days’ written notice to COUNTY, to terminate this Agreement.

1.18 SURVIVAL

The provisions of Sections 1.11(b) (i), 1.14 (d), 1.14 (e), 1.15, 2.4, 2.7, 2.8, 2.9, 2.11, 2.13, 2.19, 2.31, 2.33 and 2.34 shall survive the termination, cancellation or expiration of this Agreement and such provisions shall apply to the full extent permitted by law.

1.19 NOTICES

Any notice, claim (other than as required pursuant to California Government Code Section 900 et seq.), request or demand required or permitted hereunder shall be in writing and shall be deemed given on the date received if delivered personally, on the date transmitted if sent by telecopy, or three days after the date mailed if sent by registered or certified mail, postage prepaid to the addresses indicated below:

2.1 SUBLEASES

BOWERMAN POWER shall not enter into any subleases to this Agreement of any kind without prior written approval of the Director of OC Waste & Recycling which approval shall not be unreasonably conditioned, delayed, withheld or denied. Any sublease entered into without the prior written approval of the Director of OC Waste and Recycling shall be held null and void.
2.2 PROCEDURE FOR PAYMENT OF COMPENSATION TO COUNTY

(a) **Timing.** Subject to Section 2.14 (Force Majeure), payments provided for in Section 1.4 (Compensation to the COUNTY) shall be payable in arrears by the end of each month following each calendar quarter (April 30, July 31, October 31 and January 31), and payments provided for in Section 1.9(e) (Collection System Improvement Reimbursement) shall be payable in arrears on or before the thirtieth (30th) day following the receipt by BOWERMAN POWER of the statement described in Section 1.9(e).

(b) **Location for Payment.** Payments due to COUNTY under this Agreement shall be mailed to the COUNTY at the following address: County of Orange, Office of the Auditor-Controller, P.O. Box 1955, Santa Ana, California 92702. The designated place of payment and filing may be changed at any time by COUNTY upon thirty (30) days’ written notice to BOWERMAN POWER. Payments may be made by check payable to the **County of Orange.** Upon request of the COUNTY Auditor-Controller, BOWERMAN POWER agrees to use wire or other means of electronic funds transfer as the means for payment to the COUNTY. BOWERMAN POWER assumes all risk of loss if payments are made by mail.

(c) **Payment Terms.** All sums due under this Agreement shall be paid in lawful money of the United States of America, without offset or deduction (except as provided in Section 2.40) or prior notice or demand, except as otherwise allowed by law or this Agreement. No payment by BOWERMAN POWER or receipt by COUNTY of a lesser amount than the payment due shall be deemed to be other than on account of the payment due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and COUNTY shall accept such check or payment without prejudice to COUNTY’s right to recover the balance of the amount due or pursue any other remedy in this Agreement.

2.3 CHARGE FOR LATE PAYMENT

BOWERMAN POWER and COUNTY hereby acknowledge that the late payment of any sums due under this Agreement will cause the COUNTY to incur costs not contemplated by this Agreement, the exact amount of which will be extremely difficult to ascertain. Such costs include but are not limited to costs such as administrative processing of delinquent notices, increased accounting costs, etc. Accordingly, if any payment of any sum due to the COUNTY under this Agreement is not received by the COUNTY within thirty (30) days after the due date, a late charge of two percent (2.0%) of the payment due and unpaid shall be added to the payment, and the total sum shall become immediately due and payable to the COUNTY. An additional charge of eighty-three one-hundredths percent (0.83%) of said payment, excluding late charges, shall be added for each additional month that said payment remains unpaid. Any and all payments (including partial payments) made by BOWERMAN POWER to the COUNTY must first be applied to any unpaid late charge(s) before reducing the payment (whether current or delinquent) due. BOWERMAN POWER and COUNTY hereby agree that such late charges represent a fair and reasonable estimate of the costs that the COUNTY will incur by reason of a late payment. Acceptance of such late charges (and/or any portion of the overdue payment) by the COUNTY shall in no event constitute a waiver of any default with respect to such overdue amount hereunder. The charges for late payment set forth in this Section 2.3 shall accrue and be
due and payable whether or not specifically referenced in any individual section of this Agreement.

2.4 RECORDS AND ACCOUNTS

(a) Records. BOWERMAN POWER shall, at all times during the Term of this Agreement, keep or cause to be kept in accordance with GAAP books, records, and accounts relating to its Landfill operations. Such records may be maintained for the term of this Agreement at BOWERMAN POWER’s offices located in Pittsburgh, Pennsylvania subject to the requirements of Section 2.4(d).

(b) Financial Reports. Within ninety (90) days after the end of each calendar year, BOWERMAN POWER shall at its own expense submit to Auditor-Controller a statement signed by the Chief Financial Officer certifying to COUNTY that all payments paid by BOWERMAN POWER to COUNTY pursuant to this Agreement during the prior calendar year were accurately determined in accordance with the provisions of this Agreement.

(c) Government Requests. Upon the request of Auditor-Controller, BOWERMAN POWER shall promptly provide, at BOWERMAN POWER’s expense, all available data to enable COUNTY to fully comply with any and every requirement of the State of California or the United States of America for information or reports relating to this Agreement and to BOWERMAN POWER’s use of the Site and Landfill.

(d) Examination and/or Audit. COUNTY shall, through its duly authorized agents or representatives, have the right to examine and audit books and records and supporting source documents of BOWERMAN POWER that are not Proprietary Information at any and all reasonable times for the purpose of determining the accuracy thereof, and of the quarterly statements of sales made and monies received. Said right shall not be exercised by Auditor-Controller more than once each accounting year.

The above-referenced books, records, and supporting source documents may be kept at BOWERMAN POWER’s offices located in Pittsburgh, Pennsylvania. The County Auditor-Controller, at BOWERMAN POWER’s request, and at said Auditor-Controller’s sole discretion, may authorize the above-referenced books and records and supporting source documents to be kept in a different single location outside the limits of Orange County provided BOWERMAN POWER shall at its option, agree to pay all expenses including but not limited to reasonable transportation, food, and lodging necessary for Auditor-Controller to send a representative to audit books and records at such location outside of Orange County or all expenses to deliver the books, records and supporting source documents to COUNTY from a location outside of Orange County. If the books, records, and supporting documents are maintained outside of Orange County, upon notification of intent by COUNTY to audit, BOWERMAN POWER may request to deliver certified copies to a location specified by the COUNTY. Such request shall be subject to COUNTY approval, which shall not be unreasonably denied, delayed, or conditioned. The copies of the books of account and records and supporting documents so provided shall be accompanied by a certification by the Chief Financial Officer of BOWERMAN POWER that such copies are true and correct copies of the original books of account and records and supporting source documents.
The full cost of said audit, as determined by Auditor-Controller, shall be borne by BOWERMAN POWER if either or both of the following conditions exist:

(1) The audit reveals an underpayment of more than two percent (2%) between the payment due under Section 1.4 as reported and paid by BOWERMAN POWER in accordance with this Agreement and the payment due under Section 1.4 as determined by said audit; and/or

(2) BOWERMAN POWER has failed to maintain true and complete books, records, accounts, and supporting documents in accordance with this Agreement. The adequacy of records shall be determined in compliance with GAAP at the sole discretion of Auditor-Controller.

Otherwise, COUNTY shall bear the cost of said audit. Such data related to this Agreement shall include, if required, a detailed breakdown of BOWERMAN POWER’s receipts and expenses which affect such amounts paid to or by the COUNTY under this Agreement.

(e) Failure to Maintain and Keep Records. In addition to any other remedies available to COUNTY at law or in equity or under this Agreement, in the event BOWERMAN POWER fails to maintain and keep books, records, and accounts and/or source documents relating thereto in accordance with GAAP, or to make the same available to COUNTY for examination and audit, or to record sales and/or to maintain registers to record sales, or to provide financial statements and other information to COUNTY regarding Gross Revenue and Flare Revenue required by this Agreement, COUNTY, at COUNTY’s option, may:

(1) Perform such examinations, audits, and/or investigations itself or through agents or employees as COUNTY and/or its auditors may deem appropriate to confirm the amount of compensation to COUNTY payable by BOWERMAN POWER under this Agreement and any and all costs and/or expenses incurred by COUNTY in connection therewith shall be promptly reimbursed to COUNTY by BOWERMAN POWER upon demand.

(2) Require that BOWERMAN POWER pay compensation to COUNTY based on COUNTY’s best good faith estimate of Gross Revenue and Flare Revenue from business operations conducted under this Agreement and any such determination made by COUNTY shall be conclusive and binding upon BOWERMAN POWER.

The above costs payable by BOWERMAN POWER shall include reimbursement to COUNTY of COUNTY-provided services, if any, at such rates as COUNTY may from time to time, in good faith, establish for such services. In the case of services provided by COUNTY’s employees, such rates shall be sufficient to reimburse COUNTY for employees’ salaries, including employee taxes and benefits and COUNTY’s overhead or, at COUNTY’s option, may be the rate for such services that would be charged by a qualified third party or parties, approved by COUNTY, if engaged by COUNTY to perform such services.
2.5 SECURITY DEPOSIT

A security deposit in an aggregate amount that, when combined with any other security deposit held by COUNTY hereunder or under the Original Agreement, equals One Hundred Thousand Dollars ($100,000) shall be provided to COUNTY within ten (10) days after the Effective Date. This amount shall be adjusted every three (3) years on January 1st as per the Cost Index, but in no case shall 1) the amount be less than $100,000 or 2) adjust by more than fifteen percent (15%) in any three year period. All or any portion of the principal sum shall be available unconditionally to Director of OC WASTE & RECYCLING for correcting any default, breach of this Agreement, or penalty or fine caused by the action or inaction of BOWERMAN POWER, its successors or assigns, or for payment of expenses incurred by COUNTY as a result of the failure of BOWERMAN POWER, its successors or assigns, to perform all terms, covenants, and conditions of this Agreement. In the event the Director of OC WASTE & RECYCLING withdraws any or all of the security deposit as provided herein, BOWERMAN POWER shall, within thirty (30) days of notification of any withdrawal by Director of OC WASTE & RECYCLING, accompanied with an explanation as to why such withdrawal was warranted under this Agreement, replenish the security deposit to maintain it at the most current calculated amount including any and all Cost Index adjustments. Failure to so shall be deemed a default and shall be grounds for immediate termination of this Agreement. Such security deposit shall be in the form, at the sole discretion of BOWERMAN POWER, of either cash or an irrevocable letter of credit, which shall be in a form and issued by a financial institution acceptable to COUNTY. COUNTY acceptance of same shall not be unreasonably withheld, conditioned or delayed. The security deposit shall be rebated, reassigned, released, or endorsed by Director of OC WASTE & RECYCLING to BOWERMAN POWER within thirty (30) days of the end of the term of this Agreement, provided BOWERMAN POWER has fully performed each and every material term, covenant, and condition of this Agreement. In the event BOWERMAN POWER terminates this Agreement prior to the completion of the Term of this Agreement BOWERMAN POWER shall forfeit this security deposit and the COUNTY shall have the right to retain it as an Early Termination Penalty unless such termination is due to a default by the COUNTY (“Early Termination Fee”).

2.6 ASSURANCE REGARDING CONSTRUCTION COMPLETION

(a) Prior to commencement of construction of approved facilities within the Site and Landfill by BOWERMAN POWER that relates to either (y) any Conversion System related construction project that exceeds $1,000,000 in cost, or (z) any other construction project that relates to facilities other than a Conversion System and that exceeds $250,000 in aggregate cost, BOWERMAN POWER shall furnish to COUNTY evidence that assures COUNTY that sufficient monies will be available to complete the proposed construction. The amount of money available shall be equal to the estimated cost of major equipment to be incorporated into the Conversion System and not otherwise fully paid for by BOWERMAN POWER prior to delivery of such equipment to the Site (“Equipment Bond”).

(b) In addition to the Equipment Bond, BOWERMAN POWER shall furnish to COUNTY a labor and material bond (“Labor & Material Bond”) in an amount not less than one-half (50%) of the total estimated cost of the labor and material component of the construction
projects described in Sections 2.6(a)(y) and (z). For the avoidance of doubt, the Labor & Material Bond shall not be duplicative of amounts covered under the Equipment Bond.

(c) Such evidence as required in 2.6(a) and (b), shall be in effect until COUNTY acknowledges, in the case of the Equipment Bond, satisfactory payment in full and delivery of equipment and, in the case of the Labor and Material Bond, satisfactory completion of construction; such acknowledgement not to be unreasonably withheld, conditioned or delayed and may take one of the following forms, at BOWERMANN POWER’s sole discretion:

(i) Completion bond issued to COUNTY as obligee;

(ii) Irrevocable letter of credit issued to COUNTY from a financial institution reasonably acceptable to the COUNTY;

(iii) Cash or other proof that BOWERMANN POWER has debt or equity financing commitments adequate to complete construction; or

(iv) Any combination of the above.

(d) All bonds must be issued and executed by an admitted surety insurer authorized to transact surety insurance in the State of California and issued in a form generally utilized by COUNTY for similar projects. All bonds shall insure faithful and full observance and performance by BOWERMANN POWER of all terms, conditions, covenants, and agreements relating to the construction of improvements within the Site and/or Landfill. If the surety is unacceptable to the Director of OC WASTE & RECYCLING, BOWERMANN POWER shall promptly furnish such additional surety as may be required by the Director of OC WASTE & RECYCLING to protect the interest of the COUNTY. The Director of OC WASTE & RECYCLING shall not unreasonably withhold, condition or delay its approval of the surety. Failure to provide the additional surety as may be reasonably required by the Director of OC WASTE & RECYCLING shall constitute a default under this Agreement.

(e) Notwithstanding any provision of this Agreement to the contrary, COUNTY’s obligation regarding payment for construction of facilities under this Agreement is contingent upon the inclusion of sufficient funding for the services hereunder in the applicable COUNTY budget approved by the Board of Supervisors.

2.7 MECHANIC’S LIENS OR STOP NOTICES

(a) BOWERMANN POWER shall at all times indemnify, defend, and save COUNTY harmless from all claims, losses, demands, damages, costs, expenses, or liability related to labor or materials for construction, repair, alteration, or installation of structures, improvements, equipment, or facilities within the Site and/or Landfill by or at the direction of BOWERMANN POWER, and from the cost of defending against such claims, including attorneys’ fees and costs, but only to the extent not related to COUNTY’s (i) breach of the terms of Sections 1.8, 1.9, 1.11 or 1.13 of this Agreement, (ii) negligence or (iii) willful misconduct.

(b) In the event a lien or stop notice is imposed upon the Site and/or Landfill as a result of such construction, repair, alteration, or installation by or at the direction of
BOWERMAN POWER, and it relates to an item for which COUNTY is not obligated to reimburse BOWERMAN POWER pursuant to the terms of this Agreement (or has already so reimbursed BOWERMAN POWER), BOWERMAN POWER shall either:

(i) Record a valid release of lien, or

(ii) Procure and record a bond in accordance with Section 3143 of the Civil Code, which frees the Site and/or Landfill from the claim of the lien or stop notice and from any action brought to foreclose the lien.

Should BOWERMAN POWER fail to accomplish either of the two optional actions above within ninety (90) days after the filing of such a lien or stop notice, this Agreement shall be in default and shall be subject to termination pursuant to the terms of Section 1.14. COUNTY may post and keep posted on the Site and the Landfill such notices of non-responsibility as COUNTY may desire to protect the Landfill against liens.

### 2.8 OWNERSHIP OF IMPROVEMENTS

As of the Effective Date, COUNTY shall have title to the Collection System, the Flare Facility, the Collection Instrumentation and Control System and its portion of the Condensate System (as described in Exhibit C-2) including any improvements thereto installed by or for BOWERMAN POWER at BOWERMAN POWER’s expense. To the extent BOWERMAN POWER has any ownership interest in the Collection System, Flare Facility, Condensate System and the Collection Instrumentation and Control System, BOWERMAN POWER forever quit claims and assigns, conveys and delivers to the COUNTY all of BOWERMAN POWER’s rights, title and interest to the Collection System, Flare Facility, Condensate System and the Collection Instrumentation and Control System. BOWERMAN POWER will deliver an executed copy of the quitclaim deed as set forth in Exhibit F. BOWERMAN POWER shall have title to the Conversion System, the Utility Interface System, its portion of the Condensate System (as described in Exhibit C-2) and all components of the Landfill Gas handling equipment located within the Site. A map depicting the demarcation point for ownership (location point 1) of assets by the parties is included in Exhibit C-4 hereto.

Notwithstanding anything in this Section 2.8 to the contrary, BOWERMAN POWER shall retain ownership of the Temporary H₂S Treatment System as set forth in Section 1.9(a).

### 2.9 UTILITIES

Except as specifically provided for elsewhere in this Agreement, BOWERMAN POWER shall be responsible for and pay, prior to the delinquency date, all charges for utilities supplied to BOWERMAN POWER’s operations under this Agreement.

### 2.10 WATER

To the extent that COUNTY has access at the Landfill to water above the needs of COUNTY for use on the Landfill, COUNTY agrees to make available or permit BOWERMAN POWER to arrange for the availability of such excess water for use in connection with the operation of the Conversion System or Systems. All of such water made available to BOWERMAN POWER,
whether from a private well or storage tank, a municipal water company, a mutual water company, or any other source, shall be separately metered and shall be provided at the sole expense of BOWERMAN POWER. However, if such water is supplied to BOWERMAN POWER by COUNTY from wells or storage tanks owned or controlled by COUNTY, such water shall be delivered to BOWERMAN POWER at a cost no greater than the cost to COUNTY. The foregoing shall only apply at such times, if any, during the term of this Agreement that COUNTY has access to water available for use at the Landfill and which may not be independently obtainable by a third party on as favorable a price or terms, or both.

2.11 DAMAGE, DESTRUCTION OR CONDEMNATION OF IMPROVEMENTS

In the event of any damage, destruction, condemnation, taking or taking for use with respect to the Landfill, or any part thereof or interest therein or facilities thereon (any such event being referred to as an “Event of Loss”), or should BOWERMAN POWER or COUNTY receive any notice or other information regarding an Event of Loss, the party receiving such notice or other information shall give prompt written notice thereof to the other party. Subject to each party’s obligations hereunder, BOWERMAN POWER and COUNTY shall be entitled to all insurance proceeds, compensation, awards or other payments or relief relating to property owned by it that is subject to an Event of Loss, and shall be entitled at its option to commence, appear in and prosecute in its own name any action or proceedings relating to that Event of Loss.

2.12 INSURANCE

(a) BOWERMAN POWER’s Requirements. BOWERMAN POWER shall maintain insurance reasonably acceptable to Director of OC WASTE & RECYCLING in full force and effect throughout the term of this Agreement, as provided below. In the event some or all of the insurance provided by BOWERMAN POWER pursuant to this section lapses, all activities on COUNTY property shall be immediately suspended until such time as all the insurance required by this section has been reinstated to the satisfaction of the Director of OC Waste & Recycling. Insurance coverage shall include, but not be limited to the Conversion System and any and all associated components, facilities, systems, buildings, or equipment installed or constructed by BOWERMAN POWER at BOWERMAN POWER’s expense for which BOWERMAN POWER retains title to. Additionally, BOWERMAN POWER shall cause it agents and or subcontractors, which have facilities, systems, buildings or equipment on COUNTY property to provide evidence of insurance directly to the COUNTY. The policy or policies of insurance maintained by BOWERMAN POWER shall provide the following limits and coverage’s:

(i) Liability Insurance

(1) BOWERMAN POWER shall maintain commercial general liability insurance covering bodily injury and property damage utilizing an occurrence policy form, in an aggregate amount not less than $10,000,000. This limit can be satisfied with a primary and excess policy. The primary policy must have a minimum limit of $1,000,000 per occurrence and a $2,000,000 aggregate. Subcontractors must comply with the minimum limits of $1,000,000 per occurrence and a $2,000,000 aggregate. Said insurance shall include, but not be limited to, premises and operations liability, independent consultants’ liability, products and completed operations liability, contractual liability, and personal
injury liability.

(2) BOWERMAN POWER shall also maintain pollution liability insurance covering bodily injury and property damage, in an amount not less than $10,000,000. Insurance shall provide coverage for, but shall not be limited to, pollution damage to the COUNTY’s premises and all third party claims including remediation, as a result of pollution arising from BOWERMAN POWER’s operation and maintenance of the current Collection Systems and Landfill Gas pre-treatment facilities and any construction, installation and operation and maintenance of an expansion to the Collection Systems and Landfill Gas pre-treatment facilities and the Conversion System. Subcontractors with this exposure shall carry a minimum limit of $1,000,000.

(3) BOWERMAN POWER shall also maintain automobile liability insurance, bodily injury and property damage, in an amount not less than $1,000,000 combined single limit for each occurrence. Said insurance shall include coverage for owned, hired, and non-owned vehicles and the COUNTY shall be added as an additional insured to the policy. All subcontractors must comply with this requirement.

(ii) Commercial Property Coverage. BOWERMAN POWER shall insure all buildings, facilities, and improvements owned by BOWERMAN POWER at the Landfill to at least 90% of their replacement cost, using an All Risk coverage form.

(iii) Worker’s Compensation Insurance. Before commencing performance of this Agreement, BOWERMAN POWER shall furnish COUNTY satisfactory evidence that BOWERMAN POWER has secured worker’s compensation insurance and Employers’ Liability coverage with a minimum limit of $1,000,000 from a responsible insurance company licensed to do business in the State of California. Such insurance shall be maintained in full force and effect at BOWERMAN POWER’s own expense during the entire term. Notwithstanding the foregoing, BOWERMAN POWER shall have the right to self-insure under this Subsection (iii).

If BOWERMAN POWER does not self-insure, a waiver of subrogation endorsement shall be provided in favor of the COUNTY.

All subcontractors shall provide the same evidence of insurance including the waiver of subrogation in favor of the COUNTY.

(iv) Liability Policy Clauses. Each liability insurance policy required by this Agreement shall contain the following three clauses:

(1) “This insurance shall not be canceled, limited in scope of coverage, or non-renewed until after thirty (30) days written notice has been given to the County of Orange, Director, OC WASTE & RECYCLING, 300 N. Flower, Suite 400, Santa Ana, California, 92703.”

(2) “County of Orange is added as an additional insured as respect to operations of the named insured at or from the Frank R. Bowerman Landfill.”
(3) “It is agreed that any insurance maintained by the County of Orange will apply in excess of, and not contribute with, insurance provided by this policy.”

(4) All insurance policies required by this contract shall waive all rights of subrogation against the County of Orange and members of the Board of Supervisors, its elected and appointed officials, officers, agents and employees when acting within the scope of their appointment or employment.

All subcontractors must also comply with these requirements prior to commencing work on COUNTY property.

(v) Property Policy Clauses. Each property insurance policy required by this Agreement shall contain the clause set forth in subsection (1) above and the following two clauses:

(1) “All rights of subrogation are hereby waived against the County of Orange and the members of the Board of Supervisors and elected or appointed officers or employees, when acting within the scope of their employment or appointment.”

(2) “County of Orange is named as loss payee on this property insurance policy.”

(vi) General Requirements.

(1) BOWERMAN POWER agrees to deposit with Director of OC WASTE & RECYCLING on or before the Effective Date, certificates of insurance and required endorsements necessary to reasonably satisfy Director of OC WASTE & RECYCLING that the insurance provisions of this Agreement have been complied with, and to keep such insurance in effect and the certificates therefor on deposit with Director of OC WASTE & RECYCLING during the entire term of this Agreement.

(2) Director of OC WASTE & RECYCLING shall retain the right at any time to review the coverage, form, and amount of the insurance required hereby. If, in the reasonable opinion of Director of OC WASTE & RECYCLING, the insurance provisions in this Agreement do not provide adequate protection for COUNTY and members of the public, Director of OC WASTE & RECYCLING may require BOWERMAN POWER to obtain insurance sufficient in coverage, form, and amount to provide adequate protection. Director of OC WASTE & RECYCLING’s requirements shall be reasonable but shall be designed to assure protection from and against the kind and extent of the risks which exist at the time a change in insurance is required.

(3) Director of OC WASTE & RECYCLING shall notify BOWERMAN POWER in writing of changes in the insurance requirements. If BOWERMAN POWER does not deposit copies of acceptable insurance
policies with Director of OC WASTE & RECYCLING incorporating such changes within sixty (60) days of receipt of such notice, this Agreement shall be in default without further notice to BOWERMAN POWER, and COUNTY shall be entitled to all legal remedies.

(4) The procuring of such required policy or policies of insurance shall not be construed to limit BOWERMAN POWER’s liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement, nor in any way reduce the policy coverage and limits available from the insurer.

(5) Any insurer providing coverage required by this Section shall be licensed to do business in California (California Admitted Carrier) or have a minimum rating of A- (Secure A.M. Best’s Rating) and VIII (Financial Size Category) as determined by the current edition of the Best’s Key Rating Guide/Property-Casualty/United States or ambest.com.

If the insurance carrier is not an admitted carrier in the state of California and does not have an A.M. Best rating of A-VIII, the CEO/Office of Risk Management retains the right to approve or reject a carrier after a review of the company's performance and financial ratings.

(6) All self-insured retentions (SIRs) and deductibles shall be clearly stated on the Certificate of Insurance. If no SIRs or deductibles apply, indicate this on the Certificate of Insurance with a 0 (zero) by the appropriate line of coverage. Any liability self-insured retention (SIR) or deductible in an amount in excess of $25,000 ($5,000 for automobile liability), shall specifically be approved by the County Executive Office (CEO)/Office of Risk Management.

(b) COUNTY Requirements. COUNTY shall at all times during the term of this Agreement maintain such insurance with respect to the Landfill as is customarily maintained by the COUNTY with respect to works and projects of like character. With respect to COUNTY, or any other governmental entity which may be a successor in interest to COUNTY under this Agreement, the parties agree that self-insurance will satisfy the COUNTY’s insurance requirement.

2.13 INDEMNIFICATION

(a) General Indemnity. Each party shall defend, indemnify, protect, and hold the other party, its Affiliates and each of their respective employees, officers, members, directors, managers, officials, agents, representatives, tenants, contractors or servants, harmless from and against any and all claims, penalties, fines, demands, actions, proceedings, liability or losses (including reasonable attorneys’ fees and costs) for injury or death to person(s) or for damage or loss to or of third party property to the extent arising out of or caused by the indemnifying party’s breach of this Agreement, negligence or willful misconduct. Notwithstanding anything in this Section 2.13(a) to the contrary, if a member of BOWERMAN POWER otherwise entitled to defense and indemnity pursuant to this Section 2.13(a) asserts a right to independent counsel, BOWERMAN
POWER shall pay any and all costs of such independent counsel. Apportionment of liability shall be made by a court of competent jurisdiction and neither party shall be entitled to jury apportionment. Section 2.13(a) shall not apply to claims related to an “Environmental Hazard” which are defined in, and addressed exclusively by, Section 2.13(b) as follows:

(b) Environmental Hazards.

(i) It is agreed that claims relating to Environmental Hazards, as that term is defined herein, are intended to be addressed by Section 2.13(b) exclusively. For the purpose of Section 2.13(b), the term “Environmental Hazard” means the presence or existence, in, on, under or about the Landfill, the Site or the adjoining property of COUNTY (including the surface or groundwater on or under any such property) of any Hazardous Material, or any environmental condition which poses a substantial present or potential hazard to human health or the environment, whether such substance or condition exists or is discovered before or after the Effective Date of this Agreement.

(ii) BOWERMAN POWER shall defend, with counsel approved in writing by the COUNTY (which approval shall not be unreasonably withheld), indemnify, protect, and hold harmless COUNTY and any and all legal entities governed by the COUNTY Board of Supervisors and each of their respective officers, directors, employees, agents, contractors and subcontractors from and against any and all damages, fines, penalties, liability and expenses (including reasonable attorneys’ fees, reasonable settlement costs, reasonable costs of investigation and court costs), arising out of claims, suits, causes of action, awards of damages (including natural resource damages), orders (including cease and desist, compliance and clean-up orders, remediational actions or corrective or preventative actions, whether sought or issued by judicial or administrative bodies or through public or private action), either at law or in equity, for personal injury of any type to any person (including any employee or agent of COUNTY or its subcontractors) or damage of any type to any property (including the expense of clean-up or other corrective or preventative action at or remediation of the Landfill, the Site or lands or water adjacent thereto) arising or alleged to have arisen from an Environmental Hazard but only to the extent, (1) such damage, whether personal injury, property, natural resources or other damage, is demonstrated to have been proximately caused by BOWERMAN POWER’s negligence or BOWERMAN POWER’s material breach of this Agreement; and (2) such Environmental Hazard does not relate to Condensate that can be classified as a Hazardous Material. Notwithstanding anything to the contrary in Section 2.13(b)(ii), (A) if any legal entities governed by the COUNTY Board of Supervisors otherwise entitled to defense and indemnity asserts a right to independent counsel, COUNTY shall pay any and all costs of such independent counsel; and (B) if BOWERMAN POWER wrongfully refuses COUNTY’s tender of defense, and BOWERMAN POWER is ultimately proven to be liable to COUNTY under Section 2.13(b)(ii), BOWERMAN POWER shall be responsible for COUNTY’s reasonable defense costs.
(iii) COUNTY shall defend, with counsel approved in writing by BOWERMAN POWER, (which approval shall not be unreasonably withheld) indemnify, protect, and hold harmless BOWERMAN POWER, and its Affiliates, members and each of their respective officers, managers, directors, employees, agents, contractors and subcontractors from and against any and all damages, fines, penalties, liability and expenses (including reasonable attorneys’ fees, reasonable settlement costs, reasonable costs of investigation and court costs), arising out of claims, suits, causes of action, awards of damages (including natural resource damages), orders (including cease and desist, compliance and clean-up orders, remedial actions or corrective or preventative actions, whether sought or issued by judicial or administrative bodies or through public or private action), either at law or in equity, for personal injury of any type to any person (including any employee or agent of COUNTY or its subcontractors) or damage of any type to any property (including the expense of clean-up or other corrective or preventative action at or remediation of the Landfill, the Site, or lands or water adjacent thereto) arising or alleged to have arisen from an Environmental Hazard, but only to the extent, (1) such damage, whether personal injury, property, natural resources or other damage, is demonstrated to have been proximately caused by COUNTY’s negligence or COUNTY’s material breach of this Agreement; and (2) such Environmental Hazard does not relate to Condensate that can be classified as a Hazardous Material. Notwithstanding anything in Section 2.13(b)(iii) to the contrary, (A) if a member of BOWERMAN POWER otherwise entitled to defense and indemnity asserts a right to independent counsel, BOWERMAN POWER shall pay any and all costs of such independent counsel and (B) if COUNTY wrongfully refuses BOWERMAN POWER’s tender of defense, and COUNTY is ultimately proven to be liable to BOWERMAN POWER under Section 2.13(b)(iii), COUNTY shall be responsible for BOWERMAN POWER’s reasonable defense costs.

(c) Obligations of the Indemnitor and Indemnitee. Any party that proposes to assert the right to be indemnified under this Section 2.13 with respect to any claim, action, suit or proceeding shall, promptly after receipt of notice of any such claim or commencement of any such action, suit or proceeding, notify the indemnitor of the assertion of such claim or commencement of such action, suit or proceeding, enclosing copies of all papers received; provided, however, that the failure to so notify the indemnitor shall not relieve a party from any obligation to indemnify under this Section 2.13 except to the extent the indemnitor is actually materially disadvantaged by such failure to give notice. The indemnitor shall have the right and obligation to assume the defense of any claim, action, suit or proceeding with respect to which indemnification is being sought under this Section 2.13 with counsel reasonably satisfactory to the indemnitee. The indemnitee shall have the right to employ its own counsel, but the fees and expenses of such counsel shall be at the expense of the indemnitee. The indemnitor shall not be liable for any settlement effected without its prior written consent. The indemnitee shall cooperate with the indemnitor in the defense of any such claim, action, suit or proceeding to the extent reasonably requested by the indemnitor, and shall provide all information, evidence, assistance and authority necessary to enable the indemnitor to conduct a proper defense. Both parties agree to make witnesses available and to provide any reasonably requested technical assistance to the other party without requiring a subpoena therefor to pursue or defend any
litigation against third parties arising from the matters and things provided for in this Agreement whether or not the party upon which such request is made is a party to such litigation. Notwithstanding anything to the contrary contained in this Agreement, the obligations of COUNTY and BOWERMAN POWER under Section 2.13 shall survive the termination or expiration of this Agreement.

(d) BOWERMAN POWER warrants that any new or existing hardware, software and firmware (information technology) provided under this Agreement shall be able to accurately process date/time data (including, but not limited to, calculating, comparing and sequencing) from, into, and between leap years and other years for its intended purpose and to the extent required for other systems or information technology that are used in combination with or controlled by such information technology to exchange date/time data with it. The duration of this warranty shall coincide with the term of this Agreement, and BOWERMAN POWER shall indemnify COUNTY against the failure, or the consequences of any failure, of such information technology to meet the requirements of Section 2.13(d) in accordance with the provisions of Section 2.13(a) above.

2.14 FORCE MAJEURE

Notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed that the obligations and times for performance imposed upon either party may be suspended so long as and to the extent that such party is prevented from or delayed in performing such obligations by events or conditions not within the reasonable control of that party, including without limitation the elements, strikes, Act(s) of God, accidents, casualties, unavailability or delays in delivery of any product, labor, fuel, service or material, work stoppages, insurrection or civil strife, or unavailability of any form of transportation (each a Force Majeure). This Agreement shall remain in full force and effect during any suspension of any obligations under any provisions of this Section 2.14 and for a period of two (2) years thereafter, provided that, after the removal of the cause or causes preventing or hindering the performance of such obligation, the applicable party diligently commences or resumes the performance of such obligation. The end of the Term of this Agreement shall not be extended for reasons of Force Majeure as per the provisions of this Section 2.14.

2.15 RECORDING

COUNTY or BOWERMAN POWER may file for recording with the County Clerk-Recorder of COUNTY a Memorandum of Agreement. The party causing such recording agrees to provide the other party with a certified copy of the recorded Memorandum of Agreement. Upon termination of this Agreement for any reason, BOWERMAN POWER shall execute and notarize a recordable quitclaim deed, with COUNTY as Grantee, covering the property and interests contained in this Agreement, subject to BOWERMAN POWER’s right of ownership as provided in this Agreement.

2.16 AUTHORITY

(a) General. COUNTY hereby warrants the title to the Landfill Gas and warrants that it has the full right and authority to grant to BOWERMAN POWER the rights set forth in this Agreement free and clear of any lien, charge or encumbrance, except as to any prior lien or encumbrance that might have arisen pursuant to the Bond Documents. The enforceability of
such warranty shall be a condition precedent to all obligations of BOWERMAN POWER hereunder. COUNTY further agrees at BOWERMAN POWER’s option to defend, or assist in the defense of, the title to such Landfill Gas and shall indemnify, protect, defend, and hold BOWERMAN POWER harmless from and against any loss, damages or expenses arising from any claims or actions brought by any third party asserting rights in the Landfill Gas.

(b) COUNTY’s Interest. It is agreed that if COUNTY owns an interest in the Landfill Gas produced by the Landfill which is less than the entire and undivided ownership, the compensation to COUNTY due hereunder to COUNTY shall be reduced to the proportion thereof which the interest actually owned by COUNTY bears to the whole and undivided ownership or fee therein.

(c) Protection of BOWERMAN POWER’s Interests. If and whenever it shall be necessary, in order to protect BOWERMAN POWER’s interests hereunder, BOWERMAN POWER may at its option, upon sixty (60) days prior written notice, pay and discharge at any time any mortgage, taxes, or other liens now or hereafter attaching to the Landfill or any part thereof as a result of the default of payment by COUNTY. In such event BOWERMAN POWER shall have the immediate right to recover the full cost of any such mortgages, taxes or liens from COUNTY, together with sums due to BOWERMAN POWER under Section 2.2.

(d) Further Representations and Warranties. Notwithstanding the foregoing, COUNTY hereby represents, warrants and covenants as of the Effective Date that except as (1) disclosed in documents made available to BOWERMAN POWER prior to the Effective Date, (2) to Hazardous Materials in de minimis amounts that are deposited from household use in the ordinary course of Landfill operations, (3) to conditions that should reasonably not have been known to COUNTY after reasonable investigation (limited to OC WASTE & RECYCLING personnel and files on the Effective Date), and (4) to conditions that arise after execution of this Agreement: (i) the Landfill and all activities conducted thereon are in material compliance with all Applicable Law, including without limitation those relating to Hazardous Materials; and (ii) neither the execution of this Agreement nor the consummation by COUNTY of the transaction contemplated hereby will (1) conflict with or result in a material breach of the terms, conditions or provisions of or constitute a material default, or result in a termination of any agreement or instrument to which COUNTY is a party; (2) violate any restriction to which COUNTY is subject; (3) constitute a violation of any Applicable Law, or (4) result in the creation of any lien, charge or encumbrance upon the Landfill or any part thereof.

2.17 LANDFILL CONDITIONS

The parties acknowledge that due to the significant voids which exist in any landfill and in all probability exist in the Landfill, substantial settlement is likely to occur in the Landfill (other than with respect to the Site, on which no settlement is expected) during the term of this Agreement. Under no circumstances shall BOWERMAN POWER have any liability to COUNTY, its employees, agents, contractors, lessees, licensees, or invitees resulting, directly or indirectly, from any change in the surface or subsurface conditions of the Landfill other than the Site resulting from the settlement of the Landfill either during or after the construction and installation of the Collection System and the installation of the Conversion System or Systems and the Utility Interface.
2.18 RESERVATIONS TO COUNTY

Notwithstanding any provision of this Agreement to the contrary, COUNTY’s operation and maintenance of the Landfill in compliance with Applicable Law is paramount to any and all rights and licenses granted to BOWERMAN POWER under this Agreement. The Site and/or Landfill is accepted by BOWERMAN POWER subject to any and all existing easements and encumbrances; provided, however, that COUNTY represents and warrants that there are no existing easements and encumbrances that would interfere with BOWERMAN POWER’s rights under this Agreement, except as to any prior liens or encumbrances pursuant to the Bond Documents. COUNTY reserves the right to install, lay, construct, maintain, repair, and operate such sanitary sewers, drains, storm water sewers and drainage channels, pipelines, manholes, and connections; water and gas pipelines; telephone and telegraph power lines; and the appliances and appurtenances necessary or convenient in connection therewith, in, over, upon, through, across, and along the Site and/or Landfill or any part thereof for purposes of regular operation of the Landfill, and to enter the Site for any and all such purposes. COUNTY also reserves the right to grant franchises, easements, rights of way, and permits in, over, upon, through, across, and along any and all portions of the Site (with the prior written consent of BOWERMAN POWER, which shall not be unreasonably withheld) and/or Landfill. In addition, the County reserves the right, in its sole and absolute discretion, to investigate, implement and apply conversion technologies, to reduce the amount of solid waste disposed of at the Landfill. For the purposes of this Agreement, “conversion technologies” shall include without limitation, any technology that uses non-combustion thermal, chemical or biological processes to convert solid waste to a clean burning fuel or electricity. Conversion technology processes include, but are not limited to pyrolysis, gasification, acid hydrolysis and anaerobic digestion. Together with diversion of solid waste from landfills as required by applicable law, the implementation by the County of conversion technologies will reduce the amount of solid waste entering the Landfill, thereby affecting the amount of Landfill Gas created at the Landfill in the future. Other than the priority right to maintain the Landfill in compliance with Applicable Law and to implement conversion technologies, no right reserved by COUNTY in Section 2.18 shall be so exercised as to interfere unreasonably with BOWERMAN POWER’s operations hereunder or to impair any right granted to BOWERMAN POWER hereunder. COUNTY requires that contracts and agreements granting rights to third parties by reason of Section 2.18 shall contain provisions that the surface of the land shall be restored as nearly as practicable to its original condition upon the completion of any construction. COUNTY agrees to minimize any and all such interference and interruptions, and agrees to reimburse BOWERMAN POWER within thirty (30) days of receipt
of an itemized invoice for all reasonable costs and damages incurred as a result of any temporary interference with BOWERMAN POWER’s use of any or all of the Site as a result of the exercise of these rights, upon receipt of a request for same with reasonable supporting documentation, together with sums due to BOWERMAN POWER under Section 2.3, but subject to the limits set forth in Section 2.34.

2.19 DISPOSITION OF ABANDONED PERSONAL PROPERTY

Subject to the provisions of Section 1.15, if BOWERMAN POWER abandons or quits the Site or is dispossessed of its rights to utilize the Site by process of law or otherwise, title to any personal property belonging to and left on the Site ninety (90) days after such event shall, at COUNTY’s option, be deemed to have been transferred to COUNTY. COUNTY shall have the right to use, remove, and to dispose of such property after such 90-day period without liability therefore to BOWERMAN POWER or to any person claiming under BOWERMAN POWER, and shall have no need to account therefore.

2.20 PUBLIC RECORDS

Any and all written information submitted to and/or obtained by COUNTY from BOWERMAN POWER or any other person or entity having to do with or related to this Agreement and/or the Site, or the Landfill, either pursuant to this Agreement or otherwise, may be a public record open to inspection by the public pursuant to the California Records Act (Government Code Section 6250, et seq.) as now in force or hereafter amended, or any act in substitution thereof, or otherwise made available to the public and BOWERMAN POWER hereby waives, for itself, its agents, employees, subtenants, and any person claiming by, through, or under BOWERMAN POWER, any right or claim that any such information is not a public record or that the same is a trade secret or confidential information and hereby agrees to indemnify and hold COUNTY harmless from any and all claims, demands, liabilities, and/or obligations arising out of or resulting from a claim by BOWERMAN POWER or any third party that such information is a trade secret, or confidential, or not subject to inspection by the public, including without limitation reasonable attorneys’ fees and costs; provided, however, that should BOWERMAN POWER or any party claiming by, through or under BOWERMAN POWER possess written information that it regards as proprietary and subject to protection under the trade secret laws that COUNTY has requested, BOWERMAN POWER or any party claiming by, through or under BOWERMAN POWER may elect to allow employees or representatives of the COUNTY to inspect any such written information without the right to make copies or have any such writing delivered to the COUNTY. In such event, such written information shall, to the extent permitted by applicable law, remain confidential to BOWERMAN POWER or any party claiming by, through, or under BOWERMAN POWER, and if there are requests under the Public Records Act for information which has been designated as a trade secret/confidential, COUNTY will notify BOWERMAN POWER, who shall then be responsible for obtaining a court order protecting such information from disclosure.

2.21 NONDISCRIMINATION

BOWERMAN POWER agrees not to discriminate against any person or class of persons by reason of sex, race, color, ethnicity, national origin, ancestry, religion, pregnancy, age, sexual
orientation, sexual identity, physical or mental disability, medical condition, marital status, veterans status, citizenship, or any other protected group status.

2.22 INSPECTION

COUNTY or its authorized representative shall have the right at reasonable times and upon reasonable notice to BOWERMAN POWER to inspect the Site, Flare Facility and Collection System to determine if the provisions of this Agreement are being complied with.

2.23 TAXES AND ASSESSMENTS

BOWERMAN POWER and its assignees shall pay its taxes levied on the Conversion System, Collection Instrumentation and Control System and the Utility Interface System, as well as any other taxable possessory interest of BOWERMAN POWER created as to the Site and Landfill. BOWERMAN POWER shall not be liable for any taxes levied on COUNTY or any of COUNTY’s property.

2.24 SIGNS

Other than signs currently existing at the Site or required by Applicable Law, BOWERMAN POWER agrees not to construct, maintain, or allow any sign upon the Site or the Landfill except as approved by Director of OC WASTE & RECYCLING. Unapproved signs, banners, flags, etc., may be removed by Director of OC WASTE & RECYCLING without prior notice to BOWERMAN POWER.

2.25 PERMITS AND LICENSES

BOWERMAN POWER shall be required to obtain and maintain any and all approvals, permits, and/or licenses which may be required in connection with any construction or the operation of BOWERMAN POWER’s interest in the Site, the Collection System, the Flare Facility, the Conversion System and the Utility Interface as set out herein. The parties agree maintaining these permits is a material covenant of this Agreement. In the event of the revocation or expiration of any permit and or license integral to the operation of the Conversion System, BOWERMAN POWER shall restore said permit and or license in accordance with Section 1.14 (a)(ii) of this Agreement. BOWERMAN POWER shall be required to modify the COUNTY’s permits including but not limited to the COUNTY’s existing Title V permit and SCAQMD permits for the Collection System and the Flare Facility as required to support the Conversion System and/or for any other control device required. In the event the COUNTY has a requirement to make changes concurrent with BOWERMAN POWER’s needs, the COUNTY and BOWERMAN POWER will agree to proportionately share the cost of the joint permit modifications. No permit, approval, or consent given hereunder by COUNTY, in its governmental capacity, shall affect or limit BOWERMAN POWER’s obligations hereunder, nor shall any approvals or consents given by COUNTY, as a party to this Agreement, be deemed approval as to compliance or conformance with Applicable Law.
2.26 COOPERATING IN OBTAINING AUTHORIZATION

Upon reasonable request by BOWERMANN POWER, COUNTY shall make documents available, attend and otherwise assist BOWERMANN POWER in proceedings, hearings, or other procedures necessitated by any required environmental impact reports, governmental permits, authorizations and similar type requirements, related to the construction and operation of BOWERMANN POWER’s Conversion System and any related facilities and equipment. Upon reasonable request of COUNTY, BOWERMANN POWER shall assist COUNTY in briefing the officials of a governmental agency or body, or other interested party, with respect to the status of the Conversion System.

2.27 AGREEMENT ORGANIZATION

The various headings and numbers herein, the grouping of provisions of this Agreement into separate clauses and paragraphs, and the organization hereof, are for the purpose of convenience only and shall not be considered otherwise.

2.28 AMENDMENTS AND INTERPRETATION

Any changes to this Agreement shall be in writing and shall be properly executed by both parties.

Both COUNTY and BOWERMANN POWER have participated in the drafting of this Agreement and have been represented in such process by legal counsel. Accordingly, nothing set forth in this Agreement or any of the Exhibits hereto shall be interpreted or construed for or against either COUNTY or BOWERMANN POWER as a consequence of their participation in the drafting of this Agreement. In interpreting any ambiguities in this Agreement, BOWERMANN POWER acknowledges that COUNTY’s Landfill operational and environmental obligations take precedence over BOWERMANN POWER’s operational needs for its Landfill Gas facilities.

2.29 CONTROLLING LAW

This Agreement has been negotiated and executed in the State of California and shall be governed by and construed under the laws of the State of California, without reference to conflicts of law’s provisions. In the event of any legal action to enforce or interpret this Agreement, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394.

The parties specifically agree that by entering into and performing under this Agreement, BOWERMANN POWER shall be deemed to be doing business within Orange County within the meaning of Code of Civil Procedure Section 394 from this Agreement’s Effective Date through the expiration of any applicable limitations period. Furthermore, the parties have specifically agreed, as part of the consideration given and received for entering into this Agreement, to waive any and all rights to request that an action be transferred for trial to another county under Code of Civil Procedure Section 394.
2.30 RELATIONSHIP OF PARTIES

The relationship of the parties hereto is that of grantor and grantee (or, where appropriate, licensor and licensee), and it is expressly understood and agreed that COUNTY does not in any way or for any purpose become a partner of BOWERMAN POWER in the conduct of BOWERMAN POWER’s business or otherwise, or a joint venture with BOWERMAN POWER.

2.31 ATTORNEYS’ FEES

In the event that either COUNTY or BOWERMAN POWER brings an action to enforce the terms and conditions of this Agreement or to declare its rights hereunder, the prevailing party in such action, on trial or appeal, each PARTY shall be responsible for their own shall be entitled to its reasonable attorneys’ fees, legal costs and expenses, to be paid by the other party, as fixed by the court.

2.32 COVENANTS AND CONDITIONS

Each provision of this Agreement performable by COUNTY or BOWERMAN POWER, respectively, shall be deemed both a covenant and condition.

2.33 DISPOSAL OF LANDFILL MATTER

BOWERMAN POWER shall, in connection with its recovery of Landfill Gas hereunder, have the right to dispose of any and all matter (whether gaseous, solid or liquid), removed during drilling, excavation and the recovery and processing of Landfill Gas, in any manner that is not prohibited by regulatory or judicial authority including, but not limited to, return of said matter to the Landfill. Any return of said matter to the Landfill must be made under the reasonable direction of Director of OC WASTE & RECYCLING, but the Director of OC WASTE & RECYCLING shall not have the right to refuse such return. COUNTY further reserves the right to direct BOWERMAN POWER to dispose of such matter to a site within the Landfill, from which site COUNTY will be responsible for its further disposal. BOWERMAN POWER may dispose of the above-approved matter at the Landfill at no cost to BOWERMAN POWER until such time the Landfill is closed to the public at which time BOWERMAN POWER shall be responsible for proper disposal of said material at another approved facility at BOWERMAN POWER’s cost. COUNTY and BOWERMAN POWER agree that each party shall be the generator of all waste and debris, including but not limited to hazardous waste, which is removed or otherwise generated as result of its action.

COUNTY and BOWERMAN POWER further acknowledge that no party shall have liability or responsibility for management of waste or debris generated as a result of the other’s action. COUNTY shall ensure that waste or debris which COUNTY and its personnel generate in performance of COUNTY’s remedial action with respect to the Landfill is properly managed.

2.34 LIMIT OF LIABILITY

Notwithstanding any other provision of this Agreement to the contrary, in no event shall either party be liable to the other for loss of anticipated profits or revenues, loss by reason of the shutdown or de-ration of facilities, claims of customers or for incidental or consequential
damages of any type. As used in Section 2.34, the term “liable” means liability of any kind whether based in contract (including breach of warranty), tort, strict liability or otherwise.

2.35 DAYS

When performance of an obligation or satisfaction of a condition set forth in this Agreement is required on or by a date that is a Saturday, Sunday, or legal holiday, such performance or satisfaction shall instead be required on or by the next business day following that Saturday, Sunday, or holiday, notwithstanding any other provisions of this Agreement, except to the extent that performance is required pursuant to regulatory compliance orders or to respond to conditions that adversely impact COUNTY’s ability to comply with Applicable Law.

2.36 AUTHORITY

The parties executing this Agreement represent that they have the power and authority to execute, deliver and perform this Agreement. Each person executing this Agreement on behalf of a party hereto represents and warrants to all of the parties to this Agreement that it has the full power and authority to execute this Agreement on behalf of such party and that the Agreement is binding on said party as a result of such execution.

2.37 SUCCESSORS IN INTEREST

This Agreement shall be binding upon the successors, permitted assigns, licensees, heirs, executors, and administrators of COUNTY and BOWERMAN POWER.

2.38 ENTIRE AGREEMENT; SEVERABILITY

This Agreement, when executed, constitutes the entire agreement by and between BOWERMAN POWER and COUNTY with respect to the subject matter hereof and supersedes any prior understandings, agreements, including without limitation, the Original Agreement or representations by or between the parties, written or oral, to the extent that they have related in any way to the subject matter hereof. If any provision of this Agreement is unenforceable, the remaining provisions shall not be affected thereby but shall remain in full force and effect.

2.39 TIME

Time is of the essence of this Agreement.

2.40 OBLIGATIONS CONTINGENT ON APPROPRIATIONS

All obligations of the COUNTY under this Agreement are contingent on the inclusion by COUNTY of sufficient fiscal appropriations in the relevant year’s budget.

2.41 SUSTAINABILITY

OC Waste & Recycling seeks to promote sustainability principles into its business operation by developing reliable and efficient energy solutions and promoting responsible use of materials and equipment. Improving energy efficiency helps control rising energy costs, reduces environmental
footprints, and increases the entity’s value and competitiveness. OC Waste & Recycling desires to further this commitment to sustainability by encouraging BOWERMAN POWER to adopt a similar business philosophy. Some possible sustainability concepts and practices BOWERMAN POWER may use to promote its sustainability include, but are not limited to, the following:

a) Developing a plan for sustainability.
b) Retrofitting current systems/buildings for increased energy efficiency.
c) Selecting energy efficient products and technologies for buildings.
d) Exploring renewable energy services.
e) Understanding efficient water solutions.
f) Reducing your organization’s carbon footprint.
g) Utilizing green suppliers/vendors.
h) Attending energy efficient and sustainability events and associated programs.
i) Recycling and resource recovery.
j) Incorporating diversion and reuse.

The following are examples of some of the many sustainability objectives BOWERMAN POWER may use:

a) Use of recycled products.
b) Reuse on-site materials where available.
c) Utilize green sub-contractors.
d) Identify and utilize energy efficient products.
e) Minimize use of raw materials/products.
f) Establish a life cycle costing methodology for projects.
g) Cost and value appropriately sustainability options.

In support of this, BOWERMAN POWER is requested to submit by the first anniversary of the Effective Date and annually thereafter an updated Sustainability Action Report that demonstrates what measures BOWERMAN POWER is taking to control its impact to the environmental and to contribute to a sustainable work operation. The report will cite target goals, progress made towards accomplishing those goals and recommendations for short-term and long-term actions that will lessen BOWERMAN POWER’s impact on the environment. The plan may include regional information and activities, and should include direct statistical information about activities and accomplishments being made on the local level. The reports will be submitted to the Department Contract coordinator and may be included in the Department’s annual reports on sustainability.

2.42 DOCUMENT CONTROL / PRESS RELEASES / DATA OWNERSHIP

a) Regulatory Filings; Ownership of Documents. BOWERMAN POWER shall furnish COUNTY prior to submittal or upon receipt, a copy of all reports, records, notices and statements filed by BOWERMAN POWER or received by BOWERMAN POWER from any federal, state and local governmental agencies pertaining to the Landfill, Flare Facility, Collection System, and Condensate System related to the compliance of BOWERMAN POWER’s obligations under this Agreement. COUNTY shall have the right to review drafts of any regulatory compliance filings
pertaining to the Landfill, Flare Facility, Collection System, and Condensate System and provide comments in a timely manner for reasonable consideration by BOWERMAN POWER prior to submittal by BOWERMAN POWER to any regulatory agencies

b) All documents, regulatory filings, reports and derivative materials pertaining to the Landfill, Flare Facility, Collection System, and Condensate System produced or furnished under this Agreement by BOWERMAN POWER shall inure to the benefit of and be considered property of COUNTY and may be used by the COUNTY as it may choose without additional cost to the COUNTY, provided, however, that BOWERMAN POWER shall retain the right to use and reproduce all materials developed, paid for or authored by BOWERMAN POWER

c) Data. All materials, documents, data or information in raw and or finished form or collected by BOWERMAN POWER and or obtained from COUNTY data files or any COUNTY medium furnished to BOWERMAN POWER in the performance of this Agreement shall at all times remain the property of the COUNTY and, at COUNTY’s request, shall be returned to COUNTY at the expiration or termination of this Agreement. Such data or information may not be used or copied for direct or indirect use by BOWERMAN POWER after completion or termination of this Agreement without the express written consent of the COUNTY

ROUTINE OPERATION, REPAIR AND MAINTENANCE
AND
MAJOR MAINTENANCE

Flare Facility
Description (as of the Effective Date)

The Flare Facility consists of all equipment and components used for flaring Landfill Gas at the Landfill that are located upstream of location point 1, as shown in the Flare Facility Master Plan or as shown on the attached Exhibit C-4. The current Flare Facility includes, without limitation, the following principal components:

1. Three (3) Condensate Knockout/Filters (V-1, V-2, V-3)
2. Two (2) Blowers (B-1, B-2), Lampson Corp., each 50 HP VFD, 1800 SCFM, located in parallel
3. Two (2) Blowers (B-3, B-4), Hoffman, each 75 HP, 2300 SCFM, located in parallel
4. Two (2) Blowers (B-5, B-6), Gardner Denver/ Lampson Multistage, Centrifugal, each 75 HP, 2300 SCFM, located in parallel
5. Five (5) Flow Meters, with Recorder
7. Five (5) Flame Arrestors, Horizontal Type, located in parallel
8. Two (2) Flares (I-1, I-2), Perennial Energy, each 1700 SCFM, 30’-0” high by 9’-6” diameter, Propane Pilot, Automatic Combustion Air Control, UV Flame Scanner, Four 4” diameter Source Test Ports
9. Two (2) Flares (I-3, I-4) Perennial Energy, each 1700 SCFM, 30’-0” high by 9’-6” diameter, Electric Igniter, Automatic Combustion Air Control, UV Flame Scanner, four (4) 4” diameter Source Test Ports, with Condensate Injection
10. One (1) Flare (I-5), Perennial Energy, 4200 SCFM, 48’-0” high by 12’-6” diameter, Electronic Igniter, Automatic Combustion Air Control, UV Flame Scanner, Condensate Injection System, four (4) 4” diameter Source Test Ports
11. Two (2) Tanks, Propane, each 10 Gallon Capacity
12. Two (2) condensate injection systems, not currently in use.
13. Any additions made under this Agreement
A. **FLARE FACILITY MASTER PLAN:** In addition to the requirements otherwise provided in this Exhibit, the following will be incorporated into this Exhibit:

1. Flare Facility Routine Operations, Repair and Maintenance and Major Maintenance shall incorporate the equipment listed in the Flare Facility Master Plan and if not otherwise stated, BOWERMAN POWER shall follow all manufacturer’s operation and maintenance guidelines.

2. BOWERMAN POWER shall provide OCWR a copy of all manufacturer operation and maintenance manuals for all Flare Facility equipment.

A.B. **ROUTINE OPERATIONS, REPAIR AND MAINTENANCE:** Routine Flare Facility operation activities performed by BOWERMAN POWER personnel to operate and maintain the Flare Facility within operating parameters as reasonably defined by the COUNTY, per the manufacturer’s operation and maintenance manual, and pursuant to all applicable regulatory permits and requirements associated with its operation. It shall include the activities of a repetitive nature but is not limited to the activities listed below:

**Routine Operating:** Routine operation activities to inspect, monitor, and record system data, make minor adjustments and perform minor preventative maintenance activities as described below and as recommended by the system component manufacturer.

- Maintain at least one (1) copy of all records required by Section C-1, including but not limited to readings and logs, at the local site offices at all times.
- Provide COUNTY with electronic real-time read only access to all Landfill Gas process parameters (as listed in the BOWERMAN POWER System Maintenance Manual) from the Flare Facilities.

**Routine Repair and Maintenance:** Routine Flare Facility repair and minor preventive maintenance activities:

- Forward copies of completed test results and data download to COUNTY within thirty (30) days or as otherwise agreed. Specifically including but not limited to the monthly and quarterly Flare shutdown tests, annual flow meter and thermocouple calibrations, annual Flare stack emissions test and annual skin infrared scan.

**Daily**

- Check, monitor, record system process parameters (temperature, pressure, flow rates, levels, and Landfill Gas component concentrations, as defined in the current approved BOWERMAN POWER System Maintenance Manual)
• Check and record air compressor receiver pressure (if applicable)
• Check and record flame arrestor differential pressure
• Check and record equipment operations and run hour meters
• Check and record propane pilot fuel tank levels
• Check and record blower motor amps
• Check and record blower suction and discharge pressure and temperature
• Record all operation and maintenance activity performed on Flare Facility
• Drain air compressor air receiver
• Blow down airline
• Check digital temperature and flow recorders, and check the main control panel and data recorder.
• Check air compressor oil level
• Drain blower casing
• Check and record inlet separator differential pressure
• Check louver operation

**Weekly**

• Check maintenance supplies and lubricants
• Inspect condensate collection tank and sump pumps (if applicable)
• Check inlet header for leaks
• Check air compressor and clean intercooler

**Monthly**

• Rotate standby blower(s)
• Inspect standby Flare(s)
• Check and clean air compressor inlet air filter (if applicable)
• Check air compressor drive belt tension (if applicable)
• Spray weeds
• Spray insects
• Test the automatic shutdown safety system and record the results
• Check, clean or replace condensate sump pump filters as necessary

**Quarterly**

• Check spark igniter, ignition wiring and coils
• Check shut down mechanism (surge overload, high temperature, low temperature, flame failure, flash back, thermocouples)
• Check sight glass on Flares
• Check operation of air dampener motor
• Download file system operating data from the recorder and store as required

**Semiannually**

• Grease blower bearings, check/fill air lubricator per manufacturer’s operating hour recommendations
• Check and replace airline if necessary
• Check UV scanner
• Motor blower vibration test
Annual

- Clean electrical service and control cabinets
- Tighten all electrical service and control connections
- Check and calibrate flow meters
- Check thermocouples:
  - Prove thermocouple accuracy and operation with the use of an infrared scanning device or other method approved by the Director of OC Waste & Recycling.

B.C. MAJOR MAINTENANCE: All Flare Facility maintenance activities not described in Routine Operations, Repair and Maintenance. Major Maintenance shall include, but is not limited to items listed below.

Flare Facility painting

- The Flare and support equipment shall be painted on an as needed basis to preserve equipment life and aesthetic appearance as may be requested by COUNTY in its reasonable discretion but no more frequently than annually.

Annual turn around – inspection and overhaul

- Mechanical turnaround
  - Landfill Gas blower
  - Blower motor
  - Condensate separator process vessel internal inspection and repairs
  - Air compressor
  - Valves, operators
  - Flame arrestor
  - Corrosion monitoring
  - Sight glasses
  - Ignition system

- Electrical turnaround
  - Service motors (clean, dip and bake as necessary)
  - Motor control center
  - Ignition transformer
  - Infrared spectrum check
  - Lighting system

- Instrumentation turnaround
  - Regulators
  - Controllers
  - Gauges
  - Thermocouples
  - Recorders
  - Pressure switches
  - Solenoid valves
- Flow meters
- Temperature meters
- Automatic dialing system
- Test emergency alarm

- General turnaround re-grade work

**Equipment replacement**
- As needed to maintain compliance with Applicable Law and permits.

**Equipment relocation**
- For the avoidance of doubt:
  - COUNTY is responsible, at its own expense, for the relocation of the Flare and Flare equipment if said relocations are due to the COUNTY’s landfill operation needs.
  - BOWERMAN POWER is responsible, at its own expense, for the relocation of the Flare and flare equipment if said relocations are due to a BOWERMAN POWER need.

**Annual Flare stack inspection**
- Blowers
- Insulation
- Shell
- Burner assembly
- Infrared spectrum check of stack skin temperature survey

**Annual stack emissions test**
- As required by the current Flare(s) permit(s).
EXHIBIT C-2

CONDENSATE SYSTEM DESCRIPTION
AND
ROUTINE OPERATION, REPAIR AND MAINTENANCE
AND
MAJOR MAINTENANCE

Condensate System Description

The Condensate System consists of all equipment and components owned by COUNTY and used for transporting Condensate that are located upstream of location point 1, as shown on the attached Exhibit C-4. The Condensate System as it exists or may exist located downstream of location point 1, is considered part of the Site and is the sole responsibility of BOWERMAN POWER. The current condensate system upstream of location point 1 includes, without limitation, the following principal components:

The condensate collection system includes a “pump station” at the toe of the landfill and two plastic tanks located at the “tank farm” area for storage. The pump station contains a holding tank equipped with secondary containment, one pneumatic pump and an electric submersible pump and all ancillary equipment associated with this pump station.
A. ROUTINE OPERATIONS, REPAIR AND MAINTENANCE: Routine Condensate System operation activities performed by BOWERMAN POWER personnel to operate and maintain the Condensate System within operating parameters as reasonably defined by the COUNTY and pursuant to all applicable regulatory permits and requirements associated with its operation. It shall include the activities of a repetitive nature but is not limited to the activities listed below:

**Routine Operations:** Routine operation activities to inspect, monitor, and record system data and make minor adjustments.
- Maintain at least one (1) copy of all records required by Section C-2, including but not limited to readings and logs, at the local site offices at all times.

**Routine Repair and Maintenance:** Routine Condensate System repair and minor preventive maintenance activities.

**Daily**
- Check, monitor, record system process parameters (temperature, pressure, flow, levels)
- Check and record air compressor receiver pressure (if applicable)
- Check and record equipment operations
- Drain air compressor air receiver
- Check flow or level recorders (if applicable) and/or check the main control panel and data recorder
- Check condensate level in the storage tank
- Check air compressor oil level
- Check electrical submersible pump (as needed), electrical wiring and containment vault
- Check flow meters
- Treat and dispose of all condensate collected

**Weekly**
- Check maintenance supplies and spare parts
- Inspect condensate storage tank, piping, support and foundations, carbon drum, containment dike
- Check air compressor and clean intercooler
- Check and fill as needed the pneumatic pump lubricator
- Inspect supports and foundations
- Monitor Carbon Unit output for TOC (methane)
Monthly

- Check and clean air compressor inlet air filter (if applicable)
- Check air compressor drive belt tension (if applicable)
- Inspect utility air line connections
- Check operation of floodlights
- Spray weeds
- Spray insects
- Inspect vault containment
- Check, clean or replace condensate pump filters as necessary

Quarterly

- Check sight glass on storage tank
- Test emergency alarm and shut downs
- Check / clean sump and strainer

Semiannually

- Grease bearings, check/fill air lubricator per manufacturer’s recommendations
- Check and replace airline if necessary

Annual

- Tighten all pneumatic service and control connections

B. MAJOR MAINTENANCE: All Condensate System maintenance activities not described in Routine Operations, Repair and Maintenance. Major Maintenance shall include, but is not limited to the items listed below:

- Condensate system painting (as necessary)

- Mechanical turnaround
  - Condensate storage tank internal inspection and repairs to valves
  - Corrosion monitoring
  - Sight glasses
  - Condensate pumps
  - Air compressor (if applicable)

- Electrical turnaround
  - Service motors (clean, dip and bake as necessary)
  - Motor control center
  - Infrared spectrum check
  - Lighting system
• Instrumentation turnaround
  o Regulators
  o Controllers
  o Gauges
  o Recorders
  o Pressure switches
  o Solenoid valves
  o Flow meters
  o Temperature meters
  o Automatic dialing system

• General turnaround
  o Regrade work

• Equipment replacement
  • As needed to maintain compliance with Applicable Law and permits.

• Equipment relocation
  • For the avoidance of doubt:
    o COUNTY is responsible, at its own expense, for the relocation of the Condensate System within the Flare Facility and condensate equipment if said relocations are due to the COUNTY’s landfill operation needs.
    o BOWERMAN POWER is responsible, at its own expense, for the relocation of the Condensate System within the Flare Facility and condensate equipment if said relocations are due to a BOWERMAN POWER need.

C. CAPITAL ADDITIONS:
  o The COUNTY shall be responsible make capital additions to the Condensate System, as appropriate from time to time, as required to maintain compliance with Applicable Law.
  o The COUNTY and BOWERMAN POWER will work together to develop, maintain and operate the most efficient Condensate System possible as delineated in Sections 1.6 (c) and 1.9 (c).

AND
MAJOR MAINTENANCE

LANDFILL GAS COLLECTION SYSTEM
DESCRIPTION

The Collection System is a combination of horizontal collectors, vertical wells, laterals, headers and subheaders, all of which are located upstream of location point 1 (as shown on the attached Exhibit C-4): For the purpose of Exhibit C-3 the Landfill Gas Collection System shall not include the Flare Facility as described in Exhibit C-1 and the Condensate System as described in Exhibit C-2. A map of the current Collection System is attached hereto as Exhibit C-5 and may be amended as needed from time to time. It includes without limitation, the following components:

- Horizontal collectors
- Perimeter collection trenches
- Vertical extraction wells
- Various laterals, headers, and sub-headers delivering Landfill Gas to the Flare Facility
- Any additions made under this Agreement.
LANDFILL GAS COLLECTION SYSTEM
ROUTINE OPERATIONS, REPAIR, AND MAINTENANCE
MAJOR MAINTENANCE
AND
CAPITAL ADDITIONS

A. ROUTINE OPERATIONS, REPAIR, AND MAINTENANCE: Routine Collection System activities performed by BOWERMAN POWER personnel to operate and maintain the Landfill Gas Collection System within operating parameters as agreed to by COUNTY and BOWERMAN POWER and pursuant to all applicable regulatory permits and requirements associated with its operation. Tasks described in this Section C-3A will be performed at the sole expense of BOWERMAN POWER. It shall include the activities of a repetitive nature, but is not limited to the activities listed below:

Routine Operations: The frequency, adjustment targets and limits of the activities described in this section shall be defined in the BOWERMAN POWER’s System Maintenance Manual. Activities to inspect, monitor, and record system data, make minor adjustments, and perform minor tasks that include but are not limited to:

- Measure pressures and inspect wellhead, Collection System laterals and Collection System header(s) and sub-header(s).
- Sample Landfill Gas from wellhead, Collection System laterals and Landfill Gas Collection System headers, using a GEM 500 Landfill Gas meter or approved equivalent. The method and frequency of sampling to be defined in the BOWERMAN POWER System Maintenance Manual.
- Perform five-component chromatographic analysis of wellhead, Collection System laterals and Collection System header and sub-header Landfill Gas, the method and frequency of sampling as well as the specific five-components are to be defined in the BOWERMAN POWER System Maintenance Manual.
- Record pressure, Landfill Gas component analysis data and observations into database.
- Collection System tuning – adjust Landfill Gas flow rates:
  - To minimize Landfill Gas emissions from the landfill
  - To minimize Landfill Gas migration into adjacent property
  - Comply with the tuning parameters, recording and reporting requirements imposed by the regulators
  - To adjust quantity and quality of Landfill Gas to the Conversion System within the regulatory parameter requirements
  - To optimize system efficiency and provide maximum royalty revenues to the COUNTY
  - To prevent over-pulling and subsurface fires
  - Collection System report preparation and report submittal
  - Order and procure supplies, parts and equipment
- Training (technical – operations and plant mechanical and process, quality process, safety, environmental, supervision, communications).
- Backup computer data systems
Routine Repair and Maintenance: Collection System repair and minor preventive maintenance activities, which include but are not limited to:

- Perform above-grade leak detection and repair.
- Raise and lower well heads to prevent condensate blockage on flex hoses
- Clearing of weeds around well heads, vaults and valves
- Marking and signage for wells, above and below grade main valves and for main headers and sub-headers protection
- Replace aboveground Collection System components:
  - Tygon tubing
  - Sample taps
  - Wellhead flex hose
  - Nuts and bolts
  - Orifice plates
- Removal / draining of minor below and above-ground water blockages in the Landfill Gas Collection System, including, but not limited to, above-ground lateral de-watering
  - The COUNTY to provide equipment (and operator as required) regularly located at the Landfill, when available.
- Tightening flanges
- “Sounding” on vertical wells to determine and track liquid levels

B. MAJOR MAINTENANCE: Major Maintenance and repair activity shall include but is not limited to items listed below:

1) The COUNTY shall perform the Major Maintenance described in this Section C-3 (B) (1) at the sole expense of the COUNTY.

- Vertical well raising, lowering as a result of Landfill construction and operation
- Relocation or abandonment of wells as a result of Landfill construction and operation
- Abandonment of noncompliant or pinched wells as a result of normal Landfill settlement
- Header/sub-header relocation or abandonment as a result of Landfill construction and operation
- Replacement and pipe resizing of header/sub-header to accommodate enough Landfill Gas flow capacity to satisfy emission requirements
- Repair of header/subheader, valves and laterals impacted by normal or incidental Landfill operations.
- Maintain and re-grade existing access roads for ingress and egress for the purpose of operating, adjusting, controlling, and monitoring Collection System
- Replacement or repair of defective main isolation valves (10”-36” diameter) below grade impacted by incidental Landfill operations
- Provide Accu-flo wellhead major components
- Provide valve or major components for above and below grade valves replacement or repair (4” – 36” diameter), such as gear assembly, valve stems, and valve wheel/lever, as a result of normal wear and tear or landfill settlement
• Provide parts and materials for vault installation and repair.

2) BOWERMAN POWER shall perform the Major Maintenance described in this Section C-3 (B) (2) at the sole expense of BOWERMAN POWER.

• Replacement or repair of defective Accu-flo and/or existing well heads or the major components (new wellheads and major parts to be provided by COUNTY, excludes flexible hose, plugs, and sampling ports)
• Replacement or maintenance of above and below grade valves (4” – 36” dia.) or its major components as a result of normal wear and tear (parts to be provided by COUNTY)
  o The COUNTY to provide equipment (and operator as required) regularly located at the landfill, when available.
• Pumping of flooded vertical wells caused by condensate build-up
• Filling and flushing of drain lines, main valves, header/sub-header, laterals, and traps blockage caused by silt or debris build-up
  o The COUNTY to provide equipment (and operator as required) regularly located at the landfill, when available.
• Vault installation and repair (COUNTY to provide parts/vault)

C. CAPITAL ADDITIONS:
  o The COUNTY shall be responsible make capital additions to the Collection System, as appropriate from time to time, as required to maintain compliance with Applicable Law.
  o BOWERMAN POWER shall be responsible for the installation of diversion lines and bypasses to maintain flows during construction of additional wells and laterals etc. and any additional valves and wells for the purpose of enhancing quality and increasing Landfill Gas flow for production for installations that are beyond the requirements necessary for the Landfill to comply with Applicable Law, at BOWERMAN POWER’s sole expense.
  o The COUNTY and BOWERMAN POWER will work together to develop, maintain and operate the most efficient Collection System possible as delineated in Sections 1.6 (c) and 1.9 (c).
EXHIBIT C-4

OWNERSHIP DEMARCATION POINT

Description
The ownership demarcation point for ownership of assets between the parties shall be described as “Location Point 1”. “Location Point 1” shall be described as the flange(s) upstream (normal flow is from the Collection System and to the Flare) of the Conversion System(s) knock out vessel(s) and/or Flare(s). The flange(s) shall be physically identified in the field with a permanent tag identifying the flange as the “demarcation point”. In addition, “Location Point 1” shall be identified on the diagram hereto attached or as modified from time to time. Photos used to further define the “Location Point 1” shall be attached to and found in the BOWERMAN POWER System Maintenance Manual.

MAP OF EXISTING COLLECTION SYSTEM
EXHIBIT D

DESCRIPTION OF CONVERSION SYSTEM

The Conversion System is presently contemplated to be a single cycle combustion turbine generating facility that is designed to utilize substantially all of the available Landfill Gas as of the Commercial Operation Date of the Conversion System. The Conversion System is anticipated to consist of the following major components:

1. A state-of-the-art Landfill Gas pretreatment facility designed to remove siloxanes and other harmful constituents in the Landfill Gas prior to combustion.
2. Five (5) Solar brand Mercury 50 combustion turbine generators utilizing Solar’s proprietary Ultra Lean Premix combustion system.
3. Electrical transformers, substations and interconnection equipment and related electrical controls.
4. Associated compressors, pumps, piping, controls, systems and other equipment.

Subject to the terms of this Agreement, BOWERMAN POWER may change one or more of the components of the Conversion System, in its reasonable discretion. Changes will require written consent or approval of the Director of OC WASTE & RECYCLING, or designee, which consent shall not be unreasonably withheld, conditioned or delayed.
EXHIBIT E

HEALTH AND SAFETY LAWS AND REGULATIONS

1) GENERAL SAFETY RESPONSIBILITY
   a) BOWERMAN POWER shall be solely and completely responsible for conditions
      including, but not limited to, the protection and safety of its employees, visitors and
      property.
   b) BOWERMAN POWER shall have in place a written Health and Safety Plan (HSP) that is
      in compliance with all federal, state, and local health and safety laws, orders, and
      regulations pertaining to its operations. More specifically, BOWERMAN POWER shall
      ensure compliance with the applicable requirements of the Department of Occupational
      Safety and Health, DOSH (commonly referred to as Cal/OSHA) and, to the extent
      possible, provide its employees, subcontractors, and agents with a safe work environment
      free from recognized hazards.
   c) The HSP shall be submitted to the COUNTY within thirty (30) calendar days after the
      effective date of the agreement.
      i) Review of BOWERMAN POWER’s HSP by the COUNTY shall not relieve
         BOWERMAN POWER of the responsibility for any aspect of this agreement, or for
         compliance with all federal, state, and local laws pertaining to health and safety.
         (1) Strict adherence to BOWERMAN POWER’s HSP will be required for all internal
             company and subcontractor personnel.
   d) Department review: The designated OC WASTE & RECYCLING Safety Officer will
      review / audit the submitted HSP, according to regulatory requirements, at the time of
      submission.
      i) COUNTY’S acceptance/concurrence of BOWERMAN POWER’s HSP does not
         relieve or transfer any such responsibilities to the COUNTY.

2) HEALTH AND SAFETY PLAN (HSP) REQUIREMENTS
   a) General: Site Characterization and Scope-of-Work
      i) Site-specific, with an emphasis on the type(s) of service(s) performed, including the
         hazards associated with such work and the procedures in effect to protect employees
         against such hazards.
         (1) Example – Identified Hazard: Landfill Gas (LFG) is derived from decomposing
             refuse, and is comprised primarily of methane (CH4) and carbon dioxide (CO2);
             trace quantities of other gases are also present, including volatile organic
             compounds, hydrogen sulfide, vinyl chlorides, etc. LFG can ignite explosively,
             create asphyxiation hazards, and is capable of offsite migration that could pose a
             safety threat within enclosed structures.
         (2) Example – Mitigation Measure (Administrative - procedure): Staff and sub-
             contractors will be fully advised and trained in the need for precautions against
             fire, explosion, and asphyxiation hazards when working in areas with a potential
             for an LFG release.
   b) Injury and Illness Prevention Program - IIPP
      i) Background: The Department of Occupational Safety and Health (DOSH) requires a
         written and effective Injury and Illness Prevention Program (IIPP). The IIPP is the
primary component of a comprehensive HSP, and one that is closely evaluated by DOSH Compliance Officers.

(1) The IIPP is mandated in Title 8 California Code of Regulations Section 3203, General Industry Safety Orders, and Title 8 California Code of Regulations Section 1509, Construction Safety Orders.

ii) IIPP Components:

(1) Responsibility - 3203(a)(1): Identify the person(s) with authority and responsibility for implementing the Program.

(a) NOTE: This is overall authority for the program – field and office.

(2) Compliance – 3203(a)(2): Include a system for ensuring that employees comply with safe and healthy work practices. This includes employee recognition, i.e. safety incentives, disciplinary actions, remedial training or any other means to ensure compliance.

(3) Communication – 3203(a)(3): Implement a system to communicate safety and health matters to all affected employees, including provisions whereby the employee can inform the employer of worksite hazards without fear of reprisal. This includes safety or “tailgate” meetings, written communications and/or postings, anonymous hazard reporting by employees, labor/management safety and health committees, or other means to ensure communication with employees.

(4) Inspections – 3203(a)(4): Include procedures for identifying and evaluating workplace hazards, i.e. unsafe conditions and/or work practices. Also to be included in the inspection process is the addition of a new or previously unrecognized occupational safety and health hazard (substance, process, procedure or equipment).

(5) Accident Investigations – 3203(a)(5): The Program must include a procedure(s) to investigate injury or occupational illness.

(6) Hazard Correction – 3203(a)(6): Include methods and/or procedures for correcting unsafe and unhealthy work conditions, or practices, in a timely manner.

(7) Safety Training & Instruction – 3203(a)(7): Provide safety training and relevant instruction to employees:

(a) New hires, re-classified employees and supervisors.

(b) Upon discovery of new or previously unrecognized hazards, or introduction of new materials, policy or equipment.

(8) Record Keeping & Documentation: Records taken to implement and maintain the Program shall include:

(9) Safety Inspections – 3203(b)(1): Inspection records, as required by subsection (a)(4), shall include person(s) conducting inspection, identified hazards and corrective actions taken. Retain records for at least one (1) year.

(10) Training - 3203(b)(2): Employee training records, as required by subsection (a)(7), shall include employee name or other identifier, dates, type of training, and instructor(s). Retain records for at least one (1) year.

3) OTHER HEALTH AND SAFETY PLAN (HSP) REQUIREMENTS

a) General: The IIPP is one of a handful of programs that may be required by DOSH. Depending on operations, certain work details may require other written programs such as those defined below. It is the responsibility of BOWERMAN POWER to maintain compliance with applicable safety standards beyond the basic IIPP requirements.
b) Other HSP component examples (based on operations):
   i) *Code of Safe Practices* – in Title 8 California Code of Regulations Section 1509;
      *Emergency Action Plan* – in Title 8 California Code of Regulations Section 3220;
      *Fire Prevention Plan* – in Title 8 California Code of Regulations Section 3221;
      *Hazard Communication Program* – in Title 8 California Code of Regulations Section 5194;
      *Confined Space Entry* – in Title 8 California Code of Regulations Section 5156-§5159;
      *Respiratory Protection* – in Title 8 California Code of Regulations Section 5144;
      *Lockout / Tag out* – in Title 8 California Code of Regulations Section 3220;
      *Chemical Hygiene* – in Title 8 California Code of Regulations Section 5191 & Article 110;
      *Blood borne Pathogens* – in Title 8 California Code of Regulations Section 5193;
      *Hearing Conservation* – in Title 8 California Code of Regulations Section 5096 – §5100;
      *Excavation and Shoring* – in Title 8 California Code of Regulations Section 1541.1;
      *Personal Protective Equipment* – T8 CCR §3380-$§3400;
      *Welding, Brazing and Cutting* – in Title 8 California Code of Regulations Section 1536, §1537; etc.

c) BOWERMAN POWER’s HSP is subject to periodic review and/or audit by the designated OC WASTE & RECYCLING Safety Officer; this is to ensure regulatory compliance as well as to promote a cooperative working relationship regarding safety matters between BOWERMAN POWER and the COUNTY.

4) HAZARDOUS MATERIALS DISCLOSURE PLAN (as required by applicable law)

a) Required by the California Health & Safety Code, as a “CUPA” requirement, and comprised of two (2) parts:
   i) *Chemical Inventory*: Detailed listing of both hazardous materials and hazardous waste stored on-site.
   ii) *Business Emergency Plan*: Addresses internal procedures for handling spills of hazardous, liquid or nuisance materials it is using while working on COUNTY property. This shall include proper handling, removal and disposal of these materials per all applicable Federal, State and local requirements.

b) Any spill-damaged area(s) must be restored / repaired to its original condition by BOWERMAN POWER, in an environmentally correct and timely manner, to the satisfaction of the COUNTY.

c) This program will be evaluated by the Orange County Fire Authority (OCFA) and is to be maintained onsite.
   i) This program will not be evaluated by OC WASTE & RECYCLING, but must be complete and ready for review by OCFA during annual inspection of the facility.

QUITCLAIM BILL OF SALE

THIS QUITCLAIM BILL OF SALE (this “Agreement”) is made and entered into as of the Effective Date by and among GSF ENERGY, LLC (“GSF”), BOWERMAN POWER LFG, LLC (“BP LFG”) (GSF and BP LFG are collectively the “Seller”) and COUNTY OF ORANGE (“Buyer”).

WHEREAS, Seller acquired and owns certain assets that are components of the Collection System, the Condensate System and the Flare Facility at the Landfill; and

WHEREAS, Seller desires to transfer to Buyer the Assets (defined below) that are components of the Collection System, the Condensate System and the Flare Facility at the Landfill, as more specifically described herein; and

WHEREAS, Buyer wishes to acquire the Assets as set forth herein.

NOW THEREFORE, in consideration of the premises and the mutual covenants contained herein:

1. Asset Conveyance. (a) Seller does hereby sell, assign, convey, and transfer to Buyer any and all of Seller’s right, title and interest in and to any and all of its assets incorporated within the Collection System, the Condensate System and the Flare Facility that are upstream of “Location Point 1”, as more specifically set out in Section 5 below (“the Assets”), for the consideration set forth in Section 2 and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged. The Assets do not include, and Seller is not assigning, conveying or transferring to Buyer, its right, title or interest in any tools, equipment or other assets or property that are incorporated within, a component of, or related to the Site, the Conversion System, the Utility Interface, the Landfill Gas, the Covered Products or the Flare Products, any tools, equipment, assets or property related to Seller’s ownership, operation or maintenance of the Conversion System and the Utility Interface, or any other assets or property of Seller that are not specifically incorporated within the Collection System, the Condensate System or the Flare Facility.

(b) The Assets are being acquired by Buyer on an "AS IS" and "WHERE IS" basis, subject to any and all pledges, claims, assessments, leases, charges, mortgages, liens, (including federal, state, and local tax liens), security interests, and other encumbrances that may exist with respect to the Assets. SELLER DISCLAIMS ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY REPRESENTATIONS OR WARRANTIES AS TO TITLE, THE VALUE OF THE ASSETS, THE DESIGN OR CONDITION OF THE ASSETS, THE QUALITY OR CAPACITY OF THE ASSETS, WORKMANSHIP, COMPLIANCE OF THE ASSETS WITH THE REQUIREMENTS OF ANY LAW, RULE,
PERMIT, SPECIFICATION OR CONTRACT PERTAINING TO THE ASSETS, OR THE ABSENCE OF ANY HAZARDOUS MATERIAL, PATENT INFRINGEMENT OR LATENT DEFECTS.

(c) The above Section 1 (b) does not relieve the Seller of, or cure any maintenance, repair lacking, or any system abandonment required at the time of transfer to the COUNTY, and/or the responsibilities called for otherwise in the Second Amended and Restated Landfill Gas Rights and Production Facilities Agreement at Seller’s sole cost.

2. Consideration. Upon the terms and subject to the conditions contained in this Agreement, in consideration for the Assets and in full payment therefore Buyer will submit payment to Seller in the amount of ONE DOLLAR ($1.00) in immediately available funds upon execution of this Agreement. The parties acknowledge and agree that, in addition to the consideration set forth above, any sales, use or other transaction taxes in connection with the sale of the Assets shall be paid by Buyer.

3. Assignment/Assumption. Seller hereby assigns, transfers, conveys and delivers to Buyer, its successors and assigns, all of Seller’s rights, title, and interests in, to and under any document, permit, or entitlement evidencing any rights of Seller in and appurtenant to the Assets; provided, however, that Seller makes no representation or warranty as to the transferability or assignability of any such document, permit or entitlement; and provided further that any transfer, assignment, conveyance or delivery effected by this Section is solely to the extent that any such document, permit or entitlement does not evidence any rights of Seller in and appurtenant to any assets retained by Seller. Buyer hereby accepts and assumes the foregoing assignment, transfer and conveyance.

4. Definitions. Any capitalized terms in this document that are not defined herein shall refer to the definition of such term in the Second Amended and Restated Landfill Gas Rights and Production Facilities Agreement between Seller and Buyer of even date herewith.

5. Asset demarcation point, “Location Point 1”

The ownership demarcation point for ownership of assets between the parties shall be described as “Location Point 1”. “Location Point 1” shall be described as the flange(s) upstream (normal flow is from the collection system and to the Flare) of the conversion system(s) knockout vessel(s) and or Flare(s). This flange(s) shall be physically identified in the field with a permanent tag identifying the flange as the “demarcation point”. In addition, the “Location Point 1” shall be identified on the process flow diagram hereeto attached or as modified from time to time.

**Notes:**

1. Use EPA Model:

LFG Generated = 2*Lo*R*[exp(-kc)-exp(-kt)]

Lo = potential methane generation capacity = 4411 SCF of CH4/Ton

R = average annual refuse acceptance rate, Mg/yr

k = methane generation rate constant = 0.025

c = time since landfill closure, yr (= 0 for active landfills)

t = time since initial refuse placement, yr

scfm = standard cubic ft per minute
THIRD AMENDMENT TO THE LANDFILL GAS RIGHTS & PRODUCTION FACILITIES AGREEMENT
AND SETTLEMENT AGREEMENT

Frank R. Bowerman Landfill

THIS THIRD AMENDMENT AND SETTLEMENT AGREEMENT (this “Third Amendment”) is made as of [__________], 2023 (the “Effective Date”) by and between the COUNTY OF ORANGE, a political subdivision of the State of California (“COUNTY”), and BOWERMAN POWER LFG, LLC, a Delaware limited liability company (“BOWERMAN POWER”), which are sometimes individually referred to as “PARTY” or collectively referred to as “PARTIES”.

RECITALS:

I. COUNTY AND BOWERMAN POWER are parties to that certain Second Amended & Restated Landfill Gas Rights and Production Facilities Agreement dated as of November 17, 2011, as amended by that certain First Amendment & Waiver to the Second Amended & Restated Landfill Gas Rights & Production Facilities Agreement (the “Agreement”).

II. Pursuant to the Agreement, BOWERMAN POWER has certain exclusive rights to process, convert, use and/or sell Landfill Gas located at the Landfill and currently utilizes the Conversion System to produce and sell electricity.

III. The PARTIES have an ongoing dispute regarding their respective responsibilities with respect to Flare Facility Improvements and entered into a Tolling Agreement dated August 18, 2020, as amended and currently set to expire on August 18, 2023 (the “Tolling Agreement”), to toll the running of any statute(s) of limitations regarding the “Tolling Parties’ Claims,” as defined therein. (“Tolling Parties’ Claims” shall have the same meaning in this Third Amendment as in the Tolling Agreement.)

IV. Whereas, during the Tolling Period, the PARTIES worked collaboratively to resolve the Tolling Parties’ Claims and created the Master Plan for the Frank R. Bowerman Landfill Flare Facility which encompasses a Scope of Responsibility and Preliminary Design Report (“Flare Facility Master Plan” (Attached hereto as Annex I)) which clarifies the roles and responsibilities of both PARTIES as they pertain to necessary Flare Facility capital improvements and ongoing maintenance for the remaining term of the Agreement to ensure regulatory compliance.

V. Whereas, BOWERMAN POWER wants to construct, own, and operated a High-BTU Conversion Facility (“RNG Facility”) to beneficially utilize the Excess Gas that is available at the FRB Landfill and generate additional revenue under a new royalty structure, in which a portion of the increased royalties will be used to fund the Flare Facility Master Plan requirements to ensure continued regulatory compliance.
VI. Whereas, the PARTIES executed the Non-Binding Confidential Terms Sheet (“RNG Term Sheet”) on November 9, 2022 which set forth terms and conditions that formed the basis for negotiations that resulted in this Third Amendment.

VII. Whereas, the PARTIES intend to resolve and settle and mutually provide releases with respect to the Tolling Parties’ Claims by entering into this Third Amendment which incorporates the Flare Facility Master Plan into the Agreement and establishes a new compensation structure that guarantees a minimum royalty paid to the COUNTY based on Gross Revenue from the sale of existing Covered Products and provides for increasing royalties paid to the COUNTY based on Gross Revenue of a future renewable natural gas (“RNG”) facility.

VIII. Whereas, upon BOWERMAN POWER’S completion of the “RNG Conditions” provided in Section 7 of this Third Amendment, BOWERMAN POWER will finalize design and construction of a new RNG Facility.

IX. Whereas, the PARTIES agree that upon the Commercial Operation of the RNG Facility, the Term of this Agreement will run for a period of twenty (20) years (the “Updated Term”).

X. Whereas with the execution of this Third Amendment the PARTIES desire to clearly establish that BOWERMAN POWER is responsible for Flare Facility improvements and expansions necessary to maintain the COUNTY in compliance with all Applicable Law and as provided in the Flare Facility Master Plan or as otherwise may be required and to amend, replace and memorialize new royalty amounts for Covered Products, including but not limited to the current and future production of Renewable Electricity Generation (REG) and future Renewable Natural Gas (RNG) from a new RNG Facility to be built by BOWERMAN POWER.

**AGREEMENT:**

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the PARTIES agree as follows:

1. **Automated Landfill Gas Collection System:** BOWERMAN POWER agrees to initiate a pilot program to analyze the effectiveness of an Automated Landfill Gas Collection System such as the Loci system on the Landfill.

   BOWERMAN POWER agrees to coordinate with OCWR staff regarding pilot project parameters and share all data from the pilot project.

   If the pilot project is successful and approved by COUNTY, BOWERMAN POWER shall implement an Automated Landfill Gas Collection System for the entire Collection System at BOWERMAN POWER’s sole cost and expense.

2. **The Flare Facility Master Plan:** The Flare Facility Master Plan (as provided in Annex I) is hereby added to the Agreement and shall be considered a material obligation of
the Agreement. The rights and responsibilities found in the Flare Facility Master Plan shall become operative upon execution of this Third Amendment to Agreement.

3. **Amendments to Defined Terms and New Exhibits.**

3.1. The following definition for “Flare Capital Investment and O&M Expenses” is hereby added to Section 1.1 of the Agreement: “**Flare Facility Capital Investment and O&M Expenses**” shall mean the aggregate amount of all of the following costs and expenses incurred by BOWERMAN POWER or its Affiliates: (i) all capital expenditures with respect to compliance with the Flare Facility Master Plan, and as otherwise may be required under the Agreement; (ii) all costs and expenses relating to Routine Flare Facility and Condensate System Operation and Maintenance, Major Maintenance, and any other maintenance and operation obligations with respect to the Flare Facility, the capacity thereof, the Condensate System, or the management of Condensate; and (iii) all additional costs required to comply with Applicable Law as applicable to the Flare Facility and its operational components or the Condensate System.

If, at any time during the term of this Agreement, the COUNTY establishes a system to treat and dispose of Leachate, the cost of such system, treatment and disposal may, at the option of the COUNTY, be included in the Flare Capital Investment and O&M Expenses.

3.2. The following definition for “Flare Facility Master Plan” is hereby added to Section 1.1 of the Agreement: “**Flare Facility Master Plan**” shall mean document entitled Master Plan for the Frank R. Bowerman Landfill Flare Facility which encompasses a Scope of Responsibility and Preliminary Design Report and his attached to this Agreement as Exhibit J. The Flare Facility Master Plan, in its current form or as may be amended, is intended to clarify the roles and responsibilities of both Parties as they pertain to necessary Flare Facility capital improvements and ongoing maintenance for the remaining term of the Agreement to ensure regulatory compliance. The Flare Facility Master Plan may be periodically amended and updated with written agreement of the Director of OC WASTE & RECYCLING and BOWERMAN POWER.

3.3. The following definition for “OCWR” is hereby added to Section 1.1 of the Agreement: “**OCWR**” shall mean OC Waste & Recycling, a department of the County of Orange.

3.4. The following definition for “Temporary H₂S Treatment System” is hereby added to Section 1.1 of the Agreement: “**Temporary H₂S Treatment System**” shall mean the individual components and equipment, including the boost blower skid, valve skid, and media vessels, installed for the specific purpose of reducing H₂S content for Flare 6 only.

3.5. The following definition for “RNG Facility Commercial Operations Date” is hereby added to Section 1.1 of the Agreement: “**RNG Facility Commercial Operations Date**” shall mean the first date on which the RNG Facility makes commercial deliveries of natural gas.

3.6. The following definition for “RNG Facility” is hereby added to Section 1.1 of the Agreement: “**RNG Facility**” shall mean the high-BTU natural gas-based conversion system, natural gas pipeline relating thereto to be constructed by BOWERMAN POWER upon completion of the RNG Facility Conditions Precedent.
3.7. The following definition for “RNG Facility Site” is hereby added to Section 1.1 of the Agreement: “RNG Facility Site” shall mean that certain property shown on Exhibit [I] attached hereto as may be amended by the mutual agreement of COUNTY and BOWERMAN POWER.

3.8. The following definition for “Leachate” is hereby added to Section 1.1 of the Agreement: “Leachate” shall mean any liquid, including any suspended components in the liquid, that has percolated through or drained from the landfill.

3.9. Annex I attached hereto is hereby added as a new Exhibit [H] to the Agreement.

3.10. Annex II attached hereto is hereby added as a new Exhibit [I] to the Agreement.

3.11. Exhibit C-1 Amendments:

   a. Flare Facility Description will be amended to reflect incorporation of the equipment listed in the Flare Facility Master Plan,

   b. Flare Facility Routine Operations, Repair and Maintenance and Major Maintenance shall be amended to reflect incorporation of the equipment listed in the Flare Facility Master Plan and if not otherwise stated require BOWERMAN POWER to follow all manufacturer’s operation and maintenance guidelines.

   c. BOWERMAN POWER shall provide OCWR a copy of all manufacturer operation and maintenance manuals for all Flare Facility equipment.

4. Amendments to Section 1.4 (Compensation to County).

4.1. Section 1.4(ii) of the Agreement is hereby deleted in its entirety and replaced with the following:

   “(ii) If BOWERMAN POWER sells Covered Products to (1) COUNTY, or (2) any other customer at or above the Market Price during that calendar quarter, the royalty for those Covered Products shall be calculated as the greater of either the Minimum Annual Royalty or as follows:

   1) 5% of the Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is less than or equal to $6.00 per MMBtu;
2) 15% of incremental Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is greater than $6.00 per MMBtu but less than or equal to $10.00 per MMBtu;

3) 25% of incremental Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is greater than $10.00 per MMBtu but less than or equal to $15.00 per MMBtu; and

4) 50% of incremental Gross Revenue from the sale of such Covered Products when the Market Price for such Covered Products is greater than $15.00 per MMBtu.

4.2. Section 1.4(v) of the Agreement is hereby deleted and replaced with the following:

“(v) Minimum Annual Royalty: Beginning on the Effective Date of this Third Amendment the annual net minimum royalty (“Minimum Annual Royalty”) payable to COUNTY from Gross Revenue royalties before any offsets up to 50% are deducted for Flare Facility Capital Investment and O&M Expenses will not be less than $1,500,000 annually, as long as the annual average Landfill Gas available to the Conversion System and the Flare Facility during any such calendar year is not less than 217 MMBTU/hr (Lower Heating Value).

The Minimum Annual Royalty shall be adjusted annually according to the Cost Index as provided in Section 1.1 of the Agreement.

If the Conversion System ceases operation on any day prior to December 31 in the final year of operation, the minimum annual royalty will be subject to pro rata reduction based on the number of calendar months the Conversion System operated in that calendar year.

Calculation of Royalties: For clarification, the Minimum Annual Royalty, and royalties for the sale of Covered Products in general, are to be calculated and paid as follows: Each quarter the royalty payment is to be calculated as set forth above. After the fourth quarter royalty payment is calculated, the minimum annual royalty due for any given year except the last year of operation of the Conversion System would be the greater of: (1) the royalty as calculated per Section 1.4(i) and 1.4(ii) or (2) the Minimum Annual Royalty amount. The minimum annual royalty payment is due with the fourth quarter payment of each year.

Prepayment of the amount due is allowable. Royalties paid pursuant to the sales of Flare Products as per Section 1.4(iii) are not applicable towards the calculation to meet the Minimum Annual Royalty.
4.3. The following is hereby added to the Agreement as a new Section 1.4(vii):

“(vii) Notwithstanding anything herein to the contrary, and subject to the payment of the Minimum Annual Royalty, any and all royalty payable pursuant to Section 1.4(ii) or Section 1.4(v) shall be reduced by the cumulative amount of any and all Bowerman Capital Investment and O&M Expenses not previously deducted from royalty payments pursuant to this Section 1.4(vii); provided, however, that no individual royalty payment shall be reduced by more than fifty percent (50%) and any remaining set-off amount not applied pursuant to such cap shall be rolled forward and set off against future royalty payments. In any event, prior to (and after) the RNG Commercial Operation Date the Minimum Annual Royalty shall not fall below one and a half million dollars ($1,500,000) paid to OCWR annually, as adjusted pursuant to the Cost Index as provided in Section 1.1 of the Agreement.

Any outstanding balance of expenditures made by BOWERMAN POWER for Flare Facility Capital Investment and O&M Expenses or compliance with the Flare Facility Master Plan that may exist upon the expiration of the Term, the Updated Term, or any extension of the Term of this Agreement shall be the sole responsibility of BOWERMAN POWER.”

5. **Flare Facility Improvements.**

5.1. **Amendment to Section 1.9 (Collection System and Flare Facility).** Section 1.9(a) is hereby deleted and replaced with the following:

“(a) Flare Facility Construction. BOWERMAN POWER shall install additional Flares and other Flare Facility components and improvements as reflected in the Flare Facility Master Plan and as may otherwise be required to destruct all Landfill Gas reasonably projected to be recovered by the Collection System at the Landfill and comply with all Applicable Law. The Parties agree that until an alternative method of Landfill Gas destruction and destruction capacity determination is clearly defined in writing by the SCAQMD to the reasonable satisfaction of the Director of OC WASTE & RECYCLING, only Flare Facility capacity will count towards the Landfill Gas destruction capacity requirements required by this Agreement. BOWERMAN POWER is solely responsible for the installation of temporary equipment as may be needed to maintain compliance and/or all fines and penalties associated with non-compliance caused by inadequate Flare Facility capacity. BOWERMAN POWER agrees to meet at a minimum annually with the COUNTY to review the most current Landfill Gas Generation Rate Table (Exhibit G), and establish a timeline agreed to by both parties as to when expanded Flare capacity is to be installed.

In furtherance of the above, the PARTIES agree that BOWERMAN POWER shall construct, develop and install (or cause to be constructed, developed and installed) the additional Flares and other Flare Facility components and improvements to the Flare Facility as set forth in and in accordance with the Flare Facility Master Plan, at
BOWERMAN POWER’s sole cost and expense pursuant to the royalty structure agreed to in Section 1.4(ii) of this Third Amendment; provided that (i) BOWERMAN POWER shall not be responsible for any material increases to anticipated costs and expenses as set forth in the Flare Facility Master Plan that result from changes to Applicable Law or Policy occurring after the date of this Third Amendment, and any such increases shall be addressed by the Parties in good faith in a subsequent amendment to the Agreement if the existing royalty structure is insufficient to cover the increased costs caused by the changes to Applicable Law, and (ii) all Flare Capital Investment and O&M Expenses shall be set off against royalties due to COUNTY hereunder in accordance with Section 1.4(ii). Without limiting the generality of the foregoing, BOWERMAN POWER shall be solely responsible for the provision of a Temporary H₂S Treatment System and a permanent H₂S treatment system and related appurtenances as set forth in the Flare Facility Master Plan (the “Permanent H₂S Treatment System”) sufficient to comply with Applicable Law; provided that, when the Temporary H₂S Treatment System is no longer necessary [as mutually determined by the Parties], BOWERMAN POWER shall remove the Temporary H₂S Treatment System, replace it with [straight pipe or similar alternative which ensures continuing compliance with Applicable Law as required under Section 1.15(c) of the Agreement], and shall retain ownership of the removed Temporary H₂S Treatment System following removal. COUNTY shall perform all of its obligations and responsibilities as set forth in the Flare Facility Master Plan and shall otherwise cooperate with BOWERMAN POWER in connection with BOWERMAN POWER’s performance of its obligations hereunder and as provided in the Flare Facility Master Plan. COUNTY agrees to grant to BOWERMAN POWER, and/or to the appropriate utility providers, easements across the Landfill (in form and substance satisfactory to COUNTY in its reasonable discretion) and across property contiguous with the Landfill that is owned or leased by COUNTY and that may be reasonably necessary in connection with BOWERMAN POWER’S exercise of its obligations hereunder. Upon request, COUNTY shall reasonably assist BOWERMAN POWER in connection with obtaining any permits, authorizations or third-party easements with respect to this Third Amendment and as required under the Flare Facility Master Plan.

5.2. Amendments to Section 2.8 (Ownership of Improvements). The following sentence is hereby added to the end of Section 2.8 of the Agreement: “Notwithstanding anything in this Section 2.8 to the contrary, BOWERMAN POWER shall retain ownership of the Temporary H₂S Treatment System as set forth in Section 1.9(a).”

5.3. Basis for Regulatory Compliance. Any changes in Applicable Law that result in new regulatory obligations for the Flare Facility or Capacity that increases the anticipated capital as referenced in the Flare Facility Master Plan may require an amendment to the Agreement to account for additional costs and assignment of responsibilities.

6. Settlement Releases of the Tolling Parties’ Claims. Except as expressly otherwise provided in this Third Amendment, the PARTIES individually and on behalf of their affiliates, parents, subsidiaries, directors, officers, shareholders, partners, members, employees, servants, agents, attorneys, representatives, heirs, executors, successors, and assigns, do hereby mutually release, remise, and forever discharge each other and the other’s affiliates, parents, subsidiaries, directors, officers, shareholders, partners, members, employees, servants, attorneys, representatives, successors, and assigns from the Tolling Parties’ Claims.
7. RNG Facility Conditions Precedent:

7.1. The PARTIES Agree that prior to construction of the RNG Facility, BOWERMAN POWER shall comply with following conditions precedent ("RNG Conditions"): 

a. Execution of this Amendment; and

b. Completion of an RNG Master Plan* similar to the collaborative process and content found in the Flare Facility Master Plan, which encompasses a Scope of Responsibility and Preliminary Design Report and clarifies the roles and responsibilities of both PARTIES as they pertain to necessary RNG Facility capital improvements and ongoing maintenance; and

c. Submission for approval to the Director of OC WASTE & RECYCLING a Project Basis of Design, which shall include a Site layout and elevation drawings (11” x 17” size) showing the location, height and routing of major equipment and utilities within the Site; and

d. After approval of the Project Basis of Design, submission to Director of OC WASTE & RECYCLING preliminary plans for development and use of the Site ("Preliminary Plans"). The Preliminary Plans shall include at a minimum:

1. A legal description and drawing depicting the boundaries of the RNG System project;
2. A detailed plan showing all improvements planned for the Site. This plan shall show any existing and proposed easements affecting the Site, ingress and egress to and from the Site, parking, location of all utilities, drainage plan, and rough grade elevations of all structures;
3. A Site layout drawing showing uses, buildings and other features;
4. Colored rendering or model which includes the proposed exterior color scheme;
5. A general project description including improvements and methods of operations, and
6. An estimate of the total cost of improvements planned.

*Note: Some required elements are listed separately but may be an element of the RNG Master Plan.

The Director of OC WASTE & RECYCLING may approve, reject, or request additional information as appropriate, regarding the Preliminary Plans.

e. Provision of CEQA Documents: Submit to Director of OC WASTE & RECYCLING a Draft Initial Study, prepared at BOWERMAN POWER’s sole expense for review and comment prior to formal submittal to the COUNTY.
f. Approval by COUNTY of CEQA requirements.

7.2 RNG Facility Construction: Section 1.8.2 Entitled CONSTRUCTION OF RNG FACILITY is hereby added to the Agreement as follows:

“1.8.2 CONSTRUCTION OF RNG FACILITY

(a) Upon completion of the RNG Conditions, BOWERMAN POWER shall cause to be designed, constructed, and installed within the RNG Facility Site, at its sole expense, any RNG Facility improvements as provided in the RNG Master Plan and as may be expanded from time to time, to adequately accommodate the uses permitted under this Agreement and shall submit its design plans and easement requirements therefore for review and approval by the Director of OC WASTE & RECYCLING and the appropriate COUNTY building official. The construction proposed by BOWERMAN POWER may be scheduled in Commercially Reasonable Increments, subject to review by the Director of OC WASTE & RECYCLING and the appropriate COUNTY building official. BOWERMAN POWER shall provide a construction schedule, updated monthly. Development of the RNG Facility Site shall be conducted in a good and workmanlike manner and shall meet all other requirements contained in this Agreement. Approval by the Director of OC WASTE & RECYCLING shall not be unreasonably conditioned, delayed, withheld or denied.

(b) Prior to starting construction of the RNG Facility, BOWERMAN POWER will
   i. Obtain environmental clearance for all work encompassed by this Agreement and the RNG Master Plan in accordance with the requirements of CEQA and all other Applicable Law;
   ii. Submit evidence of insurance coverage that fully complies with section 2.12 of this Agreement.
   iii. Submit evidence of approval of all required building permits;
   iv. Submit evidence of OCFA fire system approvals.”

7.3 Before delivering Covered Products from the RNG Facility to any Customer, BOWERMAN POWER shall provide a copy of the Energy Agreement to the Director of OC WASTE & RECYCLING as per Section 1.12 (a)(xiii).

8. Updated Term: Section 1.3 (a), (b) and (c) of the Agreement are deleted in their entirety and replaced with the following:

“(a) Subject to the termination provisions contained elsewhere in this Agreement, upon the Commercial Operation of the RNG Facility, the Term of this Agreement will run for a period of twenty (20) years (the “Updated Term”). The Updated Term of this Agreement may be extended by two (2) additional ten (10) year Terms by the COUNTY if 1) BOWERMAN POWER submits written notice not less than one (1) year in advance of the scheduled termination date and 2) BOWERMAN POWER is continuing to productively use Landfill Gas to produce Covered Products for sale and 3) BOWERMAN POWER agrees to relocate the REG and/or RNG Site (the “Sites”) at the sole expense of
BOWERMAN POWER to an alternate location which is agreed to by each Party at such point in time that the current Sites is needed by the COUNTY for landfill operations or purposes during the requested extension period(s).”

(b) In the event that, on or before July 1, 2027 there is no RNG Commercial Operation Date, then the Term of this Agreement shall remain unchanged.

(c) N/A

9.2. Capitalized Terms. Any capitalized terms not defined herein shall have the meanings set forth in the Agreement.

9.3. Notices. All notices, communications, agreements, certificates, documents or other instruments executed and delivered after the execution and delivery of this Third Amendment may refer to the Agreement without making specific reference to this Third Amendment, but nevertheless all such references shall include this Third Amendment unless the context requires otherwise.

9.4. Counterparts. This Third Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument.

9.5. Integration. The Parties hereby ratify, confirm and reaffirm, without condition, all the terms and conditions of the Agreement and agree that they shall continue to be bound by the terms and conditions thereof as amended by this Third Amendment. The Agreement and this Third Amendment shall be construed as complementing each other and as augmenting and not restricting the Parties' rights, and, except as specifically amended by this Third Amendment, the Agreement shall remain in full force and effect in accordance with its terms.

9.6. Representations. Each of the Parties represent and warrant that this Third Amendment has been duly executed and delivered by it and constitutes its legal, valid and binding obligation enforceable in accordance with its terms. COUNTY represents and warrants that its representations and warranties set forth in Section 2.16 of the Agreement are true and correct as of the date hereof as if made on such date.

Exhibit A  Scope of Responsibility Table, April 18, 2022

Exhibit B  Preliminary Design Report, Master Plan for Frank R. Bowerman Landfill Flare Facility, OC Waste & Recycling, December 29, 2021
Purpose

In connection with the Second Amended & Restated Landfill Gas Rights & Production Facilities Agreement, dated November 17, 2011 (Agreement), the purpose of this Scope of Responsibility (SOR) is to provide OC Waste & Recycling (OCWR) and Bowerman Power (BP) an agreed upon list of progressive stages in implementing necessary improvements and upgrades to the Flare Facility at Frank R. Bowerman landfill with the goal of ensuring the landfill meets or exceeds all legal and regulatory requirements through the conclusion of the Agreement in November 17, 2031. Presented in this SOR as Exhibit A, a table is provided which contains stages of improvements, major key components and equipment, projected year of implementation, and specific task of responsibility for the purposes of permitting, construction, operation, and maintenance of these improvements. The SOR presented herein reflects OCWR’s and BP’s understanding and expectations with respect to tasks, duties, and responsibilities for both Parties as written in the Agreement. Once agreed to by both Parties, the SOR will be incorporated into the Agreement through an amendment to clarify the expectations and responsibilities of the Parties during the term of the Agreement allowing the landfill site to continuously meet and comply with current, future, and changing laws and regulations.

Background

OCWR and BP recognizes the benefit of developing a road map and a long-term plan for the implementation of these improvements and upgrades to the Flare Facility in order to accommodate capacity for the continuous collection and disposal of generated landfill gas for the primary purpose of meeting regulatory compliance and the secondary purpose of converting landfill gas to energy. As the need for Flare Facility improvements and expansions occurred due to increasing production of landfill gas as well as regulatory compliance issues developed over the course of the last 10 years of operation under the Agreement, disagreements arose regarding which Party was responsible for key components and/or improvements and necessary upgrades in order to collect and dispose generated landfill gas and implement improvements triggered by changes in regulatory requirements which are all impeding OCWR’s ability to meet permit conditions and comply with regulatory requirements.

Recognizing the need for a plan, OCWR prepared the Preliminary Design Report (PDR) which provides general design considerations and guidelines in the development of the Flare Facility Conceptual Master Plan Design. OCWR developed a Conceptual Master Plan Design which was initially presented to BP on October 20, 2020. OCWR procured the services of specialized consultants to provide technical review and recommendations in refining and improving the initial Conceptual Master Plan Design. The latest version of the PDR dated December 29, 2021 is presented in this SOR as Exhibit B, reflects latest updates to the PDR which has incorporated technical recommendations to the Conceptual Master Plan Design based on several meetings and discussions between OCWR, BP, and consultants. The latest PDR provides OCWR and BP the technical design basis in identifying required major components, development of process flow and piping and instrumentation diagrams, schedule sequence of improvements, equipment layout, Rough Order of Magnitude (ROM) cost estimates, and power requirements necessary to implement the improvements and upgrades to the flare facility which will enable the flare facility to collect and dispose of generated landfill gas through the year 2036 as required under the Agreement.

The goal of these efforts is to have both parties agree that the PDR provides the technical basis and progressive implementation of the Flare Facility Conceptual Master Plan Design and through the use of the SOR, uncertainty regarding each Party’s responsibilities can be reduced. Moreover the SOR is intended to not
only clarify responsibilities among Parties but it can also be used when disagreements arise as the basis for discussions to resolve specific items of contention for the purpose of identifying responsible party and delineating extent of these tasks and responsibilities in the implementation of the Conceptual Flare Facility Master Plan Design through the future.

1. Purpose

The purpose of this Preliminary Design Report (PDR) is to provide the basis for the technical drawings and detailed engineering and specifications (Basis of Design) for the flare facility needed to collect and dispose of the projected landfill gas flow at the Frank R. Bowerman (FRB) landfill through the year 2041. This effort will allow for development of detailed design plans, scheduling for upgrades and expansion, standardization of operating parameters, creation of a facility layout, and accommodation of system capacity requirements for the life of the flare facility. This effort will build on, specify the details from, and provide a more robust basis for the equipment size and cost based on the FRB Flare Facility Conceptual Master Plan Design (See Attachment A). The more detailed design should produce a staged or phased structure to provide for expansion of the system components consistent with the projected increase in landfill gas flow (i.e. the system will likely be expanded in a step wise fashion so as to always have more than sufficient capacity for the projected LFG flow). Some equipment, such as electrical components or H2S treatment, may be oversized initially in consideration of the ultimate configuration as well as the economics of scale (i.e. It may be more cost effective to put in one H2S treatment system at 15,000 scfm of landfill gas rather than two systems at 5,000 scfm each, even though only 10,000 scfm of landfill gas is currently being treated recognizing that 15,000 scfm will be treated in five years and thereby obviating the need for a third 5,000 scfm treatment system at that time).

The PDR is also crafted for regulatory compliance. To address pending regulatory deadlines, the initial stage (Stage 0) of the project shall address the installation of a new flare (Flare 6) including the necessary electrical requirements and an associated, dedicated H2S removal system. Flare 6 and its associated appurtenances shall be on a separate and expedited path.

A construction phasing plan shall be prepared to address the sequence of the installation of the flare station components.

The deliverable must also address and satisfy regulatory requirements (including but not limited to South Coast Air Quality Management District and the Local Enforcement Agency for CalRecycle rules and regulations) regarding landfill gas collection and control.

2. Background

The FRB Landfill is a state-of-the-art, Class III, municipal solid waste landfill. Opened in 1990 in the City of Irvine, CA, it is one of the largest landfills in the state and the ninth largest in the U.S. The property spans approximately 725 acres of Irvine hillside with 534 acres allocated for waste disposal. It is permitted for 11,500 tons per day (TPD) maximum with an 8,500 TPD annual average. The landfill currently receives approximately 8,000 tons of refuse per day. The landfill has enough projected capacity to serve residents and businesses until approximately 2053. The current permitted capacity is 266 million cubic yards, of which approximately 61 million cubic yard have been placed.

The FRB flare facility consists of six blowers equipped with Variable Frequency Drives (VFD), three varying size condensate knockout vessels, four Perennial flares each rated at a maximum flow rate of
1,700 standard cubic feet per minute (scfm) and one Perennial flare rated at a maximum flow rate of 4,200 scfm. Currently, an average of 54 inches Water Column (WC) of negative pressure is applied to the Landfill Gas (LFG) Collection system and controlled manually at the flare facility. Extracted LFG going to the flare facility is conveyed through a series of headers, sub headers, and the wellfield which consists of vertical and horizontal wells. LFG condensate is currently removed by the three knockout vessels at the Flare facility and subsequently conveyed by gravity to a remote condensate storage tank facility within the site. Condensate is hauled and disposed off-site.

In addition to the LFG control infrastructure, there is also a 19.6MW a gas-to-energy plant. The plant started operation in March 2016 and consists of seven CAT CG260 reciprocating engines and can process up to 8,350 scfm of raw LFG. It is operated by Bowerman Power, LLC, a subsidiary of Montauk Energy. Waste gas (also referred to as regeneration gas) coming from the Bowerman Power Landfill Gas-to-Energy (BP LFGTE) plant is combusted and oxidized in one of two of the 1,400 scfm flares. (Refer to Attachment A, sheet 3 of the FRB Flare Facility Conceptual Master Plan) (Flares 3 & 4).

Collected LFG is preferentially directed to the BP LFGTE plant facility with the balance directed to the flares. There are currently five flares at the flare station. Flares 1 through 4 have a permitted capacity of 1,700 scfm and Flare 5 has a permitted capacity of 4,200 scfm. Air quality rules (South Coast Air Quality Management District Rule 1118.1) limit the annual capacity of flares that do not meet specified emission limitations. All five flares do not meet the current emission limitations and must operate below 20% of maximum capacity or be replaced consistent with the increase in gas flow. Two flares will be required to be dedicated to burn the regeneration gas created by the BP LFGTE plant facility.

The current flares are not equipped with a Sulfur Removal and Treatment system. New flares are required to meet South Coast Air Quality Management District requirements (SCAQMD Best Available Control Technology (BACT)) regarding sulfur oxides (SOx) which will require a sulfur removal system. An integrated sulfur removal and treatment system is highly preferred. The exception is for Flare 6 which can utilize a standalone and dedicated H2S treatment system until the new electrical infrastructure and the new integrated H2S removal system is operational. Once the latter is online, the dedicated H2S system for Flare 6 shall be disconnected and removed or repurposed as part of the integrated H2S treatment system.

SCAQMD Rule 1118.1 establishes capacity limits for the throughput of flares combusting landfill gas. Flares exceeding a threshold amount (20% of maximum rated capacity) are required to be replaced with new, rule compliant flares within two years. Flare replacements and expansion will need to be scheduled consistent with SCAQMD Rule 1118.1 requirements as well as projected growth in LFG volume.

FRB is currently in technical violation of the requirements of SCAQMD Rule 1118.1 (d)(3) regarding LFG throughput for non-compliant (grandfathered) flares. Specifically, the annual LFG throughput for Flare 5 has exceeded the 20% limitation in the rule for CY 2019 and 2020. As such, a new flare (Flare 6) with an interim H2S treatment system must be installed within 18 months of receipt of a permit to construct from the SCAQMD. Permit issuance is anticipated in the third quarter of 2021.
The installation of Flare 6, its dedicated H$_2$S treatment system, and associated electrical takes precedence in the overall design. The addition of Flare 6 is shown as Stage 0 in the attached conceptual plot plan. Stage 0 work will be folded into the subsequent stages of the flare station project. Concurrent with the installation of the integrated H$_2$S treatment system in Stage 1, the dedicated interim H$_2$S treatment system for Flare 6 will be removed as all collected LFG will be treated using an integrated H$_2$S treatment system.

Electrical power to the flare facility is coming off a Southern California Edison main service line west of the flare facility, while main service line to provide and export power from the BP LFGTE plant is located east of the flare facility. (Refer to Attachment A, Sheet 1 of the FRB Flare Facility Conceptual Master Plan Design). The current main power switch gear panel to the flare facility is not integrated. The current electrical load of the flare station is at its limits and any future work or expansion will require new electrical capacity and components. Electrical is addressed separately and more completely in Section 11.

3. Physical (Space) Considerations

Due to the limited space encompassing the flare facility and the BP LFGTE plant, the following shall be considered as part of the planning and design process.

a) Maintaining fire department code, emergency vehicle access and ADA parking requirements was challenging with the current Flare and BP LFGTE plant facilities. The expansion will need to consider OCFA requirements as it may limit available space for flare facility improvements while the flare facility is in operation.

b) In consideration for the installation of an additional flare and the replacement of existing flares which does not meet the SCAQMD BACT requirements, spacing between the flares and auxiliary components should be taken into consideration during the detailed design process since some of the replacement flares will require a larger footprint than the original. In addition, equipment access is required for normal maintenance, testing, and demolition and replacement of the existing flares.

c) Based on the comments and recommendations provided by BP and based on their experience with similar systems, the existing H$_2$S system as presented in the FRB Flare Facility Conceptual Master Plan Design are missing several key components that will require space. Space for the following key components should be considered.

   (1) Blower aftercoolers. <For reference, the existing H$_2$S treatment system for the BP LFGTE plant that is rated for 4800 SCFM has an aftercooler that is roughly 21’ x 11’>. 

   (2) Discharge knockouts.

   (3) Liquids knocked-out of the compressed LFG and H2O byproduct of the H$_2$S + Metal-Oxide...
media reaction must be collected in sumps and routed to on-site condensate collection and storage system.

(4) Media beds which will require downstream filtration to handle dust particulate typical of media change-out material handling. (Refer to Attachment A, Sheet 5 and 7 of the FRB Flare Facility Conceptual Master Plan Design Drawings).

d) It is possible that due to the limited space available that taller towers (for H₂S media) may be necessary that may require line-of-site permitting.

e) Impact of the minimal space on engineering and future maintenance and operations needs to be thoroughly vetted. Media replacement logistics as well as ability to access and replace major equipment (blowers, motors, etc.) will be challenging.

f) Best use of space for growth/expansion as it becomes available (footprint of existing blowers as they become obsolete).

h) The design must incorporate space for an office/control room for BP operations.

i) Design Engineer to generate drawings and 3D models (Navisworks).

4. H₂S Removal

Consideration for a temporary and an integrated H₂S removal system shall be incorporated into the FRB Flare Facility Conceptual Master Plan Design. Type of H₂S removable system and media shall consider allowable space requirements, efficacy, and associated cost for maintenance during the design process.

a) H₂S removal consists of two components. The first is a temporary, standalone H₂S removal system for Flare 6. This system shall be designed to treat the potential gas volume going to Flare 6 to below the SCAQMD BACT standard (60 ppmv on a monthly average). The second H₂S removal component is an integrated system that would treat the total volume of landfill gas collected to below the SCAQMD BACT standard. Concurrent with the start-up of the latter component, the temporary, standalone H₂S treatment system for Flare 6 would be removed and may be repurposed as part of the integrated system.

b) All sacrificial medias require that the gas inlet temperature and moisture content be controlled to meet the ideal media operating conditions that vary slightly from brand-to-brand based on physical absorption surfaces involved. (Refer to Attachment A, Sheet 5 of the FRB Flare Facility Conceptual Master Plan Design).

c) Incorporate the existing BP LFGTE plant H₂S treatment system (sacrificial medial) into the overall master plan.

d) It is possible that due to the limited space available that taller towers (for H₂S media) may be
necessary which may require line-of-site permitting.

e) \(\text{H}_2\text{S}\) removal system design may be a staged design and expanded consistent with projected LFG volumes over time.

f) The design must address the cost benefit of using disposable media for \(\text{H}_2\text{S}\) removal versus a regenerative approach. Sacrificial media may have a lower up-front cost but a higher operating cost. For the long-term “integrated” \(\text{H}_2\text{S}\) treatment system for the total site flow, depending on the capital costs for the equipment and scavenging media consumption/disposal costs for the ultimate total site flow, a biological \(\text{H}_2\text{S}\) removal system (e.g. Thiopaq or similar) may be less expensive and require less footprint to treat the future projected flow rates.

Once the costs for the stages of modular expansion of a scavenging media system are developed, given the flexible capacity of a biological system, it would be a simple analysis to determine what total site flow results in the costs of a scavenging media system exceeding a biological system. However, other factors related to biological systems will have to be considered. (Water requirements, on-site caustic storage, sulfur solids disposal, absorber tower impact online-of-site permitting, etc.).

g) Concurrent with the installation of the integrated \(\text{H}_2\text{S}\) treatment system in Stage 1, the dedicated \(\text{H}_2\text{S}\) treatment system for Flare 6 will be removed (potentially repurposed) as all collected LFG will be treatment for \(\text{H}_2\text{S}\).

5. Flare System

The flare system shall be staged in such a manner that capacities for projected LFG, buffer, and redundancies are considered in the planning and design process.

a) Ability of the flare system to combust and oxidize extracted LFG with enough buffer capacity to compensate for gas generated for a given time which includes accommodating unanticipated BP LFGTE plant shutdown, providing redundancy as the need arises. Flare system improvements and expansion shall be constructed and installed a year ahead of the maximum projected LFG generated. (Refer to Attachment A, Sheet 10 of the FRB Flare Facility Conceptual Master Plan Design showing stages of improvement in relation to flare capacity expansion and in relation to actual gas production.

b) Need to include the ability of the flares to continue combusting waste gas from the regenerative pretreatment processes of the BP LFGTE plant facility.

c) Inlet valve to the individual flares shall be equipped with actuators such that manual adjustments to the flares is not necessary.

d) New flares must meet SCAQMD Rule 1118.1 and BACT requirements.

e) Flare 6 and its associated \(\text{H}_2\text{S}\) treatment system and electrical requirements are a priority and must be installed first. These requirements shall be detailed in the phasing plan.
6. **Blower System**

The following is to be considered for the Blower System. (Refer to Attachment A, FRB Flare Facility Conceptual Master Plan Design).

a) High capacity blower(s) capable of 2 PSIG discharge pressure and a minimum of 2 PSIG of suction vacuum. Blower additions to be phased or staged consistent with LFG flow. This would include at a minimum one redundant or standby blower.

b) Ability of the Blower system to provide adequate buffer capacity and back-up.

7. **Reliability**

All process apparatus shown in Attachment A, FRB Flare Facility Conceptual Master Plan Design shall consider and accommodate the implementation of best practices in reliability maintenance for the life cycle of all process equipment in order to minimize any unplanned equipment downtime.

a) Design documents to include sections on reliability/maintenance/life cycle.

8. **Operation**

Consider the Installation of automated modulating control valves at the inlet of each flare. Automated control valves would provide the ability to control flare high flow conditions and provide a way to maintain constant vacuum to the well field even when engines or flares shutdown. There are two main operating scenarios that could work for FRB and the best operating logic could be determined after further analysis and discussion with the BP LFGTE plant operation.

a) Option 1 – Blowers on Discharge Control with flare modulating valves controlling flow and vacuum to the well field. Blowers would utilize VFDs to maintain 2 psi discharge pressure. Flare A valve would maintain predetermined flow to Flare A and Flare B valve opens and closes to maintain vacuum setpoint to the field.

b) Option 2 – Blowers on Vacuum Control with Flare modulating valves controlling discharge pressure to the engines. Blowers utilize VFDs to maintain vacuum to the well field. Flare A valve would maintain predetermined flow to Flare A and Flare B valve opens and closes to maintain constant pressure to the plant.

9. **Expansion**

Design should expand components in advance of need and what is projected by the gas generation curves. Gas generation curves are projections only and expansion should also consider actual flows.

a) Expansion/modification of condensate management system consistent with projected LFG flow.
b) Sizing/Staging of equipment consistent with projected LFG flow.

c) A construction phasing plan shall address the sequence for installation of flare station components.

10. Construction Phasing Considerations

For FRB Landfill to maintain environmental compliance, it is imperative that shutdowns of the existing Landfill Gas Collection and Control System (GCCS) be minimized. Thus, any improvements or expansions proposed in the FRB Flare Facility Conceptual Master Plan should be designed in such a manner that occurrence and duration of shutdowns of the existing GCCS facilities required for the construction of the proposed improvements is minimized.

a) Construction phasing plan shall be developed such that the plan integrates with BP operation of the LFGTE plant facility and minimize disruptions to its power production.

b) The FRB Conceptual Master Plan Design was developed on the premise that the upgrade and expansion of the flare facility would be constructed in stages. Construction phasing begins with Stage 0 and the installation of Flare 6 and the associated electrical and independent, dedicated H₂S removal and treatment system. Stage 0 shall be designed such that the Flare 6 H₂S removal and treatment system can be removed consistent with the startup of Stage 1. Stage 1 includes all the critical infrastructure necessary to collect and control landfill gas through the year 2036 and beyond. Included in Stage 1 is the electrical backbone for the system (new 15kv line – see section 11 below), and provisions for the ultimate buildout of the LFG blowers, H₂S removal and treatment system, and associated ancillary processes and loads. Stages 2 and 3 add additional blowers, replacement flares, H₂S treatment capacity, and associated blowers and other appurtenances as required to support the increased LFG collection.

11. Electrical

Assessment and evaluation of existing condition, components, and electrical loads at the flare facility and the BP LFGTE plant are necessary and shall be considered and incorporated into the planning and design stages.

a) The existing electrical service to the flare station consists of an 800-amp feed. Franks Industrial Services (FIS) was retained to prepare single line diagrams of the existing service as shown in Attachment C, (Frank Bowerman Landfill, Landfill Gas Flare Station Future Service Requirements September 24, 2021). FIS also prepared a single line diagram showing the interim connection to accommodate new Flare 6 and the associated H₂S removal and treatment system. This interim connection is part of Stage 0 and installation of this system is the priority for the initiation of the Conceptual Master Plan Design. The interim connection utilizes the 5000-amp switch gear of BP LFGTE plant facility as well as panels DP1 or DP2 and will remain in place until the new service and switchgear is installed as part of Stage 1. A load study for peak demand should be conducted for
DP1 and DP2. Results of the load study for distribution panels DP1 and DP2 is presented in Attachment C.

b) The new service (Stage 1) to the flare station will consist of a new 15kV line as shown in Attachment C. The new service will feed a 1600-amp switchgear for Stage 1 service as well as a 3000-amp switchgear for future expansion of the landfill gas collection and control system. Also shown in Attachment C is future expansion including provisions for additional feed to a potential facility for the conversion of landfill gas to renewable natural gas.

c) Also included in Attachment C is the general requirements for metal-clad switchgear for the new 15kv line.

12. Projected Gas Generation

For the purpose of providing a basis for LFG collection capacity through the year 2041, the 2011 LFG generation model was used to estimate and project LFG collected and is farther discussed in Attachment B, Technical Review and Recommendations to the Preliminary Design Report, SCS Engineers, December 29, 2021.

13. Technical Review and Recommendations

OCWR is collaborating with BP to review and provide recommendations to the Preliminary Design Report. In addition, OCWR procured services of consultant and contractor specializing in LFG system design development and electrical planning to farther evaluate and refine the FRB Flare Facility Conceptual Master Plan Design and address key and missing components.

a) Bowerman Power -The Preliminary Design Report was initially presented to BP in October 20, 2020 wherein BP provided review comments and recommendations to OCWR. Discussions of the initial FRB Flare Facility Conceptual Master Plan Design was initiated. Since then, the Preliminary Design Report (PDR) have been evolving and is being updated and revised based on continuing collaboration and discussions between OCWR and BP. The updated PDR dated March 11, 2021 was presented to BP for review and comments and discussed with OCWR on April 1, 2021 and reflected in the PDR dated October 12, 2021 for farther discussions which occurred on December 8, 2021.

During the December 8, 2021 meeting, three major key components of the Flare Facility Conceptual Master Plan Design were discussed and are as follows:

1. Installation of Flare No. 6 - BP stated that the pad design and fabrication for Flare No. 6 are complete. Flare No. 6 is currently in storage and ready for delivery. Delivery of Flare No. 6 and construction shall commence once permit is approved by SCAQMD.

2. Options for the interim H2S removal and treatment system for Flare 6 - Options for the interim
H2S treatment system were discussed. Parties agreed that an interim standalone H2S treatment system was the preferred option. However, the standalone H2S removal and treatment system requires its own supplemental booster blower which will provide at least 2 psig of pressure necessary to push LFG through the standalone H2S treatment system media. The other option of conveying treated LFG through the LFGTE plant H2S removal and treatment system may not be capable of providing the required pressure to Flare 6 negating this preference as an interim option. BP recommends reflecting and showing the booster blower on the interim standalone H2S removal and treatment system in the Conceptual Master plan. Attachment B, Figure 3 of the Technical Review and Recommendations to the Preliminary Design Report, SCS Engineers, dated December 29, 2021 reflects this addition.

3. Electrical power upgrade load requirement through Stage 3 of the Conceptual Master Plan Design - While existing power service to the flare facility is currently through the landfill’s existing 12kV, 800-amp MCC, it was agreed that existing electrical power to the flare facility needs to be upgraded to be able to support power demand load requirements necessary to implement the various stages of the Conceptual Master Plan Design through year 2041. Furthermore, the landfill site is now limited by Southern California Edison (SCE) to one meter to its existing 12kV service. BP recognizes OCWR’s challenges in obtaining an additional service meter from SCE and its obligation to provide power to operate the flare facility. BP also recognizes the need to apply for a new power service to meet power load demands to implement the Conceptual Master Plan Design as well as power demand for future LFG to Renewable Natural Gas (RNG) facility. BP stated their intent to facilitate the SCE permit application for a new 15kV, 10,000-amp power service to the flare facility and shall collaborate with FIS and OCWR to obtain this power service.

b) SCS Engineers - On April 5, 2021, OCWR procured the services of SCS Engineers (SCS) to conduct a high-level assessment and review of the Preliminary Design Report dated April 1, 2021. SCS was tasked to assess existing field conditions and data, develop the process flow (PFD) and Piping and Instrumentation Diagrams (P&ID). Task also includes, review of the FRB Flare Facility initial Conceptual Master Plan Design, provide options, and technical recommendations. SCS developed a PFD that will assist OCWR and BP visualize potential LFG pathways and regeneration gas to the flares and identify required parameters at each step in the process. Once the PFD had been developed, SCS have created a P&ID which identifies requirements necessary for process equipment, physical, and mechanical space which would allow for practical general arrangement of planned equipment, piping, and instrumentation. OCWR and BP recognizes the need for a Hydrogen Sulfide (H2S) removal and treatment system to meet SCAQMD Best Available Control Technology (BACT) requirements for sulfur oxides (SOx). SCS was also tasked to provide options for a H2S removal and treatment system on an interim basis in conjunction with the installation of Flare 6 and for a long term integrated H2S removal and treatment system treating all LFG going to all flares addressing the SCAQMD BACT requirements. In addition, SCS provided a Rough Order of Magnitude (ROM) cost estimate for the progressive stages of the Conceptual Master Plan Design.
SCS Engineers Technical Review and Recommendations are presented in Attachment B in this latest PDR dated December 29, 2021 which reflects a refined and updated version of the initial Conceptual Master Plan Design prepared by OCWR in March 1, 2021.

c) Frank’s Industrial Services - As noted in Section 2 of the PDR (Background on electrical power), the current electrical load of the flare station is at its limits and any future work or expansion will require new electrical capacity and components. OCWR retained the services of FIS to assess and evaluate temporary power to the new Flare 6 and the interim H2S removal and treatment system. FIS presented its initial report, Frank R. Bowerman Landfill Gas Flare Station Future Electrical Service Requirements, dated March 4, 2021. As recommended by BP, FIS was also tasked to monitor and evaluate current peak loads for distribution panels (DP1 and DP2) at the LFGTE plant to determine source of temporary power between these two existing sources for the 200 hp combustible air blower for Flare 6.

Based on the technical review and recommendations provided by SCS and the creation of the PFD and P&ID, FIS reassessed new power load requirements necessary for the progressive stages of the Flare Facility Conceptual Master Plan Design and to ensure electrical improvements are implemented and staged consistent with the SCS recommended plan and conforms with current NEMA standards. FIS updated the ROM cost estimate for the electrical component of the plan and is reflected and combined with the SCS ROM cost estimate for the progressive stages and for the proposed new main switchgear as presented in Attachment C in this latest PDR dated December 29, 2021.

Based on the December 8, 2021 meeting between OCWR and BP, BP recommends reevaluating the most current peak demand on the existing 12kV, 800-amp MCC by conducting a 30-day load study or by evaluating most current monthly bills showing peak demands. This is to ensure that power to the booster blower for the interim H2S for Flare 6 is available confirming initial assessments conducted by FIS. BP’s evaluation of existing peak loads using the most current monthly bills, determined that the current peak demand was 478 amps, and the total connected load was 798 amps at 480V which confirms that there is available load capacity to supply power to the booster blower for the interim H2S removal and treatment system for Flare 6 which coincides with the FIS assessment. In conclusion, both FIS and BP agreed that the existing 12kV, 800-amp MCC is capable and will be used to supply power to the booster blower for the interim standalone H2S removal and treatment system for Flare 6 and a new 15kV, 10,000 amp power service is required to implement the various stages of the Flare Facility Conceptual Master Plan Design and to supply power to a proposed renewable natural gas facility at Frank R. Bowerman Landfill through 2041.

Subject: Technical Review and Recommendations to the Preliminary Design Report

Dear Mario:

SCS Engineers (SCS) was retained by Orange County Waste & Recycling (OCWR) for consulting services related to the preliminary design report (PDR) for the planned blower flare station upgrades at the Frank R. Bowerman (FRB) Landfill in Irvine, California.

Using the PDR elements for equipment sizing and installation timeline as a baseline, SCS incorporated additional design considerations such as physical space, efficient operation, redundancy and maintenance access etc. into the process diagrams and conceptual layout. A summary report of SCS’s approach while maintaining the overall goals of the PDR is enclosed.

SCS appreciates the opportunity to continue to provide professional engineering services for to FRB and OCWR on this important project. Please contact Sol or Vidhya for questions or concerns regarding this report.

1.0 BACKGROUND

1.1 EXISTING CONDITIONS

FRB, a Class III, municipal solid waste landfill, located in the City of Irvine, is owned and operated by OCWR. The landfill opened in 1990, and is permitted for 11,500 tons per day (TPD) maximum with an 8,500 TPD annual average. The landfill currently receives approximately 8,000 tons of refuse per day. Per OCWR’s Preliminary Design Report (PDR), dated March 2021, the landfill has enough projected capacity to serve residents and businesses until approximately year 2053. Additionally, the current permitted capacity is 266 million cubic yards, of which approximately 61 million cubic yard have been placed.

The FRB blower flare facility consists of six (6) blowers operating in parallel, three (3) separate condensate Knockout Pots (KOPs) of varying sizes, four (4) Perennial flares, each rated at a maximum flow rate of 1,700 standard cubic feet per minute (scfm) and one (1) Perennial flare rated at a maximum flow rate of 4,200 scfm.

The six (6) blowers utilize variable frequency drives (VFD) to maintain approximately 54 inches water column (in. w.c.) or approximately 2 pounds per square inch (psi) on the pressure side of the blowers. Extracted LFG is conveyed to the blower flare facility through a series of headers, sub headers, and the wellfield which consists of vertical and horizontal wells. Flow to each of the flares is controlled, utilizing manual control valves upstream of the fail-close valves for each flare. The site is currently extracting approximately 10,500 scfm, as of August, 2021, which is approximately 1000 SCFM lower than the recovery prior to the October 2020 wildfire event.

LFG condensate is currently removed by the three (3) knockout vessels at the blower flare facility, and subsequently conveyed by gravity to a remote condensate storage tank facility within the site. Condensate is hauled and disposed off-site.

In addition to the GCCS infrastructure, a 19.6MW LFG to energy (LFGTE) plant is located onsite. It is owned and operated by Bowerman Power, LLC, a subsidiary of Montauk Energy. While the LFGTE can process up to 7,000 scfm of LFG, this capacity is not included in the FRB’s LFG destruction capacity, which is limited to the five (5) Perennial flares onsite. However, waste gas, also referred to as regeneration gas) from the LFGTE is sent to one of the two (2) 1,400 scfm flares (Flares 3 & 4).

1.2 EXISTING CONSTRAINTS

1.2.1 Emission thresholds

South Coast Air Quality Management District (SCAQMD) regulations (Rule 1118.1) seek to reduce NOx and VOC emissions from flaring of LFG. The rule seeks to reduce emissions by establishing throughput limits of traditional enclosed flares combusting LFG. Flares exceeding a threshold for 2 years after rule adoption must begin the process of flare replacement. Flare replacements and/or expansions will need to be scheduled consistent with SCAQMD Rule 1118.1 requirements as well as projected growth in LFG volume.
Additionally, new flares are also required to meet SCAQMD Best Available Control Technology (BACT) requirements for sulfur oxides (SOx), which in turn will require a sulfur removal system. The existing blower flare facility is not equipped with a sulfur removal and treatment system, with the exception of proposed Flare 6, which will be installed with such a treatment system. Ultimately, an integrated sulfur removal and treatment system, capable of treating all of the recovered LFG, will be required for the Site.

1.2.2 Utility Service

Southern California Edison (SCE) provides utility power to the blower flare facility. Per the Frank's Industrial Service (FIS) report, included in the PDR March 2021), the switchgear at the blower flare facility is at capacity, and any future loads will require electrical service upgrades. Additional information on utility service limitations can be found in the PDR or FIS’s report.

2.0 PERMITTING, REGULATORY COMPLIANCE AND REPORTING

Per initial discussions with SCS’s permitting/regulatory staff, the new equipment will likely require different levels of future permitting and trigger regulatory compliance items. The H2S treatment system will require an air permit and the new blowers and, KOPs, will require a minor modification under SCAQMD. Future flares will also require SCAQMD and Title V permitting. Further detailed permitting, and subsequent reporting requirements can be provided upon request. Regulatory compliance can also cover operation of the wellfield for compliance (vacuum control) and perimeter probe exceedances. Flare 6 permitting in process with OCWR.

3.0 BASIS OF DESIGN

SCS’s review of the master plan for blower flare station expansion, and subsequent design recommendations were based on several key factors, as noted below.

3.1 LFG COLLECTION CAPACITY

SCS understands that OCWR has two (2) LFG generation models for the landfill, as noted below:

Based on input from OCWR, SCS utilized the 2011 LFG generation model with a peak flow of approximately 28,000 scfm in the year 2053, and a conservative 90 percent (%) LFG collection efficiency per discussions with OCWR staff.

Based on the 2011 LFG generation model, FRB is expected to generate approximately 14,565 scfm of LFG, in 2021. With an assumed collection efficiency of 90%, the Site’s estimated LFG recovery in 2021 is approximately 13,108 scfm. However, the total rated flow capacity for the existing flares (1-5) is 11,000 scfm.
Additionally, the existing 24-inch LFG header piping connecting the perimeter piping system to the existing blower flare station is undersized for 2021 LFG generation model flows, especially under countercurrent flow conditions.

### 3.2 SULFUR TREATMENT AND REMOVAL SYSTEM

New flares are required to meet SCAQMD BACT for sulfur oxides (SOx) which will require a sulfur removal system. H2S treatment assumes the use of Darco BG1 activated carbon media based systems based on SCS experience with similar sites in the SCAQMD Air District. However, no formal study was performed to select this technology.

### 3.3 ELECTRICAL UPGRADES

Electrical costs and conceptual electrical design included in this summary report are based September 24, 2021 report provided by under direction of OCWR.

### 3.4 REDUNDANCY

Finally, the proposed design accounted for maintaining redundancy (additional capacity) to accommodate routine maintenance activities and unplanned/non-routine breakdowns.

### 4.0 DESCRIPTION OF STAGES

#### 4.1 STAGE 0 IMPROVEMENTS

Stage 0 improvements comprise of inlet piping system upgrades, addition of a flow control valve for Flare 5 and installation of Flare 6 and associated Interim H2S treatment system, as seen on Figure 3.

**4.1.1 Inlet Header System**

The proposed inlet header system connecting the existing 24-inch perimeter header to the existing blowers will comprise of a partial upgrade of the existing 24-inch perimeter header to 48-inch SDR17 HDPE pipe (see Figure 3), and the installation of three (3)-48-inch x 42-inch tees to allow installation of upgraded inlet header piping under Stage 0 and future stages.

At this stage, two (2)-42-inch headers will be installed below grade, each connecting to the existing Knockout Pot (KOP) for blowers 1, 2, and 5, 6 respectively. The two (2)-42-inch header pipes will convey approximately 18,000 scfm of LFG while maintaining velocities of no more than 20 feet/second, under countercurrent conditions (i.e., when LFG and liquids flow in opposite directions). The two (2)-42-inch headers will reduce the pressure drop currently seen between the blower inlets and the existing 24-inch perimeter header. The lower velocities will also allow liquids to drain counter-current, away from the flare station downhill to the main condensate collection sump resulting in less moisture carryover into the inlet of the existing blowers. Stage 0 also includes the installation of a new condensate sump to collect liquids from the flare station (blowers drains, KOPs, after-cooler liquids etc.)
4.1.2 Flow Control Valve

Installation of a flow control valve on Flare 5 (FCV-107) would allow the site to maintain automatic vacuum control to the wellfield while also maintaining the pressure required at the engine plant prior to the installation of Flare 6 as recommended and described in the Frank R. Bowerman Landfill Odor Mitigation Recommendations report, dated May 14, 2020 by SCS Engineers.

4.1.3 Flare 6 with Interim H2S Treatment System

Proposed flare (FL-6) will be a 4,000 scfm, low NOx flare with a 200 hp combustion air blower, manufactured by Perennial Engineering Inc. New flares under the SCQAMD jurisdiction require the installation of a sulfur removal system to meet SCAQMD BACT regarding sulfur oxides (SOx). While the Site will eventually install an integrated sulfur treatment to handle LFG flows from the entire site, due to schedule considerations, flare FL-6 will initially require an interim sulfur treatment system. This can be achieved via two (2) options as discussed below:

4.1.3.1 Interim H2S Treatment by Standalone System

Under this alternative, up to 2,000 scfm of untreated LFG (85 ppm H2S) will be sent to the, standalone H2S treatment system skid comprising of a booster blower, an air-cooled aftercooler, pre-filter, H2S media vessels and post filters. The system will also include a 3-inch valve (HV-111) to allow blending of untreated LFG with treated LFG to achieve desired H2S concentrations to the inlet of flare FL-6. This system will be installed between the discharge of the existing FRB blowers and inlet to the proposed flare FL-6 (See Figure 7).

4.1.3.2 Interim H2S Treatment by Existing LFGTE Plant System

Under this alternative, a new 12-inch pipe will be installed to deliver treated LFG from the existing LFGTE Plant H2S treatment system to the inlet of FL-6. With the help of a 3-inch valve (HV-111) untreated LFG will be blended with up to 2000 scfm, treated LFG from the LFGTE Plant to achieve desired H2S concentrations to the inlet of proposed Flare 6 (See Figure 8). Note that this concept has not been fully vetted with BP. OCWR would need to discuss this option further to confirm that this configuration would not disrupt plant operation.

4.2 STAGE 1 IMPROVEMENTS

Stage 1 improvements comprise of an upgraded SCE electrical service. The electrical upgrades include a larger transformer and new switchgear with future capacity to accommodate future electrical loads associated with the seven planned flares. Stage 1 also includes installation of a new 20,000 scfm blower skid, H2S treatment system, new discharge piping and flares FL-1A and 2A, and associated grading and foundations as shown on Figure 4. (Refer to FIS’s electrical design to accommodate 2041 needs based on projected LFG flow.)

4.2.1 Integrated H2S Treatment System

Once the inlet header system and Flare FL-6 are installed under Stage 0, the next stage will begin with the installation of six (6) - 5,000 scfm H2S treatment vessels, with four (4) vessels installed per 42-inch header pipe. The proposed H2S treatment system will be designed to treat 15,000 scfm (3-5,000 scfm) and include 100% redundancy in the form of three (3)-5,000 scfm back-up vessels. The H2S treatment system will be designed to treat all available LFG, however, the system would include appropriately sized bypass valves to allow untreated LFG to blend with the treated LFG to achieve the desired H2S concentration to maximize media life. The blended LFG will be conveyed in the 42-inch HDPE LFG headers installed during Stage 0 to a new, 20,000 scfm blower skid system discussed below.

4.2.2 Modular Blower Skid

A new 20,000 scfm modular blower skid with integrated KOPs will be installed under Stage 1. The skid will comprise of four (4) - 5,000 scfm blowers. In Stage 1, three of the four blowers will serve as primary and will maintain one as standby for 25 percent redundancy. Existing blowers 1-4 will be
connected to the new piping manifold but will serve as additional backup blowers, providing additional redundancy in the system.

4.2.3 Low BTU Header (Optional)

If necessary, Stage 1 allows for the installation of a new low-BTU header pipe to convey low-quality LFG to existing blowers 5 and 6. Installing a separate header pipe for low-BTU LFG will provide FRB the flexibility to send low quality LFG (i.e. perimeter LFG) to flare(s) of FRB’s choice instead of comingling with high-BTU LFG that is sent to the existing LFGTE Plant. End-use and field conditions, i.e. compliance status of perimeter probes, should be taken into consideration prior to installing a low-BTU header.

4.2.4 Elevated Piping Manifold

Finally, this stage will conclude with the installation of an elevated piping manifold which will run in parallel and over the existing discharge manifold, to deliver LFG to two (2) new 4,000 scfm, low NOx, replacement flares FL-1A and FL-2A (i.e., demolition of FL-1 and FL-2, and installation of new flares FL-1A and FL-2A). The new, elevated piping manifold will include blind flanged connections for future replacement flares FL-3A, FL-4A, and FL-5A, and new flare FL-6A and FL-7.

4.3 STAGE 2 IMPROVEMENTS

Stage 2 improvements continue with the expansion of the new blower skid with the installation of a 10,000 scfm blower skid, additional H2S treatment vessels, disconnection of blowers 1-4, and installation of new flares FL-5A and 7, as shown on Figure 5.

With the bulk of the piping and equipment installed in place, Stage 2 will continue the expansion of the H2S treatment and blower skid systems. Two (2) 5,000 scfm H2S vessels will be added, bringing the total treatment volume to 20,000 scfm with a built-in redundancy of 20,000 scfm.

4.3.1 Modular Blower Skid

A new 10,000 scfm blower skid will be installed connecting to the inlet and outlet manifold of the existing 15,000 scfm blower skid respectively. Existing blowers 1-4 (BL1-4) will be disconnected and abandoned as well.

4.3.2 Demolition and Installation of Flares

Stage 2 will also include the demolition of existing flare FL-5, and installation of two (2) new 4,000 scfm, low NOx flares FL-5A and FL-7. Two existing flares FL-3 and FL-4 remain at this stage.

### 4.4 STAGE 3 IMPROVEMENTS

Stage 3 improvements include the installation of the 3rd-42-inch header pipe, final expansion of the new blower skid with the installation of a 10,000 scfm blower skid, additional H2S treatment vessels, and installation of new flares FL-3A and 4A, as shown on Figure 6.

#### 4.4.1 Inlet Header System

The 3rd and final 42-inch header pipe of the proposed inlet header system connecting the existing 24-inch perimeter header to the new blowers will be installed under this stage.

#### 4.4.2 H2S Treatment System

The final expansion of the H2S treatment system will include the installation of four (4) 5,000 scfm H2S vessels (2 treatment vessels with 2 serving as back-up), bringing the total treatment volume to 30,000 scfm with a built-in redundancy of 30,000 scfm.

#### 4.4.3 Modular Blower Skid

A new 10,000 scfm blower skid will be installed connecting to the inlet and outlet manifold of the existing 20,000 scfm blower skid respectively, resulting in a total blower capacity of 30,000 scfm with an additional 10,000 scfm in redundancy/back-up capacity.
4.4.4 Demolition and Installation of Flares

Finally, Stage 3 will also include the demolition of existing flares FL-3 and FL-4, and installation of two (2) new, replacement 4,000 scfm, low NOx flares FL-3A and FL-4A.

5.0  MODULAR APPROACH

This master planning effort was designed using a modular approach where practical, as described below. The modular approach also represents a step-wise increase in capacity, to ensure FRB is always ahead of the LFG recovery based on the 2011 LFG generation curve with a 90% collection efficiency (based on actual conditions).

5.1  MODULAR BLOWER SKID

Blower Skids are designed as complete packages to include integrated KOPs, inlet and outlet manifold piping. The skids would be designed to allow for connectivity to additional modular skids using simple piping spools and flex joints. This approach allows for easier installation and redundancy allowing for interchangeability of blowers, VFDS and motors. The modular skid design also incorporates redundant blower capacity to allow for maintenance or unplanned breakdown.

5.2  H2S TREATMENT SYSTEM

The H2S treatment vessels are designed as modular 5,000 scfm units to allow for expansion to match the additional blower capacity. Each additional 5,000 scfm unit has a fully redundant standby unit to minimize/eliminate downtime during media change outs.

6.0  PROCESS CONTROL NARRATIVES

The sections below provide description of the proposed process/operations under different scenarios – short-term and long-term, addressing the regulatory and timing challenges faced by OCWR. Overall, SCS recommends operating the blowers on vacuum control mode (and not flow control), as previously discussed in the Frank R. Bowerman Landfill Odor Mitigation Recommendations report, dated May 14, 2020.

6.1  INTERIM STANDALONE TREATMENT SCENARIO (FIGURE 7)

This section describes the process control narrative for the interim treatment scenario shown in Stage 0 (Figure 3). Stage 0 operation is shown in greater detail utilizing the Process and Instrumentation Diagram (PID) shown in Figure 7 and described below.
• Stage 0 relies on the installation of the two (2)-42-inch inlet header piping to reduce pressure losses to the field and allow for better drainage. This reduction in pressure losses in the inlet piping will allow the blower to overcome the additional pressure loss required for the interim H2S treatment system.

• Blowers BL-1 through BL-6 would be operated on discharge pressure control utilizing Variable Frequency Drives (VFDS) and the existing Pressure Transmitter PIT-101. The blowers would ramp up and down, as necessary, to maintain 2 pounds per square inch (PSI) discharge pressure to the inlet of the LFGTE plant.

• FL-1, FL-2, FL-3, FL-4 would utilize the existing flare inlet manual valves (i.e HV-105 for FL-1) to achieve the desired flow with the manifold pressure set to 2 PSI. These flares would be balanced to maintain compliance with permit limits but would leave enough flow to operate FL-5 and/or FL-6.

• Prior to installation of FL-6, FL-5 would process the balance of LFG flow not used by the LFGTE plant and the other 4 flares. FL-5 would have a modulating flow control valve (FCV-107) that would modulate to achieve a consistent vacuum to the wellfield utilizing pressure transmitter PIT-100.

• Once FL-6 is installed, FL-6 will be the primary to address compliance with SCAQMD Rule 1118.1, and its utilization will be maximized.
  o FCV-100 will be able to modulate flow to accommodate load changes or interruptions from LFGTE by ramping flow up or down in FL-6 (within permit limits) to maintain consistent vacuum at PIT-100.

• H2S treatment for FL-6 is described below.
  o In order to treat LFG for H2S for FL-6, LFG would be routed to the interim skid-mounted H2S treatment system.
  o HV-110 would be normally closed forcing LFG to pass through the H2S treatment skid. From there the operator would utilize a smaller blending valve HV-111 to allow some LFG to bypass the treatment skid to achieve the desired concentration at the flare inlet. This blending valve allows the operator to optimize media usage.

6.2 INTERIM LFGTE PLANT TREATMENT SCENARIO (FIGURE 8)
This section describes the optional scenario where FL-6 utilizes the existing LFGTE plant H2S treatment system to reduce H2S concentrations.

• Blower and FCV-100 interaction is the same as described in section VI.a.2 through VI.a.5a where the blowers maintain 2 PSI pressure at PIT-101 and FL-6 modulates overall flow using FCV-100 to maintain 60-inches of vacuum to the wellfield at PIT-100.

• The difference from the standalone H2S treatment scenario is that this option does not require an interim treatment skid dedicated for FL-6. Additional detail is provided below.
  o A 12-inch line would be tied into the outlet of the existing LFGTE plant H2S treatment system in order to send treated LFG to FL-6. It is our understanding that two (2) of the existing
treatment vessels are utilized as standby vessels. This option may require utilizing the standby H2S treatment vessels to increase capacity of the system.

- HV-110 would be normally closed to prevent unwanted untreated LFG from flowing to the flare. A smaller blending valve (HV-111) would be utilized to allow some untreated LFG to blend with the treated LFG from LFGTE plant to achieve the desired inlet concentration.

### 6.3 FINAL BUILDOUT SCENARIO (FIGURE 9)

This section describes typical process control narrative for Stage 3 (Figure 6). However, Stages 1 and 2 operate in very similar manner as described below.

- In Stages 1 through 3, LFG is pulled through the media vessels utilizing the proposed modular blower skids. This configuration was proposed for the following reasons:
  - Does not require aftercooler because LFG is pulled through the vessels prior to compression in the blowers. The uncompressed LFG is at a lower temperature and will not require cooling.
  - LFG entering the vessels prior to compression also results in higher relative humidity which is preferred for the proposed activated carbon system.
  - While placing the vessels on the vacuum side of the blowers will create additional pressure loss through the media, sizing the main blowers to accommodate this pressure drop in the media, eliminates the need for adding booster blowers. This simplifies the operation and results in more efficient blower usage.
  - Placing the vessels on the vacuum side of the blowers utilizes the available space west of the blowers more efficiently as LFG can generally travel west to east without changing direction.

- Once LFG is pulled through the integrated H2S treatment vessels the process is very similar to previous process narratives. The blowers maintain 2 PSI pressure at PIT 101 and FL-6 and FL-7 modulate overall flow using FCV-100 and FCV-200 to maintain 60-inches of vacuum to the wellfield at PIT-100.

### 7.0 CONCEPTUAL ROM COST ESTIMATES

#### 7.1 ENGINEER’S ESTIMATES

SCS has prepared engineer’s estimates for each stage of the master planning effort, including but not limited to site preparation, foundation, and equipment costs. However, it is understood that each stage could be divided into additional subphases as necessary to accommodate the needs of the site. The engineer’s estimates included in this report are in the range of 15%.

#### 7.2 EQUIPMENT ESTIMATES

- Flare equipment estimates were based on the actual costs for Flare 6 from Perennial Energy Inc.
- Blower Skid estimates were provided by John Zink Hamworthy Combustion® based on similar project scopes.
• Interim H2S Treatment Skid cost including treatment vessels, air cooled aftercooler, pre and post filters were provided by Willexa Energy. Willexa provided the existing Siloxane Removal System used by LFGTE.

• H2S Treatment Vessels estimates were based similar SCS installation in Southern California

7.3 CONSTRUCTION AND INSTALLATION ESTIMATES

Engineering, permitting and construction estimates are based on SCS experience with similar projects in Southern California in the last 5 years.

Cost Estimates for near term phases do not account for COVID related cost increases such as material shortages or delivery delays. Cost estimates for future stages utilize present day costs and is not adjusted for inflation.

8.0 LIMITATIONS

Timing for each stage of construction will be dependent on actual LFG collection requirements. SCS utilized a 2011 LFG recovery model provided by OCWR and utilized a conservative 90% collection efficiency. As a result, this effort has planned for up to 30,000 SCFM of LFG. However, this effort did not take into account future regulations like SB 1383 that requires 75% organics diversion from landfills, by the year 2025. Regulations such SB 1383 could have a drastic impact to future LFG generation, and it is understood that it is possible that the site does not reach 30,000 SCFM of collected LFG. The modular design approach to expanding the blower flare facility will provide OCWR the flexibility to address this uncertainty, wherein additions will be made directly in response to actual field conditions.

Existing Switchgear

The Frank Bowerman Landfill Flare Station is fed by a 277/480V, 800A, NEMA 3R switchgear. That service has been in service since approximately 1992. The original connected load was so low that the original current transformers (CTs) were only rated for 200 amps with a ratio of 200:5. As the site added additional loads over the years, the original materials installed by Southern California Edison (SCE) were overloaded. In the last year, SCE replaced the pole mounted transformers, pulled new conductors from the pole to the switchboard and increased the CTs to 600:5. The connected load on the switchgear is well over the 80% loading permitted for new installations. However, after looking at one year’s worth of billing, we were able to determine that the peak demand was only 443 amps. This allowed the site to increase two blowers from 75 hp to 100 hp. However, the switchgear is in poor condition and it has reached its capacity for additional loads. Attachment 1 is a single line diagram of the existing flare station and its connected loads. The total connected load for the existing service is 748 amps at 480V.

Table 1: Existing Service Peak Demand History

Flare 6 Electrical Requirement

With increasing production of landfill gas at FRB, the installation of a new Flare 6 is a necessity. In order to meet the low NOx air quality standard, the flare requires the use of a 200 hp combustion air blower. That new load exceeds the capacity of the existing 800A service. It will be supplied power, via a new 400A circuit breaker, installed in the production facility’s 5,000A, 480V switchgear. Attachment 2 shows the single line diagram of the production facility’s 5,000A switchgear and the addition of the Flare 6 control panel which powers the 200 hp combustion air blower.

During the permitting process of the new flare, a new requirement from SCAQMD, required an additional 100 hp blower for an H2S removal system. We considered the installation of a 200A circuit breaker in either Distribution Panel 1 (DP1) or Distribution Panel 2 (DP2) of the production facility. Those
are also shown on the single line diagram in Attachment 2 and are fed by 1,200A Trip, 1,600A Frame circuit breakers in Switchgear 4. The connected load of DP1 is 1,240 amps and the connected load of DP2 is 1,071 amps. Their load schedules are attached as Attachments 3 and 4. We performed 14-day load studies on each panelboard to determine actual peak demand. Adding a circuit breaker to one of these panelboards is less expensive and less time consuming than adding an additional circuit breaker to Switchgear 4. The single line diagrams for DP1 (Attachment 5) and DP2 (Attachment 6) are attached.

The results of the load studies on distribution panels DP1 (Attachment 7) and DP2 (Attachment 8) in the switchgear room for the Montauk power generation facility at the FRB Landfill. Both panels were monitored for two weeks each. Both distribution panels are rated at 1,200 amps. DP1 average load varied between 259 and 296 amps per phase. The peak demand varied between 659 and 740 amps per phase. The 740 amps is the worst case load of the connected load for DP1. DP2 average load varied between 308 and 330 amps per phase. The peak demand varied between 658 and 677 amps per phase. The 677 amps is the worst case load of the connected load for DP2.

The 100 hp blower is rated for 124 amps. We attribute 125% worst case condition, which would be 155 amps. If we added that new load to the peak demand load of DP2, the worst case scenario is 832 amp load on DP2. That is 69.3% of the 1,200 amp rating of the distribution panel. This is allowed per the NEC.

The decision has been made to supply power to the 100 hp H2S removal blower by adding a 200A fused disconnect switch at the existing 800A MCC. The revised single line diagram is Attachment 9.

The long term SCAQMD requirement for H2S removal will be addressed by a removal system on the inlet side of the LFG blowers, which will remove the requirement for booster blowers.

The production facility has a separate connection to Southern California Edison. The overall single line diagram of the production facility is attached as Attachment 10. Attachment 11 is an aerial photo of the facility showing the location of the various switchgear in relation to the flare station.

New Service For Future Loads

Due to the increased landfill gas production expected in the future, FRB must try to accommodate significant new motor loads that cannot be supplied by the existing service. The site is planning to replace existing landfill gas blowers with (8) 300 hp landfill gas blowers. The site is also planning to install larger SCFM, low NOx flares that will also require (6) 200 hp, combustion air blowers. There is also the possibility of a new RNG facility which could have a connected load of 4,000 hp at 5,000 amps at 480V.

All of these loads at 480V, add up to connected load of approximately 10,000 amps (Load Schedule spreadsheet in Attachment 12). This is too many amps for a service entrance. Southern California Edison provides electrical power to the site at a distribution voltage of 15 kV. We are recommending the installation of a new, 1,200A, 15 kV switchboard which could supply power to existing loads and any future loads with feeder breakers and stepdown transformers to reduce the voltage to 480V. A preliminary single line diagram for the medium voltage switchgear, stepdown transformers, and 480V switchgear and/or motor control centers is attached as Attachment 13. A specification for the medium voltage switchgear is attached as Attachment 14. Attachment 15 is a preliminary drawing showing the dimensions of the medium voltage switchgear. It is approximately 24’-6” wide, 8’-2” deep and 8’-9” tall.
When the new service is installed, it will have a feeder breaker to feed a 1 MW stepdown transformer. This will supply 480V power to a new 1,600A switchgear to feed existing loads as well as the control panel for Flare #6 which powers the 200 hp combustion air blower. A drawing of this switchboard is in Attachment 16. Technical specifications for the switchboard and a Mini Power Center for 120/240V loads is in Attachment 17.

A revised final cost estimate for the new service and succeeding Stages is attached as Attachment 16.

The proposed location of the new service for the flare station and future RNG facility are going to require the relocation of an existing septic system. The septic system layout and details are attached as Attachments 19 and 20 respectively.

An overall layout and design of the future switchgear, transformers and motor control centers is recommended. Submission of design drawings to SCE is required to verify that they can accommodate the site’s future needs and overall planning. The flare station electrical service design has to be coordinated with the other meters on the site which need to be consolidated into one service for the site.

# Switchboard General Information

**Pow-R-Line Xpert - Specifications**

- **Quantity:** 1
- **Alignment:** Front Access/ Front and Rear Align
- **Service:** 480Y/277V 3-Phase 4-Wire
  - **Minimum Interrupt Rating:** 65 kA

## Bus Specifications

- **Bus Amps:** 1600
- **Neutral Amps:** 1600
- **Bus Material:** Copper
- **Bus Bracing Rating:** 65kA
- **Ground Bus Material:** Copper Ground Bus Bolted To Frame, (1) #6-350 kcmil Ground Lug

## Bus Bracing Rating: 65kA

- **Heat Test**

## Ground Bus Material: Copper Ground Bus Bolted To Frame, (1) #6-350 kcmil Ground Lug

## Incoming Information

- **Incoming Entry:** Bottom
- **Incoming Location:** Left
- **Incoming Qty & Size:** Terminals, Mechanical, (5) #4-500 kcmil, Bottom

## Structure Specifications

- **Non Service Entrance**
- **Enclosure Type:** Type 3R (nonwalk-in) Flat Roof
- **Enclosure:** Outdoor Enclosure Configuration Per Euserc Dwg 354
- **Seismic Label (IBC/CBC Seismic Qualified) - Freestanding**
  - Refer to seismic installation data sheet TD01508002E and drawing 1A32497 for details.

ISSUE: High Speed Rail

SUMMARY/ACTION ITEM: Oppose ongoing and any additional state or federal funding for the California High Speed Rail Project. Redirect funding to local infrastructure projects and/or help balance the state budget.

DEPARTMENT: County Executive Office
STATE/FEDERAL: State/Federal

Please see attached research
Executive Summary

The initial idea of building a high-speed railway in California began in 1981 but was not set in motion until the creation of the California High Speed Rail Authority (HSR) in 1994. The passing of Proposition 1A in 2008 by the voters allowed for government bonds to be used for the building in the railway and allow for design and building for the project to officially begin.

Currently the railway is in development and construction in the California Central Valley. In total, 422 miles has gotten environmental clearance for development, but the Los Angeles to Anaheim corridor, is still in the draft stages of its EIR/EIS; suspected final in December 2025. Northern and Southern California will not see construction until after 2030, only if funding is obtained.

This project has been highly flouted for its various benefits for decreasing carbon emissions, helping travel congestion in California, increase economic growth and bring communities together. While the agency promotes the benefits of the project, there has been little progress in the construction of the railway for these benefits to be felt by California residents.

Current project expenditures are at 10 billion dollars with California paying for 85 percent and the Federal government paying for 15 percent. The legislature would be more supportive if the Federal government can promise more funds in the future and change the funding separation to 65 and 35 respectively. Even with the push by the HSR for more funding from the Federal governments through permanent grant allocations, funding has still not been acquired past 2030. There is only 13-15 billion dollars remaining, but the projected costs for the entire project are estimated at 88 to 128 billion dollars and the OC corridor will range from 31 to 52 billion dollars. OC stations will be in Fullerton and Anaheim, using the existing Amtrak/Metrolink stations to house the high-speed rail.

Background

- In 2020 the HSR board approved the environmental documents for the Fresno to Bakersfield project section allowing for the beginning of clearance of 171 miles of the railway system
- The Authority has 119 miles of active construction in the Central Valley with dozens of active construction sites, with the line from Merced to Fresno to Bakersfield going through the first round of construction.
- While design work for construction in the Central Valley is fully complete, construction has been slowed down due to supply chain issues from the pandemic, rising interest rates, inflation, problems with construction (rerouting public utilities lines), and flooding in the past year in the central valley.
- The Authority has acquired 96% of the right-of-way parcels needed for construction in the Central Valley.
• Several active environmental litigation cases over the California Environmental Quality Act have slowed down the central valley development.
• The CA state legislature approved for an Inspector General to do an audit of the HRSA in 2022.
• When complete, the High-Speed Rail will carry an estimated 31 million riders annually.
  o Ridership is forecasted to be down by 25% due to pandemic effects on public transportation usage.

Funding

• Total Expenditures to date have been over 10 billion dollars.
• The HSRA is looking for an additional eight billion dollars in funding through the Bipartisan Infrastructure Law and hopes for a future permanent annual grant allocation by the federal government.
• Phase 1 Project Development Section for the Los Angeles to Anaheim Corridor has a cost of 71,336,750 from the total FY2006-2007 to FY 2021-22 with an additional 2,426,118 dollars for FY2022-23 (July-March) expenditures totaling over 73 million dollars to date.
• Funding for the Bay Area or Southern California area has not been acquired, only funded allocated and being used is for central valley.
• Federal
  o FRA ARRA and FY 10 Grants and EPA Brownfields Grant
    ▪ 2.55 billion in ARRA grant funds
      • Used for the initial construction in central valley and engineering/environmental reviews for the 500-mile phase 1.
      • 929 million of FY10 Grant for construction and electrification in the central valley
        o Will be used in 2024.
      • Six hundred thousand in brownfield grants through the US EPA
        o Cleanup and community involvement activities around LA Union Station
  o Bipartisan Infrastructure Law (BIL)
    ▪ In 2021 and 2022, the Authority received $49 million in funding from two Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grants. Initial $24 million for state route 46 given and later $25 million for the Merced extension segment.
    ▪ The Authority has submitted 6 grant applications, pending federal decisions, and plan to submit multiple federal grant applications over the 5-year BIL program with a total award target of about $8.0 billion.
      • Would cover the central valley cost and allow for the Bay Area and Los Angeles/Anaheim designs cost to be covered.
      • Competitive grants eligible for:
- Federal-State Partnership for Intercity passenger rail grants (F-S PIPR); Consolidated Rail Infrastructure and safety improvements (CRISI); National Infrastructure Project Assistance Program (NIPA); Local and Regional Project Assistance Program (L&R) (RAISE Grants); Nationally Significant Multi-modal freight and highway projects (NFRA Grants); The Federal railroad administration railroad crossing elimination program.

- If granted the estimated eight billion dollars, it would change the California/Federal contribution structure to 65 to 35 percent versus the current 85 to 15 percent.

- The Authority is proposing to construct Merced and Bakersfield in phases as federal funding is awarded.

- **State**
  - Proposition 1A
    - In 2008, voters approved Proposition 1A, which provided a total of $9.95 billion for high-speed rail planning and construction, along with regional connectivity projects. Of the total, $9 billion of the proceeds are being or will be used to build the high-speed rail system.
    - 2012, 3.7 billion was appropriated for Central Valley, Caltrain electrification in Northern California and the Links US and Rosecrans/Marquardt Grade Separation Projects
    - 1.1 billion for administrative and project development costs
    - appropriation of the remaining $4.2 billion in Proposition 1A funds in 2022 through AB Bill 180 and Senate Bill 198
  - Cap and Trade funds
    - Twenty-five percent of the total annual cap and trade funds is allocated to the high-speed rail.
    - Last four auctions (February 2022, May 2022, August 2022, November 2022) equated to 962 million in total revenue for the High-Speed Rail

- **2023-2024 CA budget May revision for transportation**
  - $5.65 billion for high-priority transit and rail infrastructure projects that will improve rail and transit connectivity between state and local/regional services that are designed to reduce traffic congestion and greenhouse gas production.
  - $4.2 billion for the High-Speed Rail Authority to continue building the 119-mile Central Valley Segment from Madera to just north of Bakersfield.
  - $1.4 billion for Active Transportation Program projects, the Highways to Boulevards Pilot, and bicycle and pedestrian safety projects.
  - $1.2 billion for projects that improve goods movement on rail and roadways at port terminals.
- $350 million for grade separation projects
  - While funding currently has only been through the federal and state government, there are plans to gather private sector investment for the future.

Future Plans

- Plan is to have all environmental documents for the 500-mile system connecting San Francisco and Anaheim complete by 2025.
- By 2028, complete design and begin train testing of the initial 119 mile between Madera and Poplar Avenue.
- Between 2030 and 2033 begin high speed passenger service between Merced, Fresno, and Bakersfield. Additionally, get 30% of the design done by 2030 for the Northern and Southern California sections so construction can start when funding is stabilized.

Concerns:

- Should have secured all funding before construction as recommended by the CA LAO office in 2012.
- Too much funding is needed with little foresight that the appropriate amount will ever be acquired.
- The suspected ridership has gone down by 25% in the most recent report, and the main highlight for the project, transportation from the Bay Area to Southern California, will be constructed last.
- Need to reform the National Environmental Policy Act regarding high-speed rail.
- Instead of following Interstate 5, the train would travel through the cities on the east side — more passengers, but also more delays, more complications over acquiring land, more environmental problems.
- A lot of decisions about where the railway and stations would be placed were made in part from lobbyist pressure, and political decisions, rather than engineering and cost efficiency.
